Sir/Madam,

Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”)

This is with reference to our earlier letter nos. APL/SEC/SC/03/487 dated 31st March 2010 and APL/SEC/FY13/01/65 dated 20th February 2013, wherein it was, *inter alia*, informed that the Company had set up a paint manufacturing plant at Khandala, Satara, Maharashtra (“Khandala plant”) with an installed production capacity of 3,00,000 KL per annum (original installed production capacity) and an ultimate production capacity of 4,00,000 KL per annum.

The existing capacity utilisation of the Khandala plant is at around 80% of the original installed production capacity.

This is to inform you that the original installed production capacity of the Khandala plant has been increased to 4,00,000 KL per annum in order to meet the medium-term capacity requirements of the Company. An amount of Rs. 385 crores (approx.) has been invested by the Company towards the above increase in installed capacity and the same has been funded through internal accruals.

The intimation is being submitted today being the first working day after receipt of the necessary approval from the Maharashtra Pollution Control Board, Mumbai.

You are requested to take the above information on record.

Thanking you,

Yours truly,

For **ASIAN PAINTS LIMITED**
