Dear Stakeholders,

Warm Greetings!

As we move into the festive season and onto the precipice of a New Year, we at LOTUS are very excited to be the harbinger of good news. The profits at the half – yearly stage already stood at a high, in tune with the forecast made at the Annual General Meeting. And with your belief and confidence in us, we are happy to announce and share, that our New Branch at Tirupur is now functional and ready to serve.

Tirupur has always been one of the key contributing branches of your organization. With the dedicated efforts of our staff and medical team, the branch grew in proportion and needed a bigger and better space. The think tank of the top management have carefully curretted and customised the new shift, keeping pace with the need and demand.

The new building is state of the art, with latest technologies and a dedicated medical and non- medical staff. The new building promises a beginning of a new era in Tirupur for LOTUS and its stakeholders alike. We are excited and honoured to serve you all.

Wishing you and your family a very happy and prosperous New Year 2022!
