Sub.: Disclosure under Regulation 30 read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015

Dear Sir/Madam,

Pursuant to Regulation 30 read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 (Listing Regulations), this is to inform you that the Company vide letter dated December 29, 2023 has received approval from Maharashtra State Electricity Distribution Co. Ltd. for Permission to Commission (PTC) for synchronization of 5.615 MW plant capacity in the 15 MW solar park at Village Bhanos Tal. Patur Dist. Akola.

The details as required under Regulation 30 is stated below:

Sr. No.	Name of Generator	Location of Solar PV Power project	Capacity in MW	Option for use of solar energy
1	M/s. Blue Jet Healthcare Limited	Village Bhanos Tal. Patur Dist. Akola	5.625	Captive

This solar plant is a part of the 'go green initiative' of the company and can generate up to 11 million KWh of power annually. With the on-streaming of this solar plant and the existing windmills of the company, approximately 75 percent of the energy requirement of the company shall be met from green sources which will lead to a carbon foot print reduction of approximately 10,000 mts on an annualised basis.

The letter as stated above is enclosed as **Annexure - "A"**.

This is for your information and record.

Thanking you,

Yours sincerely,

For **BLUE JET HEALTHCARE LIMITED**

No. CE/RE/Solar/PTC/

37723

Date:

29 DEC 2023

To,
The Superintending Engineer,
O & M Circle, MSEDCL,
Akola.

Sub: Approval for Permission to commission (PTC) 5.615 MW plant capacity in respect of M/s. Blue Jet Healthcare Ltd. in the 15 MW solar park of M/s. Prozeal Infra Engineering Pvt.Ltd. at Village Bhanos Tal. Patur Dist. Akola.

Ref: (1) GoM RE Policy 2020 (G.R. dated 31.12.2020).
(2) Methodology to GoM RE Policy dated 11.05.2022.
(3) B.R.No.1170 dated 02.02.2018.
(4) MSETCL/CO/STU/Solar/8826 dated 26.12.2023.
(5) Letter from MEDA vide no. PGN/GSPP-1669/2023-24/Reg. No. 343/131 dtd.04.10.2023.
(6) E-mail by M/s. Blue Jet Healthcare Ltd. on dated 25.11.2023 and further correspondence on 29.12.2023.

M/s. Blue Jet Healthcare Ltd. has requested to issue permission to commission for their 5.615 MW Solar Plant in the 15 MW solar park of M/s. Prozeal Infra Engineering Pvt.Ltd. Ltd. at Village Bhanos Tal. Patur Dist. Akola.

The details are as under:

Sr. No.	Name of generator	Location of Solar PV Power project	Capacity in MW	Option for use of solar energy
1	M/s. Blue Jet Healthcare Ltd.	Village Bhanos Tal. Patur Dist. Akola.	5.625	Captive

In view of above, it is proposed that

The permission only for commissioning of the new solar power plant in respect of M/s. Blue Jet Healthcare Ltd. (5.615 MW), in the 15 MW solar park of M/s. Prozeal Infra Engineering Pvt.Ltd. Ltd. situated at at Village Bhanos Tal. Patur Dist. Akola may be granted subject to following terms & conditions:

- The permission for commissioning of the said solar PV project shall be valid for 30 days from the date of this letter.
- This is specifically informed that MSEDCL will not buy this power.
- The permission to commission is granted subject to the condition that all the statutory clearances are obtained by the generator and are in place and all the relevant Regulations

including MERC RE FORECASTING and SCHEDULING Regulations are complied with. It is mandatory to provide visibility of real time generation data to SLDC through RTU-DC & V-SAT as per undertaking provided.

- d) The permission to commission is granted only for synchronization of the project. This permission to commission shall not by itself entitle the solar generator to interchange any power with grid unless it has valid contract with any private entity within Maharashtra via Open Access permission granted by MSEDCL as per MERC (DOA) Regulations, 2016 as amended from time to time. The solar generator will be disconnected in case the solar generator has no valid open access permission granted by MSEDCL as per MERC (DOA) Regulations, 2016 as amended from time to time.
- e) Further, the infirm power injected into the grid during the period from the date of synchronization up to the date of commencement of open access shall be treated as lapsed as per the Regulation 5 of MERC (Distribution Open Access) Regulations, 2016 as amended from time to time.
- f) In case of emergency / to ensure grid security, the instructions issued by the State Load Dispatch Center from time to time shall be binding on the solar generator and the plant shall back down or shut down the generation if system conditions so warrant. The solar generator shall not be entitled for any compensation whatsoever in such case.
- g) After commissioning of project, the certificate of commissioning shall be issued by SE O&M of concerned circle office who will be the Nodal Officer.
- h) Nodal Officer i.e., Superintending Engineer of concerned O & M Circle, MSEDCL shall disconnect the plant if the solar generator has no valid open access permission and compliance report for disconnection of solar plant shall be submitted to renewable energy section invariably by concerned SE, O & M Circle.
- i) It will be the sole responsibility of Nodal Officer to ensure monitoring and adherence of all the stipulated terms & conditions by the solar generator as mentioned above and will be personally held responsible for deviation if any.
- j) Notwithstanding, any reference on any other documents, the operations of your unit will be abided by the State Grid Code 2020, MERC (Forecasting, Scheduling and Deviation Settlement for Solar and Wind Generation) Regulation 2018 and Procedure for Forecasting, Scheduling and Deviation Settlement for Solar and Wind Generation and amendment thereof and any other related Regulations issued by CERC/MERC time to time.

This is for your information and further necessary action.
