Notes:

1. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 9th February 2021. These results have been subjected to Limited Review by the Statutory Auditors of the Company.
2. Post relaxation of lock down by the Government, the plants situated at Dighe, Thane in the State of Maharashtra and Ginigera, Koppal in the State of Karnataka became partially operational as per guidelines of the Government with effect from first week of May 2020. Presently, Company's steel production have already achieved near full capacity. The stress on liquidity position was partially mitigated by the relief given by the Government, RBI, Electricity Distribution Companies, etc. Management expects that considering the nature of its business operations, existing customer and supplier relationships, impact on its business operations, if any, arising from COVID -19 pandemic may not be significant in the long run and would be able to recover carrying amount of all its assets as appearing in the consolidated financial statements and meet its entire financial obligations in the near future. The impact of COVID 19 pandemic may be different from that estimated as at the date of approval of these consolidated financial results. The Management will continue to monitor any material changes to future economic conditions.
3. Petitions filed with NCLT for Scheme of amalgamation between Adore Traders and Realtors Private Limited, a wholly owned subsidiary of Mukand Global Finance Limited with the parent company MGFL, followed by the amalgamation of MGFL and Mukand Engineers Limited with the Company are yet to be approved by NCLT. The Scheme shall be effective from the appointed date 1st April, 2019 on receipt of NCLT order and filing the same with Registrar of Companies and therefore the above results do not include effect of amalgamation of these Companies with the Company.
4. Mukand Ltd has opted for Taxation of its income under Lower Tax Regime from financial year 2019-20 onwards and Vivad-se-Vishwas (VsV) Scheme for some of the pending appeals. Necessary effect thereof has been given in the above results under the head "Tax Expense".
5. Management's response to the observations of the auditors on the consolidated financial statements for the year ended 31-03-2020:
 - a. The investments in and debts / advances due from Bombay Forgings Limited (BFL) was at Rs.34.66 Crore (net of provision for expected credit loss) as at 31st December 2020 as against Rs. 38.18 Crore (net of provision for expected credit loss) as at 31st March 2020. The management, considering the value of unencumbered fixed assets and current assets of BFL, considers the balance dues to be 'Good' and adequately covered and barring unforeseen circumstances expects full realisability of the same in future.

- b. In accordance with the Scheme of Amalgamation as sanctioned by the NCLT, Mukand Sumi Special Steel Ltd., a joint venture, has recognized goodwill on amalgamation amounting to Rs. 1,834.84 Crore which is amortized over its useful life. This accounting treatment is different from that prescribed under Indian Accounting Standard (Ind AS 103) - 'Business Combinations' for business combination of entities under common control.
- c. As regards Mukand Engineers Ltd (MEL), an associate company, the Company had filed Company Scheme Petition seeking sanction of the NCLT, Mumbai bench and the same was admitted by NCLT Special Bench, Mumbai on 23rd April, 2020. Final hearing on the petition and approval of the Scheme by NCLT is awaited. The Scheme is also subject to requisite approval of other Statutory or Regulatory authorities as may be applicable. Independent Auditor's Review Report on quarterly and year to date Unaudited Consolidated Financial Results of Mukand Limited pursuant to the Regulation 33 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015

To The Board of Directors

Mukand Limited

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Mukand Limited ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of the net loss after tax and total comprehensive loss of its associates and joint ventures for the quarter ended December 31, 2020 and for the period from April 01, 2020 to December 31, 2020 ("the Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of the personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

4. The Statement includes the results of the following entities:

Sr. No.	Name of the Entity	Relationship
1	Mukand Limited	Parent Company
2	Mukand Global Finance Limited	Subsidiary
3	Vidyavihar Containers Limited	Subsidiary
4	Mukand International FZE	Subsidiary
5	Adore Trades and Realtors Private Limited	Step-down Subsidiary
6	Mukand Sumi Special Steel Limited	Joint Venture
7	Mukand Sumi Metal Processing Limited	Joint Venture
8	Hospet Steel Limited	Joint Venture
9	Mukand Engineers Limited	Associate
10	Stainless India Limited	Associate
11	Bombay Forgings Limited	Associate

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, and based on the consideration of the review reports of the other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to following matters in the notes to the Statement:
- Note 2 to the Statement, which explains the management evaluation on the impact of COVID 19 pandemic situation on the operational and financial position of the Group which is further dependent upon the circumstances as they evolve in the subsequent period.
 - Note 5(a) to the Statement, relating to exposures in Bombay Forging Limited ("BFL") aggregating Rs. 34.66 crores (net of provision for expected credit loss) as at December 31, 2020. The management, barring any significant uncertainties in future, has considered the value of unencumbered fixed assets and current assets of BFL for the balance portion of exposure in BFL.
 - Note 5(b) to the Statement, relating to the accounting treatment of goodwill amounting to Rs. 1,834.84 crores in the books of Mukand Sumi Special Steel Limited ("MSSSL"), a Joint Venture, which is amortised over its useful life in accordance with the scheme of Amalgamation as sanctioned by the National Company Law Tribunal ("NCLT"). As a consequence, depreciation and amortisation expense for the quarter ended December 31, 2020, in the books of MSSSL includes Rs. 23.12 crores on account of amortisation of goodwill. This accounting treatment is different from that prescribed under Indian Accounting Standard (Ind AS 103) 'Business Combinations' for business combinations of entities under common control. Had the accounting treatment prescribed under Ind AS 103 been followed, the depreciation and amortisation expense as well as loss before tax for the quarter ended December 31, 2020 would have been lower by Rs. 23.12 crores.
 - Note 5(c) to the Statement, wherein the Statutory Auditor of an associate company, Mukand Engineers Limited ("MEL"), have drawn reference to following para in their review report:

Note 4 of the financial result of MEL, which states that the MEL has incurred a net loss of Rs. 8.18 crores during the quarter ending December 31, 2020 and has accumulated losses amounting to Rs. 74.35 crores, as on December 31, 2020 resulting in to erosion of the Net worth of MEL. During the period under review, Fund flow of MEL has been impacted on account of general slow-down in the business, which may also seriously impair MEL's financial position. This indicates that a material uncertainty exists that may cast significant doubt on the MEL's ability to continue as going concern. However, keeping in mind the ongoing restructuring exercise by the MEL, it is believed that the business will be able to generate sufficient profits in future to meet its financial obligations, these financial results have been prepared using going concern basis of accounting.

Our report is not modified in respect of these matters.
