Former CM Kamal Nath and MP Nakul Nath had flown to Delhi on February 17 amid speculations about joining BJP. But things did not work out there. In their 160 hours, BJP has created many problems for the father and son on the political chessboard of Chhindwara. Along with this, it is still not certain that Nakul Nath will contest the elections from Congress only.

Actually, the wind is blowing in the opposite direction in Chhindwara. That means an atmosphere is being created against Kamal Nath. These close to him are turning towards BJP. This is also important because Nakul Nath won the 2018 Lok Sabha elections by only 36 thousand votes. Kamal Nath was the Chief Minister at that time. After 5 years, now Kamal Nath is neither the CM nor does he have the same status. BJP has started its action plan to ouster Chhindwara. Here, even before Kamal Nath returned to Chhindwara, BJP made many of his close relatives wear saffron scarves.
