Centre forms task force after monkeypox death

Nigerian man second case in Delhi; 20-yr-old in Rajasthan shows symptoms

SHINE JACOB
Chennai, 1 August

The National Institute of Virology (NIV) in Pune on Monday confirmed the death of a 22-year-old man from Punayur in Thrissur district of Kerala as the first case of monkeypox fatality in the country.

This comes a day after State Health Minister Veena George indicated that the man had tested positive in the United Arab Emirates (UAE). The youth, who landed at Calicut International Airport (also known as Kariapur Airport) from the UAE on July 22, died on July 30 at a private hospital near Chavakkad in Thrissur.

So far, Kerala has reported four monkeypox cases.

A 35-year-old Nigerian man, living in Delhi and having no recent history of foreign travel, has tested positive for monkeypox, official sources said on Monday. He is the second person in Delhi to test positive for the infection. He has no recent history of foreign or local travel, sources told PTI.

The Nigerian national is admitted to the Delhi govern-

African swine fever reported in Kerala

Barely a week after over 300 pigs were culled in Wayanad district of Kerala to prevent spread of African swine fever detected there, new cases have been reported in the state.

Wayanad and Kannur each reported one case said the respective district officials said. The latest incident of African swine fever in Wayanad has been reported in Nemmeni village of the district on Monday. The new case has made the Animal Husbandry department sound an alert in the district. The Deputy Director of Animal Husbandry in Wayanad, Dr Rajesh, told PTI that 193 pigs in and around the Nemmeni farm in Sultan Bathery will have to be culled this week to prevent the disease from spreading. There are over 20,000 pigs spread in 222 pig farms in Wayanad alone. Samples will be collected from these farms as part of surveillance, he said. According to the Food and Agriculture Organisation (FAO), African swine fever is a highly contagious and fatal viral disease of domestic pigs.

ment-run LNJP Hospital, the nodal hospital for treatment of the infection.

In Rajasthan, a 20-year-old, exhibiting symptoms of the disease, has been admitted to a government hospital and his samples have been sent to NIV in Pune, Ajit Singh, superintendent of Rajasthan University of Health Sciences, said on Monday. The youth is suffering from fever for the last four days

and has rashes on his body, Singh said.

The Centre has constituted a task force, headed by Member (Health), NITI Aayog V K Paul, to look into cases of monkeypox in the country.

According to sources, a test of the samples of the youth was conducted at NIV in Alappuzha first. When the results turned positive, samples were sent to Pune for a

detailed analysis. The state has already drawn up a route map of the deceased youth. Around 15 people, who were in close contact with him, have been asked to isolate as precautionary measure.

Based on media reports, the samples of the youth tested positive on July 19 and July 20 in the UAE, and yet he travelled to Kerala. Even after the state government came out with a standard operating procedure at airports on July 19, authorities failed to detect the case.

What is a cause for concern to authorities is that his public contact list may be even higher. The youth had even played soccer with friends before his health worsened. The family had informed authorities about the tests conducted in the UAE only after his condition deteriorated after July 27.

On Sunday, the district medical officer conducted a high-level meeting at Punayur. This was followed by a meeting with health workers by the panchayat on Monday. After four cases were reported, the authorities released an SOP to be followed at airports.

Raut to be in ED custody till Aug 4

A special court on Monday remanded Shiv Sena leader Sanjay Raut to the custody of the Enforcement Directorate (ED) till August 4 in a money-laundering case.

The ED produced Raut before the Prevention of Money Laundering Act (PMLA) court judge M G Deshpande and sought his remand for eight days.

The ED told the court

that Raut and his family were direct beneficiaries of the proceeds of crime. Senior advocate Ashok Mundargi, appearing for Raut, submitted that the charges were vague and raised due to political vendetta.

The ED arrested Raut on Sunday midnight in connection with alleged financial irregularities in the redevelopment of a

'chaw' in Mumbai and related financial transactions involving his wife and alleged associates.

Latching on to BJP chief J P Nadda's comments that family-run parties will perish, Shiv Sena chief Uddhav Thackeray on Monday accused the ruling party at the Centre of conspiring to finish off regional outfits.

UP seeks to take embassies' help to boost exports

VIRENDRA SINGH RAWAT
Lucknow, 1 August

The Uttar Pradesh government will tap the Indian embassies in the US and European countries in its bid to double merchandise shipments to ₹3 trillion in the next 4-5 years.

The Indian embassies in the US, UK, Germany, Australia, Israel, Singapore, etc. will promote the micro, small and medium enterprises (MSME) products, apart from traditional handicrafts and indigenous products, under the state's flagship One District One Product (ODOP) scheme.

"Indian embassies will provide the much-needed traction and visibility to our traditional products in key export destinations across the globe," UP Additional Chief Secretary (MSME and export promotion) Navneet Sehgal told Business Standard.

Bucking the pandemic headwinds, the UP merchandise exports had jumped 30 per cent from ₹1.07 trillion in 2020-21 to more than ₹1.40 trillion in 2021-22, of which the ODOP basket contributed 72 per cent. The UP MSME department had already tied up with leading e-commerce platforms viz. Flipkart and Amazon to market the state's merchandise basket and

would make a similar pact with e-bay as well, Sehgal said. The state will also utilise the Open Network for Digital Commerce (ONDC) channel to foster merchandise exports. Promoted by the Centre, ONDC is mandated to promote the exchange of goods and services over digital networks. It is based on open-sourced and open network protocols, independent of any specific platform, thus providing an expansive selling-buying experience for institutional entities.

Among the top-selling UP products are leather goods, carpets, hand woven textiles, brassware, glassware, sports goods, etc. ODOP scheme, which was launched during the maiden UP Foundation Day celebrations in January 2018, is themed at promoting the state's traditional products and creating local level jobs. In fact, the state government has been organising virtual global buyer-seller meets over the past two years to augment MSME and ODOP exports.

"We are also looking at launching exclusive ODOP marts at fuel retail pumps, railway stations, airports, and bus terminals in the country. We will invite bids from private companies to set up such marts and work on a commission basis," Sehgal said.

Soon on e-com sites: Handicraft and handloom products

ANIL SHARMA
Jaipur, 1 August

The Rajasthan government has decided to promote the local handicrafts and handloom industry in a big way.

Various steps are being planned by the state government to give a boost to the sale of handloom, handicrafts and khadi products. Rajasthan is among the richest states in the country in terms of art and craft.

The state is known for its handicraft work like blue pottery, stone carvings, wood and sandal woodwork, carpets, metal work, leather craft and lac work, among others. Recently, Rajasthan's additional chief secretary of industries and commerce saw presentations from Amazon, Flipkart and Walmart.

The official discussed in detail with the representatives of these companies on how these products could be sold on e-commerce sites.

"The state is paying full attention to the sale of handloom and handicraft products. In the absence of proper marketing and advertising, the products remain confined to a few villages and towns. So, we thought of connecting them with e-commerce websites and social platforms," she said.

She said this will not only provide an open market for the products but also increase employment opportunities and income for the artisans.

State attempts to counter coal woes

R KRISHNA DAS
Raipur, 1 August

Reeling from a severe coal crisis, secondary steel makers in Chhattisgarh are looking to enhance supply from the mines in the state.

The mineral-rich state contributes about 20 per cent to the country's secondary steel output.

"The annual requirement of coal for steel industries, including captive power plants in Chhattisgarh, is around 20-22 MT. But we are getting hardly 25 per cent of the demand," said Anil Nachrani, member of the steel ministry's advisory committee for secondary steel industry and president of Chhattisgarh sponge iron manufacturers association.

Chhattisgarh Chief Minister Bhupesh Baghel has

tries and commerce saw presentations from Amazon, Flipkart and Walmart.

The official discussed in detail with the representatives of these companies on how these products could be sold on e-commerce sites.

"The state is paying full attention to the sale of handloom and handicraft products. In the absence of proper marketing and advertising, the products remain confined to a few villages and towns. So, we thought of connecting them with e-commerce websites and social platforms," she said.

She said this will not only provide an open market for the products but also increase employment opportunities and income for the artisans.

come out in support of the industry and has written to Union Minister Pralhad Joshi to address the issue. "You will agree that it would be a very unfortunate decision for the state to not be able to supply coal to its small-scale industries," Baghel said in his letter. He said South Eastern Coalfields Limited (SECL) had decided to stop the coal supply to Chhattisgarh-based steel units and other industries (except power sector) from August. "This would have a serious impact on the economy and the industrial facilities barring power plants had to be shut down," the Chief Minister said.

Baghel urged Joshi to direct SECL officers to continue the supply of coal. SECL spokesperson did not respond to the company's version on the issue.
