This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Consolidated Financial Results of the Company Pursuant to the regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**To the Board of Directors

1. We have reviewed the accompanying statement of unaudited Consolidated financial results of JINDAL DRILLING & INDUSTRIES LIMITED, ("the Parent") and its JV (the Parent and its Joint Ventures together referred to as "the Group") and its share of the net loss after tax and total comprehensive income of its joint ventures for the quarter ended 31.12.2020 and year to date from April 1, 2020 to December 31, 2020 ("the statement") attached herewith, being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, read with SEBI Circular No. CIR/CFD/CMD1/80/2019 dated July 19, 2019('the Circular').
2. This Statement which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34" Interim Financial Reporting "(Ind AS 34), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India read with Circular. Our responsibility is to express a conclusion on these financial statements based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Engagements to "Review of Interim Financial information performed by the Independent Auditor of the Entity" Statements issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
We also performed procedures in accordance with the Circular issued by the Securities and Exchange Board of India under regulation 33(8) of the Regulation, to extent applicable.
4. The Statement includes the results of the entities as mention below:

Joint Ventures
Discovery Drilling Pte. Ltd
Virtue Drilling Pte. Ltd

5. **Basis of Qualified Conclusion:**

We draw your attention to the following qualifications to the Review Report of the financial statements of Virtue Drilling Pte Ltd and Discovery Drilling Pte. Ltd, both Joint Ventures Companies of the Parent Company issued by an independent firms of Singapore vide its Report dated January 29, 2021 reproduced by us as under :

In Virtue Drilling Pte Ltd: -

The Company has investment in unquoted shares of US\$ 64,517,969 held in its related parties. These investments are carried at their original cost of investments as management is of the view that cost approximates fair value. Management has not determined the fair value of these investments using acceptable valuation methods as required by FRS 109, financial instruments. Consequently, we are unable to determine whether any adjustments to be carrying value of the investments as at December 31, 2020 would be required to be made.

1/3

In Discovery Drilling Pte Ltd.: -

Investment Securities

The total assets of the company as at 31st December 2020 include investment securities comprising of investment in equity shares amounting to US\$ 1,499,460 and investment in perpetual preference shares amounting to US\$ 14,299,742. The Company has classified the investment securities at fair value through other comprehensive income. As per FRS 109 these investments have to be stated at fair value on the date of adoption and should be re measured at fair value at every subsequent reporting date. The management has estimated that the cost of these investments approximates its fair value and hence no fair value gain or loss were recognized. However, we are unable to satisfy ourselves on the fairness of valuation of investment securities amounting to US\$ 15,799,2020. There were no other alternative audit procedures that we could perform to satisfy ourselves on the accuracy and valuation of investment securities. We were unable to determine and quantify whether any adjustments might have been found necessary in respect of investment and the elements making up the condensed statement of comprehensive income, statement of change in equity and statement of cash flows.

Also, the carrying value of fair value reserve included in reserves as at 31st December 2020 amounted to US\$ 855,000 for which we are unable to verify the basis and accuracy.

Material uncertainty related to going concern.

We draw attention to management's assessment of going concern. As at 31st December 2020, the company's current liabilities exceeded its current assets by US\$ 42,326,795 and the company's loss for the period from 01 April to 31st December 2020 amounted to US\$ 7,234,850.

This indicates the existence of material uncertainty that may cast significant doubt about the company's ability to continue as going concern. The financial statements are prepared on a going concern basis as the management is confident of cash flows generated from the existing bareboat charter hire agreement with incremental rate and the Company's ability to get fresh loans from bank. In case the company is not able to continue as a going concern adjustment may have to be made to reflect the situation in the financial statements and the company may have to provide further liabilities that might arise.

6. Qualified Conclusion

Based on our review, conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditor's, with the exception of the matter described in the preceding paragraph and referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standard specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of The regulation, read with the Circular, including the manner in which it is to be disclosed, or that it contains any material misstatement.

2/3

7. These financial results have been reviewed by the other auditors, whose reports have been furnished to us by the management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures in respect of these JV is based solely on the report of the other auditors and procedures performed by us as stated in paragraph 3 above. Our conclusion on the Statement is not modified in respect of the above matter.

8. Joint Ventures are located outside India whose financial results and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been reviewed by other auditors under generally accepted auditing standards applicable in their respective countries. The parent's management has converted the financial results of such Joint Ventures located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. Our conclusion in so far as it relates to the balances and affairs of such joint ventures located outside India is based on the review report of the other auditors and the conversion adjustments prepared by the management of the Parent and reviewed by us.
