## **OPERATING SCENARIO**

### **GLOBAL OVERVIEW – DOMESTIC & EXPORTS**

The global pandemic of Covid-19 affected the textile sector initially due to restriction of social gathering, migration of laborers as well as affecting all the stakeholders from farmers to traders/exporters in the value chain. However, the situation has improved in recent months and production and exports have looked up. At the same time, it has opened new window of opportunities which were previously less explored. India became globally the second largest manufacturer of Personal Protective Equipment (PPE.) The PPE refers to protective gears used for personal protection of users working in different hazardous conditions, including for healthcare professionals. The production of man-made fibre, filament yarn and spun yarn increased during last three year i.e. 2017-18 to 2019- 20. India's manufacturing sector activities eased slightly in February but firms were upbeat as they responded to increased new work intakes by stepping up production and purchasing activities. The seasonally-adjusted IHS Markit India Manufacturing Purchasing Managers' Index (PMI) fell marginally to 57.5 in February from 57.7 in January, indicating that even though the pace of growth eased from January it remained sharp in the context of historical data. The headline figure for February remained above its long-run average of 53.6. In PMI parlance, a print above 50 means expansion while a score below 50 denotes contraction. Indian goods producers reported a healthy inflow of new orders in February, a situation that underpinned a further upturn in output and quantity of purchases. The production growth could have been stronger if firms had appropriate resources to handle their workloads. This was evident from a quicker rise in outstanding business and another decline in inventories of finished goods. The production growth could have been stronger if firms had appropriate resources to handle their workloads. This was evident from a quicker rise in outstanding business and another decline in inventories of finished goods. However, employment decreased further amid COVID- 19 restrictions related to shift work. However, such controls will shortly be removed as the vaccination programmes widens. Once larger parts of the population are immunized against COVID-19 and restrictions start to be lifted, companies expect a gradual improvement in economic conditions which will translate into output growth. Meanwhile, goods producers expect output to increase over the coming 12 months.

### ***Micro level- overall performance***

Your company is struggling to attain the growth in sale of new product range in such slowdown market due to COVID 19 restriction. Under the Made-ups Division, company is growing and progressing very well in this segment in both Global and Domestic Markets. With changing global demands & stiff competition, your company has taken many steps towards its constant improvements, in creating new benchmarks in the industry, like constant improvements in design & development w.r.t advanced & versatile equipments, competent team which helps in reducing turnaround time from CADs to actual physical sample, ability to offer specific developments along with coordinated product across categories. Further relentless dedication of each and every employee who leave no stone unturned to take company to glorious height. Your company has formulated its strategies and has well identified key areas to improve performance in the current market scenario / environment. In the Auto and Technical Textiles segment, your company has reasonably done well. In processing division company has taken up the process optimization targets that will reduce process cost as well as process time without impacting product quality. Your company had made a new fabric with the use of Linen yarn development which have been commercialize. Your company also looking forward to expand the business in other segments during the current financial

year. It has also reinvented commodity products to have good response from exports as well as domestic buyers. The company has started new products during the period under review in Yarn segment. Under the Made-up & Fabric Products, your company offers a range of furnishing products for house and office use. Several initiatives were taken for update the quality and changing the product mix.

This are value added items with good demand in domestic and exports markets. The efforts to change the Product Mix at our Yarn Spinning Mill at Haridwar, adding value added Mélange Yarn, affected the production, temporarily thus adversely affecting the Productivity In the Auto & Technical Textiles segment. It is expected that the possibility of re-engineering the product constructions and raw materials utilization mix will give positive results. Your company is aggressively increasing share of business with existing customers & focusing on getting new strategic customers, focusing on increasing share of product categories, opening up for outsourcing products & services to meet the market demands. Under the Made-up & Fabric Products, your company offers a range of furnishing products for house and office use and Under the Yarn products it offers a gray yarn for industrial use. Further company has also undertaken various learning & development initiatives during the year for strengthening & upgrading its human capital. Constant efforts are being made to increase the throughput & reduce the OE. While we continue to strive and deliver through performance, we maintain our endeavour to be a socially responsible corporate. Several initiatives were taken for update the quality and changing the product mix.

However due to nationwide Lock down by competent authorities the performance of the company in coming year will be impacted adversely.

During the period under review your company has recorded a positive EBITDA, which comes to Rs.629.40 Lacs in comparison to Negative EBITDA of Rs.604.40 Lacs in previous year due to improvement in business. The PAT for the period is again negative at Rs.7455.87 Lacs in comparison to the previous year Negative PAT of Rs. 11509.58 Lacs. During the year the company has recognized an impairment of assets as well as provision of interest in terms of IND AS.

### **FUTURE OUTLOOK – TECHNICAL FRONT**

At this unit your company is focusing on improving plant performance in general and to produce quality oriented yarns for higher segment. The company is finding out the possibility of re-engineering the product constructions and raw materials utilization mix. In processing of products your company has taken up the process optimization project that will reduce process cost as well as process time without impacting our product quality. In Meerut Unit, Company is exploring the possibility of re-engineering the product constructions and raw materials utilization mix. To upgrade the technological front various efforts are being taken. This will add new value added product range. Your company is optimistic for the market response of newly introduced product range by technological development. Your company is continually up-grading machines through technical improvements for productivity resulting in production enhancement. Your company is adding new customers & enhancing share of more profitable products to improve profitability. Company is hopeful for growth in marketing of new product range. In other units also, we have been able to maintain the balanced technical performance in terms of utilization and productivity during the financial year under consideration.

### **FINANCIAL RESTRUCTURING & STATUS OF UNITS OF THE COMPANY**

During earlier year, the lenders having more than 83% of then secured debts of the Company revoked their consent to the DRS/settlement scheme interalia containing the restructuring of the debts of the Company, circulated by erstwhile Hon'ble BIFR, which was partly implemented. The Company objected to the said revocation of consent being unjustified

and beyond terms of the scheme and further submitted an offer for settlement. M/s Edelweiss Assets Reconstruction Company Ltd., (presently holding more than 98% of the total secured debt of the Company) (EARC) in order to recover its dues has also filed an Original Application before Debts Recovery Tribunal, Lucknow Bench, which is pending adjudication. In addition to above EARC had under the provisions of SARFAESI, auctioned certain properties of company and Lenders having first pari passu charge over these assets have adjusted their dues with the realization made therefrom including Leasehold Land, Building and Plant & Machineries lying at Plot nos. A-2 & A-3, Loni Road, Industrial Area, Ghaziabad (UP). EARC has also taken over the symbolic possession of Leasehold Land & Building lying at IA, Sec.-10, IIE, SIDCUL, Haridwar under section 13(4) of the SARFAESI Act and issued a sale notice under Rule 8(6) and Rule 6(2) of the Security Interest (Enforcement) Rules, 2002. The adjustments as may arise on account of further action of lenders, if any, shall be made in the books of account upon receipt of information from them. The Company once again submitted and under discussion a revised settlement/restructuring proposal with lenders which is under active consideration with them. Management of the Company expects to get the revised settlement/restructuring proposal approved from lenders and accordingly, the Company would be meeting its revised financial obligations. Further as all the loans of the Company have been recalled, resolution passed in previous annual general meetings for mortgaging/charging assets of the Company, is not being proposed in the current year. The Alankit Assignment Ltd, R&T Agent and National Securities Depositories Limited have approved the extinguishment of unlisted CRPS being 1%, 9816345 of Category D & 6%, 2112482 of Category B Cumulative Redeemable Preference shares held by ICICI Bank since Bank has waived /extinguished their right of redemption alongwith dividend rights thereon and approval of same by the Board at their meeting held on February 12 2021. Now no shares exist in favour of ICICI Bank w.e.f. February 26, 2021.

### **CREDENTIALS/CERTIFICATIONS**

With the contribution and efforts of all concerned, the various credentials have been renewed /continued during the period under review viz.:

### **MEASURES TO REDUCE/CONTROL COST**

In Hardwar unit installation of AC Drive in Toyota Ring Frame machines for suction fan motor with feedback control system, AC Drive in link coner machines for suction fan motor and replacement of air fan motor with low power consumption has

been completed during the year. On technical front, your company is continuously try to achieve the reduction in raw material cost by making different composition of mixing/purchase of cotton through commodity exchange, increase in machine productivity, better yarn yield with optimum use of raw material, control waste generation to bare minimum and best use of work force, best utilization of capacity with lowest Raw Material Cost and good quality of end product to fetch best yarn price. To active saving by optimum utilization, Air as per requirement of machine, the working pressure has been reduced and wastage of Air have been controlled in our Hardwar unit. The spinning and weaving units have taken various important steps which includes buying of raw material in bulk quantity, directly from suppliers, after proper negotiation and studying market prices, reducing the fixed overheads, increase the utilization and efficiency of machineries to reduce the cost, standardize the production process flow chart to avoid the rejection, maintain the inventory level as per the requirement, constant check on power consumption, controlling/reducing rejections & re-processing, reusing / recycling all possible items, strict follow-up on regular maintenance schedule to avoid major break downs, increasing overall efficiency to reduce production cost, using low consumption LED lights.

In weaving unit the company is looking forward to analysis the possibility of re-engineering the product constructions and raw materials. Further focus is on the strict monitoring of the inventory and to procure the raw material in minimum lead time. It will minimize the buffer stocks. In order to reduce marketing cost we are distributing the material through depot nearest to consumers. This will bring down the transportation and handling cost. To meet out the market competitiveness and improve the financial performance, the company is committed to reduce the cost, upgrade the efficiency and ensure optimum utilization of the current as well as fixed assets of the company.. In order to reduce the substantial logistic cost, the company is opting for land ports nearest to the units. Transportation cost reduced by finalizing the transport & courier contracts at best possible lowest rates for the goods movement of the Units. The unit located at Meerut has also optimized its cost structure by way of strong emphasis on consumption and control of waste, reduction & rationalization, inventory control & Manpower optimization. In Made up unit your company have implemented strict monitoring of the stocks by analyzing the in minimum lead time. Energy audit observations and suggestions by competent agency were also implemented at the spinning unit during the period under review to save the Energy cost. This has resulted in significant cost savings.

### **GOVERNMENT INITIATIVES- TEXTILE SECTOR**

The associations appealed to the Government to immediately withdraw the levy of 10% import duty on cotton and cotton waste to sustain the global competition, prevent job losses and fall in the exports and also curb cheaper imports of value-added products. The industry welcomed setting up of seven mega textiles parks under MITRA, and duty reduction on nylon raw materials. However, the levy of 10% import duty on cotton saw mixed reactions. The grant to the textiles and clothing sector in Union Budget 2021-22 is Rs 3,614.64 crore, about 10% higher than the revised Budget amount of Rs 3,300 crore in 2020-21. The Budget also puts emphasis on infrastructure development and research & capacity building as the grant for these sectors has been increased by about 43.7% and 77.5%, respectively, compared to last year. This year's Budget allocates Rs 700 crore for Amended Technology Upgradation Scheme (ATUFs) against Rs 545 crore in the last one, which will help clear the pending capital subsidy. It earmarks Rs 30 crore for Export Promotion Studies against Rs 5 crore in the last Budget, and Rs 100 crore for Integrated Scheme for Skill Development. "With the

active support and cooperation of the government, the textile industry will become globally competitive, attract large investments and boost employment generation and exports in the years ahead. Basic customs duty (BCD) rates on caprolactam, nylon chips and nylon fibre and yarn will be uniformly reduced to 5% to spur textile industry, MSMEs, and exports. The Production Linked Incentive (PLI) scheme for man-made fibres and technical textiles with a total outlay of Rs10,683 crore will help the textile industry become globally competitive, attract large investments and boost employment generation. Moreover, to achieve the target of \$350 billion from the current size of \$167 billion, our manufacturing sector has to grow in double digits on a sustained basis. Our manufacturing companies need to become an integral part of global supply chains, possess core competence and cutting-edge technology. The reduction in customs duty on caprolactam, nylon chips and nylon fibre and yarn to 5 % is a step in the right direction, as it will bring nylon chain on a par with polyester and other man-made fibres. The textile industry, which is among the hardest-hit sectors due to corona virus, has urged the government to implement a uniform GST for apparel and to abolish anti-dumping duties on viscose staple fibre (VSF). A joint committee of textile industry bodies has asked for government's intervention in removing anti-dumping duty on VSF to address its spun yarn availability and price issues. Viscose staple fibre is a key input in the manmade fibre sector. The textile industry welcomed the setting up of 7 mega textiles parks proposed in the Union Budget 2021-22, this will make the industry globally competitive, but the imposition of a 10 per cent basic customs duty (BCD) on raw cotton will increase the domestic prices. The Government has announced National Technical Textiles Mission, which is expected to give thrust to production of a wide variety of textiles used in sectors such as healthcare, infrastructure, automobiles, defence, and agriculture. The 1,480-crore Mission, to be implemented from 2020-2021 to 2023-2024, aims at positioning India as a global leader in technical textiles. The size of the technical textile industry in the country is approximately 12,000 crore, excluding the hygiene industry.

## **HUMAN RESOURCES – CONSOLIDATION OF MANPOWER**

The year started with century's biggest crisis Covid-19 Pandemic without alerting the organization as well as the World. No one was able to ascertain the severity its going to impact the businesses. The industry has already been working hard to deal with consistent market-slow-down since last two years. The Pandemic brought the Business in the whole world to stand still for couple of months. On one side, it was important to consolidate our operating expenses and on the other hand it was also necessary to keep up the confidence of our human resources and support them in this unprecedented crisis. Learning from TOC helped in controlling the operating expenses with rigorous close monitoring, applying different ways of reducing the cost and at the same time extending generous help to our employees so that they are able to meet their basic expenses and retain with us.

With unparallel support of the management as well employees, the company sailed through the tough time successfully retaining most of our key resources and clients. With continued efforts to improve the female workers/employee's ratio, particularly at the shop floor, in-line with the national policy of gender equality and policy to restrict the sexual harassment, there has not been any case of sexual harassment reported and homogeneity of the Work environment is maintained. The company's concerns for welfare of its workforce continued during the year and accordingly Group pension/Accident Insurance policy/ESI/WC policies were continued further as in the past. To deal with Pandemic, Corona Kavach Insurance Policy was also taken. The company has been consistently maintaining harmonious & cordial relations with the employees at all the locations. The Company continues to lay emphasis on building and sustaining culture of larger family, caring & supporting each other. During the year, with consistent review and efforts for optimization of available manpower resources, average employment, has been 1640, almost same as last year. Pursuit of proactive policies for industrial relations has resulted in a peaceful and harmonious situation on the shop floors of all the plants.

The information required under Section 217(2A) of Companies Act, 1956, read the Companies (Particulars of Employees) Rules, 1975, duly amended by the Companies (Particulars of Employees) Rules, 1999 and further amended vide G.S.R. **MANAGEMENT DISCUSSION AND ANALYSIS****I. TEXTILES INDUSTRY STRUCTURE AND DEVELOPMENT**

India's vast consumer markets need to feel like spending beyond their essential requirements for the economy to pick pace beyond the recovery. The Government of India has supported the textile industry by extending Rs. 6000 crores package dedicated only to the garment and made-ups sector which gave much needed impetus for the growth in the vital segments of the textile sector. The recent announcement of Rs. 10,683 crores under Product Linked Incentive (PLI) Scheme specially to bring to fore the robustness of MMF Industry and to complement the growth of Technical Textiles in India was a cause for celebrations amongst many. It is only due initiatives of Government announcing of first-ever National Technical Textiles Mission with an outlay of Rs 1,480 crore with a target to enhance research innovation and development, enhance promotion & market development, enhance education, training and skilling and enhance export of technical textiles goods by increasing manufacturing capacities. India is going to be one of the major consumers of technical textiles especially in the segments of Buildtech, Meditech and Oekotech in the coming years and can facilitate growth in this particular sector. Aatmanirbhar Swastha Bharata and Jal Jeevan Mission will complement India's consumption of technical textiles in the coming years. There is ample scope and end number of opportunities for the industry players for growth in technical textiles and leverage & generate employment opportunity for the youths. Today, there is a thriving 1-billion-dollar industry wherein 1100 companies are catering to the global demand of health care sector. The textile industry should leverage on this strong foundation laid by our industry during the Covid-19 pandemic, in the years to come. The global investors to take full advantage of recent development wherein the Government has planned to set up Seven Textile Parks in the next three years under the Mega Investment Textiles Parks Scheme (MITRA). This has opened up new avenues for the global investment companies to invest in India and take benefit of the emerging opportunities that India is offering to the global investors. This will also help Indian textile industry to become globally competitive and generate new employment opportunities for the rural masses, especially to the poor and illiterate women. It is required to educate MSME textile players to focus more on adopting global standards so that they can partner with the global sourcing giants in fulfilling their requirements. There are needs of Sustainable Textiles which is also the only success mantra for the future growth of the textile sector if they have to compete with the low-cost countries.

**COTTON**

The Cotton Corporation of India (CCI) has granted a subsidy of Rs 300 per candy to cooperative spinning mills. The Corporation has also waived-off the security deposit of to pay before participating in the e-auction process of the cotton body. However industry demanded a subsidy of Rs 2,500 per candy.

The cooperative spinning mills are finding it difficult to purchase cotton at the market rates since they have been in financial distress. Cotton prices have gone up above the minimum support price (MSP) of Rs 5,825 per quintal and are currently ruling between Rs 6,300 per quintal and Rs 6,400 per quintal in the open market. CCI is currently selling cotton at Rs 47,000 per candy and with transportation charges, it costs mills around Rs 48,000 per candy which is not affordable. Imported cotton attracts a duty of 10% which again is not affordable, industry has pointed out.

**YARN – A SIGNIFICANT SEGMENT**

The recession in the textile industry since the past five-six years, higher electricity rates, rising cotton prices and no increase in yarn rates, high-interest rates on bank loans in addition to the trade war between USA and China have adversely affected the yarn business. Of the 150 spinning mills in the state, nearly 45 mills are closed, 70 are active and another 30 mills are in the process of construction. The consumer sentiment index stood at 54 in January 2020 compared to 46 in April 2020 when there was almost a collapse of consumer sentiment due to the nationwide lockdown. The PLI scheme was launched for the textiles sector (man-made fibre segment and technical textiles) in November 2020 when the government cleared the proposal for ten sectors. The textile sector has been allocated 10,683 crores under the scheme which, as per proposed plans of the Ministry, will be offered for incremental production in 40 identified man-made fibre items and 10 technical textiles products. The PLI scheme is to promote domestic manufacturing, for both sales within the country and exports, by providing financial incentives on incremental turnover for five years. While the rates of incentive to be offered to the textiles sector linked to incremental production are set to be one of the highest amongst the existing sectors, some in the industry are of the view that it would be of limited advantage if most units get excluded.

**II. OPPORTUNITIES AND THREATS**

The Company has a robust Enterprise Risk Management framework which enables it to take certain risks to remain competitive and achieve higher growth and at the same time mitigate other risks to maintain sustainable results. Under the framework, the Company has laid down a Risk Management Plan which defines the process for identification of risks, its assessment, mitigation measures, monitoring and reporting. While the Company, through its employees and Executive Management, continuously assess the identified Risks, the Risk Management Committee reviews the identified Risks and its mitigation measures annually. The Company has identified 17 Risks - 5 Strategic Risks, 10 Operational Risks & 2 Regulatory Risks. Key Strategic Risks include demand destruction, changing customer preference and supply chain disruption due to pandemic, reputational risk, succession planning & business continuity planning. Key Operating Risks include customers' credit risk, fluctuating forex rates and cotton prices, cyber security risk, IT system breakdown, labour unrest, fire & safety, concentration of business with certain customers and sustainability. Regulatory Risks include changes in bilateral/multilateral trade agreements, international trade disputes and regulatory compliances. Our approach to performance management is a holistic one wherein, while holding people accountable, we look at continuous development and create opportunities for them to excel in new and/ or larger roles. Performance dialogues create opportunities.

**A. GOVERNMENT POLICIES-TEXTILE SECTOR**

In the wake of the ongoing pandemic, all nations have suffered at large across all industries. Textile Industry too has been no exception to the brunt faced due to the impact of the coronavirus. While most economies are still struggling to get up, India surprisingly has sprung back with the ferociousness of a panther from the third quarter onward. Despite the country coming to a standstill for months and finances and supply chains being adversely affected, Indian textile industry too is gradually scaling back to its pre-covid glory. While credit for this does go to our robust organizations, the various initiatives and steps taken by the Government of India to facilitate this positive movement in the textile industry cannot be ignored. The support provided by the government with its ongoing schemes and the launch of new measures have provided the strong framework

that domestic textile manufacturers were seeking to setup their products on. Atmanirbhar Bharat, one of the most important lessons learnt this year has definitely been the need to be self reliant. As part of the “Atmanirbharat Bharat” program, “Make in India” slogan has been launched to reboot and revamp the economy post the first impact of the pandemic. As per data, India has jumped up 79 positions on the ease of doing business ranking after the launch of various schemes under “Make in India” campaign. The new proposed law regarding indirect taxes will result in ‘Fibre-neutrality effect’ on the Indian textiles sector. The new proposed law regarding indirect taxes will result in ‘Fibre-neutrality effect’ on the Indian textiles sector, according to the Ministry of Textiles.

### **III. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE**

In terms of the Ind AS, there is only one reportable segment i.e., Textile Segment. Hence the segment wise reporting is not applicable.

### **IV. OUTLOOK**

Outlook for global economic growth started on a weak note in 2020, and continued to be weak through the year. Manufacturing activity and trade growth continued to be low key. The year was marked by geopolitical tensions and trade-war rhetoric mainly between the US and China. This clearly reflected in reduced confidence on the future of the global trading system and international cooperation, and impacted investment decisions, and global trade. Several economies signaled and adopted an accommodating monetary policy which cushioned the impact of global tensions on financial market sentiment and activity. Overall, the year wrapped up with World Economic Outlook estimating 2.9% growth in global GDP - tepid by any measure. From an Indian perspective as well, the Indian economy delivered a mere 4.2% during 2019-20, vs. a revised estimate of 6.1% for the previous year. April 2020, of course saw the start of the Covid-19 pandemic, and the associated lockdowns which brought most economic activity to a grinding halt. The new government had assumed office in summer 2019 with a historic mandate, and has been widely expected to take on more difficult reform items.

### **V. RISKS AND CONCERNS**

**Raw Material Price Risk:** Cotton are the major raw materials used by the Company for textile. Volatility in prices impacts the overall cost of production, and thus, the profitability.

**Currency Risk:** As the Company deals in the international market, it is exposed to currency volatility, which impacts the overall revenue of the Company.

#### **Geographical Risk**

Concentration in a particular territory leads to a depleting market presence of the Company.

#### **Policy Risk**

Implementation of any policy which is not in favour of the Company hampers the operations of the Company.

#### **Competition Risk**

There are many emerging countries, where production costs are relatively lower than that of India. This poses a potential threat to the Company.

**COVID- 19**

As regards the COVID VIRUS, the challenge are to guard against any community spread and move to flattening the curve, as quickly as possible. In the case of the Lockdown, a clearly defined roadmap moving swiftly away from the system of “passes and permissions” can help the plan to normalcy. The industry on it’s part would have to ensure a pandemic resilient manufacturing environment with functional exchange of peoptudle and goods. However such controls will shortly be removed as the vaccination programmes widens. Once larger parts of the population are immunized against COVID-19 and restrictions start to be lifted, companies expect a gradual improvement in economic conditions which will translate into output growth. Meanwhile, goods producers expect output to increase over the coming 12 months.

**Mitigation Strategy**

- Strong relationship with vendors and proximity to the raw material sources ensures easy availability. The Company also plans to save land costs and inventory management keeping in view the historical cycle of input prices. From time to time, the Company hedges raw-material against order book.
- Currency risks are managed by constant monitoring exposures and limiting the same in view of applicable margins under the relevant Market engagements. Also, some portion of the foreign currency is hedged to mitigate any adverse movements in currency fluctuations.
- The Government of India has come up with various incentives such as rebate on state levies, duty drawback, and ATUFS, among others. The Company has leveraged on these initiatives to stay ahead in the market.
- The Company benefits out of economies of scale, cutting-edge technology, and loyal partnerships to offer competitive rates to its clients across the globe.

**VI. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

Internal control systems for financial reporting. High accuracy in recording and providing reliable financial & operational support is ensured through stringent procedures. The Company’s internal team and Audit Committee monitor business operations and any deviations are promptly brought to the notice of the Management board. These findings provide input for risk identification and assessment, post which prompt risk mitigation strategies are deployed towards a seamless growth of the Company. Internal audit process verifies whether all systems and processes are commensurate with the business size and structure. Adequate internal control systems safeguard the assets of the company with timely identification and intervention to assuage risks. The internal audit report is discussed with the senior management and members of Audit Committee to keep a check on the existing systems and take corrective action to further enhance the control measures. Regular internal audits and checks are carried out to ensure the robustness of the system. The Management also reviews from time to time the internal control systems and procedures to ensure their proper application. The emphasis on internal controls prevails across functions and processes, covering the entire gamut of various activities.

**VII. DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE**

Your company is struggling to attain the growth in sale of new product range in such slowdown market due to COVID 19 restriction. Under the Made-ups Division, company is growing and progressing very well in this segment in both Global and Domestic Markets. With changing global demands & stiff competition, your company has taken many steps towards its

constant improvements, in creating new benchmarks in the industry, like constant improvements in design & development w.r.t advanced & versatile equipments, competent team which helps in reducing turnaround time from CADs to actual physical sample, ability to offer specific developments along with coordinated product across categories. Further relentless dedication of each and every employee who leave no stone unturned to take company to glorious height. Your company has formulated its strategies and has well identified key areas to improve performance in the current market scenario / environment. In the Auto and Technical Textiles segment, your company has reasonably done well. In processing division company has taken up the process optimization targets that will reduce process cost as well as process time without impacting product quality. Your company had made a new fabric with the use of Linen yarn development which have been commercialize. Your company also looking forward to expand the business in other segments during the current financial year. It has also reinvented commodity products to have good response from exports as well as domestic buyers. The company has started new products during the period under review in Yarn segment. Under the Made-up & Fabric Products, your company offers a range of furnishing products for house and office use. Several initiatives were taken for update the quality and changing the product mix.

This are value added items with good demand in domestic and exports markets. The efforts to change the Product Mix at our Yarn Spinning Mill at Haridwar, adding value added Mélange Yarn, affected the production, temporarily thus adversely affecting the Productivity In the Auto & Technical Textiles segment. It is expected that the possibility of re-engineering the product constructions and raw materials utilization mix will give positive results. Your company is aggressively increasing share of business with existing customers & focusing on getting new strategic customers, focusing on increasing share of product categories, opening up for outsourcing products & services to meet the market demands. Under the Made-up & Fabric Products, your company offers a range of furnishing products for house and office use and Under the Yarn products it offers a gray yarn for industrial use. Further company has also undertaken various learning & development initiatives during the year for strengthening & upgrading its human capital. Constant efforts are being made to increase the throughput & reduce the OE. While we continue to strive and deliver through performance, we maintain our endeavour to be a socially responsible corporate. Several initiatives were taken for update the quality and changing the product mix.

However due to nationwide Lock down by competent authorities the performance of the company in coming year will be impacted adversely.

During the period under review your company has recorded a positive EBITDA, which comes to Rs.629.40 Lacs in comparison to Negative EBITDA of Rs.604.40 Lacs in previous year due to improvement in business. The PAT for the period is again negative at Rs.7455.87 Lacs in comparison to the previous year Negative PAT of Rs. 11509.58 Lacs. During the year the company has recognized an impairment of assets as well as provision of interest in terms of IND AS.

#### **VIII. MATERIAL DEVELOPMENTS ON HUMAN RESOURCES/ INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED**

The year started with century's biggest crisis Covid-19 Pandemic without alerting the organization as well as the World. No one was able to ascertain the severity its going to impact the businesses. The Industry has already been working hard to deal with consistent market-slow-down since last two years. The Pandemic brought the Business in the whole world to stand still for couple of months. On one side, it was important to consolidate our operating expenses and on the other hand it was also necessary to keep up the confidence of our human resources and support them in this unprecedented crisis. Learning from

TOC helped in controlling the operating expenses with rigorous close monitoring, applying different ways of reducing the cost and at the same time extending generous help to our employees so that they are able to meet their basic expenses and retain with us. With unparalleled support of the management as well employees, the company sailed through the tough time successfully retaining most of our key resources and clients. With continued efforts to improve the female workers/employees ratio, particularly at the shop floor, in-line with the national policy of gender equality and policy to restrict the sexual harassment, there has not been any case of sexual harassment reported and homogeneity of the Work environment is maintained. The company's concerns for welfare of its workforce continued during the year and accordingly Group pension/Accident Insurance policy/ESI/WC policies were continued further as in the past. To deal with Pandemic, Corona Kavach Insurance Policy was also taken. The company has been consistently maintaining harmonious & cordial relations with the employees at all the locations. The Company continues to lay emphasis on building and sustaining culture of larger family, caring & supporting each other. During the year, with consistent review and efforts for optimization of available manpower resources, average employment, has been 1640, almost same as last year. Pursuit of proactive policies for industrial relations has resulted in a peaceful and harmonious situation on the shop floors of all the plants.

### **GUIDING PRINCIPLES**

The Guiding Principle is that the nomination & remuneration and other terms of employment shall be competitive in order to ensure that the Company can attract and retain competent executives.

The Nomination & Remuneration Policy for executives reflects the overriding remuneration philosophy and principles of the Alps. When determining the remuneration policy and arrangements for Whole time Directors / KMPs, the Nomination & Remuneration Committee, constituted in accordance with Section 178 of the Companies Act, 2013, considers parity with peers and employment conditions elsewhere in the competitive market to ensure that pay structures are appropriately aligned and that level so remuneration remain appropriate in this context.

The Committee while designing the remuneration package considers the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the company successfully.

The Nomination & Remuneration Committee while considering a remuneration package must ensure a direct relationship with the Key Result Areas and individual achievements considering short as well as long term performance objectives appropriate to the working of the company and its goals.

The Committee considers that a successful remuneration policy must ensure that a significant part of the remuneration package is linked to the achievement of corporate performance targets and a strong alignment of interest with stakeholders.

The Nomination & Remuneration policy is guided by a common reward framework and set of principles and objectives as envisaged under section 178 of the Companies Act 2013 and Companies (Meetings of Board and its Powers) Rules, 2014., inter-alia principles pertaining to determining qualifications,

positive attributes and independence of the Directors, integrity, etc. The main objectives are

*[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies  
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]*

To,

The Members,

**ALPS INDUSTRIES LIMITED**

We have conducted the secretarial audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by ALPS Industries Limited (CIN: L51109UP1972PLC003544) (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of books, papers, minute books, forms and returns filed and other records of Alps Industries Limited as maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has during the audit period covering the financial year ended on 31<sup>st</sup> March, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Alps Industries Limited ("the company") for the financial year ended on 31<sup>st</sup> March, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
  - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009- **Not Applicable**
  - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999- **Not Applicable**
  - e) The Securities and Exchange Board of India (Issue and Listing of Debt securities) Regulations, 2008- **Not Applicable**
  - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

- g) The Securities and Exchange Board of India (Delisting of Equity shares) Regulations, 2009
- h) The Securities and Exchange Board of India (Buy back of securities) Regulations, 1998- **Not Applicable**
- i) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
- (vi) As per information provided
- (vii) laws as applicable specifically to the company :-
  - (a) Essential Commodities Act 1955 read with Hank Yarn Packing Notification 2003 as amended from time to time;
  - (b) Textile (Development & Regulation) Order, 2001;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) The Uniform Listing Agreements entered into by the company with Bombay Stock Exchange Limited and National Stock Exchange of India Limited.

During the period under review the company has complied with the provisions of the Act, Rules, Regulations, Guidelines etc mentioned above.

**We further report that**

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

**We further report that** there are adequate systems and process in the company commensurate with the size and operations of the company to monitor and ensure compliances with the applicable laws, rules, regulations and guidelines.

**We further report that** during the audit period the company has the following specific events/actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines etc. referred to above:

During earlier year, the lenders having more than 83% of then secured debts of the Company revoked their consent to the DRS/settlement scheme interalia containing the restructuring of the debts of the Company, circulated by erstwhile Hon'ble BIFR, which was partly implemented. The Company objected to the said revocation of consent being unjustified and beyond terms of the scheme and further submitted an offer for settlement. M/s Edelweiss Assets Reconstruction Company Ltd., (presently holding more than 98% of the total secured debt of the Company) (EARC) in order to recover its dues has also filed an Original Application before Debts Recovery Tribunal, Lucknow Bench, which is pending adjudication. In addition to above EARC had under the provisions of SARFAESI, auctioned certain properties of company and Lenders having first pari passu charge over these assets have adjusted their dues with the realization made there from. EARC has also taken over the symbolic possession of 3 properties Leasehold Land & Building lying at IA, Sec.-10, IIE, SIDCUL, Haridwar under section 13(4) of the SARFAESI Act and issued a sale notice under Rule 8(6) and Rule 6(2) of the Security Interest (Enforcement) Rules, 2002. The adjustments as may arise on account of further action of lenders, if any, shall be made in the books of account upon receipt of information from them. The Company has submitted a revised settlement/restructuring proposal with lenders

which is under active consideration with them. Management of the Company expects to get the revised settlement/restructuring proposal approved from lenders and accordingly, the Company would be meeting its revised financial obligations. Accordingly, the financial statements of the Company for the period ended on March 31, 2021 have been prepared on going concern assumption basis and continue with the earlier consented restructuring scheme. The impact, arising upon approval of the revised settlement/restructuring proposal, will be given effect in the financial statements of the year of final settlement with lenders.

The content and information provided in the above mentioned report is true and the best of my knowledge on the basis of details given by the concerned company officials.

ALPS INDUSTRIES LIMITED**

## **Report on the Standalone Financial Statements**

### **Qualified Opinion**

We have audited the accompanying standalone financial statements of **ALPS INDUSTRIES LIMITED** ("the Company") which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2021 and loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### **Basis for Qualified Opinion**

*Refer to note no. 38 to the notes on accounts, the Company has not provided for its liability towards interest & part of principal loan, waived earlier, and impact of retained earnings in terms of draft rehabilitation scheme and now revoked by its consented lenders amounting to Rs. 154882.21 lakh, accordingly the loss for the year and loan liability would have been increased and shareholder's fund would have been reduced to that extent.*

### **Emphasis of Matters**

We draw attention to the following matters in the Notes to Financial Statements:

The note no 38 related to preparation of financial statement on going concern basis on the expectation of the company to get the necessary resolution for restructuring /settlement of debts and to meet its financial obligation and continuation of giving effect to earlier consented scheme though now revoked.

### **Key Audit Matters - Meaning**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the Basis for Qualified Opinion section we have determined that there are no key audit matters to be communicated in our report.

### **Other Matters**

Due to spreading of COVID-19 across India, the Government Authorities imposed a corona lockdown in April 2021 across State which is still going on with relaxations in parts. This has resulted in restriction on physical visit to client locations and the need for carrying alternative audit procedures as per the Standards on Auditing prescribed by the Institute of Chartered Accountants of India (ICAI).

In view of above stated situation, the entire audit was carried out based on remote access of the data as provided by the management. This has been carried out based on the advisory on "Specific Considerations while conducting Distance Audit/Remote Audit/ Online Audit under current Covid-19 situation" issued by the Auditing and Assurance Standards Board of ICAI. We have been represented by the management that the data provided for our audit purposes is correct, complete, reliable and are directly generated by the accounting system of the Company without any further manual modifications.

We bring to the attention of users that the audit of the financial statements has been performed in the aforesaid conditions.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act,2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (IND AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Boards of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the Order issued under section 143(11) of the Act.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the standalone financial statements.

#### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143(3) of the Act, based on our audit we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
- e. On the basis of the written representations received from the directors as on 31st March 2021 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021, from being appointed as a director in terms of Section 164 (2) of the Act;

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting. `
- g. With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- I. The Company has disclosed the impact of pending litigations on its financial position in its financial statements- Refer Note No. 36 & 37 to the financial statements;
- II. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- III. There were no amount which were required to be transferred to the Investor Education and Protection Fund by the Company.

**ANNEXURE "B" TO INDEPENDENT AUDITORS' REPORT****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **ALPS INDUSTRIES LIMITED** (the Company) as of **31 March, 2021** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the **Standalone financial statements** as of and for the year ended March 31, 2021.

**(i) SIGNIFICANT ACCOUNTING POLICIES:**

**1. Corporate Information**

Alps Industries Limited (the Company) having CIN: L51109UP1972PLC003544 is a public company domiciled in India and incorporated under the provisions of Companies Act, 1956. Its shares are listed on the Bombay Stock Exchange and National Stock Exchange. The Company is engaged into Textile business.

**2. BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES**

**2.1) Basis of preparation of financial statements**

**(a)Statement of Compliance with Ind AS**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (the Act), (Ind AS compliant Schedule III), as applicable to the Company. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

**(b)Functional and presentation currency**

These financial statements are presented in Indian rupees (Rs. In Lakh), which is the Company's functional currency.

**(c )Basis of Measurement**

The financial statements are prepared as a going concern basis under historical cost convention basis except for certain items which are measured at fair values.

**Determining the Fair Value**

While measuring the Fair Value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a Fair Value hierarchy based on the inputs used in the valuation techniques as follows:

**Level 1:** Quoted prices (unadjusted) in active markets for identical assets or liabilities.

**Level 2:** Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

**Level 3:** Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value of trade receivables, trade payables and other Current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are Non-current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient then the same has been valued at Rs. 1/- per share.

**(d)Use of Estimate**

The preparation of financial statements in conformity with the Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of the contingent asset and contingent liability at the date of the financial statements and reported amount of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from the estimates. Appropriate changes in estimate are made as the management becomes aware of the change in circumstances surrounding the estimates. Changes in the estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effects are disclosed in the notes to financial statements.

**(e) Operating Cycle**

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements issued by the Ministry of Corporate Affairs based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

**B) Significant accounting policies****(a) Property, Plant and Equipment**

Property, Plant and Equipment are stated at cost of acquisition or construction, net of Input tax credit available, less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of Property, Plant and Equipment recognised as at April 1, 2016 measured as per the previous GAAP. Cost directly attributable to acquisition are capitalised until the Property, Plant and Equipment are ready for use as intended by the management.

Property, Plant and Equipment are derecognised from financial statements, either on disposal or when no economic benefits are expected from its use. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the Property, Plant and Equipment and the resultant gains or losses are recognized in the Statement of Profit and Loss.

Depreciation on Property, Plant and Equipment commences when these assets are ready for their intended use. Items of Property, Plant and Equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of these assets, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a straight line basis. Depreciation on Property, Plant and Equipment purchased or sold during the year is proportionately charged.

**(b) Leases**

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

**(c) Intangible Assets**

Intangible Assets are stated at cost of acquisition less accumulated amortisation. Specialized Software is amortised over an estimated useful period of five year. Amortisation is done on straight line basis.

**(d) Impairment of non financial assets**

Property, Plant and Equipment are evaluated for recoverability, whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An

impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

**(e) Inventories**

(i) Inventories are valued at lower of cost or net realisable value except for scrap and by-products which are valued at net realisable value.

(ii) Cost of inventories of finished goods and work-in-process includes material cost, cost of conversion and other related overhead costs.

(iii) Cost of inventories of cotton is determined on weighted Average Cost Basis and other raw material on FIFO basis.

**(f) Financial instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date when the Company commits to purchase or sell the asset.

**Financial Assets:**

**Recognition:** Financial assets include Investments, Trade receivables, Advances, Security Deposits, Cash and cash equivalents. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

**Classification:** Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

**Financial assets are classified as those measured at:**

- (a.) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- (b.) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- (c.) fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

**In case of investment in equity shares**

- a) For subsidiaries, associates and joint ventures: Investments in equity instruments are measured at fair value and considered as deemed cost. The value is tested for impairment on periodical basis. Provision for diminution in long term investments is made only if such decline is other than temporary.
- b) For other than subsidiaries, associates and joint ventures: Investments in equity instruments are measured at FVTOCI where "Available for Sale and at FVTPL where "Held for Trade".

**Other:**

Trade receivables, Advances, Security Deposits, Cash and cash equivalents etc., are classified at cost.

**Impairment:** The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is

available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since its initial recognition.

**Reclassification:** When and only when the business model is changed, the Company shall reclassify all affected financial assets prospectively from the reclassification date as subsequently measured at amortised cost, fair value through other comprehensive income, fair value through profit or loss without restating the previously recognised gains, losses or interest and in terms of the reclassification principles laid down in the Ind AS relating to Financial Instruments.

**De-recognition:** Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the Company has transferred substantially all of the risks and rewards of ownership. Concomitantly, if the asset is one that is measured at:

- (a.) Amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;
- (b.) Fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

### **Financial Liabilities**

**Initial and subsequent recognition:** Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption / settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

**De-recognition:** Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation in respect of the liabilities is discharged, cancelled and settled on expiry by the Company.

### **Offsetting Financial Instruments**

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

### **Equity Instruments**

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

### **(g) Government Grants**

Government grants are recognised when there is reasonable assurance that the grant will be received, and the company will comply with the conditions attached to the grant. Accordingly, government grants:

- (a.) related to or used for assets are accounted for and deducted from the respective assets in the year of receipt. (b.) related to incurring specific expenditures are taken to the Statement of Profit and Loss on the same basis and in the same periods as the expenditures incurred.
- (c.) by way of financial assistance on the basis of certain qualifying criteria are recognised as they become receivable.

### **(h) Claims, Provisions, Contingent assets and Liabilities:**

Claims lodged by and lodged against the Company are accounted in the year of payment or settlement thereof.

Provisions are recognised when, as a result of a past event, the Company has a legal or constructive obligation; it is probable that an outflow of resources will be required to settle the obligation; and the amount can be reliably estimated. The amount so recognised is the best estimate of the consideration required to settle the obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. In an event when the time value of money is material, the provision is carried at the present value of the cash flows estimated to settle the obligation.

Contingent liabilities are not recognised but are disclosed by way of notes to the financial statements, after careful evaluation by the management of the facts and legal aspects of each matter involved.

Contingent assets are neither recognised nor disclosed in the financial statements.

Contingent liabilities are assessed continually to determine whether an outflow of resources embodying the economic benefit has become probable. If it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as contingent liability, a provision is recognised in the financial statements of the period in which the change in probability occurs.

**(i) Recognition of revenue and expenditure**

(i) Revenue from contracts with customers is recognised when control of the goods are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods. The Company is generally the principal as it typically controls the goods before transferring them to the customer.

Generally, control is transferred upon shipment of goods to the customer or when the goods is made available to the customer, provided transfer of title to the customer occurs and the Company has not retained any significant risks of ownership or future obligations with respect to the goods shipped.

Revenue is measured at the amount of consideration which the Group expects to be entitled to in exchange for transferring distinct goods to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional.

Difference between final settlement price and provisional price is recognised subsequently.

**Contract balances:**

**Trade receivables:**-A receivable represents the Group's right to an amount of consideration that is unconditional.

**Contract Liabilities**-A contract liability is the obligation to transfer goods to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier).

Contract liabilities are recognised as revenue when the Company performs under the contract.

**(ii) Interest and dividend income**

Interest income is recognised using Effective Interest Method (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of financial instruments or a shorter period, where appropriate, to the gross carrying amount of the asset or to the amortised cost of financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit loss.

Dividend income is recognised in the Statement of Profit and Loss when the right to receive dividend is established.

**(i) Borrowing Cost**

Borrowing Cost attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets upto the date when such assets are ready for intended use. Other borrowing costs are charged as expense in the year in which they are incurred.

**(j) Employee benefits**

Benefits such as salaries, wages and short term compensations etc. is recognized in the period in which the employee renders the related services.

The Company makes contributions to defined benefit schemes and defined contribution plans. Provident Fund contributions are in the nature of defined contribution scheme. Provident funds are deposited with government and recognised as an expense. The Company also make contribution to defined benefit plan i.e. gratuity plan. The cost of providing benefits under the defined benefit obligation is calculated by independent actuary using the projected unit credit method. Service costs and net interest expense or income is reflected in the Statement of Profit and Loss. Gain or Loss on account of re-measurements are recognised immediately through other comprehensive income in the period in which they occur. The employees of the Company are entitled to compensated leave for which the Company records the liability based on actuarial valuation computed using projected unit credit method. These benefits are unfunded.

**(k) Taxes on income**

Taxes on income comprises of current taxes and deferred taxes. Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period.

Deferred tax assets are recognised for the future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary differences can be utilised.

Income tax, in so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable.

Deferred tax assets and liabilities are offset when there is legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances related to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on net basis, or to realize the asset and settle the liability simultaneously.

**(l) Foreign currency transactions and translation**

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction.

Monetary items denominated in foreign currencies at the yearend are restated at year end rates. In case of monetary items which are covered by forward exchange contracts, the difference between the yearend rate and rate on the date of the contract is recognised as exchange difference and the premium paid on forward contracts has been recognised over the life of the contract. Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Statement of Profit and Loss.

Non-monetary foreign currency items are carried at cost.

**(m) Prior period errors**

Prior Period Errors have been corrected retrospectively in the financial statements. Retrospective application means that the correction affects only prior period comparative figures, current period amounts are unaffected. Comparative amounts of each prior period presented which contain errors are restated. If however, an error relates to a reporting period that is before the earliest prior period presented, then the opening balances of assets, liabilities and equity of the earliest prior period presented has been restated by following IAS 8.

**(n) Earnings per share**

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also, the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

**(o) Cash flow statement**

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

**(p) Cash and cash equivalents**

Cash and cash equivalents in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

## 36. CONTINGENT LIABILITIES AND COMMITMENTS

A) Contingent liability exists in respect of:

(Rs. in Lakh)

Particulars	As at 31.03.2021	As at 31.03.2020
Guarantees issued by banks on behalf of company.	20.48	19.61
Claims against the company not acknowledged as debts	329.86	263.70
Other Claims against the company not acknowledged as debt :(including detailed as under):	29457.15	37360.50

(i) Merrill Lynch Capital Services Inc. raised a claim of US\$ 195.80 Lakhs (Rs. 14392.18 Lakhs approx.) (P.Y. Rs. 14760.52 Lakhs approx.) against the Company in respect of an alleged corporate guarantee of US\$ 100 Lakhs (Rs. 7350.47 Lakhs approx.) (P.Y. Rs. 7538.59 Lakhs approx.) alleged to have been provided by the Company for one of its subsidiary company, M/s Alps USA Inc. These claims relate to derivative transactions and corporate guarantee thereof, which were disputed being per se illegal as not within the regulatory permission of RBI and were entered into by the Company on the basis of incomplete disclosures and details and thus, falls in the category of mis-selling by the bank to the Company. RBI has also refused to take on record the said corporate guarantee. Based on legal opinion, the Company has not admitted aforesaid claim and filed a suit before the competent Civil Court of law. An appeal filed by the Company against the order passed by Hon'ble Civil Court in the matter of withdrawing its jurisdiction and earlier order directing to maintain the status quo as regards the recovery proceedings is pending adjudication before Hon'ble Allahabad High Court. In view of above facts, no provision against above claim is considered necessary and therefore, it has been disclosed as part of contingent liabilities of the Company as at March 31, 2021.

(ii) Workers of the Company at Kashipur and Jaspur units filed cases before the Industrial Tribunal/Labour Court, Haldwani, Uttarakhand U/s 33C(2) of the Industrial Dispute Act, 1947 claiming total amount of Rs. 15064.97 Lakhs, in respect of their alleged dues towards wages, retirement benefit etc. as per Hon'ble Court's Notice dated 4th May 2013 received by the Company, which is being contested by the Company. The liability, if any, on this account will be accounted for as and when the matter is finally decided.

B) Commitments:-

(Rs. In Lakh)

	31.03.2021	31.03.2020
(i) Estimated amount of capital contracts remaining to be executed not provided for:	56.64	62.15
(ii) Arrears of preferential dividend	9373.59	8388.47

**37.** Kotak Mahindra Bank Limited (KMBL) had raised a total claim of Rs. 2036.11 Lakhs (P.Y. Rs. 2036.11 Lakhs) in respect of certain foreign currency derivative transactions which were disputed being per se illegal as not within the regulatory permission of RBI and were entered into by the Company on the basis of incomplete disclosures and details provided by the Bank and thus, falls in the category of mis-selling by the Bank to the Company. On the basis of legal opinion, the Company had not admitted these claims of bank and filed a suit in the competent Civil Court of law. The Hon'ble Civil Court in an ex-parte judgment vide its order dated 29.11.2018 declared these derivative transactions as void ab-initio being illegal.

Besides this, KMBL has also filed an Original Application (O.A.) before Hon'ble Debt Recovery Tribunal, Mumbai (DRT) for recovery out of its above claim amounting to Rs. 601.11 Lakhs (P.Y. Rs. 601.11 Lakhs) in respect of these foreign currency derivative transactions. The Hon'ble DRT vide an interim order has restrained the Company from selling its certain fixed assets. The Hon'ble Debt Recovery Appellate Tribunal (DRAT), Mumbai, on appeal of the Company directed to return the said OA and set aside the aforesaid restrained order passed by the Hon'ble DRT for want of Jurisdiction of DRT, Mumbai. Initially Hon'ble Bombay High Court vide an interim order in the writ filed by KMBL against the order of Hon'ble DRAT has stayed the order of Hon'ble DRAT & Hon'ble DRT however subsequently decided the jurisdiction with DRT, Mumbai. The case is pending for adjudication before the DRT Mumbai.

KMBL had also filed a winding up petition before the Allahabad High Court for the above said claims wherein also the Company contested and objected the maintainability of Petition. The same is under consideration of the Hon'ble Allahabad High Court.

**38.** During earlier year, the lenders having more than 83% of the secured debts of the Company revoked their consent to the DRS/settlement scheme circulated by erstwhile Hon'ble BIFR, interalia containing the restructuring of the debts of the Company, which was partly implemented. The Company objected to the said revocation of consent being unjustified and beyond terms of the scheme and further submitted an offer for settlement. M/s Edelweiss Assets Reconstruction Company Ltd., (presently holding more than 98% of the total secured debt of the Company) (EARC) in order to recover the dues from the Company has also filed an Original Application before Debts Recovery Tribunal, which application is pending adjudication. In addition to above EARC has under the provisions of SARFAESI auctioned certain properties including during the year Leasehold Land, Building and Plant & Machineries lying at Plot nos. A-2 & A-3, Loni Road, Industrial Area, Ghaziabad (UP) and Lenders having first pari passu charge over these assets have adjusted their dues with the realization made thereof. EARC has also taken over the symbolic possession of properties being Leasehold Land & Building at plot no. IA, Sec.-10, IIE, SIDCUL, Haridwar, under section 13(4) of the SARFAESI Act and issued a sale notice under Rule 8(6) and Rule 6(2) of the Security Interest (Enforcement) Rules, 2002. The adjustments as may arise on account of further action of lenders, if any, shall be made in the books of account in the year upon receipt of information from them.

The Company once again submitted revised settlement/restructuring proposal with lenders which are under active consideration with them. Management of the Company expects to get the revised settlement/restructuring proposal approved from lenders and accordingly, the Company would be meeting its revised financial obligations. Accordingly, the financial statements of the Company for the year ended March 31, 2021 have been prepared on going concern assumption basis and continue with the earlier consented restructuring scheme. The impact, arising upon approval of the revised settlement/restructuring proposal, will be given effect in the financial statements of the year of final settlement with lenders. Hence, no provision considered necessary in these accounts towards interest on entire secured loans & part of principal secured loan, waived earlier, and impact on retained earnings thereon totaling to Rs. 154882.21 Lakhs as per provisions of earlier consented scheme, which the Company continues to give effect till the time revised settlement/restructuring proposal is finally approved by its lenders.

**39.** With regard to Impairment of assets of the Company, on assessment, impairment loss on Plant & Machineries lying at 1B, Sec-10, Haridwar has been ascertained as on 31.3.2021 and an impairment of Rs. 2416.89 Lakh has been provided in these books. Certain Fixed Assets having the Gross Value of Rs. 1411.77 Lakhs (net carrying value after impairment Rs. 58.65 Lakhs) lying at erstwhile leased units at Kashipur, Jaspur are in the possession of the lesser due to non-payment of lease charges.

**40.** During the year company has filed for extinguishment of Preference Shares being nos. 9816345 (1% CRPS) & nos. 2112482 (6% CRPS) having face value of Rs. 10 per share held by ICICI Bank with Registrar of Companies as well as National Securities Depositories Limited who have taken it on record thereby resulting into reduction of Preference Share Capital by Rs. 1192.88 lakh since ICICI Bank had extinguished & waived their right of redemption thereof.

**41.** Deferred Tax adjustments resulting from items of timing differences have been measured as on 31.03.21 using the rates and tax laws enacted or substantially enacted and the same results into the Deferred Tax Assets (net), which has not been recognized in the absence of virtual certainty of its realization in near future by the Company.

**42.** There is no amount outstanding on account of unclaimed dividend as on date, as per Section 124 of the Companies Act, 2013.

**43.** The balances of trade receivable, loans and advances and trade payables are subject to confirmation, reconciliation and consequential adjustment, if any, which in the opinion of the management will not be material.

**44.** Sales are net of Rebate & Discounts amounting to Rs. 143.48 Lakh (Previous Year Rs. 95.19 Lakh).

#### **45. Employee Benefits**

## 50. Financial risk management

## (i) Financial instrument by category:

- Investment in equity shares of subsidiaries are measured in accordance with Ind AS 27, "Consolidated and Separate Financial Statements" and investment in equity share of other entities are measured in accordance with Ind AS 103 'Financial Instruments' issued by the "Ministry of Corporate Affairs", Government of India.
- For amortised cost instruments, carrying value represents the best estimate of fair value except investment in other debentures.

## (ii) Risk management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages those risks.

## A) Credit risk

Credit risk is the risk that a counter party fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. Credit risk related to cash and cash equivalents and bank deposits is managed only by accepting highly rated banks and diversifying bank deposits. Other financial assets measured at amortized cost include loans to employees, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensures the amounts are within defined limits.

**Credit risk management:** The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

- Low credit risk
- Moderate credit risk
- High credit risk

**Credit risk exposures:** The Company's trade receivables do not have any expected credit loss as they are generally within the credit period. In case of non-recoverability in extreme cases, the Company, accordingly, provides for the same in its books of account instead of writing it off permanently.

## **B) Liquidity risk**

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains adequate liquidity for meeting its obligations by monitoring the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows from the operations.

**C)** In compliance of SEBI Circular dated May 20, 2020, the management has assessed the impact of Covid-19 Pandemic situation on the financial results for the year ended March 31, 2021 and found that there is no material impact on the assets & liabilities and profit & loss account for the year ended on 31.3.2021. However in view of the continuation of Covid-19 pandemic situation, the impact on the future business and assets & liabilities of the company could not be assessed presently.

## **D) Market risk**

Market risk is the risk of changes in the market prices on account of foreign exchange rates, interest rates and Commodity prices, which shall affect the Company's income or the value of its holdings of its financial instruments. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimizing the returns.

### **a) Currency risk**

The Company undertakes transactions denominated in foreign currencies, which are subject to the risk of exchange rate fluctuations. Financial assets and liabilities denominated in foreign currency, except the Company's net investments in foreign operations (with a functional currency other than Indian Rupee), are subject to reinstatement risks.

The carrying amount of foreign currency denominated financial assets and liabilities as at March 31, 2021 are as follows:

<b>Particulars</b>	<b>As at March 31, 2021</b>	<b>As at March 31, 2020</b>
	<b>Amount in Rs. Lakh</b>	<b>Amount in Rs. Lakh</b>
<b>Financial Assets</b>	<b>2680.84</b>	1464.15
<b>Financial Liabilities</b>	<b>320.42</b>	215.00

### **b) Interest risk**

- i) **Assets:** The Company's fixed deposits are carried at fixed rate. Since the fixed deposits are very nominal & not material, therefore to that extent, the Company is at risk on account of interest rate.
- ii) **Liabilities:** The Company had borrowings from banking institutions, majorly whereof are assigned to an Asset Reconstruction Company (ARC). The Company has recognized the liability on account of borrowings as per scheme consented by lenders during BIFR proceedings. However, the outstanding of banks and ARC has since been classified as Non-Performing assets and action for possession of assets charged to lenders/ARC has since been initiated, the Company's liability towards interest will be accounted based on the approval of revised restructuring/settlement proposal submitted by the Company and to that extent, the Company is at risk on account of interest rate.

**51.** The figures for the previous period have been restated, regrouped and reclassified wherever required to comply with the requirement of Ind AS and Schedule III.

**NOTES TO FINANCIAL STATEMENTS**

**1. Organization and Operations**

Alps USA Inc. (the "Company") was formed in Delaware on April 25, 2007. The company is a 100% owned subsidiary of Alps Industries Limited which was incorporated in India in 1972 as private limited company, subsequently converted into public limited company in 1994.

Alps Industries Limited manufactures and sells home furnishings, fashion accessories, and yarns in India. The company's home furnishings and fashion accessories include made-ups, such as duvet sets, bed covers and sheets, quilts, pillows, cushion covers, curtains and table linens; cashmere, sheer and aromatic shawls, scarves, mufflers, stoles, wraps, and other fashion accessories; and fabrics for upholstery, including office furniture and automobile seats. Alps Industries also offers various types of yarns, including cotton yarn, synthetic and blended yarns.

**2. Significant Accounting Policies**

**•Accounting Principles**

The financial statements and accompanying notes are prepared in accordance with generally accepted accounting principles in the United States of America using accrual basis of accounting.

**•Use of Estimates in Financial Statements**

In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management makes estimates and assumptions in determining the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reporting period. Examples include provisions for returns, concessions and bad debts; and the length of product lifecycles and buildings' lives. Actual results could differ from those estimates.

**•Cash, Cash Equivalents**

For purpose of the statement of cash flows, the Company considers highly liquid investments purchases with maturity of three months or less to be cash equivalents.

**•Pre-operating Expenses**

Expenses incurred by the subsidiary prior to the start of commercial operations and in bringing new facilities into operations have been deferred and are being amortized over 7 years up to year 2014.

**•Investment**

Investment in company in which Alps USA Inc. has significant influence, but less than a controlling voting interest, are accounted using equity method. Investments are accounted for at Cost.

**3. Affiliates and Transactions with Affiliates**

The Company is affiliated through common ownership with Alps Industries Limited. During the year ended March 31, 2021 the Company had the following transactions with affiliates: Nil

**4. Contingent Liabilities and Assets**

The Company jointly with Alps Industries Limited, India, the holding company, (AIL) had received a claim of US\$ 195.80 Lac (P.Y. US\$ 195.80 Lac). The said claim is alleged for foreign currency derivative transactions entered into in India by the company and issuance of Corporate Guarantee of US\$ 100 Lac by AIL against these transactions. The Claims were disputed being per se illegal as not within the regulatory permission of Reserve Bank of India (RBI) and were entered into by the company and AIL on the basis of incomplete disclosures and details thus falls in the category of mis-selling by the party. RBI has also refused to take on record the said corporate guarantee of AIL. The company has not admitted said claim and jointly with Alps Industries Limited filed a suit in the competent civil court in India as per laws in India. An Appeal filed by the company and AIL, jointly, against the order passed by Hon'ble Civil Court, Ghaziabad (India) in the matter of withdrawing its jurisdiction and earlier order directing to maintain the status quo as regards the recovery proceedings is pending adjudication before Hon'ble Allahabad High Court, India.

**To  
The Members of  
Alps Energy Private Limited**

**Report on Financial Statements**

We have audited the accompanying financial statements of **ALPS ENERGY PRIVATE LIMITED** ("the Company") which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2021 and loss, changes in equity and its cash flows for the year ended on that date.

**Key Audit Matters - Meaning**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

**Other Matter**

Due to spreading of COVID-19 across India, the Government Authorities imposed a corona lockdown in April 2021 across State which is still going on with relaxations in parts. This has resulted in restriction on physical visit to client locations and the need for carrying alternative audit procedures as per the Standards on Auditing prescribed by the Institute of Chartered Accountants of India (ICAI).

In view of above stated situation, the entire audit was carried out based on remote access of the data as provided by the management. This has been carried out based on the advisory on "Specific Considerations while conducting Distance Audit/Remote Audit/ Online Audit under current Covid-19 situation" issued by the Auditing and Assurance Standards Board of ICAI. We have been represented by the management that the data provided for our audit purposes is correct, complete, reliable and are directly generated by the accounting system of the Company without any further manual modifications.

We bring to the attention of users that the audit of the financial statements has been performed in the aforesaid conditions.

**Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (IND AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under and the Order issued under section 143(11) of the Act.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers the internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

#### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143 (11) of the Act, we give in "**Annexure-A**", a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143(3) of the Act, based on our audit we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, the Statement of Profit and Loss including, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31st March 2021 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021, from being appointed as a director in terms of Section 164 (2) of the Act;

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirement of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, no remuneration was paid by the Company to its directors during the year and complied with the provisions of section 197 of the Act.

(h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. As confirmed by the management there is no pending litigations with the company.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amount which were required to be transferred to the Investor Education and Protection Fund by the Company.

**ANNEXURE "B" TO INDEPENDENT AUDITORS' REPORT**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **ALPS ENERGY PRIVATE LIMITED** (the Company) as of **31 March' 2021** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the financial statements as at and for the year ended March 31, 2021

**Corporate Information**

Alps Energy Pvt. Ltd. (the Company) having CIN: U40109DL2007PTC169994 is a private limited company domiciled in India and incorporated under the provisions of Companies Act, 1956. The Company is engaged into ancillary business activity.

**1. BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES**

**A) Basis of preparation of financial statements**

**(a) Statement of Compliance with Ind AS**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (the Act), (Ind AS compliant Schedule III), as applicable to the Company.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

**(b) Functional and presentation currency**

These financial statements are presented in Indian rupees (Rs. In Lakh), which is the Company's functional currency.

**(c) Basis of Measurement**

The financial statements are prepared as a going concern basis under historical cost convention basis except for certain items which are measured at fair values.

**Determining the Fair Value**

While measuring the Fair Value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a Fair Value hierarchy based on the inputs used in the valuation techniques as follows:

**Level 1:** Quoted prices (unadjusted) in active markets for identical assets or liabilities.

**Level 2:** Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

**Level 3:** Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The fair value of trade receivables, trade payables and other Current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are Non-current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis.

**(d) Use of Estimate**

The preparation of financial statements in conformity with the Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of the contingent asset and contingent liability at the date of the financial statements and reported amount of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from the estimates. Appropriate changes in estimate are made as the management becomes aware of the change in circumstances surrounding the estimates. Changes in the estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effects are disclosed in the notes to financial statements.

**(e) Operating Cycle**

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements issued by the Ministry of Corporate Affairs based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

**B) Significant accounting policies**

**(a) Property, Plant and Equipment**

Property, Plant and Equipment are stated at cost of acquisition or construction, net of Input tax credit available, less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of Property, Plant and Equipment recognised as at April 1, 2016 measured as per the previous GAAP. Cost directly attributable to acquisition are capitalised until the Property, Plant and Equipment are ready for use as intended by the management.

Property, Plant and Equipment are derecognised from financial statements, either on disposal or when no economic benefits are expected from its use. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the Property, Plant and Equipment and the resultant gains or losses are recognized in the Statement of Profit and Loss.

Depreciation on Property, Plant and Equipment commences when these assets are ready for their intended use. Items of Property, Plant and Equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of these assets, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a straight line basis. Depreciation on Property, Plant and Equipment purchased or sold during the year is proportionately charged.

**Financial Assets:**

**Recognition:** Financial assets include Investments, Trade receivables, Advances, Security Deposits, Cash and cash equivalents. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

**Classification:** Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

**In case of Other Assets:**

Trade receivables, Advances, Security Deposits, Cash and cash equivalents etc., are classified at cost.

**Financial Liabilities**

**Initial and subsequent recognition:** Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption / settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

**De-recognition:** Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation in respect of the liabilities is discharged, cancelled and settled on expiry by the Company.

**Offsetting Financial Instruments**

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

**Claims, Provisions, Contingent assets and Liabilities:**

Claims lodged by and lodged against the Company are accounted in the year of payment or settlement thereof. Provisions are recognised when, as a result of a past event, the Company has a legal or constructive obligation; it is probable that an outflow of resources will be required to settle the obligation; and the amount can be reliably estimated. The amount so recognised is the best estimate of the consideration required to settle the obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation.

In an event when the time value of money is material, the provision is carried at the present value of the cash flows estimated to settle the obligation.

Contingent liabilities are not recognised but are disclosed by way of notes to the financial statements, after careful evaluation by the management of the facts and legal aspects of each matter involved.

Contingent assets are neither recognised nor disclosed in the financial statements.

Contingent liabilities are assessed continually to determine whether an outflow of resources embodying the economic benefit has become probable. If it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as contingent liability, a provision is recognised in the financial statements of the period in which the change in probability occurs.

**Recognition of revenue and expenditure**

(i) Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable. Revenue represents the net invoice value of goods and services provided to third parties after deducting discounts, volume rebates, and outgoing taxes.

Revenue is recognised usually when all significant risks and rewards of ownership of the asset sold are transferred to the customer and the commodity has been delivered to the shipping agent. Revenue from sale of material by-products are included in revenue.

**(ii) Interest and dividend income**

Interest income is recognised using Effective Interest Method (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of financial instruments or a shorter period, where appropriate, to the gross carrying amount of the asset or to the amortised cost of financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit loss.

Dividend income is recognised in the Statement of Profit and Loss when the right to receive dividend is established.

**Borrowing Cost**

Borrowing Cost attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets upto the date when such assets are ready for intended use. Other borrowing costs are charged as expense in the year in which they are incurred.

**Employee benefits**

Benefits such as salaries, wages and short term compensations etc. is recognized in the period in which the employee renders the related services.

The employees of the Company are entitled to compensated leave for which the Company records the liability based on actuarial valuation computed using projected unit credit method. These benefits are unfunded.

**Taxes on income**

Taxes on income comprises of current taxes and deferred taxes. Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period.

Deferred tax assets are recognised for the future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary differences can be utilised.

Income tax, in so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable.

Deferred tax assets and liabilities are offset when there is legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances related to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on net basis, or to realize the asset and settle the liability simultaneously.

#### **Foreign currency transactions and translation**

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction.

Monetary items denominated in foreign currencies at the yearend are restated at year end rates. In case of monetary items which are covered by forward exchange contracts, the difference between the yearend rate and rate on the date of the contract is recognised as exchange difference and the premium paid on forward contracts has been recognised over the life of the contract. Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Statement of Profit and Loss.

Non-monetary foreign currency items are carried at cost.

#### **Prior period errors**

Prior Period Errors have been corrected retrospectively in the financial statements. Retrospective application means that the correction affects only prior period comparative figures, current period amounts are unaffected. Comparative amounts of each prior period presented which contain errors are restated. If however, an error relates to a reporting period that is before the earliest prior period presented, then the opening balances of assets, liabilities and equity of the earliest prior period presented has been restated by following IAS 8.

#### **Earnings per share**

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also, the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

#### **Cash flow statement**

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

#### **Cash and cash equivalents**

Cash and cash equivalents in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

## **19. Financial risk management**

### **(i) Financial instrument by category:**

The Company does not carry any investments or similar instruments.

### **(i) Risk management**

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages those risks.

#### **A. Credit risk**

Credit risk is the risk that a counter party fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. Credit risk related to cash and cash equivalents and bank deposits is managed only by accepting highly rated banks and diversifying bank deposits. Other financial assets measured at amortized cost include loans to employees, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensures the amounts are within defined limits.

**Credit risk management:** The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

a) Low credit risk

b) Moderate credit risk

c) High credit risk

**Credit risk exposures:** The Company's trade receivables do not have any expected credit loss as they are generally within the credit period. In case of non-recoverability in extreme cases, the Company, accordingly, provides for the same in its books of account instead of writing it off permanently.

#### **B. Liquidity risk**

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains adequate liquidity for meeting its obligations by monitoring the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows from the operations.

#### **C. Market risk**

Market risk is the risk of changes in the market prices on account of foreign exchange rates, interest rates and Commodity prices, which shall affect the Company's income or the value of its holdings of its financial instruments. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimizing the returns.

##### **a. Currency risk**

The Company does not have any transactions denominated in foreign currencies, which are subject to the risk of exchange rate fluctuations.

**b. Interest risk**

iii) **Assets:** The Company's deposits are maintained in current account, therefore the company is not at any risk on account of interest rate

iv) **Liabilities:** The Company does not have any borrowings hence the Company is not at any risk on account of interest rate.

**20.** The previous period figures have been regrouped and rearranged, wherever necessary to make them corresponded with those of current period classification and disclosure.

ALPS INDUSTRIES LIMITED

**Report on the Consolidated Financial Statements**

**Qualified Opinion**

We have audited the accompanying consolidated financial statements of **ALPS INDUSTRIES LIMITED** (herein after referred to as "the Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group"), comprising the Consolidated Balance Sheet as at March 31, 2021, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity, the Consolidated Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except, for the effects of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its loss, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

**Basis for Qualified Opinion**

*Refer to note no. 38 to the notes on accounts, the Company has not provided for its liability towards interest & part of principal loan, waived earlier, and impact of retained earnings in terms of draft rehabilitation scheme and now revoked by its consented lenders amounting to Rs. 154882.21 lakh, accordingly the loss for the year and loan liability would have been increased and shareholder's fund would have been reduced to that extent.*

**Emphasis of Matters**

We draw attention to the following matters in the Notes to Financial Statements:

To note no 38 related to preparation of financial statement on going concern basis on the expectation of the company to get the necessary resolution for restructuring /settlement of debts and to meet its financial obligation and continuation of giving effect to earlier consented scheme though now revoked.

**Key Audit Matters- Meaning**

Key audit matters are those matters that, in our professional judgment, were of *most significance in the audit of the financial statements of the current period*. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon and we do not provide a separate opinion on these matters. In addition to the matter described below to be the key audit matters to be communicated in our report. Key audit matters are selected from matters communicated with those charged with governance.

**Other Matters**

1. We have relied upon the unaudited financial statements of M/s Alps USA Inc., the subsidiary company, whose financial statements reflect total assets of Rs. 388.84 Lac as at 31st March, 2021, total expense of Nil, cash flows amounting to Nil for the year then ended. These unaudited financial statements, as approved by the Board of Directors of this company and translated from US\$ into INR have been furnished to us by the Management and our report insofar as it relates to the amounts included in respect of this subsidiary is based solely on such approved unaudited financial statements. In our opinion and according to the information and explanations given to us by the management, these financial statements are not material to 'the Group'.

2. Our opinion on the Consolidated Financial Statements, and our report on other legal and regulatory requirements below, except, for the effects of the matter described in the Basis for Qualified Opinion paragraph above, is not qualified in respect of the above Emphasis of Matters and Other Matters.

3. Due to spreading of COVID-19 across India, the Government Authorities imposed a corona lockdown in April 2021 across State which is still going on with relaxations in parts. This has resulted in restriction on physical visit to client locations and the need for carrying alternative audit procedures as per the Standards on Auditing prescribed by the Institute of Chartered Accountants of India (ICAI).

In view of above stated situation, the entire audit was carried out based on remote access of the data as provided by the management. This has been carried out based on the advisory on “Specific Considerations while conducting Distance Audit/Remote Audit/ Online Audit under current Covid-19 situation” issued by the Auditing and Assurance Standards Board of ICAI. We have been represented by the management that the data provided for our audit purposes is correct, complete, reliable and are directly generated by the accounting system of the Company without any further manual modifications. We bring to the attention of users that the audit of the financial statements has been performed in the aforesaid conditions.

#### **Management’s Responsibility for the Consolidated Financial Statements**

The Holding Company’s Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act 2013 (“the Act”) with respect to the preparation of the consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the Indian Accounting Standards (IND AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

The Holding Company’s Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of Consolidated Financial Statements. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the financial statements, management is responsible for assessing the company’s ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Board of Directors is also responsible for overseeing the Company’s financial reporting process.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act and the Rules made there under including the accounting standards and matters which are required to be included in the audit report.

I. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

II. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company’s preparation of the consolidated financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company’s Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

III. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the consolidated financial statements.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b. In our opinion, proper books of account as required by law maintained by the Holding Company, its subsidiaries included in the Group, including relevant records relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those bookstand records of the Holding Company.
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d. In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act.
- e. On the basis of the written representations received from the directors of the Holding Company as on 31<sup>st</sup> March, 2021 taken on record by the Board of Directors of the Holding Company and of its subsidiary companies, none of the directors of the Group companies, is disqualified as on 31<sup>st</sup> March, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company, its subsidiary companies, the operating effectiveness of such controls, refer to our separate Reporting Annexure A.
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- h. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The consolidated financial statements disclose the impact of pending litigations as at March 31, 2021 on the consolidated financial position of the Group (Refer Note No. 36 & 37).
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

**ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of Alps Industries Limited (hereinafter referred to as "the Holding Company") and its subsidiary companies as of that date.

**Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Holding company, its subsidiary companies, are responsible for establishing and maintaining internal financial controls based on "internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to

the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Holding Company, its subsidiary companies, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the **consolidated financial statements** as at and for the year ended March 31, 2021

**1. SIGNIFICANT ACCOUNTING POLICIES :**

**Corporate Information**

Alps Industries Limited (the Company) is a public Limited Company. The Company and its Subsidiaries collectively referred to as “The Group” and is primarily engaged into Textile business. Holding company having CIN L51109UP1972PLC003544 is listed on the Bombay Stock Exchange and National Stock Exchange engaged into Textile business.

**2. BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES**

**A) Basis of preparation of financial statements**

**(a) Statement of Compliance**

The financial statements of the Group have been prepared in accordance with Indian Accounting Standards (IND AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended), and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (the Act), (Ind AS compliant Schedule III), as applicable to the group. The group adopted Ind AS from April 01, 2017.

For all periods up to and including the year ended March 31, 2017, the group prepared its financial statements in accordance with the requirements of previous Generally Accepted Accounting Principles (GAAP), which includes Standard notified under the Companies (Accounting Standards) Rules, 2006. These are the group’s first IND AS financial statements with transition date of April 01, 2016.

The group has adopted all IND AS standards and the adoption was carried out in accordance with Ind AS 101 'First Time Adoption of Indian Accounting Standards' issued by Ministry of corporate affairs. The group has presented reconciliation (from previous GAAP to IND AS) of total equity as at April 01, 2016, March 31, 2017 and Statement of Profit and Loss for the year ended March 31, 2017.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The consolidated financial statements are prepared by applying uniform accounting policies in use at the group. Non controlling interest has been excluded. Non controlling interests represent that part of the assets of subsidiaries that are not owned by the parent company.

**(b) Functional and presentation currency**

These financial statements are presented in Indian rupees (Rs. In Lakh), which is the group's functional currency.

**(c) Basis of Measurement**

The financial statements are prepared as a going concern basis under historical cost convention basis except for certain items which are measured at fair values.

**Determining the Fair Value**

While measuring the Fair Value of an asset or a liability, the group uses observable market data as far as possible. Fair values are categorised into different levels in a Fair Value hierarchy based on the inputs used in the valuation techniques as follows:

**Level 1:** Quoted prices (unadjusted) in active markets for identical assets or liabilities.

**Level 2:** Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

**Level 3:** Inputs for the asset or liabilities that are not based on observable market data (unobservable inputs).

The fair value of trade receivables, trade payables and other Current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature. Where such items are Non-current in nature, the same has been classified as Level 3 and fair value determined using discounted cash flow basis. Similarly, unquoted equity instruments where most recent information to measure fair value is insufficient then the same has been valued at Rs. 1/- per share.

**(d) Use of Estimate**

The preparation of financial statements in conformity with the IND AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of the contingent asset and contingent liability at the date of the financial statements and reported amount of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from the estimates. Appropriate changes in estimate are made as the management becomes aware of the change in circumstances surrounding the estimates. Changes in the estimates are reflected in the financial statements in the period in which the changes are made and, if material, their effects are disclosed in the notes to financial statements.

**(e) Operating Cycle**

All assets and liabilities have been classified as current or non-current as per the group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and IND AS 1 – Presentation of Financial Statements issued by the Ministry of Corporate Affairs based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

**B) Recent accounting pronouncement**

i. IND AS 115- Revenue from Contract with Customers: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The group has adopted the standard on April 1, 2018 by using the cumulative catch-up transition method and accordingly comparatives for the year ending or ended March 31, 2018 are not retrospectively adjusted.

ii. **IND AS 116** on "Leases": On March 30, 2019, Ministry of Corporate Affairs has notified IND AS 116 on Leases. IND AS 116 replaced the existing IND AS 17 on Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the Lessee and the Lessor. IND AS 116 introduces a single lease accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. The Standard also contains enhanced disclosure requirements for lessees. The effective date for adoption of IND AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition:

a) Full retrospective: Retrospectively to each prior period presented applying IND AS 8 on 'Accounting Policies, Changes in Accounting Estimates and Errors'.

b) Modified retrospective: Retrospectively, with the cumulative effect of initially applying the Standard recognized at the date of initial application. Under modified retrospective approach, the lessee records the lease liability at the present value of remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee's incremental borrowing rate at the date certain practical expedients are available under both the methods.

On completion of the evaluation of the effect of adoption of the IND AS 116, the Company has adopted to use the "Modified retrospective Approach" for transition to IND AS 116. Accordingly comparatives for the year ended March 31, 2019 has not been retrospectively adjusted.

### **C) Significant accounting policies**

#### **(a) Property, Plant and Equipment**

Property, Plant and Equipment are stated at cost of acquisition or construction, net of Input tax credit available, less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of Property, Plant and Equipment recognised as at April 1, 2016 measured as per the previous GAAP. Cost directly attributable to acquisition are capitalised until the Property, Plant and Equipment are ready for use as intended by the management.

Property, Plant and Equipment are derecognised from financial statements, either on disposal or when no economic benefits are expected from its use. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the Property, Plant and Equipment and the resultant gains or losses are recognized in the Statement of Profit and Loss.

Depreciation on Property, Plant and Equipment commences when these assets are ready for their intended use. Items of Property, Plant and Equipment are depreciated in a manner that amortizes the cost (or other amount substituted for cost) of these assets, less its residual value, over their useful lives as specified in Schedule II of the Companies Act, 2013 on a straight line basis. Depreciation on Property, Plant and Equipment purchased or sold during the year is proportionately charged.

#### **(b) Intangible Assets**

Intangible Assets are stated at cost of acquisition less accumulated amortisation. Specialized Software is amortised over an estimated useful period of five year. Amortisation is done on straight line basis.

#### **(c) Impairment of non financial assets**

Property, Plant and Equipment are evaluated for recoverability, whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

**(d) Inventories**

- (i) Inventories are valued at lower of cost or net realisable value except for scrap and by-products which are valued at net realisable value.
- (ii) Cost of inventories of finished goods and work-in-process includes material cost, cost of conversion and other related overhead costs.
- (iii) Cost of inventory of cotton is determined on weighted Average Cost Basis and other raw material on FIFO basis.

**(e) Financial instruments**

Financial assets and financial liabilities are recognised when the group becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date when the group commits to purchase or sell the asset.

**Financial Assets:**

**Recognition:** Financial assets include Investments, Trade receivables, Advances, Security Deposits, Cash and cash equivalents. Such assets are initially recognised at transaction price when the group becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

**Classification:** Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

**Financial assets are classified as those measured at:**

- (a.) amortised cost, where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.
- (b.) fair value through other comprehensive income (FVTOCI), where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in other comprehensive income.
- (c.) fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

**In case of investment in equity shares**

For Investments in equity instruments are measured at FVTOCI where "Available for Sale and at FVTPL where "Held for Trade".

**Other:**

Trade receivables, Advances, Security Deposits, Cash and cash equivalents etc., are classified at cost.

**Impairment:** The group assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, trade receivables, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is

available without undue cost or effort. Expected credit losses are assessed and loss allowances recognised if the credit quality of the financial asset has deteriorated significantly since its initial recognition.

**Reclassification:** When and only when the business model is changed, the group shall reclassify all affected financial assets prospectively from the reclassification date as subsequently measured at amortised cost, fair value through other comprehensive income, fair value through profit or loss without restating the previously recognised gains, losses or interest and in terms of the reclassification principles laid down in the IND AS relating to Financial Instruments.

**De-recognition:** Financial assets are derecognised when the right to receive cash flows from the assets has expired, or has been transferred, and the group has transferred substantially all of the risks and rewards of ownership. Concomitantly, if the asset is one that is measured at:

- (a.) amortised cost, the gain or loss is recognised in the Statement of Profit and Loss;
- (b.) fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the Statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves is reclassified within equity.

### **Financial Liabilities**

**Initial and subsequent recognition:** Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption/settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet.

**De-recognition:** Financial liabilities are de-recognised when the liability is extinguished, that is, when the contractual obligation in respect of the liabilities is discharged, cancelled and settled on expiry by the group.

### **Offsetting Financial Instruments**

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

### **Equity Instruments**

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

### **(f) Government Grants**

Government grants are recognised when there is reasonable assurance that the grant will be received, and the group will comply with the conditions attached to the grant. Accordingly, government grants:

- (a.) related to or used for assets are accounted for and deducted from the respective assets in the year of receipt. (b.) related to incurring specific expenditures are taken to the Statement of Profit and Loss on the same basis and in the same periods as the expenditures incurred.
- (c.) by way of financial assistance on the basis of certain qualifying criteria are recognised as they become receivable.

### **(g) Claims, Provisions, Contingent Assets and Liabilities:**

Claims lodged by and lodged against the group are accounted in the year of payment or settlement thereof.

Provisions are recognised when, as a result of a past event, the group has a legal or constructive obligation; it is probable that an outflow of resources will be required to settle the obligation; and the amount can be reliably estimated. The amount so recognised is the best estimate of the consideration required to settle the obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation.

In an event when the time value of money is material, the provision is carried at the present value of the cash flows estimated to settle the obligation.

Contingent liabilities are not recognised but are disclosed by way of notes to the financial statements, after careful evaluation by the management of the facts and legal aspects of each matter involved.

Contingent assets are neither recognised nor disclosed in the financial statements.

Contingent liabilities are assessed continually to determine whether an outflow of resources embodying the economic benefit has become probable. If it becomes probable that an outflow of future economic benefits will be required for an item previously dealt with as contingent liability, a provision is recognised in the financial statements of the period in which the change in probability occurs.

**(h) Recognition of Revenue and Expenditure**

(i) Revenue is recognised to the extent that it is probable that the economic benefits will flow to the group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable. Revenue represents the net invoice value of goods and services provided to third parties after deducting discounts, volume rebates, outgoing taxes.

Revenue is recognised usually when all significant risks and rewards of ownership of the asset sold are transferred to the customer and the commodity has been delivered to the shipping agent. Revenue from sale of material by-products are included in revenue.

**(ii) Interest and dividend income**

Interest income is recognised using Effective Interest Method (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of financial instruments or a shorter period, where appropriate, to the gross carrying amount of the asset or to the amortised cost of financial liability. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit loss.

Dividend income is recognised in the Statement of Profit and Loss when the right to receive dividend is established.

**(i) Borrowing Cost**

Borrowing Cost attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets upto the date when such assets are ready for intended use. Other borrowing costs are charged as expense in the year in which they are incurred.

**(j) Employee Benefits**

Benefits such as salaries, wages and short term compensations etc. is recognized in the period in which the employee renders the related services.

The group makes contributions to defined benefit schemes and defined contribution plans. Provident Fund contributions are in the nature of defined contribution scheme. Provident funds are deposited with government and recognised as an expense. The group also make contribution to defined benefit plan i.e. gratuity plan. The cost of providing benefits under the defined benefit obligation is calculated by independent actuary using the projected unit credit method. Service costs and net interest expense or income is reflected in the Statement of Profit and Loss. Gain or Loss on account of re-measurements are recognised immediately through other comprehensive income in the period in which they occur.

The employees of the group are entitled to compensated leave for which the group records the liability based on actuarial valuation computed using projected unit credit method. These benefits are unfunded.

**(k) Taxes on Income**

Taxes on income comprises of current taxes and deferred taxes. Current tax in the Statement of Profit and Loss is provided as the amount of tax payable in respect of taxable income for the period using tax rates and tax laws enacted during the period, together with any adjustment to tax payable in respect of previous years.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities and the amounts used for taxation purposes (tax base), at the tax rates and tax laws enacted or substantively enacted by the end of the reporting period.

Deferred tax assets are recognised for the future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary differences can be utilised.

Income tax, in so far as it relates to items disclosed under other comprehensive income or equity, are disclosed separately under other comprehensive income or equity, as applicable.

Deferred tax assets and liabilities are offset when there is legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances related to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on net basis, or to realize the asset and settle the liability simultaneously.

**(l) Foreign currency Transactions and Translation**

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction.

Monetary items denominated in foreign currencies at the yearend are restated at year end rates. In case of monetary items which are covered by forward exchange contracts, the difference between the yearend rate and rate on the date of the contract is recognised as exchange difference and the premium paid on forward contracts has been recognised over the life of the contract. Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Statement of Profit and Loss.

Non-monetary foreign currency items are carried at cost.

The translation of financial statement of foreign subsidiary from the respective local currency to functional currency of the company is performed for the balance sheet accounts using the exchange rate in effect at the balance sheet date and the resulting difference is presented as Foreign currency Translation Reserves included in Reserves & Surplus.

**(m) Prior Period Errors**

Prior Period Errors have been corrected retrospectively in the financial statements. Retrospective application means that the correction affects only prior period comparative figures, current period amounts are unaffected. Comparative amounts of each prior period presented which contain errors are restated. If however, an error relates to a reporting period that is before the earliest prior period presented, then the opening balances of assets, liabilities and equity of the earliest prior period presented has been restated by following IAS 8.

**(n) Earnings Per Share**

A basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the group by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the group by the weighted average number of equity shares considered for deriving basic earnings per equity share and also, the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for

the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

**(o)Cash flow statement**

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the group are segregated based on the available information.

**Amendment to IND AS-7**

Effective April 1, 2017, the group adopted the amendment to IND AS 7, which require the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement. The adoption of amendment did not have any material impact on the financial statements.

**(p)Cash and cash equivalents**

Cash and cash equivalents in the Balance Sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

Particulars	As at 31.03.2021	As at 31.03.2020
a) Guarantees issued by banks on behalf of company.	20.48	19.61
b) Claims against the company not acknowledged as debts	329.86	263.70
c) Other Claims against the company not acknowledged as debt :(including detailed as under):	29457.15	37360.50

I. Merrill Lynch Capital Services Inc. raised a claim of US\$ 195.80 Lakhs (Rs. 14392.18 Lakhs approx.) (P.Y. Rs. 14760.52 Lakhs approx.) against the Company in respect of an alleged corporate guarantee of US\$ 100 Lakhs (Rs. 7350.47 Lakhs approx.) (P.Y. Rs. 7538.59 Lakhs approx.) alleged to have been provided by the Company for one of its subsidiary company, M/s Alps USA Inc. These claims relate to derivative transactions and corporate guarantee thereof, which were disputed being per se illegal as not within the regulatory permission of RBI and were entered into by the Company on the basis of incomplete disclosures and details and thus, falls in the category of mis-selling by the bank to the Company. RBI has also refused to take on record the said corporate guarantee. Based on legal opinion, the Company has not admitted aforesaid claim and filed a suit before the competent Civil Court of law. An appeal filed by the Company against the order passed by Hon'ble Civil Court in the matter of withdrawing its jurisdiction and earlier order directing to maintain the status quo as regards the recovery proceedings is pending adjudication before Hon'ble Allahabad High Court. In view of above facts, no provision against above claim is considered necessary and therefore, it has been disclosed as part of contingent liabilities of the Company as at March 31, 2021.

II. Workers of the Company at Kashipur and Jaspur units filed cases before the Industrial Tribunal/Labour Court, Haldwani, Uttrakhand U/s 33C(2) of the Industrial Dispute Act, 1947 claiming total amount of Rs. 15064.97 Lakhs, in respect of their alleged dues towards wages, retirement benefit etc. as per Hon'ble Court's Notice dated 4th May 2013 received by the Company, which is being contested by the Company. The liability, if any, on this account will be accounted for as and when the matter is finally decided.

**37.** Kotak Mahindra Bank Limited (KMBL) had raised a total claim of Rs. 2036.11 Lakhs (P.Y. Rs. 2036.11 Lakhs) in respect of certain foreign currency derivative transactions which were disputed being per se illegal as not within the regulatory permission of RBI and were entered into by the Company on the basis of incomplete disclosures and details provided by the Bank and thus, falls in the category of mis-selling by the Bank to the Company. On the basis of legal opinion, the Company had not admitted these claims of bank and filed a suit in the competent Civil Court of law. The Hon'ble Civil Court in an ex-parte judgment vide its order dated 29.11.2018 declared these derivative transactions as void ab-initio being illegal.

Besides this, KMBL has also filed an Original Application (O.A.) before Hon'ble Debt Recovery Tribunal, Mumbai (DRT) for recovery out of its above claim amounting to Rs. 601.11 Lakhs (P.Y. Rs. 601.11 Lakhs) in respect of these foreign currency derivative transactions. The Hon'ble DRT vide an interim order has restrained the Company from selling its certain fixed assets. The Hon'ble Debt Recovery Appellate Tribunal (DRAT), Mumbai, on appeal of the Company directed to return the said OA and set aside the aforesaid restrained order passed by the Hon'ble DRT for want of Jurisdiction of DRT, Mumbai. Initially

Hon'ble Bombay High Court vide an interim order in the writ filed by KMBL against the order of Hon'ble DRAT has stayed the order of Hon'ble DRAT & Hon'ble DRT however subsequently decided the jurisdiction with DRT, Mumbai. The case is pending for adjudication before the DRT Mumbai. KMBL had also filed a winding up petition before the Allahabad High Court for the above said claims wherein also the Company contested and objected the maintainability of Petition. The same is under consideration of the Hon'ble Allahabad High Court.

**38.** During earlier year, the lenders having more than 83% of the secured debts of the Company revoked their consent to the DRS/settlement scheme circulated by erstwhile Hon'ble BIFR, interalia containing the restructuring of the debts of the Company, which was partly implemented. The Company objected to the said revocation of consent being unjustified and beyond terms of the scheme and further submitted an offer for settlement. M/s Edelweiss Assets Reconstruction Company Ltd., (presently holding more than 98% of the total secured debt of the Company) (EARC) in order to recover the dues from the Company has also filed an Original Application before Debts Recovery Tribunal, which application is pending adjudication. In addition to above EARC has under the provisions of SARFAESI auctioned certain properties including during the year Leasehold Land, Building and Plant & Machineries lying at Plot nos. A-2 & A-3, Loni Road, Industrial Area, Ghaziabad (UP) and Lenders having first pari passu charge over these assets have adjusted their dues with the realization made thereof. EARC has also taken over the symbolic possession of properties being Leasehold Land & Building at plot no. IA, Sec.-10, IIE, SIDCUL, Haridwar, under section 13(4) of the SARFAESI Act and issued a sale notice under Rule 8(6) and Rule 6(2) of the Security Interest (Enforcement) Rules, 2002. The adjustments as may arise on account of further action of lenders, if any, shall be made in the books of account in the year upon receipt of information from them.

The Company once again submitted revised settlement/restructuring proposal with lenders which are under active consideration with them. Management of the Company expects to get the revised settlement/restructuring proposal approved from lenders and accordingly, the Company would be meeting its revised financial obligations. Accordingly, the financial statements of the Company for the year ended March 31, 2021 have been prepared on going concern assumption basis and continue with the earlier consented restructuring scheme. The impact, arising upon approval of the revised settlement/restructuring proposal, will be given effect in the financial statements of the year of final settlement with lenders. Hence, no provision considered necessary in these accounts towards interest on entire secured loans & part of principal secured loan, waived earlier, and impact on retained earnings thereon totaling to Rs. 154882.21 Lakhs as per provisions of earlier consented scheme, which the Company continues to give effect till the time revised settlement/restructuring proposal is finally approved by its lenders.

**51. Financial risk management****i. Financial instrument by category:**

(a). Investment in equity shares of subsidiaries are measured in accordance with Ind AS 27, "Consolidated and Separate Financial Statements" and investment in equity share of other entities are measured in accordance with Ind AS 103 'Financial Instruments' issued by the "Ministry of Corporate Affairs", Government of India.

(b). For amortised cost instruments, carrying value represents the best estimate of fair value except investment in other debentures.

**ii. Risk management**

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages those risks.

**A) Credit risk**

Credit risk is the risk that a counter party fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. Credit risk related to cash and cash equivalents and bank deposits is managed only by accepting highly rated banks and diversifying bank deposits. Other financial assets measured at amortized cost include loans to employees, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously, while at the same time internal control system in place ensures the amounts are within defined limits.

**Credit risk management:** The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

a) Low credit risk

b) Moderate credit risk

c) High credit risk

**Credit risk exposures:** The Company's trade receivables do not have any expected credit loss as they are generally within the credit period. In case of non-recoverability in extreme cases, the Company, accordingly, provides for the same in its books of account instead of writing it off permanently.

**B) Liquidity risk**

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the business, the Company maintains adequate liquidity for meeting its obligations by monitoring the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows from the operations.

**C)** In compliance of SEBI Circular dated May 20, 2020, the management has assessed the impact of Covid-19 Pandemic situation on the financial results for the year ended March 31, 2021 and found that there is no material impact on the assets & liabilities and profit & loss account for the year ended on 31.3.2021. However in view of the continuation of Covid-19 pandemic situation, the impact on the future business and assets & liabilities of the company could not be assessed presently.

**D) Market risk**

Market risk is the risk of changes in the market prices on account of foreign exchange rates, interest rates and Commodity prices, which shall affect the Company's income or the value of its holdings of its financial instruments. The objective of market risk management is to manage and control market risk exposure within acceptable parameters, while optimizing the returns.

**a) Currency risk**

The Company undertakes transactions denominated in foreign currencies, which are subject to the risk of exchange rate fluctuations. Financial assets and liabilities denominated in foreign currency, except the Company's net investments in foreign operations (with a functional currency other than Indian Rupee), are subject to reinstatement risks.

The carrying amount of foreign currency denominated financial assets and liabilities as at March 31, 2021 are as follows:

Particulars	As at March 31, 2021	As at March 31, 2020
	Amount in Rs. Lakh	Amount in Rs. Lakh
<b>Financial Assets</b>	<b>2680.84</b>	<b>1464.15</b>
<b>Financial Liabilities</b>	<b>320.42</b>	<b>215.00</b>

**b) Interest risk**

**i. Assets:** The Company's fixed deposits are carried at fixed rate. Since the fixed deposits are very nominal & not material, therefore to that extent, the Company is at risk on account of interest rate

**ii. Liabilities:** The Company had borrowings from banking institutions, majorly whereof are assigned to an Asset Reconstruction Company (ARC). The Company has recognized the liability on account of borrowings as per scheme consented by lenders during BIFR proceedings. However, the outstanding of banks and ARC has since been classified as Non-Performing assets and action for possession of assets charged to lenders/ARC has since been initiated, the Company's liability towards interest will be accounted based on the approval of revised restructuring/settlement proposal submitted by the Company and to that extent, the Company is at risk on account of interest rate.

**52.** The figures for the previous period have been restated, regrouped and reclassified wherever required to comply with the requirement of IND AS and Schedule III.

**III. AUDIT QUALIFICATION (EACH AUDIT QUALIFICATION SEPARATELY)**

a.	Detail of Audit Qualification	<i>“Refer to note no. 38 to the notes on accounts, the Company has not provided for its liability towards interest &amp; part of principal loan, waived earlier, and impact of retained earnings in terms of draft rehabilitation scheme and now revoked by its consented lenders amounting to Rs. 154882.21 lakh, accordingly the loss for the year and loan liability would have been increased and shareholder’s fund would have been reduced to that extent.”</i>
b.	Type of Audit qualification (Qualified opinion/Disclaimer of Opinion/ Adverse Opinion )	Qualified Opinion
c.	Frequency of qualification (Whether appeared first time/repetitive/since hoe long continuing)	Since Financial Year 2017-18
d.	Audit Qualification where the impact quantified by the Auditor, Management’s Views:	During earlier year, the lenders having more than 83% of the secured debts of the Company revoked their consent to the DRS/settlement scheme circulated by erstwhile Hon'ble BIFR, interalia containing the restructuring of the debts of the Company, which was partly implemented. The Company objected to the said revocation of consent being unjustified and beyond terms of the scheme and further submitted an

		<p>offer for settlement. M/s Edelweiss Assets Reconstruction Company Ltd., (presently holding more than 98% of the total secured debt of the Company) (EARC) in order to recover its dues from the Company has also filed an Original Application before Debts Recovery Tribunal, Lucknow Bench, which application is pending adjudication. In addition to above EARC has under the provisions of SARFAESI auctioned certain properties including during the year Leasehold Land, Building and Plant &amp; Machineries lying at Plot nos. A-2 &amp; A-3, Loni Road, Industrial Area, Ghaziabad (UP) and Lenders having first pari passu charge over these assets have adjusted their dues with the realization made thereof. EARC has also taken over the symbolic possession of properties being Leasehold Land &amp; Building at plot no. IA, Sec.-10, IIE, SIDCUL, Haridwar, under section 13(4) of the SARFAESI Act and issued a sale notice under Rule 8(6) and Rule 6(2) of the Security Interest (Enforcement) Rules, 2002. The adjustments as may arise on account of further action of lenders, if any, shall be made in the books of account in the year upon receipt of information from them.</p> <p>The Company once again submitted a revised settlement/restructuring proposal with lenders which is under active consideration with them. Management of the Company expects to get the revised settlement/restructuring proposal approved from lenders and accordingly, the Company would be meeting its revised financial obligations. Accordingly, the financial statements of the Company for year ended on March 31, 2020 have been prepared on going concern assumption basis and continue with the earlier consented restructuring scheme. The impact, arising upon approval of the revised settlement/ restructuring proposal, will be given effect in the financial statements of the year of final settlement with lenders.</p> <p>Hence, no provision considered necessary in these accounts towards interest on entire secured loans &amp; part of principal secured loan, waived earlier, and impact on retained earnings thereon totaling to Rs. 154882.21 Lakh as per provisions of earlier consented scheme, which the Company continues to give effect till the time revised settlement/restructuring proposal is finally approved by its lenders.</p>
