- Figures for the previous periods have been reclassified or regrouped to conform to the presentation adopted in this statement.
- Corporation is primarily engaged in the business of term lending. All activities of the Corporation revolve around main business. Hence there are no reportable segments as per AS-17 "Segment Reporting".

4. During the quarter under reference, due to decrease in Loan Assets, Corporation wrote back NPA provision no longer required of Rs.25.16 lakh and shown as exceptional item. However, due to provision of Rs.37.42 lakh during the quarter ended 30th June, 2021, the net effect for the half year ended 30th September, 2021 is provision of Rs.12.26 lakh towards Non-Performing Assets.
5. The Cash Flow Statement, as above, is prepared in accordance with Accounting Standard-3 (indirect method).
6. Statutory Auditors, in the Limited Review Report on the said results, made qualified opinion which along with Management's views is given below:-

| Sr. No. | Audit qualification | Management view |
|---------|---|--|
| 1 | The financial results of the Corporation are prepared on a going concern basis notwithstanding the fact that its net worth is completely eroded and defaulted in repayment obligations due to liquidity problems. This is not in accordance with Accounting Standard (AS)-1 "Disclosure of Accounting Policies". The effect of the same on the financial results is not ascertainable. | Gujarat State Financial Corporation is established under State Financial Corporations Act, 1951 by Parliament as a special Act pursuant to Entry No. 43 of the Union List. Corporation is, thus, a body corporate and statutory Corporation. The main objective of establishment of the Corporation is aimed at achieving balanced regional growth by extending financial assistance to first generation entrepreneurs to establish micro and small scale units in the State and to generate employment. Corporation discontinued its main functions of sanction and disbursement since FY 2001-02. Corporation has so far suffered immense loss but is continuing its recovery function. Corporation, being a statutory body, thus, prepares accounts on "going concern" assumptions and it is appropriate under the aforesaid circumstances. |
| 2 | Dues payable to Government of Gujarat is subject to confirmation and adjustment, if any. Pending such confirmation, the effect thereof on interest and penal interest is not ascertainable. | Government loans are granted as a result of provisions made in the Budgets of Government of Gujarat from time to time and subsequent issuance of Government Resolutions. Due to paucity of funds to meet with the liabilities, Government has been moved to make the loan advanced to the Corporation as interest free from 1 st July, 2012 vide proposal dated 17 th October, 2012. Information and data called for have been provided from time to time but the request is still under consideration. However, pending decision, interest and penal interest is charged to Statement of Profit & Loss. The outstanding details are submitted to administrative department on quarterly basis. The loan accounts are reconciled with other authorities also from time to time. In view of this, separate confirmation is not obtained. |
| 3 | Interest income on loans and advances on account of recovery from the parties are made on actual receipt basis since the beginning of financial year starting from 1 st April, 2018 as a result of change in accounting policy adopted by the Corporation. However, in respect of receipts prior to 1-4-2018 where No Due Certificate is not issued, the then prevailing policy is kept intact. Therefore, the actual effect on write back of NPA, bad debt provision and any other items of financial results could not be ascertained. | Till 31 st March, 2018, the practice followed was that installments received under OTS Scheme was apportioned in the order of penalty, interest and other charges and lastly in principal. After receiving settlement amount in full, interest and penalty already received is credited to principal and the amount of shortfall in principal and other accounts is written off. Therefore, interest income reported in P&L A/c and written off was not fully of that particular year. This policy is decided to be discontinued from with effect from 1 st April, 2018 and since then receipts are first apportioned against principal and capitalized expenses and excess, if any, is apportioned in the order of interest and penalty. As a result of change in accounting policy, the decrease in interest will be reflected in increase of write back once the old settlement cases are issued NDC. |

Independent Auditor's Limited Review Report

To,
The Board of Directors,
Gujarat State Financial Corporation

Introduction

We have reviewed the accompanying statement of un-audited financial results of Gujarat State Financial Corporation ('the Corporation') for the Second quarter and half year ended 30th September, 2021 (the Statement). This statement is the responsibility of Corporation's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statements based on our review.

Scope of Review

We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Basis for qualified conclusion

1. The financial results of the corporation are prepared on a going concern basis, notwithstanding the fact that its net worth is completely eroded and defaulted in repayment obligations due to liquidity problems. This is not in accordance with Accounting Standard (AS) - 1 "Disclosure of Accounting Policies". The effect of the same on the financial results is not ascertainable.
2. Dues payable to Government of Gujarat is subject to confirmation and adjustment, if any. Pending such confirmation, the effect thereof on interest and penal interest is not ascertainable.
3. Interest income on loans and advances on account of recovery from the parties are made on actual receipt basis since beginning of financial year starting from 1st April, 2018, as a result of change in accounting policy adopted by the Corporation. However, in respect of receipts prior to 1-4-2018, the then prevailing policy is kept intact. Therefore, the actual effect on write back of NPA, bad debt provision and any other items of financial results could not be ascertained.

Qualified Conclusion

Based on our review conducted as above, with the exception of the matter described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with applicable Accounting Standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosures Requirement) Regulations, 2015 including the manner in which it is to be disclosed or that it contains any material misstatement.
