Further, the Explanatory statement in Item no. 03 of EOGM notice is further clarified, in addition to the already mentioned details, as follows-

- a) In point 6 under the head ‘Objects of the issue’- The members are informed that the object of the issue of the Equity Shares by way of the proposed preferential offer is to convert the outstanding amount of unsecured loans of Proposed Allottee due to the Company in to Equity Shares of the Company as it is considered more feasible rather than borrowing from banks and other sources for repayment of the unsecured loans, which are attributed to hefty interest payment. The board of the Company was thus of the opinion to either make payment of their loans outstanding or to convert their outstanding unsecured loan amount due to the Company in to Equity Shares. In view of the current financial position of the Company the

Accordingly, the management of the Company has sought to convert the loan amount into an equivalent number of securities (i.e Equity and Preference shares both).
