DC Infotech has consistently demonstrated remarkable leadership and a deep commitment to delivering cutting-edge solutions to its customers. The company's ability to anticipate market needs, leverage technology know-how, and provide valuable digital signage solutions has set it apart as an industry leader.

This esteemed award serves as a reminder of DC Infotech's responsibility to continue making a meaningful difference in the digital signage industry and society as a whole. The company remains committed to upholding the highest standards of business ethics, promoting sustainability, and driving innovation.

This prestigious awards function was held on 3<sup>rd</sup> October 2023 at the Rishikesh in the state of Uttarakhand.

The Company is honoured to receive this esteemed award, which highlights the collective efforts and dedication of its employees, partners, and stakeholders who have played an integral role in its success. This accolade serves as a motivation to continue pushing boundaries, exploring new horizons, and driving positive change within the trade and Industry sector.

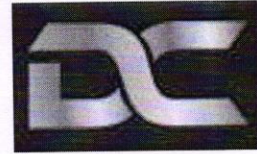

**Management Comment:**

*I am truly honoured and delighted to receive Samsung's Highest Value Contribution Award. This recognition is a testament to the hard work, dedication, and commitment of our entire team. Samsung is a global leader in technology, and to be acknowledged by such a prestigious company is a significant achievement for us. This award reflects the successful partnership we have cultivated with Samsung over the years and the value we have been able to deliver through our products, services, and collaborative efforts. We wish to express our deep appreciation to the award committee for acknowledging our contributions and considering us worthy of this prestigious honor. This recognition motivates us to continue raising the bar, setting new benchmarks, and pushing the boundaries of success. It inspires us to further enhance our efforts in delivering exceptional products/services, fostering innovation, and positively impact on our customers, employees, and the communities we operate in.*

*We also extend our heartfelt appreciation to our entire team of DC Info and valued customers, who have placed their trust in us, and our dedicated shareholders, whose support has been crucial to our growth and success. This award is a shared achievement that would not have been possible without their unwavering support and belief in our capabilities.*

*Moving forward, we remain committed to maintaining the highest standards of business ethics, promoting sustainable practices, and embracing diversity and inclusivity. This award will serve as a constant reminder that we have a responsibility to continue making a meaningful difference in the industry and society as a whole.*

*I thank the entire team of DC Info and all our partners for their efforts, hard work and dedication in pushing the Company forward."*

**About DC Infotech & Communication Ltd.**

DC Infotech & Communication Ltd. was originally formed as a Partnership Firm, under the Indian Partnership Act, 1932 in the name and style of "DC Infotech". Further the Partnership Firm was converted into Public Limited Company "DC Infotech and Communication Limited" on January 15, 2019, complete enterprise security solution in India with a national footprint.

The idea was and still is to provide innovative networking, security products and solutions by utilizing the latest technology know-how. Today, DC Infotech has established itself as one of the leading enterprise security solution provider of networking and security products and services. The main objective is to be "one step ahead", i.e., to understand the future market needs and trends before they become obvious and to accommodate demands before they occur.
