- ii) Perquisites and allowances: -**
 - a. Company's contribution towards Provident Fund as per Company's Rules but not exceeding 12% of the basic salary.
 - b. Company's contribution towards National Pension System (NPS) as per Company's rules but not exceeding 10% of the basic salary.
 - c. Free use of car with driver, for Company's business.
 - d. Free Telephone facility at residence. All personal long distance calls shall be billed by the Company
 - e. Gratuity not exceeding half month's salary for each completed year of service as provided in Gratuity Act.
- iii) He shall not be paid any sitting fees for attending the meetings of Board of Directors or any Committee thereof.**
- iv) Shri Shreyans Ranka shall be subject to retire by rotation during his tenure as the Whole Time Director of the Company.**

“FURTHER RESOLVED THAT where in any financial year during the tenure of Shri Shreyans Ranka, as a Whole-Time Director, the Company has no profits or its profits are inadequate, the Company may pay to him the above remuneration as the minimum remuneration by way of salary subject to the requisite approvals, if any.”

- (5) **To ratify the remuneration of Cost Auditors for the financial year ending March 31, 2022**

To consider and if thought fit, to pass with or without modification(s), the following resolution as an Ordinary Resolution:

“RESOLVED THAT pursuant to the provisions of Section 148 and other applicable provisions, if any, of the Companies Act, 2013 read with Companies (Audit and Auditors) Rules, 2014 (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), Rajesh & Company, Cost Accountants (Firm Registration No. 000031), the Cost Auditors appointed by the Board of Directors on the recommendation of the Audit Committee, to conduct the audit of the cost records of the Company for the financial year ending March 31, 2022, be paid the remuneration of Rs. 50,000/- and reimbursement of expenses upto Rs.25,000/- be and is hereby ratified and approved.”

“RESOLVED FURTHER THAT the Board of Directors and/or Company Secretary of the Company be and is hereby authorized to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this resolution.”

By the Order of the Board

Place : Abu Road
Date : 14th August, 2021

(Gaurav Goyal)
Company Secretary

Notes:

1. The Explanatory Statement pursuant to Section 102 and/or any other applicable provisions of the Companies Act, 2013 setting out the material facts in respect of Item No. 3 to 5 set out in the Notice and the details under Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and clause 1.2.5 of Secretarial Standards on the General Meeting (SS-2) issued by the Institute of Company Secretaries of India, in respect of the person(s) seeking appointment/ re-appointment as Director at the Annual General Meeting, is annexed hereto.
2. Pursuant to provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended and Regulation 44 of SEBI (Listing Obligations and Disclosures Requirements), Regulations, 2015 (as amended), the Company is pleased to provide its members the facility of "remote e-voting" (e-voting from a place other than venue of the AGM) to exercise their right to vote at the AGM. The business may be transacted through e-voting services provided by Central Depository Services (India) limited ("CDSL").
3. A member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote in the meeting instead of himself/herself and the proxy need not be a member of the Company. In terms of Section 105 of the Companies Act, 2013, a person can act as proxy on behalf of not more than fifty members holding in the aggregate, not more than ten percent of the total share capital of the Company. In case a proxy is proposed to be appointed by a Member holding more than 10% of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or Member.
4. The proxy form duly completed, must be deposited at the Company's registered office not less than 48 hours before the commencement of the meeting. A proxy form for the Annual General Meeting is enclosed.
5. Institutional / Corporate Members intending to send their authorized representatives to attend the Meeting pursuant to Section 113 of the Companies Act, 2013 are requested to send a certified copy of the relevant Board Resolution together with specimen signatures of those representative(s) authorized under the said resolution to attend and vote on their behalf at the Meeting. The said certified true copy of the Board resolution should be sent to the Scrutinizer by email through its registered email address to [jyotisoni1804@gmail.com](mailto: jyotisoni1804@gmail.com) with a copy marked to [compliance@moderninsulators.com](mailto: compliance@moderninsulators.com).
6. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
7. Only bonafide members of the Company whose names appear on the Register of Members/Proxy holders, in possession of valid attendance slips duly filled and signed will be permitted to attend the meeting. The Company reserves its right to take all steps as may be deemed necessary to restrict non-members from attending the meeting.
8. Details of Directors retiring by rotation/seeking re-appointment at the ensuing Meeting are provided in the "Annexure" to the Notice.
9. The Share transfer books and Register of members shall remain closed from 24th September, 2021 to 30th September, 2021 (both days inclusive) in connection with the Annual General Meeting.
10. Section 20 of the Companies Act, 2013 permits service of documents on members by a company through electronic mode. So in accordance with the Companies Act, 2013 read with the Rules framed thereunder, the Annual Report for the year 2020-21 is being sent through electronic mode to those members whose email addresses are registered with the Company/Depository Participant.
 Due to Covid 19 pandemic, SEBI vide Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, read with SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12th May, 2020, has eased compliance norms pertaining to requirement of sending physical copies of annual reports to shareholders for general meeting to be held up-to December 31, 2021. In view of the above, the Company will not dispatch physical copies of the annual report.
 The Annual Report and Notice of the AGM is being sent to members who have registered their email ID with the Company / Depositories. The members who have not registered their email ID with the Company can access the Annual Report on the website of the Company www.moderninsulators.com.
11. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit the said details to their depository participants ("DPs") in case the shares are held by them in electronic form and to Beetal in case the shares are held by them in physical form.
12. Members holding shares in physical mode are requested to dematerialize their shares by surrendering their share certificates to their Depository Participants (DPs). Members are requested to quote ISIN: INE219W01012 of the Company for dematerialization of the shares.
13. Members holding shares in physical form are advised to submit particulars of their bank account, viz. name and address of the branch of the bank, MICR code of the branch, type of account and account number to our Registrar and Share Transfer Agent, Beetal Financial & Computer Service Pvt. Ltd. Beetal House, 3rd Floor, 99 Madangir, Behind LSC, New Delhi-110062.
14. Members who have not registered their email addresses so far are requested to register their e-mail ID's with M/s. Beetal Financial & Computer Services Pvt. Ltd, the Registrars & Share Transfer Agents of the Company and Members holding shares in demat mode are requested to register their e-mail ID's with their respective DPs in case the same is still not registered.
15. Members who are holding shares in physical form in identical order of names in more than one folio are requested to send to the Company or Company's Registrar and Share Transfer Agent the details of such folios together with the share certificates for consolidating their holding in one folio. The share certificates will be returned to the members after making requisite changes, thereon. Members are requested to use the share transfer form SH-4 for this purpose.
16. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the registrar and Share transfer Agent.
17. SEBI has also mandated that for registration of transfer of securities, the transferee(s) as well as transferor(s) shall furnish a copy of their PAN card to the Company for registration of transfer of securities.
18. SEBI Notification No. SEBI/LAD-NRO/GN/2018/24 dated June 8, 2018 and further amendment vide Notification No. SEBI/LAD-NRO/GN/2018/49 dated November 30, 2018, requests for effecting transfer of securities (except in case of transmission or transposition of securities) shall not be processed from April 1, 2019 unless the securities are held in the dematerialized form with the depositories. Therefore, Shareholders are requested to take action to dematerialize the Equity Shares of the Company, promptly.
19. Non-resident Indian shareholders are requested to inform about the following immediately to the Company or its Registrar and Share Transfer Agent or the concerned Depository Participant, as the case may be, immediately of:
 - a. The change in the residential status on return to India for permanent settlement.
 - b. The particulars of the NRE account with a Bank in India, if not furnished earlier.
20. The Statutory Registers maintained under the provisions of the

Companies Act, 2013, will be available for inspection by the Members at the AGM.

21. Members are requested to send all communications relating to shares and unclaimed dividends, change of address etc. to the Registrar and Share Transfer Agents at the following address:

Beetal Financial & Computer Service Pvt. Ltd. Beetal House, 3rd Floor, 99 Madangir, Behind LSC, New Delhi-110062

22. A Member desirous of getting any information on the accounts of the Company is requested to forward his request to the Company at least 10 days prior to the Meeting so that the required information can be made available at the Meeting.

23. A route map showing directions to reach the venue of the Annual General Meeting is given with the Annual Report.

24. Voting

All persons whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the cut-off date i.e. 23rd September, 2021 only shall be entitled to vote at the General Meeting by availing the facility of remote e-voting or by voting at the General Meeting.

(I) Voting through Electronic means

- In compliance with the provisions of Section 108 of the Act and Rule 20 of the Companies (Management and Administration) Rules, 2014 and Regulation 44 of the SEBI (LODR) Regulations, 2015, the Company provides to Members the facility of exercising their right to cast vote(s) at the AGM by electronic means and the business may be transacted through e-voting services.
- The facility for voting through Ballot/Poll Paper shall also be made available at the AGM and the members attending the meeting, who have not already cast their vote through remote e-voting, shall be able to exercise their right at the AGM.
- The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
- The remote e-voting period commences on Monday, 27th September, 2021 (9:00 AM) and ends on Wednesday, 29th September, 2021 (5:00 PM). During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Thursday, 23rd September, 2021, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution casts by the member, the member shall not be allowed to change it subsequently.
- The Board of Directors of the Company has appointed Shri Jyoti Soni, Practicing Company Secretary as Scrutinizer for scrutinizing the voting and remote e-voting process in a fair and transparent manner.
- The Results shall be declared within 48 hours after the Annual General Meeting of the Company. The results declared along with the Scrutinizer's Report shall be placed on the company's website www.moderninsulators.com and on the website of CDSL www.evotingindia.com and the same shall be communicated to BSE Limited.
- Any person who becomes a member of the Company after dispatch of the Notice of the meeting and holding shares as on the cut-off date i.e. 23rd September, 2021 may obtain the User ID and password in the manner as mentioned below.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on 27th September, 2021 (9.00 A.M) and ends on 29th September, 2021 (5.00 P.M). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 23rd September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholder's/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting for Individual shareholders holding securities in Demat mode CDSL/NSDL is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	<ol style="list-style-type: none"> Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. After Successful login, you will be able to see e-Voting option. Once you click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at above mentioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL.

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022- 23058738 and 22-23058542-43.
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30

(v) Login method for e-Voting and joining virtual meetings for Physical shareholders and shareholders other than individual holding in Demat form.

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on "Shareholders" module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

	For Physical shareholders and other than individual shareholders holding shares in Demat.
PAN	Enter your 10-digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) <ul style="list-style-type: none"> • Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. <ul style="list-style-type: none"> • If both the details are not recorded with the depository or company, please enter the member id/folio number in the Dividend Bank details field.

(vi) After entering these details appropriately, click on "SUBMIT" tab.

(vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended

not to share your password with any other person and take utmost care to keep your password confidential.

- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xi) Click on the EVSN for the relevant <Company Name> on which you choose to vote.
- (x) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- (xii) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- (xiii) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.
- (xiv) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- (xv) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvi) Additional Facility for Non – Individual Shareholders and Custodians –For Remote Voting only.

The appointment and remuneration of Directors and KMPs are as per policy of the Company.

DECLARATION OF INDEPENDENCE

All Independent Directors of the Company have given declarations that they meet the criteria of independence as laid down under Section 149(6) of the Act and Regulation 16(1) (b) of the Listing Regulations. In the opinion of the Board, the Independent Directors, fulfil the conditions of independence specified in Section 149(6) of the Act and Regulation 16(1) (b) of the Listing Regulations. The Independent Directors have also confirmed that they have complied with the Company's Code of Business Conduct & Ethics.

The Ministry of Corporate Affairs ('MCA') vide Notification No. G.S.R. 804(E) dated October 22, 2019 and effective from December 01, 2019 has introduced the provision relating to inclusion of names of Independent Directors in the Data Bank maintained by Indian Institute of Corporate Affairs ('IICA'). All Independent Directors of your Company are registered with IICA.

In the opinion of the Board, the independent directors possess the requisite integrity, experience, expertise, proficiency and qualifications.

ANNUAL EVALUATION OF THE BOARD, ITS COMMITTEES AND INDIVIDUAL DIRECTORS

The Board of Directors has carried out an annual evaluation of its own performance, Board Committees, and individual directors pursuant to the provisions of the Act and the Listing Regulations.

The Board evaluated its performance after seeking inputs from all the directors based on criteria such as the Board composition and structure, effectiveness of board processes, information and functioning, etc. The performance of the Committees was evaluated by the Board after seeking inputs from the committee members based on criteria such as the composition of committees, effectiveness of committee meetings, etc. The above criteria are as provided by the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India.

The Chairman of the Board had one-on-one meetings with the Independent Directors and the Chairman of Nomination & Remuneration Committee (NRC) had one-on-one meetings with the Executive and Non- Executive (Non-Independent) Directors. These meetings were intended to obtain Directors' inputs on effectiveness of the Board/Committee processes.

The Board and the NRC reviewed the performance of individual directors based on criteria such as the contribution of the individual director to the board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc.

In a separate meeting of independent directors, performance of non-independent directors and the board as a whole was evaluated. The Independent Directors in the said meeting also evaluated the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties. Additionally, the Chairman of the Board was also evaluated on key aspects of his role, taking into account the views of executive directors and non-executive directors in the aforesaid meeting. The above evaluations were then discussed in the board meeting that followed the meeting of the independent directors and NRC, at which the performance of the Board, its Committees, and individual directors was also discussed. Performance evaluation of independent directors was done by the entire board, excluding the independent director being evaluated.

MEETING OF THE BOARD

During the year 2020-21, seven Board Meetings were held, on 02nd June, 2020, 09th July, 2020, 30th July, 2020, 14th September, 2020, 07th

November, 2020, 25th January, 2021 and 10th February, 2021. Further details on the Board Meetings are provided in the Corporate Governance Report, forming part of this Annual Report. The intervening gap between the meetings was within the period prescribed under the Act and the Listing Regulations.

COMMITTEES OF THE BOARD

The Board of Directors has the following Committees:

1. Audit Committee
2. Nomination & Remuneration Committee
3. Stakeholders' Relationship Committee
4. Corporate Social Responsibility Committee (dissolved w.e.f 01/04/2021)

The details of the Committees along with their composition, number of meetings held and attendance at the meetings are provided in the Corporate Governance Report.

DIRECTORS' RESPONSIBILITY STATEMENT

Based on the framework of internal financial controls and compliance systems established and maintained by the Company, work performed by the internal, statutory, cost and secretarial auditors and external agencies including audit of internal financial controls over financial reporting by the statutory auditors and the reviews performed by the management and the relevant Board Committees, including the Audit Committee, the Board is of the opinion that the Company's internal financial controls were adequate and operating effectively during the financial year 2020-21.

To the best of knowledge and belief and according to the information and explanations obtained by them, your Directors make the following statement in terms of Section 134(3)(c) read with section 134 (5) of the Companies Act, 2013:

- (a) that in the preparation of the Annual Accounts for the year ended 31st March, 2021, the applicable accounting standards have been followed alongwith proper explanation relating to material departures, if any;
- (b) the directors have selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and loss of the Company for that period;
- (c) The directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (d) The directors have prepared the annual accounts on a going concern basis;
- (e) The directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively;
- (f) The directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such system were adequate and operating effectively.

AUDITORS AND AUDITORS' REPORT

Statutory Auditors

M/s R. B. Verma & Associates, Chartered Accountants, Jaipur (ICAI Firm Registration No. 012650C) were appointed as Statutory Auditors of the Company for a period of five consecutive years at the Annual General Meeting (AGM) of the Members held on September 27, 2017 on a remuneration mutually agreed upon by the Board of Directors and the Statutory Auditors. Their appointment was subject to ratification by the Members at every subsequent AGM held after the AGM held on September 27, 2017. Pursuant to the amendments made to Section 139 of the Companies Act, 2013 by the Companies (Amendment) Act, 2017 effective from May 07, 2018, the requirement of seeking ratification of the Members

for the appointment of the Statutory Auditors has been withdrawn from the Statute. Hence the resolution seeking ratification of the Members for continuance of their appointment at this AGM is not being sought.

The observations made in the Auditors' Report read together with relevant notes thereon are self explanatory and hence, do not call for any further comments under Section 134 of the Companies Act, 2013.

The Statutory Auditors of the Company have not reported any fraud as specified under Section 143(12) of the Companies Act, 2013 in the year under review.

Secretarial Auditor

Pursuant to the provisions of Section 204 of the Act, read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed M/s Jyoti Soni & Associates, Company Secretaries, Jaipur to conduct the secretarial audit for the financial year 2020-21. The Secretarial Audit Report, issued by M/s Jyoti Soni & Associates, Company Secretaries for the financial year 2020-21, forms part of this Report, and is set out in **Annexure-E** to this Report. The observations in Secretarial Audit Report are self-explanatory and hence do not call for any further comments under Section 134 of the Companies Act, 2013. Company has devised system to adhere future compliance in timely and proper manner.

Cost Auditors

Pursuant to the provisions of Section 148 of the Act, read with the Companies (Cost Records and Audit) Rules, 2014, as amended from time to time, the Board at its meeting held on 28th June, 2021, has appointed M/s Rajesh & Company, Cost Accountants, Jaipur (Firm Registration No. 000031), as the Cost Auditors to conduct the audit of the cost records of the Company for the financial year 2021-22. As required under the Companies Act, 2013 a resolution seeking Members approval for remuneration payable to the Cost Auditors forms part of the Notice convening Annual General Meeting for ratification.

Internal Auditors

M/s S. Garg & Co., Chartered Accountants are the Internal Auditors of the Company. Internal Audit Report, their significant findings and follow up actions taken by the management is reviewed by the Audit Committee on a quarterly basis.

ANNUAL RETURN

As provided under Section 92(3) and 134(3)(a) of the Act and Rule 12(1) of the Companies (Management and Administration) Rules, 2014 (as amended), Annual Return is available on the website of the Company at the web-link https://www.moderninsulators.com/Investors/Modern/Financial/annualreport_20-21.pdf.

REMUNERATION AND NOMINATION POLICY

The Board of Directors has framed a policy, which lays down a framework in relation to remuneration of Directors, Key Managerial Personnel and Senior Management of the Company. The Policy broadly lays down the guiding principles, philosophy and the basis for payment of remuneration to Executive and Non-executive Directors (by way of sitting fees and commission), Key Managerial Personnel, Senior Management and other employees. The policy also provides the criteria for determining qualifications, positive attributes and Independence of Director and criteria for appointment of Key Managerial Personnel/Senior Management and performance evaluation, which are considered by the Nomination and Remuneration Committee and the Board of Directors while making selection of the candidates. The above policy has been posted on the website of the Company at www.moderninsulators.com

VIGIL MECHANISM / WHISTLE BLOWER POLICY

The Company has established a Vigil Mechanism for reporting of concerns through the Whistle Blower Policy of the Company, which is in compliance of the provisions of Section 177 of the Act, read with Rule 7 of the

Companies (Meetings of Board and its Powers) Rules, 2014, and SEBI (LODR), Regulations, 2015. The Policy provides for framework and process whereby concerns can be raised by its employees against any kind of discrimination, harassment, victimisation or any other unfair practice being adopted against them. Adequate safeguards are provided against victimisation to those who avail of the mechanism, and access to the Chairman of the Audit Committee in exceptional cases is provided to them. The details of the Vigil Mechanism are also provided in the Corporate Governance Report and the Whistle Blower Policy has been uploaded on the website of the Company, www.moderninsulators.com.

RISK MANAGEMENT

Risk management is embedded in your Company's operating framework. Your Company believes that managing risks helps in maximizing returns. The Company's approach to addressing business risks is comprehensive and includes periodic review of such risks and a framework for mitigating controls and reporting mechanism of such risks. The risk management framework is reviewed periodically by the Board and the Audit Committee.

The Company has framed and implemented a Risk Management Policy to identify the various business risks. This framework seeks to create transparency, minimize adverse impact on the business objectives and enhance the Company's competitive advantage. The risk management policy defines the risk management approach across the enterprise at various levels including documentation and reporting.

INTERNAL FINANCIAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has an effective internal control and risk-mitigation system, which are constantly assessed and strengthened with new/revised standard operating procedures. The Company's internal control system is commensurate with its size, scale and complexities of its operations. The internal and operational audit is entrusted to M/s S. Garg & Co., Chartered Accountants, a firm of Chartered Accountants. The main thrust of internal audit is to test and review controls, appraisal of risks and business processes, besides benchmarking controls with best practices in the industry.

The Audit Committee of the Board of Directors actively reviews the adequacy and effectiveness of the internal control systems and suggests improvements to strengthen the same. The Company has a robust Management Information System, which is an integral part of the control mechanism.

The Audit Committee of the Board of Directors, Statutory Auditors and the Business Heads are periodically apprised of the internal audit findings and corrective actions taken. Audit plays a key role in providing assurance to the Board of Directors. Significant audit observations and corrective actions taken by the management are presented to the Audit Committee of the Board. To maintain its objectivity and independence, the Internal Audit function reports to the Chairman of the Audit Committee.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

In terms of the provisions of Section 135 of the Act, read with the Companies (Corporate Social Responsibility Policy) Rules, 2014, the Board of Directors of your Company has constituted a Corporate Social Responsibility (CSR) Committee, which is chaired by Shri Sachin Ranka. The Committee has formulated and recommended to the Board a Corporate Social Responsibility Policy (CSR Policy) indicating the activities to be undertaken by the Company, which has been approved by the Board, and the same is available on the Company's website, www.moderninsulators.com.

The Company is a caring corporate citizen and lays significant emphasis on development of the host communities around which it operates. The Company, with this intent, has identified several projects relating to Social Empowerment and Welfare, Environment Sustainability, Health Care and Education during the year, and initiated various activities in and around its plant location. The work on several initiatives has picked up momentum during the year, resulting in a spend of ₹ 40.33 Lacs. The Annual Report on CSR activities is given in **Annexure-F** to this Report.

Pursuant to the MCA notification dated 23.01.2021 if CSR expenses of the Company are less than 50 lacs then the functions of the Committee can be discharged by the Board. Therefore, the Board of Directors in their meeting held on 10th February, 2021 decided to dissolve the Corporate Social Responsibility Committee w.e.f. 01/04/2021 and the functions of the Corporate Social Responsibility Committee shall be discharged by the Board.

ENVIRONMENT, HEALTH AND SAFETY

The Company is conscious of the importance of environmentally clean and safe operations. The Company's policy requires conduct of operations in such a manner so as to ensure safety of all concerned, compliances of environmental regulations and preservation of natural resources.

DISCLOSURES UNDER SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION & REDRESSAL) ACT, 2013

In order to comply with provisions of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and Rules framed thereunder, the Company has formulated and implemented a policy on prevention, prohibition and redressal of complaints related to sexual harassment of women at the workplace. All women employees either permanent, temporary or contractual are covered under the above policy. The said policy has been uploaded on the internal portal of the Company for information of all employees. An Internal Complaint Committee (ICC) has been set up in compliance with the said Act. During the year under review, company has not received any complaint.

PARTICULAR OF EMPLOYEES

In accordance with the provisions of Section 197(12) of the Act read with Rules 5(2) and 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the names and other particulars of employees drawing remuneration in excess of the limits, set off in the aforesaid Rules, including any statutory modification(s) or re-enactment(s) thereof for the time being in force, are to be set out in the Board's Report, as an annexure thereto. In line with the provisions of Section 136(1) of the Act, the Report and Accounts, as set out therein, are being sent to all Members of your Company excluding the aforesaid information about the employees. Any Member, who is interested in obtaining these particulars about employees, may write to the Company Secretary at the Registered Office of your Company. The aforesaid addendum is also available for inspection by the members at the Registered Office of the Company from 21 days before the AGM till the date of the ensuing AGM, during business hours on working days. Disclosures pertaining to remuneration and other details, as required under Section 197(12) of the Act read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, are given in **Annexure-G** to this Report.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Company takes pride in the commitment, competence and dedication of its employees in all areas of the business. The Company has a structured induction process at all locations and management development programs to upgrade skills of managers. Objective appraisal systems based on key result areas (KRAs) are in place for senior management staff.

The Company is committed to nurturing, enhancing and retaining its top talent through superior learning and organizational development. This is a part of our Corporate HR function and is a critical pillar to support the organization's growth and its sustainability in the long run.

ENERGY CONSERVATION, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

Information relating to the conservation of energy, technology absorption and foreign exchange earnings and outgo, as stipulated under Section

134(3)(m) of the Act, read with the Companies (Accounts) Rules, 2014, is given in **Annexure-H** to this Report.

MATERIAL CHANGES AND COMMITMENTS EFFECTING THE FINANCIAL POSITION OF THE COMPANY

Except as disclosed elsewhere in this Report, no material changes and commitments, which could affect the Company's financial position, have occurred between the end of the financial year of the Company and the date of this Report.

THE DETAILS OF APPLICATION MADE OR ANY PROCEEDING PENDING UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016 (31 OF 2016) DURING THE FINANCIAL YEAR

There is no application made or any proceeding pending under the Insolvency and Bankruptcy Code, 2016 (31 of 2016) during the financial year 2020-2021.

THE DETAILS OF DIFFERENCE BETWEEN AMOUNT OF THE VALUATION DONE AT THE TIME OF ONE TIME SETTLEMENT AND THE VALUATION DONE WHILE TAKING LOAN FROM THE BANKS OR FINANCIAL INSTITUTIONS ALONG WITH THE REASONS THEREOF DURING THE FINANCIAL YEAR

There is no such instance, hence not applicable.

SECRETARIAL STANDARDS

The Company has complied with the applicable Secretarial Standards issued by the institute of Company Secretaries of India.

GENERAL

Your Directors state that no disclosure or reporting is required in respect of the following items as there were no transactions on these items during the year under review:

- Issue of equity shares with differential rights as to dividend, voting or otherwise;
- Issue of shares (including sweat equity shares) to employees of the Company under any Scheme;
- No significant or material orders were passed by the Regulators or Courts or Tribunals which impact the going concern status and the Company's operations in the future; and

APPRECIATION

Your Directors express their deep sense of gratitude to the banks, stakeholders, business associates, Central and State Governments and all regulatory bodies for their co-operation and support and look forward to their continued support in future.

We very warmly thank all of our employees for their contribution to your Company's performance. We applaud them for their superior levels of competence, dedication and commitment to your Company.

For and on behalf of the Board of Directors

Place : Abu Road
 Date : 28th June, 2021

Sachin Ranka
 Chairman & Managing Director

MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMIC AND INDUSTRY OVERVIEW

Global Economic Outlook

The onset of the COVID-19 pandemic brought economic activities to a near standstill at the beginning of FY 2020-21 as a nationwide lockdown was imposed to contain the virus spread. As a result, India's GDP contracted in Q1 FY 2020-21. However, with the gradual unlocking in June 2020, the economy recorded a rebound, fuelled by the synchronised relief and revival measures undertaken by the Central Government and the RBI. With the release of significant pent-up demand alongside festive demand gaining traction, the second half witnessed a return to growth, with GDP contraction for the full year coming in at 7.3%, much better than the double-digit de-growth estimated earlier.

However, the more intense second wave of COVID-19 hit India hard at the end of FY 2020-21, necessitating the imposition of new localised lockdowns. That said, with mass vaccination underway in full steam and the element of surprise being minimal, we believe the economy is now much better placed to absorb external shocks than it was a year earlier.

Between Emerging Market and Developing Economies, all countries face a health crisis and severe external demand shock, which will have a severe impact on economic activity.

Indian Economy

With an overall slowdown in the global economy which is estimated to have contracted by around 3.3% in 2020 on account of COVID-19 pandemic, the prospects in 2021 have shown sizeable improvement and the negative growth is expected to be reversed with positive growth of 6% expected to moderate to 4.4% in 2022. These are unprecedented and uncertain times. There has been an adverse economic impact on people, communities and countries.

The vaccination drive has picked up momentum pan-India and the outlook remains positive with the advent of new vaccines reaching the market. Emerging Markets like India have witnessed a slowdown and there is economic fallout registered because of sustained lockdowns in various parts of the Country. Growth in India is contracted in FY 2021 with the country witnessing a second wave of the pandemic in March, 2021. The localised lockdowns have resumed which are likely to impair economic activity. However, the COVID-19 pandemic has severely affected economies worldwide.

The measures taken by the government to contain spread of the COVID-19 pandemic have had an impact on the economic activities as well as on the data collection mechanisms. Estimates are, therefore, likely to undergo sharp revisions for the aforesaid causes in due course. Economic recovery is expected due to mega vaccination drive, strong growth in consumption and investment coupled with resurgence in high frequency indicators such as power demand etc.

Industry Overview

The power generation, transmission and distribution sector is the key growth driver for the Insulator industry. The Government of India is putting emphasis on power sector reforms by overcoming impediments; it will however take some time before on-ground demand improvement is visible. With the thrust on 'POWER FOR ALL' given by Government of India, insulator demand is likely to increase further in coming years.

The COVID 19-induced lockdown adversely affected the demand for textile products across markets. India was no different. As the lockdown was gradually relaxed, labour availability increased in the key textile hubs of

the country, with demand being boosted by a steady increase in consumer spending especially online sales as well as impending festive demand. The value of exports of Indian textile products also recovered to near pre-COVID levels in Q3 FY 2020-21.

The Indian Textile Industry is one of the leading textile industries in the world. It is one of the key sectors of India's manufacturing segment as it contributes significantly to the economy in terms of employment generation and foreign exchange revenue. The industry is taking all steps to promote textile exports, which is the need of the hour. Costs are increasing due to rising input costs, including labour and power. Focus on new product development and value added products is continuing in this segment.

BUSINESS PERFORMANCE REVIEW

Insulators Division

During the year under review, the division has registered a turnover of ₹ 345.98 crores as against ₹ 387.29 crores and profit before interest & depreciation of ₹ 51.03 crores as against ₹ 49.34crores of previous year. Turnover have slightly reduced mainly due to outbreak of corona virus pandemic.

Terry Towels Division

The turnover of this division has been ₹ 44.31 crores as against ₹ 49.59 crores and Profit before interest & depreciation have been ₹ 4.69 crores as against Loss of ₹ 7.20crores.

Exports

The company is the largest exporters of H.T. Porcelain Insulators from India. The Company has achieved export turnover of ₹ 100 crores during the year as compared to ₹ 109.22 crores in previous year in spite of global economic and social disruption caused by COVID-19 pandemic. Almost every country has been affected by this pandemic. In spite of pandemic conditions affecting the operations, the company has managed well their export business by way of improved processes, maintaining flawless supply chain, proactive approach with customers & advance planning. In order to keep the pandemic issues at bay, and to increase its presence in the international market, the company is making continuous efforts by exploring newer markets, making agents, representatives and forming JVs across the globe. Further company is also offering new and improved features in products. Some of them are, insulators with RTV coating, developing big diameter & high strength Hollow Insulators etc. This way company is not only increasing the product offering capabilities but also meeting the complex and stringent requirements of customers thereby keeping an edge over competition. The company is also focused on economizing the manufacturing processes by way of R&D activities, better process control and optimum utilization of its production resources. Company is regularly supplying to all the major multinational OEMs for their worldwide requirements of Porcelain Insulators. Post Covid pandemic, to overcome travel restrictions, company has employed innovative approaches to remain in contact with customers both domestic & overseas. Some of these approaches are, participating in virtual exhibitions, regular video conferences, on-camera factory inspections and utilizing agents network worldwide to reach new customers. The Company is also making efforts to add new customers from South East Asian Countries, East & Southern Africa, Latin America, etc. as market opportunities are shifting towards developing economies. The company is also focusing on getting product approvals from various power utilities to strengthen its presence in the international market. These steps will help export turnover to increase in the coming years.

ANALYSIS AND REVIEW

The company continues to be a leader in the manufacture of Extra High Voltage Insulators in the country. Despite stiff competition, buyers show interest in company's products for its quality & timely delivery. The company has a well equipped R & D laboratory, which takes care of the stringent quality requirements of customers and ensures quality and reliability in each and every product manufactured. In-house R&D activities have a thrust on qualitative development to replace expensive input raw material & to bring consistency in the quality of the product under manufacture.

The company has a fully equipped SGI and Aluminium foundry to cater demand from various segments apart from fulfilling company's major captive requirement of SGI and aluminium castings.

Opportunities & Challenges

Looking to current lockdown, India's electricity sector is likely to register a decline in power demand during 2021-22.

Insulator demand is expected to improve in medium term with Central Electrical Authority (CEA) targeting to upgrade the existing transmission lines and adding new substations. Railway electrification in the country is in full swing, which will further increase demand of insulators in the coming months. Also we are putting all our efforts to promote Long Rod Insulators to all SEBs & private TSP's.

Extension of anti-dumping duty for a further period of 5 years on import of insulators from China will provide sustainable relief to domestic manufacturers. Apart from this, Govt. of India "MAKE IN INDIA" policy and "ATMANIRBHAR BHARAT ABHIYAN" will further facilitate more business opportunities as competition from overseas suppliers, especially from China will reduce to some extent.

RISKS & CONCERNS

Slow economic activity and liquidity challenges have affected the overall demand scenario in the industry. The later part of the year also witnessed an unprecedented outbreak of pandemic Covid-19 impacting global economies, supply chain also led to delay in implementation of power projects by state governments. Complete lockdown of the country was unparalleled to any disruption experienced in the past several decades. COVID-19 would definitely leave a deep cut in economy and corporate financials.

Delay in orders from state transmission utilities and power utilities may affect performance. Project delays from the customer's side may affect order book position.

OUTLOOK

Government initiatives are expected to catalyse demand improvement in near future. With Government's focus on 'POWER FOR ALL' the medium to long-term fundamentals look encouraging. The company is alert and in touch with the ground realities of the changing business environment and is confident of increasing its share in the domestic as well as international market. Indian Railway network is growing at a healthy rate. A lot of emphasis is given to Railway Electrification in recent years with a vision of providing an eco-friendly, faster and energy-efficient mode of transportation. Railways have plans to electrify at 6000 kms per year. This will result in sustaining the demand for Railway insulators. The company continues to examine the possibilities of expansion and shall make the necessary investments when attractive opportunities arise.

Annexure B to Boards' Report

REPORT ON CORPORATE GOVERNANCE

The Directors present the Company's Report on Corporate Governance for the year ended March 31, 2021, in terms of Regulation 34(3) read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (The "Listing Regulations").

COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE

Good Corporate Governance is the adoption of best business practices which ensure that the Company operates within the regulatory framework. The adoption of such corporate practices ensures accountability, ethical behaviour, transparency and fairness to all stakeholders. The Company believes in practicing good Corporate Governance and endeavours to improve on these aspects on an ongoing basis. The philosophy on corporate governance is an important tool for shareholder protection and maximisation of their long-term values.

Your Company complies with the requirements stipulated under the provisions of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, with the Stock Exchanges ("Listing Regulations") with regards to corporate governance.

Independent Directors confirmation by the Board

All Independent Directors have given declarations that they meet the criteria of independence as laid down under Section 149(6) of the Companies Act, 2013 and Regulation 16(1) (b) of the Listing Regulations. In the opinion of the Board, the Independent Directors, fulfill the conditions of independence specified in Section 149(6) of the Companies Act, 2013 and Regulation 16(1) (b) of the Listing Regulations. They have also given declaration under Rule 6(1) and (2) of the Companies (Appointment and Qualification of Directors) Rules, 2014, that their names are registered in the data bank as maintained by the Indian Institute of Corporate Affairs (IICA). In terms of Section 150 of the Act read with Rule 6(4) of the Companies (Appointment & Qualification of Directors) Rules, 2014, the Independent Directors, if applicable, are required to undertake online proficiency self-assessment test conducted by the IICA within a period of two (2) year from the date of inclusion of their names in the data bank or such time as amended by the Central Government.

Board Meetings and Annual General Meeting (AGM)

The Board meets at regular intervals to discuss and decide on business strategies/policies and review the financial performance of the Company. The Board Meetings are pre-scheduled and a tentative annual calendar of the Board Meeting is circulated to the Directors well in advance to facilitate them to plan their schedules accordingly. In case of business exigencies, the Board's approval is taken through circular resolutions. The circular resolutions are noted at the subsequent Board Meeting.

The notice and detailed agenda along with the relevant notes and other material information are sent in advance separately to each Director and in exceptional cases tabled at the Meeting with the approval of the Board. This ensures timely and informed decisions by the Board. The Board reviews the performance of the Company vis-à-vis the budgets/targets.

Minimum four Board meetings are held every year (one meeting in every calendar quarter). Additional meetings are held to address specific needs, if any, of the Company. During the financial year 2020-21, the Board of Directors met seven times i.e., on June 02, 2020, July 09, 2020, July 30, 2020, September 14, 2020, November 07, 2020, January 25, 2021 and February 10, 2021. The gap intervening between two meetings was within the time prescribed under the Act and SEBI (Listing Obligation & Disclosure Requirements) Regulations, 2015.

- Shri Swapan Nath has resigned w.e.f. 10/02/2021.

PERFORMANCE EVALUATION

Pursuant to the provisions of the Companies Act, 2013 and Regulation 17 of the Listing Regulations, the Board has carried out the annual evaluation of its own performance, its Committees and Directors individually. A structured questionnaire was prepared after circulating the draft forms, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance.

The Company Secretary or Board nominee or the consultant will tabulate the Forms. The Tabulated Report would be sent to all Board Members for evaluation and if any director disagrees with the self-evaluated results, he/she will suitably intimate the Chairman of the Board, else the same will be deemed to have been accepted.

The performance evaluation of the Chairman and Managing Director and the Non Independent Directors was carried out by the Independent Directors. The Directors expressed their satisfaction with the evaluation process.

Corporate Social Responsibility Committee

Your Company has a CSR Committee of the Board of Directors which assists the Board in discharging its social responsibility by way of formulating, monitoring and implementing the Corporate Social Responsibility Policy (CSR Policy).

Composition and Attendance during the Year

CERTIFICATE ON CORPORATE GOVERNANCE

To
The Members of
Modern Insulators Limited

1. We have examined the compliance of conditions of Corporate Governance by Modern Insulators Limited (“the Company”) for the year ended on March 31, 2021 as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46 (2) & other applicable regulations and paragraphs C, D and E of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“the SEBI Listing Regulations”).

Management Responsibility

2. The preparation of the Corporate Governance Report is the responsibility of the Management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility also includes the design, implementation and maintenance of internal control procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.

Auditors’ Responsibility

3. Our responsibility is to provide a reasonable assurance that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations.
4. Our examination was carried out in accordance with the Guidance Note on Certification of Corporate Governance and Guidance Manual on Quality of Audit and Attestation Services issued by the Institute of Company Secretaries of India. It was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Opinion

5. In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as mentioned in Corporate Governance Report during the year ended 31 March 2021.

Other matters and Restriction on use

6. This Certificate is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.
7. This Certificate is addressed to and provide to the Members of the Company solely for the purpose of enabling it to comply with its obligations under the SEBI Listing Regulations and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care or for any other purpose or to any other party to whom it is shown or into whose hands it may come without our prior consent in writing.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST March, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members

MODERN INSULATORS LIMITED

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Modern Insulators Limited** (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on **31st March, 2021** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance- mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (**Not applicable to the Company during the Audit Period**);
 - (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 (**Not applicable to the Company during the Audit Period**);
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (**Not applicable to the Company during the Audit Period**);
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (**Not applicable to the Company during the Audit Period**);
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (**Not applicable to the Company during the Audit Period**) and
 - (i) The Securities and Exchange Board of India (Listing obligations and Disclosure Requirements) Regulations, 2015 and amendments thereof;

- (vi) The laws as are applicable specifically to the Company are as under:
 - (a) Petroleum Act, 1934 and rules made there under;

We have also examined compliance with the applicable clauses of the following:

- I. Secretarial Standards issued by The Institute of Company Secretaries of India
- II. The Listing Agreements entered into by the Company with BSE Limited. *Company has received approval for revocation of suspension and the trading of shares of the Company has been started w.e.f. 30.06.2020.*
- III. The Company is also listed on Calcutta Stock Exchange but the trading of the company is suspended.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above except to the extent as mentioned below:-

1. During the year there was one instance for delay in intimation under regulation 7(2) of SEBI (prohibition of insider trading) Regulation, 2015 for inter-se transaction and violation of company's code of conduct for trading of shares during the closure of trading window by the promoters.
2. The Company has granted interest free unsecured loan to a company covered under section 189 of the Companies Act 2013. The company has not provided interest on the said loan as prescribed u/s 186(7) of Companies Act, 2013 for which we have been informed that the same is not provided in view of proposed amalgamation under the provisions of Companies Act, 2013.

We further report that

The Board of Directors of the Company was duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

This report is to be read with our letter of even date which is annexed as **ANNEXURE 'A'** and forms an integral part of this report.

ANNEXURE 'A'

To,
 The Members
 Modern Insulators Limited

Our Report of even date is to be read along with this letter.

1. Maintenance of Secretarial record is the responsibility of the management of the company. Our responsibility is to express an opinion on these Secretarial records based on our audit.
2. We have followed the Audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in Secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the company. We have relied upon the Report of Statutory Auditors regarding compliance of Companies Act, 2013 and Rules made there under relating to maintenance of Books of Accounts, papers and financial statements of the relevant Financial Year, which give a true and fair view of the state of the affairs of the company.
4. We have relied upon the Report of Statutory Auditors regarding compliance of Fiscal Laws, like the Income Tax Act, 1961 &

Finance Acts, the Customs Act, 1962, the Central Excise Act, 1944 and Service Tax.

5. Whereever required, we have obtained the Management representation about the compliance of Laws, rules and regulations and happening of events etc.
6. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
7. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Annexure H to Boards' Report

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, AND FOREIGN EXCHANGE EARNING AND OUTGO ETC:

Information on Conservation of Energy, Technology absorption, Foreign Exchange earnings and outgo required to be disclosed under Section 134 of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014 are provided hereunder:

(A) Conservation of Energy:

S. No.	Particulars	Remarks
(i)	The steps taken or impact on conservation of energy:	Having realised the need for being energy efficient in all of our industrial processes, we are constantly focused on monitoring to conserve energy through improved operational techniques. Some of the measures taken by the company in this direction are as under:
(ii)	The steps taken by the Company for utilizing alternate sources of energy:	
(iii)	The capital investment on energy conservation equipments:	
		i) Fixed capacitors installed to achieve Power factor from 0.997 to 1.0 ii) In house panel prepared for 14 nos of Glazing booth (Timer provided for stopping idle running) for saving energy. iii) By utilizing Solar power , we have saved 47.96 lacs unit during the year. iv) VFD provided to Secondary Air blower to Eleven out of Twelve kilns, for quality improvement & energy saving purpose. v) Provide level sensor in Blunger to avoid dry running of Roto Pump to reduce maintenance cost. vi) 12 nos of FP Panels out of 29 renovated to reduce breakdown & cost saving purpose. vii) To reduce wire burning break frequency in PED , changed supply wire dia. From 4 sq. mm to 10 sq. mm in 16 out of 80 PED's. viii) Seven out of fifteen curing chamber control circuit modified for quality improvement & energy saving purpose. ix) Conventional Thermal over load relay replaced with Microprocessor based MPO (Motor protection device) in all motors upto 20 HP to reduce motor failure rate. x) Timely coordination with RSEB team for line maintenance work to reduce power interruption (RSEB Supply) to 86 nos from 134 nos.

(B) Technology Absorption:

a) Efforts, in brief made towards technology absorption, adoption and innovation:

- I. We have developed & implemented in plant scale a Premium High Strength porcelain insulator recipe for special requirements of insulators from certain customers focused mainly on the export market.
- II. In an attempt to serve a premium market segment of semi conducting glaze insulators, we have developed a technology of manufacturing the same and successfully implemented.
- III. In an attempt to cut down cost of manufacturing, we have successfully come out with a Domestic clay body recipe without compromising on the recovery & final technical performance of the insulators. This has been successfully implemented in production after several reassuring plant trials on selected product category.
- IV. Overall kiln fuel factor improved thereby indicating kiln operational efficiency.
- V. Dryer cycle time reduction for certain categories of insulators.
- VI. Ultrasonic level sensors installed in Slip house slurry tank for better process control & reduction in Electrical & Mechanical breakdown.

b) Benefits derived as a result of above efforts:

- I. Reduction in power cost due to reduced power consumption. Improvement in efficiency & productivity.
- II. Reduction in firing cycle time & cost saving.
- III. Consistent supply of quality clays is ensured.
- IV. Reduction in rejections at various stages.
- V. Entry in new product segments.
- VI. Improvement in quality & reliability of products.

c) In case of imported technology (Imported during last three years reckoned from the beginning of the financial year): Nil

d) Expenditure incurred on R&D

i) Capital	:	-
ii) Recurring	:	₹ 335.82 Lacs
Total	:	₹ 335.82 Lacs

Total R&D expenditure, as %age of total turnover: 0.89%

(C) Foreign exchange earnings and Outgo:

The Company has earned during the period foreign exchange of ₹ 10416.85 Lacs against an outgo of ₹ 1246.44 Lacs.

INDEPENDENT AUDITOR'S REPORT

To the members of **Modern Insulators Limited**

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Financial Statements of **Modern Insulators Limited** (the 'Company') which comprise the Balance Sheet as at **31 March 2021**, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effect of the matters described in "Basis for Qualified Opinion" section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2021, its profit (including Other Comprehensive Income), its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

Provision for taxation including interest estimated at Rs.1647.64 Lacs for the year ended 31 March 2021 (Previous Year Rs.1392.88 Lacs; upto the year Rs.4650.74 Lacs) has not been made in accounts in view of the

proposed amalgamation under the provisions of Companies Act, 2013. (Refer note no. 33(iv)(a))

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

We draw attention to note no. 47 of the standalone financial statements, which describes the impact of COVID 19 on the operations of the Company. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended 31 March 2021. These matters were addressed in the context of our audit of the standalone financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion, on these matters. In addition to what has been stated in the "Basis for Qualified Opinion" section, we have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit addressed the Key Audit Matter
Measurement, presentation and disclosure of allowance for Expected Credit Losses (ECL) on trade receivables	Our audit procedures included, but were not limited to the following:
<ul style="list-style-type: none"> The Company is required to recognize allowance for ECL on trade receivables due to the credit risks associated with each individual trade receivable. Management determines the allowance for ECL on trade receivables by reviewing customers ageing profile, historical loss adjusted to reflect current and estimated future economic conditions, credit history and suit filed cases for additional allowance. The determination of allowance for ECL is subjective and requires management to make judgements and assumptions, hence this is considered as key audit matter. Refer note no. 1, 1A and 7 to the standalone financial statements. 	<ul style="list-style-type: none"> Tested effectiveness of controls with respect to (i) development of methodology for allowance for expected credit losses, (ii) completeness and accuracy of the information used and (iii) computation of allowance for expected credit losses. Tested sample of the data used in the model to the underlying accounting records. Evaluated the ECL model calculations, agreeing the data inputs and checking the mathematical accuracy of the calculations. Assessed the key inputs and assumptions used. Assessed whether the disclosures in the financial statements are adequate.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this

other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance, cash flow and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and

application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended 31 March 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Companies Act, 2013 and on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Standalone Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- d) Except for the effects of the matter described in the "Basis for Qualified Opinion" section, in our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act;
- e) On the basis of written representations received from the directors as on 31 March 2021 and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021, from being appointed as a director in terms of section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the company and the operating effectiveness of such controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013, refer to our report in Annexure B;
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid / provided by the

Company to its directors is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i) The Company has disclosed the impact of pending litigations on its financial position in standalone financial statements. (Refer note no. 38)
- ii) The Company has made provision, as required under the applicable law or Ind AS for material foreseeable losses, if any, on long term contracts including derivative contracts. (Refer note no. 48).

iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE A FORMING PART OF THE INDEPENDENT AUDITOR'S REPORT

Referred to in the report of even date of the Auditors to members of Modern Insulators Limited

- (i) (a) The company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipments except furniture & fixtures for which detailed records are not maintained.
- (b) According to the information and explanations given to us, most of the property, plant and equipments have been physically verified during the year by the management in accordance with a phased programme of verification at reasonable intervals and no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us, the title deeds of immovable properties are held in the name of the Company or its division.
- (ii) According to the information and explanations given to us, the inventories have been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable and no material discrepancies were noticed on physical verification during the year.
- (iii) (a) The Company has granted interest free unsecured loan to a Company covered in the register maintained under section 189 of the Companies Act, 2013 in view of proposed amalgamation under the provisions of Companies Act, 2013. According to the information and explanations given to us, since the amount paid is in connection to proposed amalgamation, no terms have been specified for repayment of loan and interest. In view of likely advantage to the Company on such amalgamation, granting of such loan is not prejudicial to the interest of the Company (Refer note no. 45).
- (b) The Company has also granted unsecured loan to another Company and Joint Venture covered in the register maintained under section 189 of the Companies Act, 2013, which is payable on demand. We are informed that the Company has received the amount demanded from the party and thus there is no default during the year. Interest on such loan has been paid / provided during the year. In our opinion, the terms and conditions of grant of such loan are not, prima facie, prejudicial to the interest of the Company. (Refer note no. 11.1)
- (iv) According to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and security.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits from the public during the year and therefore this clause is not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the central government for the maintenance of cost records under section 148(1) of the Companies Act, 2013 for the products of the company and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We had not, however carried out detailed examination of the same to determine whether they are accurate and complete.
- (vii) (a) According to the information and explanations given to us and based on our examination of the records, the company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, goods and service tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other statutory dues applicable to it. Further no undisputed statutory dues as noted above are outstanding for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and based on our examination of the records, there are no dues of income tax, sales tax, value added tax, duty of excise and service tax etc., as applicable, as at 31 March 2021, which have not been deposited on account of dispute.
- (viii) According to the information and explanations given to us and based on our examination of the records, the company has not defaulted in repayment of dues to bank during the year. The company does not have any dues to debenture holders and loans from financial institutions/government.
- (ix) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) and term loans during the year and therefore this clause is not applicable.
- (x) According to the information and explanations given to us and based on our examination of the records, we have neither come across any instance of material fraud by the Company or any fraud on the company by the officers or employees noticed or reported during the year nor we have been informed of any such fraud by the Management.
- (xi) The managerial remuneration has been paid / provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) The company is not a Nidhi Company and therefore this clause is not applicable.
- (xiii) According to the information and explanations given to us, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details

of such transactions have been disclosed in the Financial Statements as required by the applicable Indian Accounting Standards.

- (xiv) According to the information and explanations given to us, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year and therefore this clause is not applicable.
- (xv) According to the information and explanations given to us, the company has not entered into any non-cash transactions with directors or persons connected with them and therefore this clause is not applicable.

- (xvi) The company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and therefore this clause is not applicable.

ANNEXURE B FORMING PART OF THE INDEPENDENT AUDITORS' REPORT

Referred to in the report of even date of the Auditors to members of Modern Insulators Limited

We have audited the internal financial controls with reference to financial statements of **Modern Insulators Limited** ("the Company") as of **31st March, 2021** in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the 'Act').

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial control with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2021, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

Notes forming part of standalone Financial Statements

CORPORATE INFORMATION

Modern Insulators Limited (the Company) is a public limited company incorporated in India under the provisions of the Companies Act, 1956 (the Act) having its registered office at Abu Road, Rajasthan, India. The Company is primarily engaged in the business of manufacturing insulators and Terry towels.

Note no. 1: Significant Accounting Policies

(a) Basis of preparation

- (i) The Financial Statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as specified under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods in the Financial Statements.
- (ii) The Financial Statements are prepared on accrual basis under the historical cost convention except financial assets and liabilities (including derivatives instruments) that are measured at fair value as required by relevant Ind AS. The methods used to measure fair values are discussed in notes to financial statements.
- (iii) The preparation of financial statements requires judgments, estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimated. Difference between the actual results and estimates are recognized in the period in which the results are known/materialized. Major estimates are discussed in Note No. 1A.

(b) Functional and presentation currency

These financial statements are presented in Indian Rupees, which is the functional currency of the company and the currency of the primary economic environment in which the Company operates.

(c) Classification of assets and liabilities into current and non-current

The Company has ascertained its operating cycle as twelve months for the purpose of Current and Non-Current classification of its Assets and Liabilities. Classification is done in accordance with Schedule III Division II of the Companies Act, 2013.

For the purpose of Balance Sheet, an asset is classified as current when:

- (i) It is expected to be realised or intended to be sold or consumed in the normal operating cycle; or
- (ii) It is held primarily for the purpose of trading; or
- (iii) It is expected to be realised within twelve months after the reporting period; or
- (iv) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Similarly, a liability is classified as current when:

- (i) It is expected to be settled in the normal operating cycle; or
- (ii) It is held primarily for the purpose of trading; or
- (iii) It is due to be settled within twelve months after the reporting period; or
- (iv) The Company does not have an unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets/liabilities are classified as non-current assets/liabilities.

(d) Property, plant & equipment (PPE)

The Company had applied for the one time transition exemption of considering the fair value as on the date of transition i.e. 01st April, 2016 as the deemed cost under Ind AS. Hence regarded thereafter as historical cost.

Freehold land is carried at Cost. All other items of Property, plant and equipment (PPE) are stated at acquisition or construction cost less accumulated depreciation / amortisation and impairment loss. Cost comprises the purchase price and any directly attributable cost of bringing the asset to its location and working condition for its intended use, including relevant borrowing costs.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognised as an asset if, and only if, it is probable that the economic benefits associated with the item will flow to the Company in future periods and the cost of the item can be measured reliably. Expenditure incurred after the PPE have been put into operations, such as repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred.

Subsequent expenditure incurred after the PPE have been put into operations is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

Items such as spare parts, standby equipments and servicing equipments are recognised as PPE when it is held for use in the production or supply of goods or services or for administrative purpose and are expected to be used for more than one year. Otherwise such items are classified as inventory.

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the assets. Any gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the net sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

(e) Expenditure during construction period

Expenditure, net of income earned, during construction (including financing cost related to borrowed funds for construction or acquisition of qualifying PPE) period is included under capital work-in-progress and the same is allocated to the respective PPE on the completion of construction. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under "Other Non Current Assets".

(f) Depreciation

Depreciation is the systematic allocation of the depreciable amount of PPE over its useful life and is provided on a straight-line basis over the useful lives as prescribed in Schedule II to the Act or as per technical evaluation. Leasehold lands are amortised over the lease term unless it is reasonably certain that the Company will obtain ownership by the end of lease term.

Depreciable amount for PPE is the cost of PPE less its estimated residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the Company or the number of production or similar units expected to be obtained from the asset by the Company.

In case of certain classes of PPE, the Company uses different useful lives than those prescribed in Schedule II to the Act. The useful lives have been assessed based on technical evaluation, taking into consideration the nature of the PPE and the estimated usage of the asset based on management's best estimation of obtaining economic benefits from those classes of assets.

The useful life considered for calculation of depreciation / amortisation for various Asset class are as under:

S. No.	Asset class	Useful life
1.	Leasehold Assets	Lease period
2.	Factory Building	4-30 Years
3.	Non- factory building	4-60 Years
4.	Plant & Machinery	1-30 Years
5.	Furniture & Fixtures	2-10 Years
6.	Office equipments	0-5 Years
7.	Vehicles	2-10 Years

Based on technical evaluation, management believes that the useful life as given above best represent the period over which the management expects to use these assets.

Depreciation on additions is provided on a pro-rata basis from the date of installation or acquisition and in case of Projects from the date of commencement of commercial production.

Depreciation on deductions/disposals is provided on a pro-rata basis up to the date of deduction/disposal.

(g) Intangible assets and amortization

Internally generated intangible assets

Expenditure incurred on development is capitalised if such expenditure leads to creation of any intangible asset, otherwise, such expenditure is charged to the Statement of Profit and Loss. PPE procured for research and development activities are capitalised.

Intangible assets acquired separately

Intangible assets acquired separately are carried at cost less accumulated amortisation and accumulated impairment loss, if any. The Company determines the amortisation period as the period over which the future economic benefits will flow to the Company after taking into account all relevant facts and circumstances. The estimated useful life and amortisation method are reviewed periodically, with the effect of any changes in estimate being accounted for on a prospective basis.

An item of intangible asset is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the assets. Any gain or loss arising on the disposal or retirement of an item of intangible asset is determined as the difference between the net sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

The useful life considered for calculation of depreciation / amortisation for various Asset class are as under:

Asset class	Useful life
Computer Software	1-3 Years

Based on technical evaluation, management believes that the useful life as given above best represent the period over which the management expects to use these assets.

Intangible asset having definite life are amortised on systematic basis over their useful life. If life of any intangible asset is indefinite then it is not amortised but tested for impairment loss at the end of each reporting date.

(h) Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction, development or erection of a qualifying asset are capitalized as part of the cost of such asset till such time the asset is ready for its intended use and borrowing cost are being incurred. A qualifying asset is an asset that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are recognized as an expense in the period in which they are incurred.

(i) Inventories

Inventories are valued at the lower of cost and net realisable value.

Raw material, stores, spare parts and packing materials are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. The cost is computed on weighted average basis.

Cost of finished goods and work- in- progress includes cost of conversion based on normal capacity and other costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Spare parts, other than those capitalised as PPE are carried as inventories.

The diminution in the value of obsolete, unserviceable and surplus stores & spares is ascertained after review and if found material, suitable provision is made / written down based on technical evaluation, its recoverable value and management's best estimate.

(j) Investment in subsidiary and joint venture

Investments in subsidiary company and joint venture are recognized at cost as per Ind AS 27.

(k) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks, cash in hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

(l) Government grants

Government grants are recognized when there is reasonable assurance that the grant will be received and all associated conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognized as income on a systematic basis over the expected useful life of the related asset.

(m) Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligations. Provisions are reviewed at each reporting date and are adjusted to reflect the management's best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non -occurrence of one or more uncertain future events not wholly within the control of the Company. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

(n) Foreign currency transactions and translations

Transactions in foreign currencies, other than the Company's functional currency are recognised at the exchange rates prevailing at the dates of the transactions. At the end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the rate prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

Exchange differences on monetary items are recognised in the statement of profit and loss in the period in which these arise.

(o) Revenue recognition

Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) – Revenue from contracts with customers'. The impact of the adoption of Ind-AS 115 on the financial statements of the Company is insignificant.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised goods or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those goods or services.

The Company satisfies a performance obligation and recognizes revenue over time, if one of the following criteria is met:

- (i) The customer simultaneously receives and consumes the benefits provided by the Company's performance; or
- (ii) The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- (iii) The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions is not met, revenue is recognized at the point in time at which the performance obligation is satisfied.

If the Company has any contract wherein the period between transfer of the promised goods or services to the customer and payment by the customer exceeds one year, transaction price is adjusted for the time value of money.

(p) Other operating revenues / other income

- (i) Income from services is recognized (net of GST as applicable) based on the services rendered in accordance with the terms of contracts.
- (ii) For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument to the gross carrying amount of the financial asset.
- (iii) Interest income for all financial instruments measured at fair value through other comprehensive income is recognized in the statement of profit and loss.
- (iv) Dividend income is accounted for when the right to receive the income is established.
- (v) Export incentives under various schemes are recognized in the year of export.

(q) Employee Benefits

Short term employee benefits

Short-term employee benefit obligations are recognized as an expense on accrual basis.

Defined contribution plans

Defined contribution plans are those plans in which an entity pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident fund and employee state insurance are defined contribution plans in which company pays a fixed contribution and will have no further obligation.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

Company pays Gratuity as per provisions of the Payment of Gratuity Act, 1972. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefits that employees have earned in return for their services in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations and that are denominated in the same currency in which the benefits are expected to be paid.

The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a liability to the company, the present value of liability is recognized as provision for employee benefit. Any actuarial gains or losses are recognized in Other Comprehensive Income in the period in which they arise.

Other long-term employee benefits

Benefits under the Company's leave encashment constitute other long term employee benefits.

The Company's net obligation in respect of leave encashment is the amount of future benefits that employees have earned in return for their service in the current and prior periods, that benefit is discounted to determine its present value and the fair value of any related assets is deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Company's obligations. The calculation is performed using the projected unit credit method. Any actuarial gains or losses are recognized in the Statement of profit and loss in the period in which they arise.

(r) Research and development expenditure

Revenue expenditure on research and development is charged as an expense in the year in which it is incurred under the respective heads of accounts. Expenditure which results in the creation of capital assets is capitalised and depreciation is provided on such assets as applicable.

(s) Income taxes

Income Tax expenses comprise current tax and deferred tax charge or credit.

Current Tax is measured based on estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws.

Deferred tax is provided, on all temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets and liabilities are measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and liabilities are offset, if there is a legally enforceable right to offset current tax liabilities and assets and they relate to income taxes levied by the same tax authority.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent it is no longer probable.

Income tax expenses relating to items recognised directly in equity or OCI is recognised in equity or OCI and not in the Statement of Profit and Loss.

(t) Leases

Leases are classified as finance leases, when the terms of the lease, transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as Operating Leases.

Operating Lease: Lease rentals are charged or recognised in the statement of profit and loss on a straight-line basis over the lease term.

Finance Lease: Assets held under finance leases are recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease obligation. Finance charges are charged to the Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Company's policy on borrowing costs.

(u) Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

(v) Impairment of financial assets

At the end of each reporting period, the Company applies the expected credit loss model for recognizing the impairment loss on financial assets including trade receivables. Expected credit loss is the difference between the contractual cash flows and the cash flows the entity expects to receive using effective interest rate.

Loss allowance for trade receivables is measured at an amount equal to lifetime expected credit losses. For other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses unless there is significant increase in the credit risk from initial

recognition in which case those are measured at lifetime expected credit losses. Lifetime expected credit losses are expected credit losses that result from all possible defaults over the expected life of financial instrument. Lifetime expected credit losses are computed based on provision matrix which takes into account historical credit losses adjusted for forward looking information, suit filed cases and credit information of customers.

(w) Segment reporting

Identification of Segments

Operating Segments are identified based on monitoring of operating results by the Board of Directors separately for the purpose of making decision about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss of the Company.

Operating Segments are identified based on the nature of products and services, the different risks, returns and the internal business reporting system.

Segment Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

(x) Material prior period errors

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest prior period presented, the opening balances of assets, liabilities and equity for the earliest prior period presented, are restated.

(y) Earnings Per Share (EPS)

The basic EPS is computed by dividing the profit after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted EPS, profit after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(z) Fair value Measurement

The company measures financial instruments, such as investments and derivatives at fair value at each reporting date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- in the absence of a principal market, in the most advantageous market for the asset or liability.

A fair value measurement of a non financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation technique that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Fair values are categorized into different levels in the hierarchy as under:

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities

- Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(aa) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when a Company becomes a party to the contractual provisions of the instruments.

i) Initial Recognition: Financial assets and Financial liabilities

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit and loss.

ii) Classification and Subsequent Measurement: Financial Assets

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") based on following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

At amortised cost:

A financial asset shall be classified and measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial recognition, such financial assets are subsequently measured at amortised cost using expected interest rate (EIR) method. In case of financial assets at amortised costs, interest income, foreign exchange gain or loss and impairment are recognized in Statement of profit and loss.

At fair value through OCI:

A financial asset shall be classified and measured at fair value through OCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Where the Company has elected to present the fair value gain on equity instruments in other comprehensive income, there is no subsequent classification of fair value gain or losses to profit and loss account. Dividend from such instruments is recognized

in profit and loss account as other income where right to receive is established.

At fair value through Profit or Loss:

A financial asset shall be classified and measured at fair value through profit or loss other than those measured at amortised cost or at fair value through OCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Impairment of financial assets:

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. In case of trade receivables, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The Company recognises a loss allowance for expected credit losses on financial asset. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to lifetime credit expected losses. The Company calculates the expected credit losses on trade receivables using a provision matrix based on its historical credit loss experience.

Derecognition of financial assets:

The Company derecognises a financial asset when the contractual rights to receive the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises associated liabilities.

On derecognition of a financial asset, other than investments classified as FVOCI, in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

iii) Classification and Subsequent Measurement: Financial liabilities

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL. Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

Derecognition of Financial Liabilities:

The Company derecognises a financial liability when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from

the same lender on substantially different terms or the terms of an existing liability are substantially modified, such exchange or modification is treated as derecognition of the original liability and the recognition of a new financial liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

The difference between the carrying amount of financial liability derecognized and consideration paid and payable is recognized in the statement of profit and loss.

On derecognition of equity investments classified as FVOCI, accumulated gains or loss recognised in OCI is transferred to retained earnings.

(bb) Financial liabilities and equity instruments

- Classification as debt or equity
Debt and equity instruments issued by the Company are classified either as financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.
- Equity instruments
An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company are recognised at the proceeds received.

(cc) Derivative financial instruments

The Company enters into derivative financial instruments viz. foreign exchange forward contracts to manage foreign exchange risks. The Company does not hold derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value on the date derivative contracts are entered into and are subsequently remeasured at their fair value at the end of each reporting period. The resulting gain or loss is recognised in statement of profit and loss.

Note no. 1A. Significant Accounting Judgements, Estimates and Assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets, liabilities, the accompanying disclosures and the disclosure of contingent liabilities. Continuous evaluation is done on estimates and judgments based on historical experience and other factors, including expectation of future events that are believed to be reasonable. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates made in preparing Financial Statements:

- (a) Useful life of Property, plant and equipment and intangible assets

The Company uses its technical expertise along with historical and industry trends for determining the economic life of an asset/component of an asset. The useful lives are reviewed by management periodically and revised, if appropriate. In case of a revision, the unamortized depreciable amount is charged over the remaining useful life of the assets.

- (b) Post-employment benefit plans

Employees benefit obligations are measured based on actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, the rate of salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

- (c) Expected credit losses on financial assets

The loss allowance on financial assets including trade receivables are based on assumption about the risk of default and expected timing of collection. The Company uses judgement in making these assumptions and selecting the inputs to the expected credit loss calculation based on Company's history of credit losses adjusted to reflect current and estimated future economic conditions, suit filed cases and credit information of customers at the end of each reporting period.

- (d) Provisions and contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events requires best judgment by the management regarding the probability of exposure to potential loss. If circumstances change following unforeseeable developments, this likelihood could alter.

- (e) Impairment of non-financial assets

The company has used certain judgments and estimation to estimate future projection and discount rate to compute value in used of assets/cash generating units and to assess impairment.

- (f) Revenue recognition

The company recognised the revenue from contract with customers based on 5 steps model as per Ind AS- 115 which involve judgments relating to identification of contracts with customers, identification of distinct performance obligation, determination of transaction price with respect to identified performance obligation, appropriateness of the basis used to recognise revenue and when the control of goods and services are being transferred.

During the year ended 31st March, 2020

(₹ in Lacs)

Particulars	As at 1st April, 2019	Recognised in Profit and Loss	Recognised in OCI	As at 31st March, 2020
During the year ended 31st March, 2020				
Property, plant & equipment and tangible assets	4026.82	(97.60)	-	3929.22
Provisions	(803.59)	(79.53)	(16.81)	(899.93)
Receivables and advances	(73.57)	(71.45)	-	(145.02)
Financial assets	(26.82)	(126.67)	-	(153.49)
Net Deferred Tax Liability	3122.84	(375.25)	(16.81)	2730.78

- iv) (a) Provision for taxation including interest estimated ₹ 1647.64 Lacs for the year ended 31st March, 2021 (Previous year ₹ 1392.88 Lacs; upto the year ₹ 4650.74 Lacs) has not been made in accounts in view of the proposed amalgamation under the provisions of Companies Act, 2013.
- (b) Company has claimed the losses pertaining to Modern Denim Limited from AY 2017-18, with which the company has proposed amalgamation. Income Tax Department has completed assessment for Assessment Year 2017-18 and has disallowed such losses claimed pursuant to proposed amalgamation pending approval from concerned authorities. However, the Company has filed appeal against the said order before CIT (Appeals) which is pending. The Company is confident for favourable order as it has received relief in previous years in similar matter.
- v) Income tax department had completed assessments for A.Y. 2008-09 to 2017-18 wherein assessments on substantive basis were done with NIL liability by allowing losses of MTTL (the amalgamated entity) and simultaneously assessments on protective basis were also done (except for A.Y. 2014-15, 2016-17 & 2017-18) presuming that no amalgamation had taken place. Since amalgamation scheme have been sanctioned by the Hon'ble BIFR vide its order dated 28.07.2016, protective assessment orders passed by the department have become ineffective and substantive assessment orders are prevailed. However, effect of BIFR order is yet to be given by the department for which company is taking necessary steps. There is no recoverable demand as on date.

Note No. 34 : EMPLOYEE BENEFIT
i) Defined contribution plan
During the year company has recognised the following amounts in the statement of profit and loss account.

(₹ in Lacs)

Funded status excess of actual over estimated.	(2253.30)	(1955.38)	
Assets/(Liabilities) recognized in the Balance Sheet	(2253.30)	(1955.38)	

iii) Defined benefit obligation
a) Actuarial assumption

The following were the principal actuarial assumptions at the reporting date:

PARTICULARS	Year Ended 2021	Year Ended 2020
Discount rate*	6.80% & 6.70%	6.80% & 6.63%
Expected return on plan assets		
Gratuity	NA	NA
Leave encashment	NA	NA
Salary escalation rate**	5.50% & 4.50%	4.50%
Mortality rate inclusive of provision for disability		100% of IALM (2012-14)

* The discount rate assumed is determined by reference to market yield at the balance sheet date on government bonds.

** The estimates of future salary increase considered in actuarial valuation, taking account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

b) Sensitivity analysis

Reasonable possible change at the reporting date to one of the relevant actuarial assumption, holding other assumption constant, would have affected the defined benefit obligation by the amount shown below.

PARTICULARS	31st March, 2021		31st March, 2020	
	Increase	Decrease	Increase	Decrease
Discount rate (0.5% movement)	(80.46)	86.27	(68.36)	73.15
Salary escalation rate (0.5% movement)	86.47	(81.51)	74.44	(64.23)

c) Expected Maturity analysis of the defined benefits plan in future years

(₹ in Lacs)				
PARTICULARS	First Year	Second Year	Third to fifth year	More than 5 years
Gratuity	314.61	139.56	490.66	1308.46

d) Risk exposure

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follow -

- Salary Increase – Actual salary increase will increase the plan's liability. Increase in salary increase rate assumption in future valuations which also increase the liability.
- Investment Risk – If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can affect the liability.
- Discount Rate – Reduction in discount rate in subsequent valuations can increase the plan's liability.
- Mortality & disability – Actual deaths & disability cases proving lower or higher than assumed in the valuation can affect the liabilities.
- Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can affect liability.

iv) Long term employee benefit
Leave encashment

The company has a policy to pay leave encashment. Every employee is entitled to claim leave encashment after his/her retirement/termination which is calculated based upon no. of leaves earned. The company has a total provision for leave encashment as on 31st March, 2021 ₹ 450.14 Lacs and as on 31st March, 2020 ₹ 468.59 Lacs. Total expenses provided during the year 2020-21 is ₹ 62.27 Lacs and for the year 2019-20 ₹ 158.12 Lacs. This includes Current Service Cost of ₹ 67.56 Lacs for the year 2020-21 and ₹ 71.09 Lacs for the year 2019-20 based on actuarial valuation.

Note No. 35 : RESEARCH AND DEVELOPMENT EXPENDITURE

Research and development expenditure debited to the statement of profit and loss by charge to relevant heads of account amounting to ₹ 335.82 Lacs (previous year ₹ 389.84 Lacs).

The Company, in respect of contingent liability, has assessed that it is not probable that outflow of economic resources will be required and hence not provided by the Company.		

Note No. 39 : CAPITAL COMMITMENTS

Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances ₹ 6.84 Lacs) ₹ 6.96 Lacs (2019-20- ₹ 2.71 Lacs).

Note No. 40 : CAPITAL MANAGEMENT

For the purpose of Company's Capital Management, capital includes issued equity share capital and other equity reserves attributable to equity holders. The primary objective of Company's Capital Management is to maximize shareholder's wealth. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of financial covenants.

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholder. The capital structure of the Company is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investors, creditors and market confidence. The management and the Board of Directors monitors the return on capital. The Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Note No. 41 : FINANCIAL RISK MANAGEMENT

The Company's Financial Risk Management is an integral part of how to plan and execute its business strategies. The Company's financial risk management is set by the Managing Board. The Company's principal financial liabilities comprise loans and borrowings, trade payables and other payables. The main purpose of these financial liabilities is to finance the company's operations. The company's principal financial assets include trade & other receivables, investments, cash and short term deposits.

i) Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers and other counter parties, taking into account financial conditions, current economic trends and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed based on such information.

Financial assets are written off when there are no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables based on historical trend and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. The Company provides loss allowance on trade receivables using lifetime expected credit loss and as per simplified approach.

The Ageing of trade receivables is as below:

Particulars	(₹ in Lacs)	
	31st March, 2021	31st March 2020
The Ageing of trade receivables is as below:		
Not due	7603.89	6523.69
0-6 months	1390.06	1170.17
6 months to 12 months	207.36	522.60
1 year to 3 year	218.39	269.67
beyond 3 years	310.75	263.93
	9730.45	8750.06
Less: Allowance for doubtful debts	333.42	242.91
Total	9397.03	8507.15

Financial assets are considered to be good quality and there is no significant increase in credit risk.

ii) Liquidity Risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts based on expected cash flows.

iii) Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

a) Foreign currency risk

The company operates internationally and portion of the business is transacted in several currencies and consequently the company is exposed to foreign exchange risk through its sales in overseas and purchase from overseas suppliers in various foreign currencies.

The company evaluate exchange rate exposure arising from foreign currency transaction and the company follow established risk management policies, including the use of derivative like foreign exchange forward contracts to hedge exposure to foreign risk.

Foreign currency derivatives and exposures not hedged

A. Foreign currency derivatives outstanding					(₹ in Lacs)
Name of Instrument	As at 31st March, 2021		As at 31st March, 2020

EURO	2.56	(2.56)	5.77	(5.77)		
GBP	–	–	1.29	(1.29)		

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rate. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

ii) Fair value hierarchy

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows:

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Valuation process to determine fair value

Specific valuation technique is used to determine the fair value of the financial instruments which include:

– Investment in unquoted equity shares- Lowest level input that is significant to the fair value measurement is unobservable.

Note No. 45 : NON-CURRENT LOANS

Non-current loans includes interest free unsecured loan of ₹ 4766 Lacs (previous year ₹ 4766 Lacs) (maximum amount outstanding at any time during the year ₹ 4816 Lacs; 31st March, 2020- ₹ 5346 Lacs) given to a company covered under section 189 of the Companies Act, 2013 in view of proposed amalgamation under the provisions of the Companies Act, 2013. Since the amount given is in connection to proposed amalgamation, no terms have been specified for repayment of loans and interest. In view of likely advantage to the company on such amalgamation, granting of such loan is not prejudicial to interest of the company.

Other notes on standalone Financial Statements
Note No. 46 : INVESTMENT / DEPOSIT IN VSLP

Company had entered into Power Delivery Agreement (PDA) with VSLP on 25th September, 2008 for supply of 4 MW Power. As per PDA, company had subscribed in equity and preference shares of VSLP and paid required security deposit amount. Since, VSLP was under process of insolvency under Insolvency & Bankruptcy Code (IBC), 2016, and its net worth was completely eroded, Company had made provision of 90% of its recoverable amount towards above referred investment and deposit in the year 2019-20. Now, the National Company Law Tribunal, Hyderabad Bench has approved resolution plan and passed a final order dated 16.03.2021. Accordingly, the company has write-off the balance non recoverable amount during the year.

Note No. 47 : NOTE ON IMPACT OF COVID-19

The outbreak of Corona virus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The Company's operations and revenue during the period were impacted due to COVID-19. The management believes that impact is short term and temporary in nature and there is no significant impact on recoverability of carrying value of its assets and future operations. The Company does not anticipate any challenges in its ability to continue as going concern or meeting its financial obligations. As the situation is unprecedented, the Company is closely monitoring the situation as it evolves in the future.

Note No. 48: The Company has a process whereby periodically all long term contracts (including derivative contract) are assessed for material foreseeable losses. At the year end, the Company has reviewed and ensured that adequate provision as required under any law/accounting standards for material foreseeable losses on such long term contracts (including derivative contracts) has been made in the books of accounts.

Note No 49. Figures for previous years have been regrouped/rearranged/restated wherever considered necessary to make them comparable with the figures for the current year.

INDEPENDENT AUDITOR'S REPORT

To the members of **Modern Insulators Limited**

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying Consolidated Financial Statements of **Modern Insulators Limited** (the 'Holding Company') and its wholly owned subsidiary company Modern Inviro Private Limited (the Holding Company and its subsidiary together referred to as the 'Group') and its joint ventures Shriji Designs – MIL JV and SEC MIL JV, which comprise the Consolidated Balance Sheet as at **31 March 2021**, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'the Consolidated Financial Statements').

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiary and joint ventures referred to in "Other Matters" section of our report, and except for the effect of the matters described in "Basis for Qualified Opinion" section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) specified under section 133 of the Act, of the consolidated state of affairs of the Group and joint ventures as at 31 March 2021, their consolidated profit (including Other Comprehensive Income), their consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Qualified Opinion

Provision for taxation including interest estimated at Rs.1647.64 Lacs for the year ended 31 March 2021 (Previous Year Rs.1392.88 Lacs; upto the

year Rs.4650.74 Lacs) has not been made in accounts of the Holding Company in view of the proposed amalgamation under the provisions of Companies Act, 2013. (Refer note no. 33(iv)(a)).

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group and joint ventures in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by other auditors in terms of their report referred to in "Other matters" section of our report, is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter

We draw attention to note no. 48 of the consolidated financial statements, which describes the impact of COVID 19 on the operations of the Group and joint ventures. Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment and based on the consideration of reports of the other auditors on separate financial statements and other financial information of subsidiary and joint ventures, were of most significance in our audit of the consolidated financial statements for the year ended 31 March 2021. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion, on these matters. In addition to what has been stated in the "Basis for Qualified Opinion" section, we have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How our audit addressed the Key Audit Matter
Measurement, presentation and disclosure of allowance for Expected Credit Losses (ECL) on trade receivables	Our audit procedure included, but were not limited to the following:
<ul style="list-style-type: none"> The Company is required to recognize allowance for ECL on trade receivables due to the credit risks associated with each individual trade receivable. Management determines the allowance for ECL on trade receivables by reviewing customers ageing profile, historical loss adjusted to reflect current and estimated future economic conditions, credit history and suit filed cases for additional allowance. The determination of allowance for ECL is subjective and requires management to make judgements and assumptions, hence this is considered as key audit matter. Refer note no. 1, 1A and 7 to the consolidated financial statements. 	<ul style="list-style-type: none"> Tested effectiveness of controls with respect to (i) development of methodology for allowance for expected credit losses, (ii) completeness and accuracy of the information used and (iii) computation of allowance for expected credit losses. Tested sample of the data used in the model to the underlying accounting records. Evaluated the ECL model calculations, agreeing the data inputs and checking the mathematical accuracy of the calculations. Assessed the key inputs and assumptions used Assessed whether the disclosures in the financial statements are adequate.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider

whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's

Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated cash flows and consolidated changes in equity of the Group and joint ventures in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation and presentation of consolidated financial statements. Further in terms of the provisions of the Act, the respective Board of Directors / Management of the subsidiary company and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors / Management of the subsidiary company and joint ventures are responsible for assessing the ability of Group and joint ventures, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless respective Board of Directors / Management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors / Management of the companies included in the Group and its joint ventures, are also responsible for overseeing the financial reporting process of companies included in the Group and joint ventures.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company

has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained upto the date of our auditor's report. However, future events or conditions may cause the Group and its joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group and its joint ventures, to express an opinion on the financial statements. We are responsible for direction, supervision and performance of the audit of the financial statements of such entities included in the financial statements of which we are independent auditors. For the other entities included in financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the holding company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended 31 March 2021 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the annual financial statements of the subsidiary company and joint ventures, consolidated in the financial results, and which have been audited by their respective independent auditors, whose financial information (before eliminating intercompany balances/transactions) are as under:

- (i) One subsidiary company reflects total assets of Rs.10.06 Lacs as at 31 March 2021, total revenue of Rs.0.34 Lacs, net profit after tax Rs.0.20 Lacs, total comprehensive income of Rs.0.20 Lacs and cash outflow (net) of Rs.8.57 Lacs for the year ended as on 31 March 2021, as considered in the financial statements.

- (ii) Two joint ventures reflects total assets of Rs.622.98 Lacs as at 31 March 2021, total revenue of Rs.864.36 Lacs, net loss after tax Rs.129.87 Lacs and cash inflow (net) of Rs.9.25 Lacs for the year ended as on 31 March 2021, as considered in the financial statements.

These annual financial statements have been audited by other auditors whose audit reports have been furnished to us by the Holding Company's Board of Directors, and our opinion on consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary and joint ventures, and our report in terms of section 143(3) of the Act, in so far as it relates to the aforementioned subsidiary and joint ventures, are based solely on the audit reports of such other auditors.

Report on Other Legal and Regulatory Requirements

As required by section 143(3) of the Companies Act, 2013, based on our audit and on the consideration of the reports of the other auditors on separate financial statements and the other financial information of subsidiary company and joint ventures, as noted in the "Other Matters" section of our report, we report, to the extent applicable, that:

- a) We and the other auditors whose reports we have relied upon, have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
- b) In our opinion, proper books of account as required by law relating to preparation of aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors;
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
- d) Except for the effects of the matter described in the "Basis for Qualified Opinion" section, in our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under section 133 of the Act;
- e) On the basis of written representations received from the directors of the Holding Company as on 31 March 2021 and taken on record by the Board of Directors of Holding Company and the reports of statutory auditors of subsidiary company and joint ventures covered under the Act, none of the directors of the Group are disqualified as on 31 March 2021, from being appointed as a director in terms of section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary and joint ventures covered under the Act and the operating effectiveness of such controls, under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013, refer to our report in Annexure A;
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid / provided by the Holding Company to its directors is in accordance with the provisions of section 197 of the Act. Further subsidiary company covered under the Act has not paid / provided for any managerial remuneration during the year.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and other financial information of subsidiary company and joint ventures:
 - i) The consolidated financial statements has disclosed the impact of pending litigations on consolidated financial position of the Group and its joint ventures in consolidated financial statements (Refer note no.38).
 - ii) The Group and its joint ventures has made provisions, as required under the applicable law and Ind AS for material foreseeable losses, if any, on long term contracts including derivative contracts (Refer note no.49).
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary.

ANNEXURE A FORMING PART OF THE INDEPENDENT AUDITOR'S REPORT

Referred to in the report of even date of the Auditors to members of Modern Insulators Limited on Consolidated Financial Statements

We have audited the internal financial controls with reference to consolidated financial statements of **Modern Insulators Limited** (the 'Holding Company') and its wholly owned subsidiary company Modern Inviro Private Limited (the Holding Company and its subsidiary together referred to as the 'Group') and its joint ventures Shriji Designs – MIL JV and SEC MIL JV as of **31 March 2021** in conjunction with our audit of the consolidated financial statements of Modern Insulators Limited (the 'Holding Company') and its subsidiary and joint ventures.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of Holding Company and its subsidiary are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial

Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the 'ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the 'Act').

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of Holding Company and its subsidiary based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and Standards on Auditing prescribed under section

143(10) of the Act, to the extent applicable to an audit of internal financial control with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their report referred to in "Other Matters" section below is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements of Holding Company and its subsidiary, as aforesaid.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or

improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

We did not audit the internal financial controls with reference to financial statements of the subsidiary company, consolidated in the financial statements, whose financial statements (before eliminating intercompany balances/transactions) reflects in respect of subsidiary company total assets of Rs.10.06 Lacs as at 31 March 2021, total revenue of Rs.0.34 Lacs, net profit after tax Rs.0.20 Lacs, total comprehensive income of Rs.0.20 Lacs and cash outflow (net) of Rs.8.57 Lacs for the year ended as on 31 March 2021, as considered in the financial statements.

The internal financial controls with reference to financial statements in so far as it relates to such subsidiary company have been audited by other auditors whose reports has been furnished to us by the Holding Company's Board of Directors and our report of adequacy and operating effectiveness of the internal financial controls with reference to financial statements for Holding Company and its subsidiary, under section 143(3)(i) of the Act, in so far as it relates to subsidiary company, is based solely on the reports of the auditors of such company.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the reports of other auditors, the Holding Company and its subsidiary have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2021, based on the internal control with reference to financial statements criteria established by the Holding Company and its subsidiary considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

Notes forming part of consolidated financial statements

CORPORATE INFORMATION

Modern Insulators Limited (the 'Company or the Holding Company') and its subsidiary (the Holding Company and its subsidiary together referred to as the 'Group') and its joint venture engaged in the business of manufacturing insulators, terry towels and EPC projects.

Note no. 1: Significant Accounting Policies

(a) Basis of preparation

- (i) The Financial Statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) as specified under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods in the Financial Statements.
- (ii) The Financial Statements are prepared on accrual basis under the historical cost convention except financial assets and liabilities (including derivatives instruments) that are measured at fair value as required by relevant Ind AS. The methods used to measure fair values are discussed in notes to financial statements.
- (iii) The preparation of financial statements requires judgments, estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimated. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized. Major estimates are discussed in Note No. 1A.

(b) Functional and presentation currency

These financial statements are presented in Indian Rupees, which is the functional currency of the group and the currency of the primary economic environment in which the group operates.

(c) Principles of consolidation and equity accounting

- (i) **Subsidiaries**
Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.
The acquisition method of accounting is used to account for business combinations by the Group. The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Inter company transactions, balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries are been changed where necessary to ensure consistency with the policies adopted by the Group. Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and consolidated balance sheet respectively.
- (ii) **Joint Ventures**
Investments in joint ventures are accounted for using the equity method, after initially being recognised at cost in the consolidated balance sheet.
- (iii) **Equity Method**
Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in statement of profit and loss, and the Group's share of other

comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment. When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity. Such further losses are disclosed as part of Current Liabilities. Unrealised gains on transactions between the Company and its associates and joint ventures are eliminated to the extent of the Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.

(d) Classification of assets and liabilities into current and non-current

The Group has ascertained its operating cycle as twelve months for the purpose of Current and Non-Current classification of its Assets and Liabilities. Classification is done in accordance with Schedule III Division II of the Companies Act, 2013.

For the purpose of Balance Sheet, an asset is classified as current when:

- (i) It is expected to be realised or intended to be sold or consumed in the normal operating cycle; or
- (ii) It is held primarily for the purpose of trading; or
- (iii) It is expected to be realised within twelve months after the reporting period; or
- (iv) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Similarly, a liability is classified as current when:

- (i) It is expected to be settled in the normal operating cycle; or
- (ii) It is held primarily for the purpose of trading; or
- (iii) It is due to be settled within twelve months after the reporting period; or
- (iv) The Group does not have an unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets/liabilities are classified as non-current assets/liabilities.

(e) Property, plant & equipment (PPE)

Freehold land is carried at Cost. All other items of Property, plant and equipment (PPE) are stated at acquisition or construction cost less accumulated depreciation / amortisation and impairment loss. Cost comprises the purchase price and any directly attributable cost of bringing the asset to its location and working condition for its intended use, including relevant borrowing costs.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognised as an asset if, and only if, it is probable that the economic benefits associated with the item will flow to the Group in future periods and the cost of the item can be measured reliably. Expenditure incurred after the PPE have been put into operations, such as repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred.

Subsequent expenditure incurred after the PPE have been put into operations is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

Items such as spare parts, standby equipments and servicing equipments are recognised as PPE when it is held for use in the production or supply of goods or services or for administrative purpose and are

expected to be used for more than one year. Otherwise such items are classified as inventory.

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the assets. Any gain or loss arising on the disposal or retirement of an item of PPE, is determined as the difference between the net sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

(f) Expenditure during construction period

Expenditure, net of income earned, during construction (including financing cost related to borrowed funds for construction or acquisition of qualifying PPE) period is included under capital work-in-progress and the same is allocated to the respective PPE on the completion of construction. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under "Other Non Current Assets".

(g) Depreciation

Depreciation is the systematic allocation of the depreciable amount of PPE over its useful life and is provided on a straight-line basis over the useful lives as prescribed in Schedule II to the Act or as per technical evaluation. Leasehold lands are amortised over the lease term unless it is reasonably certain that the Group will obtain ownership by the end of lease term.

Depreciable amount for PPE is the cost of PPE less its estimated residual value. The useful life of PPE is the period over which PPE is expected to be available for use by the Group or the number of production or similar units expected to be obtained from the asset by the Group.

In case of certain classes of PPE, the Group uses different useful lives than those prescribed in Schedule II to the Act. The useful lives have been assessed based on technical evaluation, taking into consideration the nature of the PPE and the estimated usage of the asset based on management's best estimation of obtaining economic benefits from those classes of assets.

The useful life considered for calculation of depreciation / amortisation for various Asset class are as under:

S. No.	Asset class	Useful life
1.	Leasehold Assets	Lease period
2.	Factory Building	4-30 Years
3.	Non- factory building	4-60 Years
4.	Plant & Machinery	1-30 Years
5.	Furniture & Fixtures	2-10 Years
6.	Office equipments	0-5 Years
7.	Vehicles	2-10 Years

Based on technical evaluation, management believes that the useful life as given above best represent the period over which the management expects to use these assets.

Depreciation on additions is provided on a pro-rata basis from the date of installation or acquisition and in case of Projects from the date of commencement of commercial production.

Depreciation on deductions/disposals is provided on a pro-rata basis up to the date of deduction/disposal.

(h) Intangible assets and amortization

Internally generated intangible assets

Expenditure incurred on development is capitalized if such expenditure leads to creation of any intangible asset, otherwise, such expenditure is charged to the Statement of Profit and Loss. PPE procured for research and development activities are capitalised.

Intangible assets acquired separately

Intangible assets acquired separately are carried at cost less accumulated amortisation and accumulated impairment loss, if any. The Group determines the amortisation period as the period over which the future economic benefits will flow to the Group after taking into account all

relevant facts and circumstances. The estimated useful life and amortisation method are reviewed periodically, with the effect of any changes in estimate being accounted for on a prospective basis.

An item of intangible asset is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the assets. Any gain or loss arising on the disposal or retirement of an item of intangible asset is determined as the difference between the net sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

The useful life considered for calculation of depreciation / amortisation for various Asset class are as under:

Asset class	Useful life
Computer Software	1-3 Years

Based on technical evaluation, management believes that the useful life as given above best represent the period over which the management expects to use these assets.

Intangible asset having definite life are amortised on systematic basis over their useful life. If life of any intangible asset is indefinite then it is not amortised but tested for impairment loss at the end of each reporting date.

(i) Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction, development or erection of a qualifying asset are capitalized as part of the cost of such asset till such time the asset is ready for its intended use and borrowing cost are being incurred. A qualifying asset is an asset that necessarily takes a substantial period to get ready for its intended use. All other borrowing costs are recognized as an expense in the period in which they are incurred.

(j) Inventories

Inventories are valued at the lower of cost and net realisable value.

Raw material, stores, spare parts and packing materials are considered to be realisable at cost, if the finished products, in which they will be used, are expected to be sold at or above cost. The cost is computed on weighted average basis.

Cost of finished goods and work- in- progress includes cost of conversion based on normal capacity and other costs incurred in bringing the inventories to their present location and condition. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Spare parts, other than those capitalised as PPE are carried as inventories.

The diminution in the value of obsolete, unserviceable and surplus stores & spares is ascertained after review and if found material, suitable provision is made / written down based on technical evaluation, its recoverable value and management's best estimate.

(k) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks, cash in hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

(l) Government grants

Government grants are recognized when there is reasonable assurance that the grant will be received and all associated conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognized as income on a systematic basis over the expected useful life of the related asset.

(m) Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Group has a present obligation (legal or constructive) because of a past event and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligations. Provisions are reviewed at each reporting date and are adjusted to reflect the management's best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Claims against the Group where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

(n) Foreign currency transactions and translations

Transactions in foreign currencies, other than the Group's functional currency are recognised at the exchange rates prevailing at the dates of the transactions. At the end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the rate prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

Exchange differences on monetary items are recognised in the statement of profit and loss in the period in which these arise.

(o) Revenue recognition

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised goods or services to customers in an amount that reflects the consideration the Group expects to receive in exchange for those goods or services.

The Group satisfies a performance obligation and recognizes revenue over time, if one of the following criteria is met:

- (i) The customer simultaneously receives and consumes the benefits provided by the Group's performance; or
- (ii) The Group's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- (iii) The Group's performance does not create an asset with an alternative use to the Group and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions is not met, revenue is recognized at the point in time at which the performance obligation is satisfied.

If the Group has any contract wherein the period between transfer of the promised goods or services to the customer and payment by the customer exceeds one year, transaction price is adjusted for the time value of money.

(p) Other operating revenues / other income

- (i) Income from services is recognized (net of GST as applicable) based on the services rendered in accordance with the terms of contracts.
- (ii) For all financial instruments measured at amortized cost, interest income is recorded using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash receipts

over the expected life of the financial instrument to the gross carrying amount of the financial asset.

- (iii) Interest income for all financial instruments measured at fair value through other comprehensive income is recognized in the statement of profit and loss.
- (iv) Dividend income is accounted for when the right to receive the income is established.
- (v) Export incentives under various schemes are recognized in the year of export.

(q) Employee Benefits

Short term employee benefits

Short-term employee benefit obligations are recognized as an expense on accrual basis.

Defined contribution plans

Defined contribution plans are those plans in which an entity pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident fund and employee state insurance are defined contribution plans in which group pays a fixed contribution and will have no further obligation.

Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

Group pays Gratuity as per provisions of the Payment of Gratuity Act, 1972. The Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefits that employees have earned in return for their services in the current and prior periods; that benefit is discounted to determine its present value. Any unrecognized past service costs and the fair value of any plan assets are deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Group's obligations and that are denominated in the same currency in which the benefits are expected to be paid.

The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a liability to the Group, the present value of liability is recognized as provision for employee benefit. Any actuarial gains or losses are recognized in Other Comprehensive Income in the period in which they arise.

Other long-term employee benefits

Benefits under the Group's leave encashment constitute other long term employee benefits.

The Group's net obligation in respect of leave encashment is the amount of future benefits that employees have earned in return for their service in the current and prior periods, that benefit is discounted to determine its present value and the fair value of any related assets is deducted. The discount rate is based on the prevailing market yields of Indian government securities as at the reporting date that have maturity dates approximating the terms of the Group's obligations. The calculation is performed using the projected unit credit method. Any actuarial gains or losses are recognized in the Statement of profit and loss in the period in which they arise.

(r) Research and development expenditure

Revenue expenditure on research and development is charged as an expense in the year in which it is incurred under the respective heads of accounts. Expenditure which results in the creation of capital assets is capitalised and depreciation is provided on such assets as applicable.

(s) Income taxes

Income Tax expenses comprise current tax and deferred tax charge or credit.

Current Tax is measured based on estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws.

Deferred tax is provided, on all temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. Deferred tax assets and liabilities are measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and liabilities are offset, if there is a legally enforceable right to offset current tax liabilities and assets and they relate to income taxes levied by the same tax authority.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent it is no longer probable.

Income tax expenses relating to items recognised directly in equity or OCI is recognised in equity or OCI and not in the Statement Profit and Loss.

(t) Leases

Leases are classified as finance leases, when the terms of the lease, transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as Operating Leases.

Operating Lease: Lease rentals are charged or recognised in the statement of profit and loss on a straight-line basis over the lease term.

Finance Lease: Assets held under finance leases are recognised as assets of the Group at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and reduction of the lease obligation. Finance charges are charged to the Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Group's policy on borrowing costs.

(u) Impairment of non-financial assets

At the end of each reporting period, the Group reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but to the extent that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

(v) Impairment of financial assets

At the end of each reporting period, the Company applies the expected credit loss model for recognizing the impairment loss on financial assets including trade receivables. Expected credit loss is the difference

between the contractual cash flows and the cash flows the entity expects to receive using effective interest rate.

Loss allowance for trade receivables is measured at an amount equal to lifetime expected credit losses. For other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses unless there is significant increase in the credit risk from initial recognition in which case those are measured at lifetime expected credit losses. Lifetime expected credit losses are expected credit losses that result from all possible defaults over the expected life of financial instrument. Lifetime expected credit losses are computed based on provision matrix, which takes into account historical credit losses adjusted for forward looking information, suit filed cases and credit information of customers.

(w) Segment reporting

Identification of Segments

Operating Segments are identified based on monitoring of operating results by the Board of Directors separately for the purpose of making decision about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss of the Group.

Operating Segments are identified based on the nature of products and services, the different risks and returns and the internal business reporting system.

Segment Policies

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Group as a whole.

(x) Material prior period errors

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest prior period presented, the opening balances of assets, liabilities and equity for the earliest prior period presented, are restated.

(y) Earnings Per Share (EPS)

The basic EPS is computed by dividing the profit after tax for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted EPS, profit after tax for the year attributable to the equity shareholders and the weighted average number of equity shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(z) Fair value Measurement

The Group measures financial instruments, such as investments and derivatives at fair value at each reporting date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

A fair value measurement of a non financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation technique that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Fair values are categorized into different levels in the hierarchy as under:

- Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities

- Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

(aa) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when a Group becomes a party to the contractual provisions of the instruments.

i) Initial Recognition: Financial assets and Financial liabilities

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit and loss.

ii) Classification and Subsequent Measurement: Financial Assets

The Group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

At amortised cost:

A financial asset shall be classified and measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise to specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial recognition, such financial assets are subsequently measured at amortised cost using expected interest rate (EIR) method. In case of financial assets at amortised costs, interest income, foreign exchange gain or loss and impairment are recognized in Statement of profit and loss.

At fair value through OCI:

A financial asset shall be classified and measured at fair value through OCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise to specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Where the Group has elected to present the fair value gain on equity instruments in other comprehensive income, there is no subsequent classification of fair value gain or losses to profit and loss account. Dividend from such instruments is recognized in profit and loss account as other income where right to receive is established.

At fair value through Profit or Loss:

A financial asset shall be classified and measured at fair value through profit or loss other than those measured at amortised cost or at fair value through OCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Impairment of financial assets:

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. In case of trade receivables, the Group follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The Group recognises a loss allowance for expected credit losses on financial asset. The Group's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to lifetime credit expected losses. The Group calculates the expected credit losses on trade receivables using a provision matrix based on its historical credit loss experience.

Derecognition of financial assets:

The Group derecognises a financial asset when the contractual rights to receive the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises associated liabilities.

On derecognition of a financial asset, other than investments classified as FVOCI, in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

iii) Classification and Subsequent Measurement: Financial liabilities

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'

Financial Liabilities at FVTPL:

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL. Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Other Financial Liabilities:

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

Derecognition of Financial Liabilities:

The Group derecognises a financial liability when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such exchange or modification is treated as derecognition of the original liability and the recognition of a new financial liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

The difference between the carrying amount of financial liability derecognized and consideration paid and payable is recognized in the statement of profit and loss.

On derecognition of equity investments classified as FVOCI, accumulated gains or loss recognised in OCI is transferred to retained earnings.

(bb) Financial liabilities and equity instruments

- **Classification as debt or equity**
Debt and equity instruments issued by the group are classified either as financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.
- **Equity instruments**
An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group are recognised at the proceeds received.

(cc) Derivative financial instruments

The Group enters into derivative financial instruments viz. foreign exchange forward contracts to manage foreign exchange risks. The Group does not hold derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value on the date derivative contracts are entered into and are subsequently remeasured at their fair value at the end of each reporting period. The resulting gain or loss is recognised in statement of profit and loss.

Note no. 1A. Significant Accounting Judgements, Estimates and Assumptions

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets, liabilities, the accompanying disclosures and the disclosure of contingent liabilities. Continuous evaluation is done on estimates and judgments based on historical experience and other factors, including expectation of future events that are believed to be reasonable. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates made in preparing Financial Statements:

- (a) Useful life of Property, plant and equipment and intangible assets**
The Group uses its technical expertise along with historical and

industry trends for determining the economic life of an asset/component of an asset. The useful lives are reviewed by management periodically and revised, if appropriate. In case of a revision, the unamortized depreciable amount is charged over the remaining useful life of the assets.

(b) Post-employment benefit plans

Employees benefit obligations are measured based on actuarial assumptions, which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, the rate of salary increases and the inflation rate. The Group considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

(c) Expected credit losses on financial assets

The loss allowance on financial assets including trade receivables are based on assumption about the risk of default and expected timing of collection. The Company uses judgement in making these assumptions and selecting the inputs to the expected credit loss calculation based on Company's history of credit losses adjusted to reflect current and estimated future economic conditions, suit filed cases and credit information of customers at the end of each reporting period.

(d) Provisions and contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events requires best judgment by the management regarding the probability of exposure to potential loss. If circumstances change following unforeseeable developments, this likelihood could alter.

(e) Impairment of non-financial assets

The Group has used certain judgments and estimation to estimate future projection and discount rate to compute value in used of assets/cash generating units and to assess impairment.

(f) Revenue recognition

The Group recognised the revenue from contract with customers based on 5 steps model as per Ind AS- 115 which involve judgments relating to identification of contracts with customers, identification of distinct performance obligation, determination of transaction price with respect to identified performance obligation, appropriateness of the basis used to recognise revenue and when the control of goods and services are being transferred.

Total	<u>4259.11</u>	<u>4608.65</u>

21.1 Balances of trade payables are subject to reconciliation, confirmation and consequential adjustments, if any.

21.2 Dues to Micro, Small and Medium Enterprises

The Company has certain dues to suppliers registered under Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act). The disclosures pursuant to the said MSMED Act are as follows:

Particulars	As at	As at
	31st March, 2021	31st March, 2020
a. The Principal amount remaining unpaid to any supplier at the end of the year	385.67	344.69
b. Interest due remaining unpaid to any supplier at the end of the year	—	—
c. Amount of interest paid by the Company in terms of section 16 of MSMED Act	—	—
d. Amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act, 2006.	—	—
e. Amount of interest accrued and remaining unpaid at the end of accounting year	—	—
f. The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues above are actually paid to the small enterprise for the purpose of disallowance of a deductible expenditure under section 23 of MSMED Act, 2006	—	—

Disclosure of payable to vendors as defined under the "Micro, Small and Medium Enterprise Development Act, 2006" is based on the information available with the Company regarding the status of registration of such vendors under the said Act, as per the intimation received from them on requests made by the company.

Notes forming part of Consolidated Financial Statements

- iv) (a) Provision for taxation including interest estimated ₹ 1647.64 lacs for the year ended 31st March, 2021 (Previous year ₹ 1392.88 lacs; upto the year ₹ 4650.74 lacs) has not been made in accounts of the holding company in view of the proposed amalgamation under the provisions of Companies Act, 2013.
- (b) Holding Company has claimed the losses pertaining to Modern Denim Limited from AY 2017-18, with which the holding company has proposed amalgamation. Income Tax Department has completed assessment for Assessment Year 2017-18 and has disallowed such losses claimed pursuant to proposed amalgamation pending approval from concerned authorities. However, the Holding Company has filed appeal against the said order before CIT (Appeals) which is pending. The Company is confident for favourable order as it has received relief in previous years in similar matter.
- v) Income tax department had completed assessments for A. Y. 2008-09 to 2017-18 of holding company wherein assessments on substantive basis were done with NIL liability by allowing losses of MTTL (the amalgamated entity) and simultaneously assessments on protective basis were also done (except for A. Y. 2014-15, 2016-17 & 2017-18) presuming that no amalgamation had taken place. Since amalgamation scheme have been sanctioned by the Hon'ble BIFR vide its order dated 28.07.2016, protective assessment orders passed by the department have become ineffective and substantive assessment orders are prevailed. However, effect of BIFR order is yet to be given by the department for which holding company is taking necessary steps. There is no recoverable demand as on date.

Note No. 34 : EMPLOYEE BENEFIT

iii) Defined benefit obligation
a) Actuarial assumption
The following were the principal actuarial assumptions at the reporting date.

PARTICULARS	31st March, 2021	31st March, 2020
Discount rate*	6.80% & 6.7%	6.80 % & 6.63%
Expected return on plan assets		
Gratuity	NA	NA
Leave encashment	NA	NA
Salary escalation rate**	5.5% & 4.5%	4.50%
Mortality rate inclusive of provision for disability		100% of I ALM (2012-14)

* The discount rate assumed is determined by reference to market yield at the balance sheet date on government bonds.

** The estimates of future salary increase considered in actuarial valuation, taking account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

b) Sensitivity analysis

Reasonable possible change at the reporting date to one of the relevant actuarial assumption, holding other assumption constant, would have affected the defined benefit obligation by the amount shown below.

Particulars	31st March, 2021		31st March, 2020	
	Increase	Decrease	Increase	Decrease
Discount rate (0.5% movement)	(80.46)	86.27	(68.36)	73.15
Salary escalation rate (0.5% movement)	86.47	(81.51)	74.44	(64.23)

c) Expected Maturity analysis of the defined benefits plan in future years. (₹ in Lacs)

Particulars	First Year	Second year	Third to fifth year	More than 5 Years
Gratuity	314.61	139.56	490.66	1308.46

Notes forming part of Consolidated Financial Statements
d) Risk exposure

Valuations are based on certain assumptions, which are dynamic in nature and vary over time. As such company is exposed to various risks as follow –

- Salary Increase- Actual salary increase will increase the plan's liability. Increase in salary increase rate assumption in future valuations which also increase the liability.
- Investment Risk – If Plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can affect the liability.
- Discount Rate : Reduction in discount rate in subsequent valuations can increase the plan's liability.
- Mortality & disability – Actual deaths & disability cases proving lower or higher than assumed in the valuation can affect the liabilities.
- Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can affect liability.

iv) Long term employee benefit
Leave encashment

The group has a policy to pay leave encashment. Every employee is entitled to claim leave encashment after his/her retirement/termination which is calculated based upon no. of leaves earned. The company has a total provision for leave encashment as on 31st March, 2021 ₹ 450.14 Lacs and as on 31st March, 2020 ₹ 468.59 Lacs. Total expenses provided during the year 2020-21 is ₹ 62.27 Lacs and for the year 2019-20 ₹ 158.12 Lacs. This includes Current Service Cost of ₹ 67.56 Lacs for the year 2020-21 and ₹ 71.09 Lacs based on actuarial valuation.

Note No. 35 : RESEARCH AND DEVELOPMENT EXPENDITURE

Research and development expenditure debited to the consolidated statement of profit and loss by charge to relevant heads of account amounting to ₹ 335.82 Lacs (previous year ₹ 389.84 Lacs)

Disputed liabilities, not acknowledged as debts	483.99	490.90
Disputed Income Tax demand (Deposited under protest ₹ 7.50 Lacs)	7.50	7.50
Disputed Land Tax demand (Deposited under protest ₹ 15.70 Lacs)	15.70	15.70

The Group, in respect of contingent liability, has assessed that it is not probable that outflow of economic resources will be required and hence not provided by the Group.

Notes forming part of Consolidated Financial Statements

Note No. 39 : CAPITAL COMMITMENTS

Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances ₹ 6.84 Lacs) ₹ 6.96 Lacs (2019-20)- ₹ 2.71 Lacs).

Note No. 40 : CAPITAL MANAGEMENT

For the purpose of Group's Capital Management, capital includes issued equity share capital and other equity reserves attributable to equity holders. The primary objective of Company's Capital Management is to maximize shareholder's wealth. The company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of financial covenants.

The Group manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholder. The capital structure of the Group is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investors, creditors and market confidence. The management and the Board of Directors monitors the return on capital. The Group may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

Note No. 41 : FINANCIAL RISK MANAGEMENT

The Group's Financial Risk Management is an integral part of how to plan and execute its business strategies. The Group's financial risk management is set by the Managing Board. The Group's principal financial liabilities comprise loans and borrowings, trade payables and other payables. The main purpose of these financial liabilities is to finance the group's operations. The group's principal financial assets include trade & other receivables, investments, cash and short term deposits.

i) Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. To manage this, the Group periodically assesses the financial reliability of customers and other counter parties, taking into account financial conditions, current economic trends and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed based on such information.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the group continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

The Group measures the expected credit loss of trade receivables based on historical trend and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. The Group provides loss allowance on trade receivables using lifetime expected credit loss and as per simplified approach.

The Ageing of trade receivables is as below:

Particulars	(₹ in Lacs)	
	31st March, 2021	31st March, 2020
Not due	7623.17	6493.50
0-6 months	1390.06	1170.17
6 months to 12 months	207.36	522.60
1 year to 3 year	218.39	269.67
beyond 3 years	310.75	263.93
	<u>9749.73</u>	<u>8719.87</u>
Less: Allowance for doubtful debts	333.42	242.91
Total	<u><u>9416.31</u></u>	<u><u>8476.96</u></u>

Financial assets are considered to be good quality and there is no significant increase in credit risk.

Movement in allowance for doubtful debts

Particulars	(₹ in Lacs)

Allowance for doubtful debts written back	-	(8.27)
Closing Balance	<u><u>333.42</u></u>	<u><u>242.91</u></u>

ii) Liquidity Risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at a reasonable price. The Group's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Group's net liquidity position through rolling forecasts based on expected cash flows.

iii) Market Risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

a) Foreign currency risk

The group operates internationally and portion of the business is transacted in several currencies and consequently the group is exposed to foreign exchange risk through its sales in overseas and purchase from overseas suppliers in various foreign currencies.

The group evaluate exchange rate exposure arising from foreign currency transaction and the group follow established risk management policies, including the use of derivative like foreign exchange forward contracts to hedge exposure to foreign risk.

GBP	–	–	1.29	(1.29)

b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rate. In order to optimize the Group's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

ii) Fair value hierarchy

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows:

Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Valuation process to determine fair value

Specific valuation technique is used to determine the fair value of the financial instruments, which include:

-Investment in unquoted equity shares- Lowest level input that is significant to the fair value measurement is unobservable.

Note No. 46 : NON-CURRENT LOANS

Non-current loans include interest free loan of ₹ 4766 Lacs (previous year ₹ 4766 Lacs) (maximum amount outstanding at any time during the year ₹ 4816 Lacs; 31st March, 2020- ₹ 5346 Lacs) paid to a company covered under section 189 of the Companies Act, 2013 in view of proposed amalgamation under the provisions of the Companies Act, 2013. Since the amount paid is in connection to proposed amalgamation, no terms have been specified for repayment of loans and interest. In view of likely advantage to the company on such amalgamation, granting such loan is not prejudicial to interest of the company.

Note No. 47 : INVESTMENT / DEPOSIT IN V S LIGNITE POWER PVT. LTD. (VSLP)

Holding Company had entered into Power Delivery Agreement (PDA) with VSLP on 25th September, 2008 for supply of 4 MW Power. As per PDA, company had subscribed in equity and preference shares of VSLP and paid required security deposit amount. Since VSLP was under process of insolvency under Insolvency & Bankruptcy Code (IBC) 2016, and its net worth was completely eroded, company had made provision of 90% of its recoverable amount towards above referred investment and deposit in the year 2019-20. Now, the National Company Law Tribunal, Hyderabad Bench has approved resolution plan and passed a final order dated 16.03.2021, accordingly company has written off the balance non recoverable amount during the year.

Note No. 48 : NOTE ON IMPACT OF COVID-19

The outbreak of Corona virus (COVID-19) pandemic globally and in India is causing significant disturbance and slowdown of economic activity. The Group's operations and revenue during the period were impacted due to COVID-19. The management believes that impact is short term and temporary in nature and there is no significant impact on recoverability of carrying value of its assets and future operations. The Group does not anticipate any challenges in its ability to continue as going concern or meeting its financial obligations. As the situation is unprecedented, the Group is closely monitoring the situation as it evolves in the future.

Note No. 49: The Group has a process whereby periodically all long term contracts (including derivative contract) are assessed for material foreseeable losses. At the year end, the Group has reviewed and ensured that adequate provision as required under any law/accounting standards for material foreseeable losses on such long term contracts (including derivative contracts) has been made in the books of accounts.

Note No 50. Figures for previous years have been regrouped/rearranged/restated wherever considered necessary to make them comparable with the figures for the current year.
