We have received your letter Ref. No. L/SURV/ONL/PV/KA/ 2023-2024 / 466 dated 11<sup>th</sup> December 2023, stating that you have noted a significant increase in volume of Puravankara Limited (“the Company”)’s security across Exchanges, in the recent past. At the outset, we submit that there is no information/announcement (including impending announcement) which in our opinion has a bearing on the price/volume behaviour of the scrip.

We would like to further highlight that the Company’s performance on Q to Q basis are quite encouraging along with the strong pipeline in its value and supply chain.

The focus of the management is the business performance of the Company and beyond this Company does not have any role to play either in the volume or price movement of the Stock across the exchanges.

The Company would also like to inform that the requisite disclosures are made to the stock exchanges within due time-limit pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and in future the same shall be adhered to.
