- Demand of writing and printing paper, and newsprint is impacted due to COVID-19 related restrictions such as education sector (i.e. Schools, Colleges and Universities) has not been physically opened, courts and offices are yet to normalise and print circulation & pages have reduced, thus demands for writing & printing paper and newsprint have reduced significantly. The restoration of normal business activities are dependent on future directives from the Government and the impact of Covid 19 on the economy and the operations of the Company. This in turn, has adversely impacted both production and working results of the Company. The Production & working results were also impacted due to closure of operations in paper division from 08.08.2020 to 02.10.2020 as per order of Gujarat Pollution Control Board.

The management believes while the Covid-19 may adversely impact the business in the short term, it does not anticipate material medium to Long Term risks to the business prospects. The management has considered the possible effects that may result from Covid 19 on the recoverability/carrying value of the assets. Based on the current indicators of future economic conditions, the management expects to recover the carrying amount of the assets, however the management will continue to closely monitor any material changes to future economic conditions. Given the uncertainties, the final impact on Company's assets in future may differ from that estimated as at the date of approval of these financial results.

- The above financial results for the quarter and half year ended September 2020 were reviewed by Audit Committee and approved by the Board of Directors in their meeting held on November 06, 2020
- 4 The figures for previous year / period have been regrouped / reclassified wherever necessary.
