Om Infra Limited, a prominent EPC Company in water, irrigation and hydroelectric projects having diverse business related to engineering and mechanical components, turnkey solutions from design drawing till complete commissioning, in a joint venture (Om Infra Ltd. Share -80%) have received a letter of award subject to approval of DPR for " survey , design , preparation of DPR , construction , commissioning and O & M for 10 years for rural water supply" for a total villages of 1051 in two divisions of Moradabad in Uttar Pradesh namely Rampur and Amroha from the state water supply and sanitation mission , Govt of Uttar Pradesh for an approximate estimated value of Rs.1051 cr.

Management comment

Commenting on the development, Mr. Vikas Kothari, Managing Director & CEO said that, "We are very delighted to win this prestigious order from Government of Uttar Pradesh in the water distribution segment. It takes a quantifiable leap in project bandwidth and revenue streams and prompts us to prepare for much higher leaps in the near future. We are aggressively focused for enhancing our foot prints in India ,neighbouring countries and Africa through our core business. With our order pipeline brimming with several more opportunities on all front, we are bullish on our growth in the water infrastructure EPC business in the years to come."

About Om Infra

We, Om Infra, are one of a leading diversified companies having business interests into various fields covering engineering construction (EPC) of Hydro mechanical components in dams, canals,
