Re : Security Code No. 505710

Subj.: Submission of newspaper publication under Regulation 47 of SEBI (LODR)
Regulations, 2015

Dear Sir/Madam,

With reference to the above mentioned subject and Pursuant to Regulation 47 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, please find attached herewith Copies of the Newspaper Publication of the Unaudited Financial Results of the Company for Quarter ended 30th June, 2022; as approved by the Board in their Meeting held on 09th August, 2022; published in the newspapers viz. 'Economic times and Maharashtra Times' on 11th August, 2022.

Kindly take the same on the records and acknowledge the receipt.

Thanking you

Yours faithfully,

FOR GRAUER & WEIL (INDIA) LIMITED

CHINTAN K. GANDHI
COMPANY SECRETARY

Hindalco Posts Record Quarterly Net at ₹4,119 cr

Q1 SHOW Robust performance by US subsidiary Novelis boosts bottom line, revenue jumps 40%

Our Bureau

Mumbai: Aditya Birla Group's aluminium arm Hindalco on Wednesday reported record profit for the second consecutive quarter on the back of superior performance from US-subsidary Novelis even as high input costs resulted in sequentially lower margins and profits at the India unit.

The company reported a consolidated top line of ₹58,018 crore for the April-June period, up 40% year-on-year. The consolidated profit improved by 48% to ₹4,119 crore, the company's highest-ever in a quarter.

Earnings before interest, tax, depreciation and amortisation (Ebitda) improved by 27% year-on-year to ₹8,640 crore. However, higher input prices and a correction in metal prices on the London Metal Exchange meant that Ebitda margins narrowed 153 basis points to 14.9%.

Reacting to the earnings, the Hindalco stock closed 4.41% higher on the BSE at ₹440.05. Benchmark Sensex ended the session marginally lower. The Hindalco stock has gained over 23% in the past month but lost almost 8% since the beginning of this year.

"Novelis had an excellent Q1. Most of their markets did well," Satish Pai, the managing director of Hindalco, said during a press call Wednesday evening. The US-based subsidiary reported a sharp expansion in Ebitda both year-on-year and sequentially to ₹4,334 crore. In contrast, Ebitda at the aluminium upstream business in India expanded year-on-year but narrowed sequentially to ₹3,272 crore.

The fortunes of the Indian upstream aluminium business closed followed the prices of the metal. The prices of aluminium on the LME

Strong Growth

Hindalco's consolidated profit improved by **48%**

Ebitda improved by 27% YoY to **₹8,640 cr**

High input costs resulted in sequentially lower margins and profits at the India unit

Impact of the easing coal prices today will show in the company's Q3 and Q4 performance: MD

the June quarter, protecting its margins to an extent from the inflated input cost environment. However, the expensive coal stocked during the months of May and July will be consumed in the ongoing quarter, which will hurt the margins of the company in Q2.

"The aluminium upstream business will have the toughest quarter in Q2," Pai said.

However, the diverse nature of Hindalco's business - spreading across upstream and downstream aluminium businesses, Novelis and its copper business would mean that the margin impact would be cushioned, he said.

The impact of the easing coal prices today will show in the company's Q3 and Q4 performance, boding well for the company's financials in the latter half of this fiscal year following a challenging Q2, Pai further said.

India is in a Sweet Spot as World Looks to Adopt China-plus-one Strategy: says Vedanta Chairman

Our Bureau

Mumbai: A combination of factors from India being the fastest growing major economy to the country being a favourable option for those looking to reduce dependence on China makes this India's moment, said Vedanta chairman Anil Agarwal.

Globally, policymakers are dealing with inflationary and recessionary pressures simultaneously. Agarwal said, addressing shareholders at Vedanta's annual general meeting on Wednesday.

"Fortunately, India is doing better than most countries," he said. "Geopolitics and geoeconomics are also undergoing a change. The world is looking to adopt a China-plus-one strategy and India is clearly in a sweet spot. This is India's moment."

The commodities sector is going through a volatile period but, structurally, the world is moving towards a mineral-intensive future. Over the medium term, supply will remain a challenge as demand will be robust, he said. This bodes well for the mining-to-petroleum conglomerate.

Vedanta will be investing \$2 billion as capital expenditure

re in zinc, oil & gas and aluminium businesses. The company recently acquired Nicomet, making it the sole producer of nickel in India, he said. The metal is in high demand for electric vehicles and batteries. It is also investing in the manufacturing of semiconductors and display units in India and has already tied up with Foxconn for this, he said.

"I truly hope this is only the beginning of the creation of a Silicon Valley in India with hundreds of enterprises and hundreds of thousands of talented Indians producing value for the world," Agarwal said.

हेकेखोर सभासद आणि न्याय

आपल्या इमारतीचा पुनर्विकास व्हावा असे वाटत असेल तर प्रत्येक सदनिकाधारकाने सहकार्य करणे आवश्यक असते. पुनर्विकासास तयार असलेल्या जवळपास प्रत्येक इमारतीत एखादा तरी हेकेखोर सभासद असतोच. अशा हेकेखोर सभासदांना मुंबई उच्च न्यायालयाने नुकताच दणका दिला आहे. त्या केसेचा घेतलेला हा आढावा...

एखाद्या सोसायटीचा पुनर्विकास पटकन होऊन जातो. बहुतांशी सभासद तयार होऊनसुद्धा काही सभासद असे असतात की, त्यांना काही केल्या हा पुनर्विकास होऊ घ्यायचा नसतो. बऱ्याचदा, जसे घटस्फोट घेण्याचे खरे कारण शेवटपर्यंत कळत नाही असा अनुभव आहे, तसे अशा 'अल्पमतातील' सभासदांचे विरोधाचे खरे कारण लक्षातच येत नाही! जरी कायद्याने आता सोसायटीचे ५१ टक्के सभासद तयार असले आणि इतर कायदेशीर प्रक्रिया पार पाडली असली, तरी जोपर्यंत सर्व सभासदांच्या घरांचा प्रत्यक्ष ताबा मिळत नाही तोपर्यंत विल्डरचे काम देखील सुरू होत नाही आणि हल्ली बऱ्याचदा १०० टक्के संमती असल्याशिवाय विल्डर देखील असे प्रकल्प घेत नाहीत. कारण बहुमत असले म्हणून विरोध करणाऱ्या सभासदांकडून वेकायदेशीरपणे ताबा घेता येत नाही. त्यासाठी कायदेशीर मार्गावाचून पर्याय नसतो. सोसायटी

अॅड रोहित एं.रे. विधिज्ञ
आणि विल्डर ह्यांच्या दोघांच्या सुदैवाने उच्च न्यायालयाने मात्र अशा "हेकेखोर" सभासदांना चांगलाच धडा शिकवल्याचे दिसून येते आणि कोर्टाचे निकाल देखील पुनर्विकासाच्या बाजूने असल्याचे दिसून येते. यासंदर्भातील प्रकरणांचा मागोवा घेतल्यास तुमच्याही सोसायटीत किंवा इमारतीत पुनर्विकासाच्या वेळी काही सभासद कशा अडचणी उभ्या करू शकतात त्याची कल्पना येईल, असा विश्वास वाटतो.

प्रकरण : उगीच पुनर्विकास अडवून धरणे :
नुकतेच मुंबई उच्च न्यायालयाने पुनर्विकास उगीचच अडवून धरणाऱ्या सभासदाला चांगलाच दणका दिला आणि त्या अनुषंगाने सोसायटीचा पुनर्विकास करताना ज्या मार्गदर्शक सूचना केल्या आहेत, त्या मार्गदर्शक असून अनिवार्य नाहीत आणि त्यांचे 'सार' पाळले जाईल एवढे बंधितले पाहिजे असेही सूचित केले आहे. मुंबई येथील सुमारे ४० वर्षे जुनी असलेली याचिकाकर्ती सोसायटीच्या २०१५ मध्ये सुरू केलेल्या पुनर्विकास प्रक्रियेला अखेर डिसेंबर २०१९ मधील विशेष सर्वसाधारण सभेत, डेप्यु. रजिस्ट्रार, सहकार ह्यांच्यातर्फे विशेष अधिकाऱ्यांच्या उपस्थितीत सभेमध्ये उपस्थित असलेले ९९ टक्के सभासद पुनर्विकासाला मंजुरी देतात. त्यानंतर विकसन करारनामा, मुखत्यारपत्र आणि विलिडिंग प्लॅन हे देखील पुढील विशेष सर्वसाधारण सभेमध्ये मंजूर केले जातात. सोसायटीतर्फे सेक्रेटरी (सचिव), चेअरमन (अध्यक्ष) करारनाम्यावर सही करतात आणि ५१ पैकी ३९ सभासद मान्यता देणार म्हणून सही करतात आणि हा दस्त नोंदवला जातो आणि इतर सभासद देखील सही करण्यास तयार असतात. मात्र २०२० मध्ये एक सभासद, सोसायटी आणि विकसकाविरुद्ध, पुनर्विकासाची पूर्ण प्रक्रिया सदाेष आहे, त्यात गैरव्यवहार झाला आहे, सरकारी मार्गदर्शक सूचनांचे पालन झालेले नाही इ. आरोप करून दावा दाखल करतो आणि पुनर्विकासाविरुद्ध मनाई मागतो. येथे एक नमूद केले पाहिजे की मुंबई उच्च न्यायालयाच्या आधीच्या निकालांप्रमाणे सोसायटी पुनर्विकासावद्दलच्या केसेस ह्या दिवाणी कोर्टातच दाखल कराव्या लागतात.

मात्र २०२१ मध्ये सदरील दिवाणी न्यायाधीश मनाई अर्ज मंजूर करून पुनर्विकासाला स्थगिती देतात आणि म्हणून प्रकरण मुंबई उच्च न्यायालयात पोहोचते. प्रकरण मुंबई उच्च न्यायालयात पोहोचल्यावर, दोन्ही पक्षाची भूमिका उच्च न्यायालय समजून घेते आणि कोणता निकाल देते ते पुढील भागत पाहू या. (पूर्वांच)

भारतीय रुपया १५ पैशांनी वधारला

मुंबई : आंतरराष्ट्रीय तेल बाजारात कूड तेलाचे दर कमी झाल्याचा तसेच विदेशी गुंतवणूकदारांकडून निधीचा ओघ देशातील भांडवल बाजारांत आल्याचा परिणाम रुपयावरही झाला. भारतीय रुपया या सकारात्मक वातावरणात बुधवारी १५ पैशांनी वधारला. एका अमेरिकी डॉलरसाठी ७९ रुपये ४८ पैसे मोजावे लागले.

दिवसभरात रुपया ७९.४१ आणि ७९.५९ यामध्ये हिंदोळत राहिला. सोमवारी रुपया ७९.६३ या स्तरावर बंज झाला होता. मंगळवारी मोहर्मानिमित्त विदेशी चलन बाजार बंद राहिल्याने रुपयात कोणतेही बदल झाले नाहीत. सहा चलनांचा बनलेला डॉलर निर्देशांक ०.१८ टक्के घसरत १०६.१८ वर बंद झाला.
