The Company recognizes significant growth opportunities in the areas of its operations and continues to evaluate such avenues for organic and inorganic growth. While it is expected that the internal generation of funds would partially meet the funding requirement of its growth objectives, it is thought prudent for the Company to have enabling approvals to raise capital at an appropriate time for the purpose of funding some of these growth opportunities including (a) funding the organic and inorganic growth opportunities in the areas of its operations, (c) investment in subsidiaries, joint ventures and affiliates, (d) repayment and/or pre-payment (in full or part) of outstanding borrowing, (e) meeting working capital requirement of the Company (on a consolidated basis), (f) general corporate requirements or any other purposes, as may be permissible under the applicable laws and approved by the Board.

Keeping this in mind, the Company is considering to raise capital for an amount up to ₹ 400 crores by way of Qualified Institutions Placement(s) under the provisions of SEBI ICDR Regulations for the purpose mentioned above, and creating a war chest that would work to achieve its growth objectives both through organic and inorganic growth options.
