**Enclosure:**

Dear Investor,

As some of you had reached out to us individually, we've come back collectively to assure you that there is no impact on our revenue due to the current issue in Eastern Europe, since we are not present in the impacted countries.

Our business and revenue comes from Western Europe primarily from Spain currently.

In our effort to be transparent, we will keep you updated in case of any external impact on our revenue.

Regards,  
Team OnMobile
