o Opinion expressed by the statutory auditors : a) Material uncertainty related to Going Concern

The Company has defaulted in repayment of borrowings to its financial institutional lenders and others. In view of the Management, the Company would be able to improve its net working capital position to discharge its current and non-current financial obligations. However, in view of the uncertainties involved, these events and conditions indicate a material uncertainty which may cast a significant doubt on the Company's ability to continue as a going concern. Accordingly, the use of going concern assumption of accounting in preparation of this Statement is not adequately and appropriately supported as per the requirements of Indian Accounting Standard 1 "Presentation of Standardne Financial Statements". Non-recognition of Interest Expense

We draw attention to Note No. 6 & 10 of the Statement relating to non-recognition of interest expense on secured borrowings from financial institutions and inter-corporate borrowings. As the matter is under dispute / negotiation, the Company has neither recognised nor ascertained any finance cost on such secured borrowings for the period given hereunder:-

Name of the Secured Lender Period for which interest has not been provided for KKR India Financial Services Private Limited From August, 2019 upto March, 2023 Housing Development Finance and Corporation Limited From April, 2021 upto March, 2023

Interest expense on inter-corporate borrowings has not been recognised by the Company for the quarter and financial year ended 31st March, 2023. The Company is negotiating with its lenders for waiver of interest charged on inter-corporate borrowings.

Default in repayment of Interest and Principal of Debt Securities We draw attention to Note No 7 & 8 of the Statement with respect to default in repayment of Principal and Interest on Non-Convertible Debentures issued to IL & FS Financial Services Limited.

On default, the credit facility advanced to the company by the lender has been recalled. Further the lender has taken legal action against the company and the matter is subjudice. Moreover security provided by the Company by way of pledge of certain properties with the Debenture Trustee against issue of above debentures have been invoked by the Debenture Trustee. The Management has ascertained and decided to adjust disposal proceeds from the outstanding value of debentures and estimated interest as per the repayment schedule.

Balances of receivables, unsecured and secured loan creditors and their balance confirmations.

We draw attention to Note No. 13 with respect to certain balances, relating to trade and other receivables and liabilities including those payable to loan creditors lacking reconciliation and confirmation. Adjustments/impacts in this respect are currently not ascertainable and as such cannot be commented upon by us. e) Recognition of Deferred Tax Assets

We draw attention to Note No 14 of the Statement relating to recognition of Deferred Tax Assets amounting to Rs.10,11,614 thousand as at 31st March, 2023. Considering the management's assessment of going concern assumption in the Statement, the threshold of reasonable certainty for recognizing the deferred tax assets as per Indian Accounting Standard 12 "Income Taxes" has not been met. Consequently, deferred tax assets are overstated and total comprehensive profit for the year ended 31st March, 2023 is understated by that extent.
