PRESS RELEASE

TVS Motor Company announces Race Performance series, inspired from TVS Racing's race machine lineage

- RP series to be introduced in the TVS Apache series
- TVS Apache RTR 165 RP is the first product to be launched in the RP series product portfolio

Hosur, December 23, 2021: TVS Motor Company, a reputed manufacturer of two-wheelers and three-wheelers in the world, today announced the Race Performance (RP) series born from TVS Racing's high-performance race machine lineage. Backed by four decades of the rich racing heritage of TVS Racing, India's first factory racing team, the Race Performance series will be introduced in the TVS Apache series of motorcycles. The TVS Apache RTR 165 RP is the first product to be launched under the Race Performance series and will be limited to 200 units.

Born of racing lineage, TVS Apache RTR 165 RP is the most powerful machine in its category producing 19.2 PS power at 10,000 rpm. The motorcycle is equipped with features that include a Race-Tuned slipper clutch, adjustable clutch and brake levers, all-new TVS Racing decals, red alloy wheels and a new seat pattern. The TVS Apache RTR 165 RP will be sold online at <https://www.tvsmotor.com/Book-Online?118>

Key Features - TVS Apache RTR 165 RP

- 19.2 PS of power at 10,000 rpm
- TVS Racing decals
- Race-Tuned slipper clutch
- Adjustable Clutch & Brake levers
- New headlamp with signature FPL
- Rear radial tyre
- Red alloy wheels
- Customised sticker
- Brass coated drive chain and sprocket
- First-in-segment 240 mm Rear Disc

Commenting on the launch, **Mr. Meghashyam Dighole, Head - (Marketing Premium Business)**, said, *"We are delighted to introduce the Race Performance series to our customers. The RP series features race machines that are a cut above the rest, crafted with a singular purpose of delivering blistering performance and dominating the race track & road. Born of racing lineage, the TVS Apache RTR 165 RP is the first product under the Race Performance series product portfolio. The collectable product offers an array of premium features with cutting-edge technology for performance motorcycling enthusiasts in India."*

The TVS Apache RTR 165 RP motorcycle gets an advanced 164.9 cc single-cylinder 4 valve engine that churns out 19.2 PS at 10,000 rpm and 14.2 Nm torque at 8,750 rpm. TVS Motor has achieved this best in segment performance by developing:

- A new cylinder head with a 35 per cent increase in intake and twin electrode spark plug
- 15 per cent bigger valves controlled by Hi-Lift Hi-Duration cams and dual spring actuators for racier engine performance
- A revised bore stroke ratio of 1.37 that allows free-revving up to the redline
- A new dome piston for a higher compression ratio
