Exports Segment volume rose by 45% MOM. The export segment achieved its highest ever sales by volume & Sales in May-21, and expected to grow further.

PV segment decline by 61% MOM The PV volumes saw a decline in the month amid the rising second wave in India and partial lockdowns along with issues faced pertaining to supply chain & OEM's shutdowns, Going ahead we expect segment the segment to do better.

Tractor volumes declines by 20% MOM. Tractor segment are also dragged back due to issues in supply chain/resource availability and shall pick up in coming month.

Commercial Vehicles segment decline by 70 % MOM Commercial segment also facing the same issues due to COVID-19, we expect that this may continue for coming months with steady growth.

2 & 3 Wheelers Segment 86% by MOM The segment is further dragged back and is expected to remain under pressure for few months.

Kindly take the above on your records please.

Thanking you.

Yours faithfully,
