Sub: Intimation pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the following information on the above subject is submitted for your information:

Due to heavy rainfall and cloud burst in Uttarakhand including in the area of the area of Rudrapur and Pantnagar has been inundated with flood water. All River levels are rising constantly, Indian Meteorological Department has issued warning for heavy to very heavy rainfall and some areas are on alert. The water logging and road blockades has resulted in total halt in movement of material and personnel and outage of electricity making the areas unsafe for carrying out operations. Reaching the factory has not been possible due to being rain-savaged. In line with manufacturing factories in the SIDCUL-IIE Pantnagar area where our factory is situated, we have halted production and temporarily shut down the plant as a precautionary measure to ensure the safety of our personnel and staff which is of foremost concern. We are awaiting the restoration of electricity and movement of material and personnel.

Kindly take the above on record.

Thanking You,
Yours faithfully
