Business Scenario

During the year, entire world continued to face un-precedented challenges thrown by Covid-19. The challenges businesses faced varied from supply chain constraints to inflation. Governments across the globe are relentlessly trying to get the inflation back in control. All major economies showed marked improvement in their GDP growth; However, one must note that this was on a lower base of previous year.

Towards the end of the year, Geo-Political tensions spiraled supply chain disruptions which affected manufacturing industry. However, Financial Inclusion Business was more resilient in nature due to exposure to Government Initiatives. Amidst these challenging times, the focus of your company was to ensure that its customers are served properly while its employees remained safe. To keep its employees safe, your company implemented Work-From-Home culture without compromising on any of its deliverables.

The year passed by was important for the company from the Resolution Process point of view as well. The Resolution Plan which was approved by COC was approved by Hon'ble NCLT on March 10, 2022. Manufacturing unit too needs investments & upgradation together with management focus to turnaround and revive the manufacturing facility which the Successful Resolution Applicant can provide after the implementation of Resolution Plan.

INDEPENDENT AUDITORS' REPORT

To
The Members of **BARTRONICS INDIA LIMITED**

Report on the Standalone Financial Statements

We have audited the accompanying Standalone Financial Statements of BARTRONICS INDIA LIMITED ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2022 and the Standalone Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Standalone Cash flow statement for the year then ended, and notes to the Standalone financial statements, including a summary of the significant accounting policies and other explanatory information (herein after referred to as "the Standalone Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its Loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the Standalone financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone financial statements.

Emphasis of Matters

We draw attention to the following matters in the Notes to the Standalone Ind AS financial statements:

Material Uncertainty Related to Going Concern:

We draw attention to Point (a) to (h) of this audit report and further company has incurred net loss of Rs.5,030.12 lakhs during the year ended March 2022. This indicates material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

- a) Reference is invited to Note 2.6 (a) forming part of the Financial Statement regarding Capital advances to the extent of Rs. 9,061.49 Lakhs "We are unable to ascertain whether such balances are fully recoverable" which is outstanding for a long time. Accordingly, we are unable to ascertain the impact, if any, that may arise in case any of these advances are subsequently determined to be doubtful of recovery. Had the Company provided for the same, the loss for the period would have been higher by the said amount.
- b) Note 2.8 forming part of the Statement regarding Trade Receivables aggregating to Rs.78,980.09 Lakhs are more than three years old and in respect of which the company provided only Rs.9,286.80 lakhs. We are unable to form an opinion on the extent to which the debts may be recoverable & Value of the foreign debtors reduced due to fluctuation in foreign currency.
- c) Note 2.29 forming part of the financial statements regarding the non-repayment of FCCB amounting Rs.37,760.00 lakhs which has fallen due as of February 2013 and the company has defaulted the payments even after the expiry of extended time sought by it from the RBI. Refer Note No 2.29 for details
- d) The Company was awarded the "AapkeDwar" Project in 2009 by the Municipal Corporation of Delhi (MCD). The project envisages availing of various Governments to Citizen (G2C) services. The Company is required to install and operate 2,000 kiosks at various locations in the city to facilitate the above. The Company has also the right to display advertisements on the external walls of the kiosks.
As at the balance sheet date 300 kiosks have been constructed and for the balance 1,700 kiosks, allotment of clear sites by MCD is awaited.
However, the matter was referred to Arbitration Courts but since the company was not able to pay Arbitration Fee on time, the matter was time lapsed.
- e) The LIC of India, Union Bank of India, Bank of India, Indian Bank, Barclays Bank, IDBI Bank filed cases in DRT. One Financial Creditor has filed CIRP Petition against company at NCLT, Hyderabad and the case was admitted by Hon'ble NCLT. A criminal case was also filed by a creditor at Delhi. There are certain cases against the Company pending at the Labour Court of India. Accordingly, we are unable to ascertain the impact, if any that may arise in case any of these matters are settled against the Company, the outcome of the consequences may affect the going concern of the company.
- g) The Company has provided interest on the Secured Bank Loans at the rates prevailing as on 2013 when the Company defaulted in repayments to Banks as the Banks are not providing any statement of accounts to the Company- Refer Note No 2.24 for details
- h) With regard to investments in unquoted equities of subsidiary's for a value of Rs. 30,217.99 lakhs are valued at cost of investment however the present realizable value of these are not ascertained by the management hence the same is subject to current valuation.

Our opinion is not modified on respect of these matters

Basis for Qualified Opinion

Reference is invited to Note 2.17 of the financial statements, the company has not provided interest on unsecured loans as terms are not clearly available with the Company This constitutes a departure from the Accounting Standards notified under the Companies Act, 2013. The loss stated by the Company would be higher by the amount of interest had the same been debited to the statement of profit and loss.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report

S.No	Key Audit Matters	Auditor's Response
1.	<p>Revenue Recognition :</p> <p>Revenue from the sale of goods (hereinafter referred to as "Revenue") is recognized when the Company performs its obligation to its customers and the amount of revenue can be measured reliably and recovery of the consideration is probable. The timing of such recognition in case of sale of goods is when the control over the same is transferred to the customer, which is mainly upon delivery.</p> <p>The timing of revenue recognition is relevant to the reported performance of the Company. The management considers revenue as a key measure for evaluation of performance. There is a risk of revenue being recorded before control is transferred. Refer Note 1 to the Standalone Financial Statements - Significant Accounting Policies</p>	<p>Principal Audit Procedures</p> <p>Our audit approach was a combination of test of internal controls and substantive procedures including:</p> <ul style="list-style-type: none"> Assessing the appropriateness of the Company's revenue recognition accounting policies in line with Ind AS 115 ("Revenue from Contracts with Customers") and testing thereof. Evaluating the integrity of the general information and technology control environment and testing the operating effectiveness of key IT application controls. Evaluating the design and implementation of Company's controls in respect of revenue recognition. Testing the effectiveness of such controls over revenue cut off at year-end. Testing the supporting documentation for sales transactions recorded during the period closer to the year end and subsequent to the year end, including examination of credit notes issued after the year end to determine whether revenue was recognized in the correct period. Performing analytical procedures on current year revenue based on monthly trends and where appropriate, conducting further enquiries and testing
2.	<p>Evaluation of uncertain tax positions.</p> <p>The Company has material uncertain tax positions including matters under dispute which involves significant judgment to determine the possible outcome of these disputes.</p> <p>Refer Notes 2.27 (A) to the standalone Financial Statements</p>	<p>Principal Audit Procedures</p> <p>Obtained details of completed tax assessments and demands during the year ended March 31, 2022 from management. We involved our internal tax experts to challenge the management's underlying assumptions in estimating the tax provision and the possible outcome of the disputes. Our internal tax experts also considered legal precedence and other rulings in evaluating management's position on these uncertain tax positions. Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1, 2018 to evaluate whether any change was required to management's position on these uncertainties.</p>

Information other than the financial statements and auditors' report thereon

In view of ongoing Corporate Insolvency Resolution Process (CIRP), The Monitoring Agent / Resolution Professional (RP) is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Hon'ble National Company Law Tribunal, Hyderabad Bench ("NCLT") admitted an insolvency and bankruptcy petition filed by a financial creditor against Bartronics India Limited ("the Company") and appointed Mr. Chinnam Poorna Chandra Rao to act as Interim Resolution Professional (IRP) with direction to initiate appropriate action contemplated with extent provisions of the Insolvency and Bankruptcy Code, 2016 and other related rules.

Pursuant to ongoing Corporate Insolvency Resolution Process (CIRP) powers of the board of Directors have been suspended and these responsibilities are vested with Resolution Professional (RP). Furthermore, after the approval of Resolution Plan, submitted by successful Resolution Applicant, by Hon'ble NCLT, Hyderabad Bench on March 10, 2022; the role of Sri. Chinnam Poorna Chandra Rao changed from being a Resolution Professional to Monitoring Agent.

In view of ongoing Corporate Insolvency Resolution Process (CIRP), The Resolution Professional (RP) is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with relevant Rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of

adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so. Under section 20 of the Code, it is incumbent upon Monitoring Agent / Resolution Professional to manage the operations of the Company as a going concern and the statements have been prepared on going concern basis.

Auditors Responsibility for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse

ANNEXURE ‘A’ TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

We have audited the internal financial controls over financial reporting Bartronics India Limited (“the Company”) as of March 31, 2022 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended and as on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the ‘Guidance Note’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Company Act 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Standards on Auditing prescribed under Section 143(10) of the Act and the Guidance Note, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures elected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding their liability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s

internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Further, the Company changed its name from Super Bar Tronics Private Limited to Super Bartronics Limited and subsequently converted into a Public Limited Company w.e.f. from July 27, 1995. The name of the Company was changed to Bartronics India Limited on January 1, 1996.

2. SIGNIFICANT ACCOUNTING POLICIES:

a. Basis of Preparation of Financial Statements:

The financial statements have been prepared under the historical cost convention on accrual basis and in accordance with accounting principles generally accepted in India and the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

b. Use of Estimates:

The preparation of the financial statements in conformity with Indian GAAP requires that management makes estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of revenue and expenses during the reported period. Actual results could differ from those estimates.

c. Fixed Assets:

A. Tangible Assets:

Fixed Assets are stated at cost (net of duties and taxes) less depreciation. Cost includes installation and expenditure during construction, import duties, freight, insurance and incidental expenses directly attributable to the Fixed Assets. Fixed Assets costing less

than Rs.5,000 are fully depreciated in the year of purchase. Assessment for indication of any impairment of Fixed Asset is made at the year-end and impairment loss, if any, is recognized immediately. Depreciation is provided on Straight Line Method as per the rates and in the manner provided in the Schedule II of the Companies Act, 2013.

B. Intangible Assets:

Intangible Assets are stated at cost less amortization. Intangible Assets are amortized over their estimated useful lives on a straight line basis using following rate of depreciation.

Intellectual Property Rights	15.83% (6 Years)
Software	15.83% (6 Years)

d. Borrowing Costs:

Borrowing costs that are attributable to acquisition, construction or production of a qualifying asset are capitalized as part of the cost of such asset. A qualifying asset is one that necessarily takes substantially period of time i.e., more than 12 months to get ready for its intended use. All other borrowing costs are charged to revenue.

e. Impairment of Assets:

At each balance sheet date, the Management reviews the carrying amounts of its assets to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of asset and from its disposal are discounted to their present value using a pre tax discount rate that reflects the current market assessments of time value of money and the risks specific to the asset.

Reversal of impairment loss recognized in prior years if any is recorded when there is an indication that the impairment losses recognized for the asset no longer exist or have decreased. However, the increase in carrying amount of an asset due to reversal of an impairment loss is recognized to the extent it does not exceed the carrying amount that would have been determined

(net of depreciation) had no impairment loss been recognized for the asset in the prior years.

f. Investments:

Long-term Investments are stated at cost less diminution in the value of investments that is other than temporary. Current investments are valued at lower of cost and fair value.

g. Inventories:

Inventories are valued at lower of cost and net realisable value. The method of arriving at cost of various categories of inventories is as below:

a)	Raw Materials	First in First Out Method
b)	Finished Goods and Stock in Progress	Direct Material cost plus appropriate overheads

h. Income Taxes:

Current income tax expense comprises taxes on income from operations in India and in foreign jurisdictions. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961. Tax expense relating to foreign operations is determined in accordance with tax laws applicable in countries where such operations are domiciled.

Deferred Tax assets and liabilities are measured using current applicable tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in the profit and loss account in the period of enactment of the change.

Deferred tax assets are recognized and carried forward to the extent that there is a reasonable/virtual certainty, as applicable, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Minimum Alternate Tax (MAT) paid in accordance to the tax laws, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax after the tax holiday period. Accordingly, MAT is recognized as an asset in the balance sheet when it is probable that

the future economic benefit associated with it will flow to the Company and the asset can be measured reliably.

i. Employee Benefits:

The estimated liability for employee benefits for present and past services which are due as per the terms of employment are determined in accordance with the requirements of Accounting Standard (AS) 15 “Employee Benefits” issued by the Companies (Accounting Standards) Rules, 2006. Vesting occurs on completion of five years of service. The liability is determined and charged to profit and loss account on the basis of valuation by independent actuary.

B. Provident Fund – This is a defined contribution plan of the Government of India under which both the employer and employee contribute monthly at a pre-determined rate (currently up to 12 % of employee salary) and the Company has no further obligation.

INDEPENDENT AUDITORS' REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITORS' REPORT

To the Board of the Directors of BARTRONICS INDIA LIMITED

REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

We have audited the Consolidated Financial Statements of BARTRONICS INDIA LIMITED ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2022 and the Consolidated Profit and Loss, the consolidated Cash flow statement for the year then ended, and notes to the Consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs (financial position) of the Group as at 31 March 2022, and their consolidated loss (financial performance including other comprehensive income), their consolidated changes in equity and their consolidated cash flows and for the year then ended.

Basis for opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

We draw attention to the following matters in the Notes to the Consolidated Ind AS financial statements:

Material Uncertainty Related to Going Concern:

We draw attention to Point (a) to (h) of this audit report and further company has incurred net loss of Rs.5,030.12 lakhs during the year ended March 2022. This indicates material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

- a) Reference is invited to Note 2.6 (a) forming part of the Financial Statement regarding Capital advances to the extent of Rs. 9,061.49 Lakhs "We are unable to ascertain whether such balances are fully recoverable" which is outstanding for a long time. Accordingly, we are unable to ascertain the impact, if any, that may arise in case any of these advances are subsequently determined to be doubtful of recovery. Had the Company provided for the same, the loss for the period would have been higher by the said amount.
- b) Note 2.8 forming part of the Statement regarding Trade Receivables aggregating to Rs.117,432.80 Lakhs are more than three years old and in respect of which the company provided only Rs.9,286.80 lakhs. We are unable to form an opinion on the extent to which the debts may be recoverable & Value of the foreign debtors enhanced due to fluctuation in foreign currency.
- c) Note 2.30 forming part of the financial statements regarding the non-repayment of FCCB amounting to Rs. 36,615.00 lakhs which has fallen due as of February 2013 and the company has defaulted the payments even after the expiry of extended time sought by it from the RBI. Refer Note No 2.30 for details
- d) The Company was awarded the "AapkeDwar" Project in 2009 by the Municipal Corporation of Delhi (MCD). The project envisages avilment of various Governments to Citizen (G2C) services. The Company is required to install and operate 2,000 kiosks at various locations in the city to facilitate the above. The Company has also the right to display advertisements on the external walls of the kiosks.

As at the balance sheet date 300 kiosks have been constructed and for the balance 1,700 kiosks, allotment of clear sites by MCD is awaited.

However, the matter was referred to Arbitration Courts but since the company was not able to pay Arbitration Fee on time, the matter was time lapsed.

- e) The LIC of India, Union Bank of India, Bank of India, Indian Bank, Barclays Bank, IDBI Bank filed cases in DRT. One Financial Creditor has filed CIRP Petition against company at NCLT, Hyderabad and the case was admitted by Hon'ble NCLT. A criminal case was also filed by a creditor at Delhi. There are certain cases against the Company pending at the Labour Court of India. Accordingly, we are unable to ascertain the impact, if any that may arise in case any of these matters are settled against the Company, the outcome of the consequences may affect the going concern of the company.
- g) The Company has provided interest on the Secured Bank Loans at the rates prevailing as on 2013 when the Company defaulted in repayments to Banks as the Banks are not providing any statement of accounts to the Company- Refer Note No 2.24 for details

Our opinion is not modified on respect of these matters

Basis for Qualified Opinion

Reference is invited to Note 2.17 of the financial statements, the company has not provided interest on unsecured loans as terms are not clearly available with the Company This constitutes a departure from the Accounting Standards notified under the Companies Act, 2013. The loss stated by the Company would be higher by the amount of interest had the same been debited to the statement of profit and loss.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report

Additionally, we considered the effect of new information in respect of uncertain tax positions as at April 1, 2018 to evaluate whether any change was required to management's position on these uncertainties.</p>

In view of ongoing Corporate Insolvency Resolution Process (CIRP), The Monitoring Agent / Resolution Professional (RP) is responsible for the

preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Hon'ble National Company Law Tribunal, Hyderabad Bench ("NCLT") admitted an insolvency and bankruptcy petition filed by a financial creditor against Bartronics India Limited ("the Company") and appointed Mr. Chinnam Poorna Chandra Rao to act as Interim Resolution Professional (IRP) with direction to initiate appropriate action contemplated with extent provisions of the Insolvency and Bankruptcy Code, 2016 and other related rules.

Pursuant to ongoing Corporate Insolvency Resolution Process (CIRP) powers of the board of Directors have been suspended and these responsibilities are now vested with Resolution Professional (RP). Furthermore, after the approval of Resolution Plan, submitted by successful Resolution Applicant, by Hon'ble NCLT, Hyderabad Bench on March 10, 2022; the role of Sri. Chinnam Poorna Chandra Rao changed from being a Resolution Professional to Monitoring Agent.

In view of ongoing Corporate Insolvency Resolution Process (CIRP), The Resolution Professional (RP) is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with relevant Rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters, related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so. Under section 20 of the Code, it is incumbent upon Monitoring Agent / Resolution Professional to manage the operations of the Company as a going concern and the statements have been prepared on going concern basis.

Auditors Responsibility for the audit of the Consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE ‘A’ TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (‘the Act’)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2022, we have audited the internal financial controls over financial reporting of Bartronics India Limited (“the Holding Company”) and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding their liability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to 2 subsidiary companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

A) Principles of Consolidation

The consolidated financial statements relates to Bartronics India Limited (“the Company”) and its subsidiary companies (the “Group”). The consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the Company and its subsidiary companies have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and unrealised profits or losses on intra-group transactions as per Accounting Standard 21 - “Consolidated Financial Statements” notified by the Companies (Accounting Standard) Rules, 2006.
- b) The financial statements of the subsidiaries used in the consolidation are drawn up to the reporting date as that of the Company, i.e. March 31, 2022.
- c) The excess of cost to the Company, of its investment in the subsidiaries over the Company’s share of equity is recognised in the financial statements as Goodwill.
- d) Minority interest in the net assets of the consolidated subsidiaries is identified and presented in consolidated balance sheet

separately from current liabilities and equity of the company.

Minority Interest in the net assets of consolidated subsidiaries consists of:

- i) The amount of equity attributable to minorities at the date on which investment in a subsidiary is made; and
 - ii) The minorities’ share of movements in the equity since the date the parent subsidiary relationship came into existence.
- e) Minority interest in the net profit for the year of consolidated subsidiaries is identified and adjusted against the profit after tax of the group.
 - f) In case of foreign subsidiaries, being integral operations, revenue items are consolidated at yearly average of exchange rate prevailing during the year. All assets and liabilities are converted at the rate prevailing at the end of the year. Foreign subsidiaries being integral, exchange gain/ (loss) arising on consolidation is recognized as Foreign Exchange Fluctuation gain/ (loss).
 - g) Intra-group balances and intra- group transactions and resulting unrealised profit/ loss have been eliminated.
 - h) The consolidated financial statements are prepared to the extent possible using uniform accounting policies for like transactions and other events in similar circumstances and are presented to extent possible, in the same manner as the Company’s separate financial statements.
- B. Investment in subsidiary not considered for consolidation has been accounted as per Accounting Standard 13- “Accounting for Investments” notified by Companies (Accounting Standard) Rules, 2006.
- C. **Basis of preparation of financial statements.**
- a) The Consolidated Financial Statements are prepared on accrual basis under historical cost convention in accordance with the Generally Accepted Accounting Principles in India

(Indian GAAP) and accounting standards prescribed in Companies (Accounting Standards) Rules, 2006 notified by the Central Government in terms of section 133 of the companies Act, 2014.

b) Use of Estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of income and expenses during the reported period. Actual results could differ from those estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, their effects are disclosed in the financial statements.

c) Fixed Assets

Tangible Assets

Parent Company:

Fixed Assets are stated at cost (net of duties and taxes) less accumulated depreciation. Cost includes installation and expenditure during construction, including import duties freight, insurance and incidental expenses relating to acquisition. Fixed Assets costing less than Rs.5,000 are fully depreciated in the year of purchase. Assessment of indication of impairment of an asset is made at the year-end and impairment loss, if any, is recognised. Depreciation is provided on Straight Line Method as per the rates and in the manner provided in the Schedule II of the Companies Act, 2013.

Subsidiaries:

Fixed assets are depreciated over the estimated useful lives of the assets as follows.

Computers	3-5 Years
Furniture and Fixtures	5-7 Years
Office Equipment	5-7 Years
Vehicles	7 Years

Intangible Assets

Parent Company:

Intangible Assets are stated at cost less accumulated amortisation. These are amortised on a straight line basis using the following rates such that the related assets are depreciated over

their estimated useful lives.

Intellectual Property Rights	15.83% (6 Years)
Software	15.83% (6 Years)

Subsidiaries:

Goodwill on acquisition is being tested for impairment annually and where the recoverable amount is less than the carrying value of the Goodwill, such reduction is recorded as an impairment loss.

d) Borrowing Costs

Borrowing costs that are attributable to acquisition, construction or production of a qualifying asset are capitalised as part of the cost of such asset. A qualifying asset is one that necessarily takes a substantial period of time i.e., more than 12 months to get ready for its intended use. All other borrowing costs are recognised as expense in the Profit and Loss account.

e) Impairment of Assets

At each balance sheet date, Management reviews the carrying amounts of its assets to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss. Recoverable amount is the higher of an asset's net selling price and value in use. In assessing value in use, the estimated future cash flows expected from the continuing use of asset and from its disposal are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of time value of money and the risks specific to the asset.

Reversal of impairment loss recognized in prior years if any is recorded when there is an indication that the impairment losses recognized for the asset no longer exist or have decreased. However, the increase in carrying amount of an asset due to reversal of an impairment loss is recognized to the extent it does not exceed the carrying amount that would have been determined (net of depreciation) had no impairment loss been recognized for the asset in the prior years.

f) Investments

Long-term Investments are carried at cost less diminution which is other than temporary in the value of investments. Current investments

are carried at lower of cost and fair value.

g) Inventories

Inventories are valued at lower of cost and net realisable value. The method of arriving at cost of various categories of inventories is as below:

a) Raw Materials	First in First Out Method
b) Finished Goods and Stock in Progress	Direct Material cost plus appropriate overheads

h) Income Taxes

(i) Indian Entities

The current income tax charge is determined in accordance with the relevant tax regulations applicable to the Group. Tax expense relative to overseas operations is determined in accordance with the tax laws applicable in countries where such operations are domiciled. Deferred tax charge or credits are recognised for the future tax consequences attributable to timing differences that result between the profit / (loss) offered for income taxes and the profit as per the financial statements.

Deferred tax in respect of timing differences which originate during the tax holiday period but reverse after the tax holiday period is recognised in the year in which the timing differences originate. For this purpose the timing differences which originate first are considered to reverse first. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, when there is a brought forward loss or unabsorbed depreciation under taxation laws, deferred tax assets are recognised only if there is virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each Balance Sheet date and written down or written up to reflect the amount that is reasonably / virtually certain to be realised. The Company offsets, on a year on year basis, the current tax assets and liabilities, where it has a legally enforceable right and intends to settle such assets and liabilities on a net basis.

MAT credit

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the

MAT credit becomes eligible to be recognised as an asset, in accordance with the provisions contained in the Guidance Note on Accounting for Credit Available under Minimum Alternative Tax, issued by the ICAI, the said asset is created by way of a credit to the Profit and Loss account and shown as “MAT Credit Entitlement”. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

ii. Foreign Entities:

Foreign Companies recognize tax liabilities and assets in accordance with local laws.

i) Employee Benefits

Defined contribution plans

Contributions payable to the recognised provident fund and pension fund maintained with the Central Government and superannuation fund, which are defined contribution schemes, are charged to the Profit and Loss account on accrual basis. The Company has no further obligations for future provident fund and superannuation fund benefits other than its annual contributions.

Defined benefit plans

The Company accounts its liability for future gratuity benefits based on actuarial valuation, as at the Balance Sheet date, determined every year using the Projected Unit Credit method. Actuarial gains and losses are charged to the Profit and Loss account in the period in which they arise. Obligation under the defined benefit plan is measured at the present value of the estimated future cash flow using a discount rate that is determined by reference to the prevailing market yields at the Balance Sheet date on Indian Government Bonds where the currency and terms of the Indian Government Bonds are consistent with the currency and estimated term of the defined benefit obligation.

Compensated absences

The Company accounts for its liability towards compensated absences based on actuarial valuation done as at the Balance Sheet date by an independent actuary using the Projected Unit Credit method. The liability includes the long term component accounted on a discounted basis and the short term component which is accounted for on an undiscounted basis.

iii) Other Foreign Currency transactions:

Transactions denominated in foreign currencies are recorded at the exchange rates prevailing

on the date of the transaction. Monetary items denominated in foreign currencies at year end are restated at the exchange rate on the date of the Balance Sheet date. Non-monetary items denominated in foreign currencies are carried at cost. Exchange differences on settlement or restatement are adjusted in the Profit and Loss account.

l) **Leases**

The Company's significant leasing arrangements are in respect of operating leases for premises and equipments. The leasing arrangements range from 11 months to 5 years generally and are usually cancellable / renewable by mutual consent on agreed terms.
