2. NECESSITY FOR BUYBACK

The Board at its meeting held on December 26, 2018 considered the accumulated free reserves as well as the cash liquidity reflected in the audited accounts for the financial year ended March 31, 2018 and considering these, the Board decided to allocate a sum of ₹ 70 Crores (Rupees Seventy crores only) excluding any expenses incurred or to be incurred for the Buyback like filing fees payable to the SEBI, brokerage, applicable taxes (such as securities transaction tax, stamp duty and goods and service tax), advisors' fees, public announcement publication expenses, printing and dispatch expenses and other incidental and related expenses, etc., for the Buyback. After considering several factors and benefits to the Shareholders holding Equity Shares of the Company, the Board decided to recommend Buyback of not exceeding 50,00,000 (fifty lakh) Equity Shares (representing approximately 6.12% of the total paid-up equity share capital) of the Company as on March 31, 2018) at a price of ₹ 140/- (Rupees One hundred and forty only) per Equity Share for an aggregate consideration of upto ₹ 70 Crores (Rupees Seventy crores only) excluding transaction costs viz. brokerage, applicable taxes such as securities transaction tax, goods and service tax, stamp duty, advisors' fees, public announcement publication expenses, printing and dispatch expenses and other incidental and related expenses etc.

In the opinion of the Board, the Buyback is a more efficient form of returning surplus cash to the Shareholders holding Equity Shares of the Company, inter-alia, for the following reasons:

- Share buyback is the acquisition by a company of its own Equity Shares. The Buyback will help the Company to return surplus cash to its Shareholders holding Equity Shares broadly in proportion to their shareholding, thereby, enhancing the overall return to the Shareholders;
- The Buyback, which is being implemented through the Tender Offer route as prescribed under the Buyback Regulations, would involve allocation of higher number of Equity Shares as per their entitlement or 15% of the number of Equity Shares to be bought back, reserved for the small shareholders. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as "small shareholders";
- The Buyback will lead to improving return on equity, by reduction in equity base, which may consequently help to a long term increase in shareholders' value;
- The Buyback gives an option to the Shareholders holding Equity Shares of the Company, who can choose to participate and get cash in lieu of Equity Shares to be accepted under the Buyback offer or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post the Buyback, without any additional investments.

6,000 crore.

FE had exclusively reported on November 28, 2017 the company's failure to raise funds from Goldman Sachs as the Wall Street banker withheld the second tranche of the \$220-million financing it had committed to Essel Highways, an arm of Essel Infra projects.

According to sources whom *FE* spoke to at the time, the investment bank was unhappy with the progress of projects on the ground after it initially disbursed \$85 million in mezzanine financing.

Essel Infra is part of media baron Subhash Chandra's Essel

Group, which owns the Zee network of television channels encompassing various genres, including a number of national and regional news channels. Essel also has a packaging business called Essel Propack, which is the largest specialty packaging manufacturer of laminated plastic tubes, catering to the fast-moving consumer goods and pharma industries.

The group is in a firefighting mode and in the midst of a debt repayment crisis that came to light after a media report on Friday last week alleged money laundering in one of its group companies.

Zee's shares fell sharply and Chandra issued a dramatic open letter the same evening alleging negative forces were scuttling his efforts to find a buyer for his stake in Zee Entertainment Enterprises, Essel's flagship company.

Following his letter on Friday, Chandra on Sunday said

the group's lenders have agreed to give it a three-month extension on debt repayments.

- The Seller Member/Eligible Seller has to deliver the original share certificate(s) and documents (as mentioned above) along with courier generated by exchange bidding system upon placing of bid, either by registered post or TRS or hand delivery to the Registrar to the Buyback (at the address mentioned in clause 10 below) within 2 (two) days of bidding by Seller Member. One copy of the TRS will be retained by Registrar and it will provide acknowledgement of the same to the Seller Member/Eligible Seller.
- Eligible Sellers holding physical Equity Shares should note that physical Equity Shares will not be accepted unless the complete set of documents are submitted. Acceptance of the physical Equity Shares for the Buyback shall be subject to verification as per the Buyback Regulations and any further directions issued in this regard. The Registrar will verify such bids based on the documents submitted on a daily basis and till such time the BSE shall display such bids as "unconfirmed physical bids". Once the Registrar confirms the bids, it will be treated as "Confirmed Bids".
- In case any Eligible Seller has submitted Equity Shares in physical form for dematerialization, such Eligible Seller should ensure that the process of getting the Equity Shares dematerialized is completed well in time so that they can participate in the Buyback offer before closure of the tendering period.
- All Equity Shareholders holding the Physical Shares shall note that in accordance with the proviso to regulation 40(1) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (notified by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018), read with SEBI's press release dated December 3, 2018, transfers of securities shall not be processed unless the securities are held in the dematerialized form with a depository with effect from April 1, 2019. In case the applicable law restricts the buyback of Equity Shares held in physical form, the Company may not be able to accept the tender of such Equity Shares held in physical form from April 1, 2019.

6.4 METHOD OF SETTLEMENT

Upon finalization of the basis of acceptance as per Buyback Regulations:

- The settlement of trades shall be carried out in the manner similar to settlement of trades in the secondary market.
- The Company will pay the consideration to the Company's Broker who will transfer the funds pertaining to the Buyback to the Clearing Corporation's bank accounts as per the prescribed schedule.
- For Equity Shares accepted under the Buyback, the Clearing Corporation will make direct funds pay-out to respective Eligible Seller's bank account as provided by the depository system. If the Eligible Seller's bank account details are not available or if the funds transfer instruction is rejected by RBI/Bank, due to any reason, then such funds will be transferred to the concerned Seller Members settlement bank account for onward transfer to the respective Eligible Seller.
- In case of Eligible Sellers where there are specific RBI and other regulatory requirements pertaining to funds pay-out, which do not opt to settle through custodians, the funds pay-out would be given to their respective Seller Members settlement bank account for onward transfer to the Eligible Sellers. For this purpose, the client type details would be collected from the Registrar to the Buyback.
- The Equity Shares bought back in demat form would be transferred directly to the demat account of the Company's Broker for Buyback ("Special Demat Account") provided it is indicated by the Company's Broker or it will be transferred by the Company's Broker to the Special Demat Account on receipt of the Equity Shares from the Clearing Corporation.
- Excess demat Equity Shares or unaccepted demat Equity Shares, if any, tendered by the Eligible Sellers would be returned to them by the Clearing Corporation.
- Eligible Sellers tendering Equity Shares will have to ensure that they keep the depository participant ("DP") account active and unlocked to receive credit in case of return of Equity Shares, due to rejection or due to non-acceptance of shares under the Buyback offer.
- Any excess physical Equity Shares pursuant to proportionate acceptance/rejection will be returned back to the Eligible Sellers directly by the Registrar to the Buyback. The Company is authorized to split the share certificate and issue new consolidated share certificate for the unaccepted Equity Shares, in case the Equity Shares accepted by the Company are

less than the Equity Shares tendered in the Buyback by Equity Shareholders holding Equity Shares in the physical form, and return the same to the sole/first Eligible Seller (in case of joint Equity Shareholders). Share certificates in respect of unaccepted/rejected Equity Shares and other documents, if any, will be sent by registered post/speed post at the Eligible Seller's sole risk to the sole/first Eligible Seller (in case of joint Eligible Sellers), at the address recorded with the Registrar/Company.

- The settlements of fund obligation for Demat Shares and Physical Shares shall be effected as per the SEBI circulars and as prescribed by BSE and Clearing Corporation from time to time. For Demat Shares accepted under the Buyback, the Clearing Corporation will make direct funds pay-out to the respective Eligible Shareholders and in case of Physical Shares, the Clearing Corporation will release the funds to the Shareholder Broker(s) as per secondary market payout mechanism. If such Eligible Shareholder's bank account details are not available or if the funds transfer instruction is rejected by the RBI/Bank(s), due to any reasons, then the amount payable to the Eligible Shareholder will be transferred to the Shareholder Broker for onward transfer to such Eligible Shareholders.
- In case of certain shareholders viz., NRIs, non-residents etc. (where there are specific regulatory requirements pertaining to funds payout including those prescribed by the RBI) who do not opt to settle through custodians, the funds payout would be given to their respective Shareholder Broker's settlement accounts for releasing the same to such shareholder's broker.
- Company's Broker would issue a contract note to the Company for the Equity Shares accepted under the Buyback.

6.5 Eligible Sellers who intend to participate in the Buyback should consult their respective Seller Member for any cost, applicable taxes, charges and expenses (including brokerage) etc., that may be levied by the Seller Member upon the Eligible Sellers for tendering Equity Shares in the Buyback (secondary market transaction). The Buyback consideration received by the Eligible Seller, in respect of accepted Equity Shares, could be net of such costs, applicable taxes, charges and expenses (including brokerage) and the Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred solely by the Eligible Sellers.

6.6 The Equity Shares lying to the credit of the Special Demat Account and the Equity Shares bought back and accepted in physical form will be extinguished in the manner and procedure prescribed in the Buyback Regulations.

7. RECORD DATE AND SHAREHOLDER'S ENTITLEMENT

- As required under the Buyback Regulations, the Company has announced the Record Date as February 08, 2019 for the purpose of determining the entitlement and the names of the shareholders, who are eligible to participate in the Buyback Offer i.e. the Eligible Sellers.
- The Equity Shares to be bought back as a part of this Buyback Offer is divided into two categories:
 - Reserved category for small shareholders; and
 - General category for all other shareholders.
- As defined in Regulation 2(i)(n) of the Buyback Regulations, a "small shareholder" means a shareholder of a listed company, who holds shares or other specified securities whose market value, on the basis of closing price of shares or other specified securities, on the Stock Exchange in which highest trading volume in respect of such security is recorded, as on record date is not more than ₹ 2,00,000/- (Rupees Two lakhs Only).
- In accordance with the proviso to Regulation 6 of the Buyback Regulations, 15% (Fifteen per cent) of the number of Equity Shares which the Company proposes to buyback, or number of Equity Shares entitled as per shareholding of small shareholders, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.
- On the basis of shareholdings as on the Record Date, the Company will determine the entitlement of each Eligible Seller to tender their Equity Shares in the Buyback. This entitlement for each Eligible Seller will be calculated based on the number of Equity Shares held by the respective Eligible Seller as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Seller belongs.
- In order to ensure that the same Eligible Seller with multiple demat accounts/folios do not receive a higher entitlement under the small shareholder category, the Equity Shares held by such Eligible Seller with a common Permanent Account Number ("PAN") shall be clubbed together for determining the category (small shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical shall be clubbed together. In case of Eligible Sellers holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of foreign investors like mutual funds, insurance companies, foreign institutional investors/foreign portfolio investors etc. with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are held for different schemes/sub-accounts and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "cleaning members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- Shareholders' participation in the Buyback will be voluntary. Eligible Sellers can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may

choose not to participate and enjoy a resultant increase in their percentage shareholding post Buyback, without additional investment. Eligible Sellers may also tender a part of their entitlement. Eligible Sellers also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other shareholders, if any.

- The maximum tender under the Buyback by any Eligible Seller of the Company cannot exceed the number of Equity Shares held by such Eligible Seller of the Company as on the Record Date.
- The Equity Shares tendered as per the entitlement by the Eligible Seller as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations.
- Detailed instructions for participation in the Buyback (tendering of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Eligible Sellers. Eligible Sellers which have registered their email ids with the depositories/the Company, shall be dispatched the Letter of Offer through electronic means. If Eligible Sellers wish to obtain a physical copy of the Letter of Offer, they may send a request to the Company or Registrar at the address mentioned at clause 9 or clause 10 below.

Eligible Sellers which have not registered their email ids with the depositories/the Company, shall be dispatched the Letter of Offer through physical mode.
