1. The production activities of the Standalone company was stopped from 23rd March 2020, with the National Lockdown which was declared due to COVID-19 Pandemic. With the said closure, the company suffered heavy financial losses leading to severe liquidity crunch because of non realisation of debtors or movement of stock. Such liquidity crunch lead to worker's agitation which eventually resulted in Union Strike by the Workers Union. This led to blockage of the main gate of the Factory, enabling the management to restart timely production work. The end in May 2019, due to Natural Calamities the Electricity supply of the company was destroyed resulting complete stoppage of Electricity to the company. Even after destruction the company was disconnected with heavy electricity dues by the Assam Power and Distribution Company Limited which eventually led to disconnection of power supply due to Non Payment of Dues, even though the company is still following up with APDCL for settlement of the huge claim due to the company. However the company kept up with the challenges. The company had managed to make settlement with its workers and during the Previous Year have paid all their debts and released them under the Golden Handshake Scheme in which Hon.ble Minister of Industries & Commerce, Government of Assam was a signatory along with the Local Member of Legislative Assembly (MLA) and Assam Industrial Development Corporation. On settlement with the workers the company started selling off its finished stock, which got deteriorated due to blockage of workers. The Board of Directors also approved Selling off its Old, Unused Plant and Equipment, inventories etc which could generate funds. Now that the initial problems are resolved the company had already approached Assam Power Distribution Company Limited for reconciliation and reconnecting of power along with settlement of its claim. Once the power is reconnected, the company would take steps for refurbishing its 132 KV substation and maintenance of its plant and machinery. The company is also planning the optimal manpower required for phase wise restarting and the recruitment process of the same.
