Sub.: Synbiotics Limited, subsidiary of Ambalal Sarabhai Enterprises Limited (ASE), is only manufacturer of the Active Pharmaceutical Ingredient (API) Amphotericin B

Dear Sir/Madam,

As you are aware, India is witnessing an outbreak of MUCORMYCOSIS – a very fast spreading fungal infection especially for post-COVID infection and recovery because of low immune system in the patients. The most recommended treatment for this infection is **Amphotericin B** injection.

We wish to inform you that **Synbiotics Limited**, a subsidiary of **ASE** is the **only manufacturer** of the Active Pharmaceutical Ingredient (**API**) **Amphotericin B** in India and looking at the current outbreak of MUCORMYCOSIS and expected requirement, Synbiotics has ramped up the manufacturing capacity to meet the requirement of this most effective anti-fungal Antibiotic in the post Covid crisis.

Synbiotics Limited has the State of the Art fermentation plant for the manufacturing of the API Amphotericin B.

You are requested to take the same on your record.

Thanking you,

For **Ambalal Sarabhai Enterprises Limited**
