Dear Sir/Madam,

Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We refer to our earlier letters dated 30th September, 2020 & 17th October, 2020, pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 reporting temporary & partial disruption at the manufacturing unit located at Kadi, Dist. Mehsana.

As stated in our earlier letter, it was expected to restore normalcy in production by now. However, due to continued agitation of some workers of Production department, Sanitaryware unit continued to be affected partially, whereas production of Faucetware unit is not affected materially.

The Company has diversified network of contract manufacturing at different locations and the policy of management of having optimum level of inventory has ensured continuous supply of most of the products as per requirement.

Management is in process of resolving the issue and expecting to restore normalcy in near future.

This for your information and please take the same on record.

Yours faithfully,
For Cera Sanitaryware Limited
