**SUBJECT: Amendment of Articles - Reg. 30 of LODR as per Schedule III Part A (13).**

Kindly allow us to make the following submissions.

1. Alteration of Articles of Association – The existing Articles of Association (AOA) is based on the Companies Act 1956. The Companies Act 2013 is now largely in force. With the coming into force of the Act, several regulations of the existing Articles of Association of the Company require alteration or deletion. Given this position, it is considered expedient to wholly replace the existing AOA by a new set of Articles. The Company has decided to adopt new set of Articles as per the Indian Companies Act 2013.
2. The new Articles to be substituted in place of the existing Articles are based on Table 'F' of the Act which sets out the model Articles of Association for a Company limited by Shares.
3. The said AOA has been updated to fall in line with Table F of the Companies Act, 2013 and has specific clauses on compliances with listing agreement and RBI Directions.
4. The above amendment had been passed by the shareholders as a special resolution- vide summary of proceedings (filed on 06.08.2021) and scrutinisers report ( filed on 07.08.2021) submitted to your good selves.
5. We will be filing the amended articles with the Registrar of Companies, Chennai.

Kindly take the same on your record.
