TN govt for linking social media profiles with Aadhaar numbers

State informs apex court that it is working with IIT professors on WhatsApp message traceability

AASHISH RYAN
New Delhi, 19 August

Linking of social media profiles to Aadhaar numbers was needed to check and control the origin of terror messages, pornography, fake news, and other relevant cybercrime, the Tamil Nadu government on Monday said. In its submissions before the Supreme Court, the state government said it was also working with a few Indian Institute of Technology professors for a solution to enforce traceability of WhatsApp texts.

A two-judge Bench of Justices Deepak Gupta and Aniruddha Bose was hearing a petition moved by Facebook, seeking to transfer all such cases pending in different high courts to the Supreme Court. Currently, the high courts of Madras, Bombay, and Madhya Pradesh are hearing similar petitions, which seek linking of Aadhaar numbers with social media profiles. The case will now be heard on Tuesday.

In its submissions before the apex

Facebook has sought the transfer of all the petitions, pending before high courts to the Supreme Court, which raise the same question of law and issue: Whether private entities can use Aadhaar numbers of individuals?

court, Facebook said it was difficult for the company to keep defending itself in various high courts all over the country. The high courts had already given conflicting observations, and it would be in the interest of justice if the apex court heard all the cases at one place, it said.

Facebook has sought the transfer, as all the petitions pending before these high courts raise the same question of law and issue: Whether private entities can use Aadhaar numbers of individuals? "Transfer would serve the interests of justice by avoiding the possibility of conflicting decisions from the four com-

mon cases. Indeed, avoiding conflicting decisions is particularly necessary here to ensure that users are afforded equal privacy protections across India, and to prevent the infeasible situation wherein the petitioner (Facebook), which operates a uniform platform throughout India, is ordered to link Aadhaar information only for users in certain Indian states but not others," Facebook said in its petition.

The Tamil Nadu government, however, opposed the transfer, arguing that since the Madras High Court already has had 18 hearings on the case, the apex court should wait for a comprehensive

judgment before deciding on the issue. There have been several public interest litigations (PILs) filed in the case, with the earliest being moved before the Madras High Court in July 2018. The petitioner, Antony Clement Rubin, had sought directions from the court to ask the government to make it mandatory to link Aadhaar or any other government authorised identity proof for the authentication of social media profiles. Similar PILs sought that Facebook should seek some sort of government authorised identity before allowing any person to open an account on its platform.

The Madras HC, while hearing the petition, had observed that the application to link Aadhaar numbers with social media profiles was dangerous as "it would affect the right to privacy of every individual". The HC had, however, agreed to hear the case and said that service providers, such as Facebook and WhatsApp, should make efforts to "provide adequate information to the investigating agencies".

NBFCs and HFCs no longer need debenture reserve to raise funds

PRESS TRUST OF INDIA
New Delhi, 19 August

The government has removed the redemption reserve requirement for issuance of debentures by non-banking financial companies (NBFCs), housing finance companies (HFCs) and listed firms — a move aimed at reducing cost for raising capital.

Under the companies law, these entities raising money had to create Debenture Redemption Reserve (DRR) and that requirement has now been done away with.

The corporate affairs ministry on Monday said the requirement for a DRR of 25 per cent of the value of outstanding debentures issued by listed companies, NBFCs

and HFCs has been removed. The changes would be applicable for public issue, as well as private placements.

In the case of unlisted companies, the DRR requirement has been reduced to 10 per cent from 25 per cent of the outstanding debentures. "The measure has been taken by the government with a view to reducing the cost of the capital raised by companies through issue of debentures and is expected to significantly deepen the bond market," the release said.

The ministry has amended the Companies (Share Capital

& Debentures) Rules to effect the changes.

So far, listed companies had to create a DRR for both public issue as well as private placement of debentures. In the case of NBFCs and HFCs, they had to have DRR when they opted for public issue of debentures.

The amendments are aimed at "creating a level-playing field between NBFCs, HFCs and listed companies on the one hand and also between them and banking companies and all India financial Institutions on the other, which are already exempted from DRR," the release said.

In the case of unlisted companies, the DRR requirement has been reduced to 10 per cent from the outstanding debentures

Railway project to link Valley put on fast track

SHINE JACOB
New Delhi, 19 August

In an effort to link Kashmir to the rest of the country, the Railways has put the Udhampur-Baramulla project on the fast track. The national transporter is expecting the commissioning of the project by 2021-22, and the completion of the world's highest railway-arch bridge over River Chenab by mid-2020.

The project is now being directly monitored by the Prime Minister's Office for its faster completion. Its commissioning was earlier targeted for 2020, but the project got delayed.

Of the 272-km Udhampur-Baramulla rail line, nearly 111-km stretch between Katra and Banihal is incomplete. This stretch has around 97-km of tunnels and includes a 359-meter

high bridge on Chenab, will be even taller than Eiffel Tower (324 m).

According to a senior official, around 80 per cent of the Chenab bridge is complete. The railway line holds key to the upcoming development plans

for the Valley. The Chenab rail bridge, estimated to cost ₹1,250-crore, will be the gateway of the Valley, connecting it with the rest of the country and helping in faster movement of security forces, as well as finished products. The

PoK suspends LoC bus service

The weekly Poonch-Rawalakot bus across the Line of Control was suspended on Monday, following Pakistan-occupied-Kashmir's (PoK) apparent decision to call off the service, an official said. "We had sent a message to PoK authorities for bus service today, but they did not respond," the official said. Of the 42 PoK residents stranded in Poonch, permits of 27 have expired.

Railways has used special quality structural steel in the construction of the bridge, which needs a high degree of precision and latest welding technology. The bridge, according to the Railways, can withstand winds of up to 250 kmph. A "special

painting scheme" to prevent rust is being used for the arch portion, which is designed considering parameters like fatigue, seismic effect, blast load, global stability, and composite action.

The Udhampur-Srinagar-Baramulla rail link was sanctioned way back in 1994-95 and declared a national project in July 2002. A 25-km line between Udhampur and Katra and a 136-km stretch between Banihal and Baramulla have already been commissioned, while the only remaining stretch is the Katra-Banihal section. This section is considered to be the world's toughest stretch with 27 bridges and 37 tunnels.

The government has also surveyed for the completion of a new 39-km broad-gauge line between Baramulla and Kupwara, which is expected to cost around ₹628 crore.

CRISIL SME TRACKER

Small EPC contractors stuck in the realty rut

The health of EPC (engineering, procurement and construction) contractors, especially from the SME segment, is unlikely to improve significantly in the near term, given that a majority of their orders are driven by the real estate sector, where a prolonged lull is showing no signs of ending.

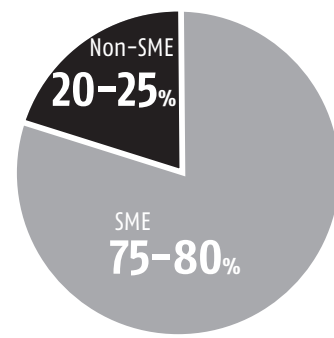

SMEs account for more than three-fourths of the EPC market.

Over the past three years, the real estate industry has been affected by regulatory changes such as the Goods and Services Tax, Real Estate Regulatory Act, and the thrust on affordable housing. The impact of these has been clearly visible in the reduced order books of many EPC players.

That, and muted demand, have meant that developers have reduced new launches and are focussing on completing on-going projects. That, by extension, has meant curbed business for EPC contractors. In the past one year alone, new launches in the top four cities (Bangalore, MMR, NCR and Pune) have almost halved.

Also, since EPC SMEs operate in the highly competitive contracting and sub-contracting segment, their operating margins are relatively low at 8-9 per cent. And in the past three years, their receivables (in days) have gone up significantly from two to two-and-a-half

BIG SKEW: SMEs ACCOUNT FOR 75-80% OF EPC DELIVERY MARKET

months, because of delayed payments from developers.

EPC SMEs have to also offer extended credit periods to project developers, and maintain deposits with them as a guarantee for timely execution of projects. Consequently, their working capital requirements will remain high.

The upshot is that it is going to be a tough haul for EPC SMEs.

NOTICE OF THE 56TH ANNUAL GENERAL MEETING, E-VOTING INFORMATION & NOTICE OF BOOK CLOSURE

Notice is hereby given that

1. The 56th Annual General Meeting (56th AGM) of the Company will be held on Saturday, the 14th September 2019, at 11.00 A.M., at Bharatiya Vidya Bhavan, 18, 20 & 22, East Mada Street, Mylapore, Chennai - 600 004 to transact the Ordinary and Special Business as set out in the Notice dated 5th August 2019 of the 56th AGM.

2. In compliance with the provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Listing Regulations, the Company is pleased to provide its members holding shares either in physical form or in dematerialized form, as on the cut-off date being 7th September 2019, with facility of e-voting from a place other than venue of the AGM ("remote e-voting"), through electronic services provided by National Securities Depository Ltd., (NSDL) to enable them to cast their vote on all the resolutions as set out in the said Notice. All the members are informed that:

- All the Ordinary and Special Business as set out in the Notice dated 5th August 2019 may be transacted through electronic means by remote e-voting.
- The date of completion of dispatch of Notice of the 56th AGM: 19th August 2019.
- The date and time of commencement of remote e-voting: 11th September 2019 at 9.00 AM.

iv) The date and time of end of remote e-voting: 13th September 2019 at 5.00 PM.

v) The cut-off date for determining the eligibility to vote by remote e-voting or at the AGM and determination of e-voting rights: 7th September 2019.

vi) Those persons who have acquired shares and have become members of the Company after the dispatch of Notice of AGM and holding shares as of the cut-off date i.e. 7th September 2019, may obtain the login ID and password by sending a request at evoting@nsdl.co.in or yuvraj@integratedindia.in. However, if you are already registered with NSDL for remote e-voting then you can use your existing user ID and password for casting your vote.

vii) The remote e-voting module shall be disabled by NSDL for voting after 5.00 PM on 13th September 2019. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.

viii) The facility for voting through Polling paper shall also be made available at the venue of AGM. A member may participate in the AGM even after exercising his right to vote through remote e-voting but shall not be allowed to vote again at the AGM.

ix) Members whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date only shall be entitled to avail the facility of remote e-voting as well as voting at the AGM through Polling paper.

x) Website address of the Company, where Notice is displayed: www.wsindustries.in/KYC.

xi) In case of any queries, members may refer the Frequently Asked Questions (FAQs) for members and remote e-voting user manual for members available at the Downloads section of www.evoting.nsdl.com or call on toll free no.: 1800-222-990.

xii) Contact details of the person responsible to address the grievances connected with remote e-voting: Mr. B. Swaminathan, Company Secretary, Address: 108, Mount Poonamallee Road, Porur, Chennai - 600 116. Email Id: sectl@wsinsulators.com.

xiii) Pursuant to Listing Regulations and Section 91 of the Companies Act, 2013 and the applicable Rules thereunder, the Register of Members and share Transfer Books for equity shares of the company will remain closed from 8th September 2019 to 14th September 2019 (both days inclusive).
