Dear Sir,

This is in response to the news filed by Reuters captioned, "Coal India temporarily halts supply to non-power customers" and published online on " www.livemint.com " on 14 October 2021.

This is to state that no such action was initiated by Coal India Ltd. as published on your website.

In fact, in view of the low stock position of coal at the power houses and due to the spurt in economic activities, the coal supply was prioritized temporarily to the power sector.

This is for your information and perusal please.

Yours sincerely,

Sunil Kumar
