MFs' exposure to DHFL group firms pegged at ₹8,500 crore

FE BUREAU Mumbai, February 4

INDIAN FUND HOUSES have exposure of over ₹8,500 crore to Dewan Housing Finance Corporation (DHFL) group companies.

UTI Mutual Fund has investments of around ₹2,144 crore in various group companies of DHFL Group across 51 debt schemes.

BK Securities specialises in acquiring the treasures of corporate and institutional investors.

Rating agency CARE has downgraded ₹1.2 lakh crore of various debt papers, such as non-convertible debentures, perpetual debt and fixed deposit programme, issued by DHFL.

"The revision in the long-term ratings takes into account moderation in financial flexibility of Dewan Housing Finance Corporation (DHFL) as evidenced by sharp reduction in its share price and significant rise in bond spreads.

that we will make every attempt to rationalise our exposures at a scheme level where there is a change in concentration of the paper from a point of view of diversification," said Kumarash Ramakrishnan, head - fixed income at DHFL Pramerica Mutual Fund.

CARE Rating, in an a separate note, observed that along with the rise of AUM and growth of NBFC over the past few years, the overall exposure of MFs in NBFCs has almost tripled from ₹70,000 crore in March 2014 to ₹2.2 lakh crore in March 2018.

"After the liquidity crisis triggered in the NBFC space, fund houses gradually started reducing their exposure to their commercial paper," said in next 12 months. Having said

competitive rates would be crucial for its profitability and long-term growth prospects going forward," said the press release from CARE Ratings.

Fund houses such as Aditya Birla Sun Life Mutual Fund, L&T Mutual Fund, Kotak Mutual Fund, Franklin Templeton Mutual Fund among others have exposure to DHFL or its group companies.

Stocks rise 113 points on fag-end rally, RIL up 3.5%

PRESS TRUST OF INDIA Mumbai, February 4

THE SENSEX ON Monday ended 113 points higher, as equities pulled off a fag-end rally led by RIL amid fresh inflows by foreign funds ahead of the RBI's monetary policy review.

After grinding nearly 400 points between the day's low of 36,225.45 and an intraday high of 36,622.77, the 30-share index ended 113.31 points, or 0.31%, higher at 36,582.74. The index posted gains for a third straight day. The Nifty edged higher by 18.60 points, or 0.17%, to close at 10,912.25.

"Market rallied from the day's low led by few set of domestic focused companies, oriented at consumption and private banks. This is in atten-

tion with the Interim Budget, while additionally, the market is also looking at the upcoming RBI policy, hoping for a change in stance from 'calibrated tightening to neutral', Vinod Nair, head of research at Geojit Financial Services, said. Among the Sensex pack, RIL was the biggest gainer, rallying 3.52% to ₹1,291.15. The scrip contributed 139.53 points to the bourse's gain. Other gainers include ONGC, Bajaj Auto, Kotak Bank, TCS, Tata Steel, Axis Bank, Maruti, HDFC and HUL, surging up to 3.03%.

PowerGrid, Yes Bank, NTPC, Sun Pharma, M&M, ITC, L&T and Bajaj Finance were the top losers, falling up to 3.13%.

"Rate-sensitive stocks were muted in the trade today while consumption-based stocks were in positive. Thankfully, since the US Fed has changed its stance and is said to be 'patient' given the uncertainties with the US economic growth, this will provide some comfort to the emerging economies and given the slow-down in China, India remains attractive as an investment destination," Paras Bothra, president - equity research at Ashika Group, said.

SOLITAIRE PRICE INDEX: 1st February 2019 0.34% ↑ 4,217 15.82% ↑ DIVINE SOLITAIRE

Rate-sensitive stocks were muted in the trade today while consumption-based stocks were in positive. Thankfully, since the US Fed has changed its stance and is said to be 'patient' given the uncertainties with the US economic growth, this will provide some comfort to the emerging economies and given the slow-down in China, India remains attractive as an investment destination," Paras Bothra, president - equity research at Ashika Group, said.
