ORDER

Per: Kishore Vemulapalli, Member (Judicial)

1. This Bench is convened through video conferencing today.
2. Heard Learned Counsel for the Petitioner Companies. No objector has come before this Tribunal to oppose the Scheme and nor has any party controverted any averments made in the Petition.
3. The sanction of this Tribunal is sought under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 to the said Scheme of Amalgamation (by way of Merger by Absorption) of Pranavaditya Spinning Mills Limited with Indo Count Industries Limited and their respective shareholders.

4. The Petitioner Companies have approved the Scheme by passing the Board Resolutions at their respective board meetings held on 21th October, 2020 and have approached the Tribunal for sanction of the Scheme.
5. The Equity Shares of First Petitioner Company are listed on BSE Limited (“BSE”) and the Equity Shares of Second Petitioner Company are listed on BSE and National Stock Exchange of India Limited (“NSE”). Accordingly, BSE by its letter dated March 25, 2021, has given their “No Objection Letter” to the First Petitioner Company, to file the Scheme with the Tribunal. Similarly, BSE and NSE by its letter dated March 25, 2021 and March 26 2021 respectively have, given their “No Objection Letter” to the Second Petitioner Company, to file the Scheme with the Tribunal
6. The Learned Counsel for the Petitioner Companies submits that:

The Transferor Company, listed on BSE Limited and the Transferee Company, listed on BSE Limited and National Stock Exchange of India Limited, both are a part of the same group. Further, the Transferor Company is a subsidiary of the Transferee Company wherein the Transferee Company holds majority shareholding in the Transferor Company. The main business of PSML has been manufacturing of cotton yarn and it has a huge freehold land of ~ 34 acres at Plot No.266 Village Alte, Tal. Hathkanangale, Dist. Kolhapur (near textile hub Ichalkaranji) and ~ 20000 spindle capacity for spinning. The land, machinery, infrastructure and all other resources available with the Transferor Company can be utilized in cost effective and efficient manner to carry out Transferee Company’s business expansion. The Transferor and Transferee’s industrial units are situated within a distance of ~ 40

kilometers. Hence, it is proposed to amalgamate Transferor Company into the Transferee Company in this Scheme.

7. Further, the Amalgamation of the Transferor Company into the Transferee Company would inter alia have the following benefits:

- a. Consolidation of the Transferor Company and the Transferee Company will achieve simplified corporate structure, rationalise the number of listed entities and result in a single listed entity with combined businesses.*
- b. Provide an opportunity to leverage combined assets and build a stronger sustainable business. Specifically, it will also enable optimal utilization of existing resources which are in excess of the current business requirements of the Transferor Company and provide an opportunity to fully leverage assets, capacities, experience and infrastructure of the Transferor Company and Transferee Company.*
- c. Reducing managerial overlaps involved in operating multiple entities, enable cost savings and effective utilization of valuable resources which will enhance the management focus thereby leading to increase in operational and management efficiency; integrate business functions; eliminate duplication and rationalization of administrative expenses.*
- d. Synchronization of efforts to achieve uniform corporate policy, greater integration and greater financial strength and flexibility for the Transferee Company.*
- e. Better value creation for the shareholders of both the companies enabling the public shareholders to hold shares of the combined listed entity.*

f. Upon completion of the amalgamation, the Transferor Company will be dissolved. Consequently, there would be lesser regulatory and legal compliance obligations including accounting, reporting requirements, statutory and internal audit compliance requirements, tax filings, company law compliances, Stock Exchange compliances etc. and therefore reduction in administrative costs.

The intended Scheme is not prejudicial to the interest of the creditors or the employees of the Transferor Company and the Transferee Company.

8. The Learned Counsel for the Petitioner Companies further submits the following:
- i. The First Petitioner Company is authorised to carry on, inter alia, the business of manufacturing of cotton yarn.
 - ii. The Second Petitioner Company is engaged in the business of manufacturing of home textiles and its products broadly falls under the categories of Bed Sheet, Pillow Cover and Comforter.
9. The Learned Counsel for the Petitioner Companies further submits that the present Company Petition is filed in consonance with Section 230-232 of the Companies Act, 2013 and in terms of order pronounced on 18th August 2021 in CA(CAA)/143/MB-IV/2021.

Moreover, the Petitioner Companies

undertake to comply with all the statutory requirements, if and to the extent applicable, as may be required under the Companies Act, 2013 and the rules made thereunder. The said undertaking is accepted.

11. In response to the observations made by the Regional Director, the Petitioner Companies have also given necessary clarifications and undertakings vide their Affidavit in Rejoinder dated 11th April 2022. In response to the reply of the Petitioner Companies, the Regional Director has filed his Supplementary Report dated 04th May 2022 stating that the replies of the Petitioner Companies on all the observations filed via the said Rejoinder Affidavit appears to be satisfactory.
