**PASSION.**  
**PERFORMANCE.**

# MESSAGE FROM THE MANAGING DIRECTOR'S DESK

WE PERSISTENTLY KEPT STRENGTHENING OUR CAPABILITIES WHILE CREATING VALUE FOR OUR STAKEHOLDERS. EVEN AMID A TOUGH AND CHALLENGING YEAR, WE EARNED OUR HIGHEST EVER REVENUE & PROFIT.

## Dear Shareholders,

I am delighted to share that Shyam Century Ferrous Limited (SCFL) achieved its best-ever performance in FY 2021-22, despite a challenging environment. After a 6.6% contraction in FY 2020-21, the Indian GDP rebounded at an estimated 8.7% in FY 2021-22, reaching a new high in the first quarter. The improved economic performance was the result of a rapid and large-scale vaccination drive, relaxation in curbs caused by the pandemic, massive fiscal support, robust consumer spending and improved business activities. China's annual crude steel production fell for the first time in six years in 2021, retreating from the recorded levels in 2020. The country is striving to contain emissions in its mammoth ferrous sector which has elevated steel and other metal prices, globally. Also, energy crisis has impacted China's overall production. With power curbs intensifying across key industrial provinces, aluminium and steel prices have been spluttering from months. While we continue navigating the pandemic with resilience, the war in Ukraine has triggered another crisis and brought before us numerous other challenges in the form of strained geopolitical and trade relations. The ongoing geopolitical conflict has put oil prices on fire, and the resultant global inflation and continuing supply shortages are expected to adversely impact the global GDP growth for FY 2022-23.

## Achieving Operational Efficiency

The fiscal year saw a rapid hike in raw material costs, logistical issues, and coke and coal shortages because of higher rainfall, which remains a key concern. Despite these headwinds, the business showcased highest-ever revenue and profits, led by higher demand and growing

prices of ferro silicon. To achieve this result, we undertook several measures, including optimising our input costs by systematically planning the purchase of the raw materials we bought before the price hike and thus adopting leaner measures. Further, we passed the raw material hikes on to the customers in a phased manner. This helped us increase our margins as well. To manage the supply chain issue, we maintained a healthy relationship with our logistical partner and ensured timely raw material delivery.

## Enhancing Capacities and Capabilities

Despite the pandemic, we have consistently maintained our growth trajectory. The market is witnessing robust and growing demand for ferro silicon. To cater this growing demand, we are increasing our capacity utilisation. During the last few years, the market experienced a sluggish pace, so we haven't utilised our third furnace. With this demand picking up pace now, we will commence our third furnace and increase our capacity utilisation to cater the growing demand for Ferro Steel. Operation in the third furnace will begin from the second quarter of FY 2022-23 after the ongoing repair and maintenance work is completed. This addition to our capacity will therefore, lead us to higher revenues and better profitability.

## Robust Financial Performance

Despite a difficult economic year, we managed to clock better financial metrics. We attribute these results to the business' higher sales in catering the growing demand, and our employees' tremendous hard work. They are the people who have helped us to drive through swiftly, delivering excellent performance. Even amid all the challenging conditions, we managed higher revenues, EBITDA levels

and even better margins during the year. We accredit this improvement to better operating leverage of our plants coupled with higher price realisations. Our Company has also strengthened the business' liquidity position, and cash and bank balance increased by 40%, helping us in becoming well-prepared to face challenges. We remained debt-free during the financial year and thus, showcased the strength of our balance sheet backed by an impressive overall performance.

Let me share some of the highlights of our financial performance during the FY 2021-22:

- ▣ Revenue from operations stood at ₹ 20,736 Lakhs in FY 2021- 22 against ₹ 12,762 Lakhs in the previous year – indicating a growth of 62%
- ▣ EBIDTA for FY 2021-22 stood at ₹ 7,910 Lakhs, registering a growth of 272% over the previous year
- ▣ Net profit was recorded at ₹ 5,686 Lakhs in FY 2021-22, while in FY 2020-21 the Net profit stood at ₹ 280 Lakhs
- ▣ Return on Capital Employed (ROCE) was clocked at 41%, compared to 9% in the previous year – an increase of more than 275%

### Outlook

The demand for the Indian metal sector is growing strong, and it is expected that in the coming year, the demand for ferro silicon will be higher due to growing steel consumption. To cater for this growing demand, we are initiating operations for utilising our third furnace towards

better capacity utilisation. The Government is also on infrastructure development and towards manufacturing facilities which will further provide us the cushion to perform better and cater for the industry's growing demand.

### Acknowledgment

The year FY 2021-22 for SCFL has been most successful and profitable. This was primarily due to our employees' hard work and commitment who consistently implemented our purpose and strategy. Our loyal customers, suppliers, shareholders, other Investors and financiers played a critical role in helping us reach new heights of success. I deeply thank all our stakeholders for their continued support and our employees' contributions over the years.

With Regards,

## FERRO ALLOY BUSINESS - INDUSTRY AT A GLANCE

India stood second position in production of crude steel. As per data available Country's production of crude steel and finished steel recorded at 98.39 MT. and 92.82 MT. respectively.

With the growing industrialisation and aggressive urbanisation movement of the Government, the crude steel production of the country is estimated to increase by 18% to reach 120 Mn tonnes.

The growth in the Indian steel sector has been driven by the domestic availability of raw materials low cost labour. Ferro alloy business of the country depends on growth of the steel industry. Country's ferro alloy business has potentiality to develop. With massive infrastructure need and expansion of steel production country's ferro alloy industry is having huge prospect.

Indian ferro alloys is very much preferred in the World therefore, its growth prospect is very high. As per report of Steelworld the industry is estimated to grow at CAGR of 5.9% between 2017-2025, however, impact of Covid may defer the estimated growth. Low-cost manpower and easy availability of quartz/mn ore reserves made India competitive in international market.

In Financial year 21-22 Country's production of crude steel and finished steel stood at 98.39 MT. and 92.82 MT., respectively. According to CARE Ratings, crude steel production is expected to reach 112-114 MT. (Mn tonnes).

The consumption of finished steel stood at 86.3 MT. in FY 21-22. The demand for steel is expected to increase by 17% to 110 Mn tonnes, driven by rising construction activities.

During the year inspite of covid impact, country's ferro alloy prices witnessed significant price gains. High demand from steelmakers along with supply shortages in numerous markets specially from China as well as freight and transportation issues, continued to push prices higher.

Government's various initiative like implementation of National Steel Policy in 2017, Steel scrap Recycling Policy helped to reduce import of steel thereby conserving foreign exchange reserves, Atmanirbhar Bharat initiatives contributing for development of the sector. National Steel Policy foresees 300 Mn tonnes (MT) steel-making capacity and 160 kgs per capita steel consumption by 2030-31. The Ministry of Steel prepared a draft policy framework for development of steel clusters in the country. In October 2021, the Government announced guidelines for the approved specialty steel production-linked incentive (PLI) scheme. Under the Union Budget 2022-23, the Government allocated ₹ 47 Crore to the Ministry of Steel. The budget's focus is on creating infrastructure and manufacturing to propel the economy. The Government of India raised import duty on most steel items twice, each time by 2.5% and imposed measures including anti-dumping and safeguard duties on iron and steel items which will help to improve domestic players. Steel & Petroleum & Natural Gas Ministry launched

'Mission Purvodaya' to accelerate the development of the Eastern States of India e.g., Odisha, Jharkhand, Chhattisgarh, West Bengal and the northern part of Andhra Pradesh through establishment of an integrated steel hub in Kolkata, West Bengal. Eastern India which is having potential to add 75% of the country's incremental steel capacity. It is expected to reach at 300 MT. capacity by 2030-31 and out of which 200 MT. can be generated from Eastern Region only.

Your Company continued to focus on its fundamental strength i.e., productivity and quality. Strong emphasis were given on reduction of cost, utilisation of internal efficiencies together with an improvement in the product mix which enabled your Company to withstand inflationary pressures on costs and profitability.

During the year under review, your Company has sold 14,546 MT. of Ferro Silicon as against 14,478 MT. recorded in previous year. Prices of ferro silicon was increased therefore sales realisation was also increased and cost control measures adopted by the Company helped to record a highest ever profit during the year. Your Company produced 14,955 MT. of Ferro Silicon during the year under review as against 14,124 MT. recorded in the Financial Year 2020-21. While your Company constantly strives to increase stakeholder's value, emphasis continues to be on delivering value to customers and strengthening processes while driving sustainable practices, resulting into expanding customer base.

#### **POWER BUSINESS**

During the year under review, due to non-availability of coal, your Company focused on purchasing power therefore has not generated any power like previous year.

#### **OPPORTUNITIES & THREATS, RISKS AND CONCERNS**

Performance of the Company depends on the continued demand of our products in the steel and stainless steel industry. Ferro Silicon market in India is subdued for quite a period of time. Highest consumption of Ferro Silicon seen in Stainless Steel Sector followed by Mild Steel Sector. Government's various initiatives to liberalise industrial policy, approval of National Steel policy and policy on 'Make in India' and other infrastructural initiatives taken are expected to push the demand of ferro silicon.

Challenges being faced by the domestic companies due to short availability of raw materials and very high power cost, lack of infrastructural facilities for easy transportation of raw materials to the location affects the sector. Policy of the Government, regulatory changes and force majeure events may also affect the development of domestic industry.

Despite all threats, Indian Ferro alloy industry has tremendous growth prospect due to low per capital steel production, rapid industrialisation, urbanisation, infrastructural development, thriving automobile and railway sectors and other Government initiatives.

The Company has evolved a risk management framework to identify, assess and mitigate the key risk factors of the business. The Board of the Company is kept informed about the risk management of the Company.

#### **PERFORMANCE AND OPERATIONS REVIEW**

During the year under review, on a full year basis, the Company has posted total revenue of ₹ 21,250.46 Lakhs and Profit before Tax of ₹ 7,638.21 Lakhs in FY 21-22 as against ₹ 13,568.06 Lakhs and ₹ 136.89 Lakhs respectively during the previous financial year. Your Company produced 14,955 MT. of Ferro Silicon during the year under review as against 14,124 MT recorded in the Financial Year 2020-21.

#### **SHARE CAPITAL**

The paid up Equity Capital as on 31st March, 2022 was ₹ 2,221.73 Lakhs. During the year under review, the Company has neither issued any shares with differential voting rights nor granted stock options or sweat equity shares.

#### **SHARES IN SUSPENSE ACCOUNT**

Disclosures of the shares lying in Company's Unclaimed Shares Suspense Account are given in the Report of Corporate Governance.

# INDEPENDENT AUDITORS' REPORT

To the Members of **Shyam Century Ferrous Limited**

## REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

### Opinion

We have audited the accompanying Financial Statements of Shyam Century Ferrous Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, the profit and other comprehensive income, changes in equity and the cash flows for the year then ended.

### Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the relevant provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Sl. No.	Key Audit Matters	Auditor's Response
1	<p><b>Revenue Recognition</b></p> <p>(Refer Note no. 26 to the Financial Statements and Note 1.18 (A) of the significant accounting policies of the Financial Statements).</p> <p>Revenue is recognised when the control of the underlying products has been transferred and dispatched to customer. Delivery occurs when the product has been dispatched to the specific location and the risk of obsolescence / loss has been transferred and there is no unfulfilled obligation that could affect the buyer's acceptance of the product as per the terms of the contract and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.</p> <p>Revenue is recognised based on the price and as per terms specified in the contracts, net of the estimated volume discounts. Revenue is only recognised to the extent that it is highly probable that a significant reversal will not occur.</p> <p>There is a significant risk of misstatement due to risk related to inappropriate recognition of the revenue and hence this was determined to be a key audit matter.</p>	<p><b>Our principal audit procedures to assess the appropriateness of revenue recognised included:</b></p> <ul style="list-style-type: none"> <li>- Obtaining an understanding of and assessing the design, implementation and operating effectiveness of the Company's key internal controls over the revenue recognition process.</li> <li>- Assessing the appropriateness of the Company's accounting policies relating to discounts, incentives, rebates, etc by comparing with Ind AS 115.</li> <li>- Obtaining and inspecting, on a sample basis, supporting documentation for discounts, incentives and rebates recorded and disbursed during the year as well as credit notes issued after the year end to determine whether these were recorded appropriately.</li> <li>- Examination of significant contracts entered into close to year end to ensure revenue recognition is made in the correct period.</li> </ul> <p>Our testing as described above showed that revenue has been recorded in accordance with the terms of applicable contracts and accounting policy in this area.</p>

## INDEPENDENT AUDITORS' REPORT (Contd.)

Sl. No.	Key Audit Matters	Auditor's Response
2	<p><b>Litigation, Claims and Contingent Liabilities</b> (Refer Note no. 43 to the Financial Statements and Note 1.22 of the significant accounting policies of the Financial Statements)</p> <p>Provisions and contingent liability disclosures may arise from indirect tax proceedings, legal proceedings, including regulatory and other government/ department proceedings, as well as investigations by authorities and commercial claims.</p> <p>The Company applies significant judgement in estimating the likelihood of the future outcome in each case and in determining the provisions or disclosures required for each matter. These estimates could change significantly over time as new facts emerge and each legal case progresses.</p> <p>The Company is involved in legal proceedings on disputed tax demands. The Company's management has assessed that the probability of success of the demand is remote and accordingly has not provided for the disputed demands.</p> <p>This has been considered a key audit matter in view of the uncertain outcome of the litigations and involvement of significant management judgement in assessing the probability of outflow of economic resources.</p>	<p><b>Our principal audit procedures to assess the appropriateness of provisions and adequacy of disclosures included:</b></p> <ul style="list-style-type: none"> <li>- Reviewing the outstanding litigations against the Company for consistency with the previous years. Enquiring and obtaining explanations for movement during the year.</li> <li>- Reading the latest correspondence between the Company and the various tax/legal authorities.</li> <li>- Discussing the status of significant litigation with the Company's in-house Legal Counsel and other senior management personnel and assessing their responses.</li> <li>- On sample basis, examining the Company's legal expenses and reading the minutes of the board meetings, in order to ensure all cases have been identified.</li> <li>- With respect to tax matters, discussing with the Company's tax officers, their views and strategies on significant cases, as well as the related technical grounds relating to their conclusions based on applicable tax laws.</li> <li>- For those matters where management concluded that no provisions should be recorded, considering the adequacy and completeness of the Company's disclosures with regard to facts and circumstances of the legal and litigation matters.</li> </ul> <p>On the basis of the above procedures performed, we considered the management's assessment in respect of contingencies and provision for taxes and other litigations and claims to be reasonable and disclosures to be appropriate.</p>

#### INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion & Analysis and Report on Corporate Governance but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

#### RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of the Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act, read with relevant rules issued thereunder.

## INDEPENDENT AUDITORS' REPORT (Contd.)

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, with reference to financial statements that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**INDEPENDENT AUDITORS' REPORT (Contd.)****OTHER MATTER**

The Financial Statements for the year ended 31st March, 2021 which are included as comparative figures were audited by the erstwhile Statutory Auditors of the Company who expressed an unmodified opinion vide their report dated 9th June, 2021 and we have relied on the same for the purpose of our audit of the financial statements.

Our opinion is not modified in respect of the above matter.

**REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS**

1. As required by 'the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder;
  - (e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
  - (f) With respect to the adequacy of the internal financial controls with reference to the Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B", wherein we have expressed an unmodified opinion.

With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements. - Refer Note no. 43 to the Financial Statements
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31st March, 2022.
- iv.
  - a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
  - b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - c) Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the Management representations under sub-clauses (a) and (b) above, contain any material misstatement.

**INDEPENDENT AUDITORS' REPORT (Contd.)**

- v. The Board of Directors of the Company has not proposed / paid any dividend for the year ended 31st March, 2022, hence, no compliance of Section 123 of the Act was necessary.
3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in

excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197 (16) of the Act which are required to be commented upon by us.

## ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to under the heading "Report on Other Legal and Regulatory Requirements" in Paragraph 1 of our Independent Auditor's Report of even date)

- i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified at reasonable intervals of time. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the Financial Statements are held in the name of the Company as at the balance sheet date.
- (d) The Company has not revalued its Property, Plant and Equipment (including right-of-use assets) or intangible assets or both during the year. Accordingly, reporting under clause 3(i)(d) of the order is not applicable to the Company.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its Financial Statements does not arise.
- ii. (a) The inventory, except goods-in-transit, has been physically verified by the management during the year. With respect to goods-in-transit, subsequent evidence of receipts has been linked with inventory records. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- (b) The Company has not been sanctioned any working capital facility from financial institutions. The Company has been sanctioned working capital limits in excess of ₹ 5 Crore, in aggregate, at points of time during the year from banks on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements comprising stock and book debt statements, filed by the Company with such banks are in agreement with the unaudited books of account of the Company of the respective quarters other than those as set out below:

(₹ in Lakhs)

Name of the Bank	Aggregate working capital limits sanctioned	Nature of Current Asset offered as Security	Quarter ended	Amount disclosed as per Quarterly Return/ Statement	Amount as per Books of account	Difference	Reasons for difference
HDFC Bank	₹ Thirty Crore	Refer Note Below	Jun'21	1631.35	1679.88	-48.53	The difference is due to variation in stock valuation rate as the valuation is based on previous month's cost sheet.
			Sept'21	1,201.68	1,206.47	-4.79	
			Dec'21	1,479.08	1,481.39	-2.31	
			Mar'22	2,466.65	2,466.65	-	

Working capital facilities from banks are secured by first charge on the current assets and second charge on the property, plant and equipment of the Company's Ferro Alloy Plant at Byrnihat, Meghalaya.

Also refer Note 51 to the Financial Statements.

iii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments or provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnership or any other parties during the year. The Company has granted unsecured loans to two body corporates, in respect of which the requisite information is as below. The Company has not granted any loans, secured or unsecured, to firms and limited liability partnership.

(a) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has provided loans to any other entity as below:

Particulars	Loans (₹ in Lakhs)
Aggregate amount during the year	
- Subsidiaries	-
- Joint Ventures	-
- Associates	-
- Others*	30
Balance outstanding as on 31st March, 2022 with respect to above cases	
- Subsidiaries	-
- Joint Ventures	-
- Associates	-
- Others*	273.23

\*The above amounts are included in Note 11 to the Financial Statements.

(b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the terms and conditions of the grant of unsecured loans are, prima facie, not prejudicial to the interest of the Company.

(c) The Company has granted unsecured loans aggregating ₹ 273.23 Lakhs to two body corporates that are payable on demand and where no schedule of repayment of principal and payment of interest has been stipulated. In the absence of stipulation of repayment/payment terms, we are unable to comment on the regularity of repayment

of principal and payment of interest. There are no advances in the nature of loan.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of unsecured loan given. Further, the Company has not given any advances in the nature of loans to any party during the year.

(e) As stated in point (c) above, the Company has granted unsecured loans that are payable on demand where no schedule of repayment of principal and payment of interest has been stipulated. In the absence of stipulation of repayment/payment terms, we are unable to comment whether such loans have fallen due during the year. Further, no loans granted by the Company have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties. The Company has not given any advances in the nature of loans to any party.

(f) The Company has granted unsecured loans which are repayable on demand as per details below:

(₹ in Lakhs)

Particulars	Total Loans	Promoters	Related Parties
Aggregate of loans granted: -			
-Repayable on Demand	273.23	-	30.01
Percentage of loans above to the total loans	-	-	10.98%

iv. According to the information and explanation given to us and based on the audit procedures conducted by us, the Company has neither granted any loans or made investments nor provided guarantees or securities in contravention of provisions of Section 185 of the Act. The Company has not made any investments or guarantees or securities to the parties covered under Section 186 of the Act. In respect of loans made by the Company, the provisions of Section 186 of the Act have been complied with.

v. The Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified. Accordingly, reporting under Clause 3(v) of the Order is not applicable to the Company.

vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records

as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.

- vii. (a) In our opinion, the Company is generally regular in depositing the undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income tax, Goods and Service tax, and other

statutory dues, as applicable, with the appropriate authorities. There were no undisputed amounts payable in respect of the aforesaid statutory dues in arrears as at 31st March, 2022 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and based on the records of the Company examined by us, the dues of Income-Tax, Excise Duty, Royalty, Cess, VAT/GST/MEPRF on Coal which have not been deposited on account of any dispute are as follows:

Name of the Statute	Nature of dues	Amount (₹ in Lakhs)	Period to which the amount relates	Forum where the dispute is pending
MMDR, GST & VAT Act	Royalty, MEPRF, GST/VAT	1,738.99	FY 2014-15 to FY 2018-19	Director of Mineral Resources, Meghalaya
The Central Excise Act, 1949	Excise Duty	112.04	July 2004 – March 2013	Meghalaya High Court
Income Tax Act, 1961	Demand Payable	0.28	AY 2018-19	National Faceless Appeal Centre (NFAC), Delhi

- viii. According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

- ix. (a) According to the information and explanations given to us and the records of the Company examined by us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) In our opinion and according to the information and explanations given to us, the Company has not raised any money by way of term loans during the year and did not have any term loans outstanding at the beginning of the current year. Accordingly, reporting under clause 3(ix) (c) of the Order is not applicable to the Company.
- (d) According to the information and explanations given to us and on an overall examination of the Balance Sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) During the year ended 31 March, 2022, the Company did not have any subsidiaries, associates or joint ventures as defined under the Act. Accordingly, reporting under clause 3(ix) (e) of the Order is not applicable to the Company.

## ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to under the heading "Report on Other Legal and Regulatory Requirements" in Paragraph 2(f) of our Independent Auditor's report of even date)

### REPORT ON THE INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENTS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013

We have audited the Internal Financial Controls with reference to the Financial Statements of Shyam Century Ferrous Limited ("the Company") as at 31st March, 2022 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

### MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

### AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and

plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the Financial Statements.

### MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A Company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Financial Statements includes those policies and procedures that:

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisation of the management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

**INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS**

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management, override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with respect to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**OPINION**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to

Financial Statements and such internal financial controls with reference to Financial Statements were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Its shares are listed on National Stock Exchange and Bombay Stock Exchange in India. The Company is engaged in manufacturing of Ferro Alloys and generation of Power. The manufacturing unit is located at Byrnihat, Meghalaya. The Company is selling its product across India.

## 1. SIGNIFICANT ACCOUNTING POLICIES

### 1.1 Basis of Preparation

#### (i) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Companies (Indian Accounting Standards) Rules, 2015, amendments thereto and other relevant provisions of the Act.

These financial statements were approved for issue in accordance with the resolution of the Board of Directors on 17th May, 2022.

The accounting policies are consistently followed by the Company and changes in accounting policy are separately disclosed.

#### (ii) Historical Cost Convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Net defined benefit asset/liability which is Fair value of plan assets less present value of defined benefit obligations
- Certain financial assets and financial liabilities that are measured at fair value.

#### (iii) Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) held primarily for the purpose of trading and other criteria set out in the Schedule III to the Act.

#### (iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Lakhs as per the requirement of Schedule III, unless otherwise stated.

### 1.2 Use of Estimates

The preparation of financial statements is in conformity with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013 which require the management to make estimates and assumptions that

affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future period. Revisions in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are summarised below:

- i) Classification of legal matters and tax litigation
- ii) Defined benefit obligations
- iii) Useful life of property, plant and equipment
- iv) Leases Ind AS 116

### 1.3 Foreign Currency Transactions and Balances

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian National Rupee (₹), which is Shyam Century Ferrous Limited's functional and presentation currency.

Transactions in foreign currencies entered into by the Company are accounted at the exchanges rates prevailing on the date of the transactions. Exchange differences arising on settlement /restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expenses in the Statement of Profit and Loss. All foreign exchange gains and losses are presented in the Statement of Profit of Loss on a net basis within other income or other expenses.

# NOTES TO FINANCIAL STATEMENTS

## FOR THE YEAR ENDED 31ST MARCH 2022 (Contd.)

Non-monetary assets and liabilities denominated in foreign currencies that are measured at fair value are retranslated to the functional currency at the exchange rate at the date that the fair value was determined. Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

### 1.4 Property, plant and equipment

Property, plant and equipment are stated at their cost of acquisition, installation or construction (net of any recoverable amount, wherever applicable) less accumulated depreciation, amortisation and impairment losses if any, except freehold land which is carried at cost. Cost comprises the purchase price, installation and attributable cost of bringing the asset to working condition for its intended use.

Subsequent expenditures are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. When significant parts of plant and equipment are required to be replaced the Company depreciates them separately based on their specific useful lives. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

#### Capital Work in Progress

Capital work in Progress is carried at cost comprising direct cost and includes any directly attributable cost incurred during construction period.

Property, plant and equipment not ready for their intended use as on the balance sheet date are disclosed as "Capital work-in-progress". Such items are classified to the appropriate category of property, plant and equipment when completed and ready for their intended use. Advances given towards acquisition/ construction of property, plant and equipment outstanding at each balance sheet date are disclosed as Capital Advances under "Other non-current assets".

#### Expenditure during construction period

In case of new projects and substantial expansion of existing units, expenditure incurred including trial production expenses net of revenue earned, and attributable interest and financing cost, prior to commencement of commercial production are capitalised.

#### Depreciation

Depreciation on property, plant and equipment is provided on written down value method in accordance with the provisions of Schedule II to the Companies Act,

2013 and considering the useful lives for computing depreciation specified in Part 'C', thereof. Depreciation is provided on components that have homogenous useful lives by using the WDV method so as to depreciate the initial cost down to the residual value over the estimated useful lives. Useful lives, components and residual amounts are reviewed annually.

In respect of an asset for which impairment loss is recognised, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

#### Impairment of non-financial assets

The carrying amounts of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An impairment loss will be recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to the present value by using weighted average cost of capital. A previously recognised impairment loss is further provided or reversed depending on changes in circumstances.

### 1.5 Intangible Asset

An intangible asset is recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably. The depreciable amount of an intangible asset is allocated over its estimated useful life. Expenditure on purchased software and IT related expenditure are written off over a period of three years.

### 1.6 Research and Development Expenditure

Research expenditure is recognised as an expense when it is incurred. Development costs are capitalised only after the technical and commercial feasibility of the asset for sale or use has been established. Thereafter, all directly attributable expenditure incurred to prepare the asset for its intended use are recognised as the cost of such assets.

### 1.7 Lease

#### As a Lessee:

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are initially measured at cost. The cost of right-

## NOTES TO FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31ST MARCH 2022 (Contd.)

of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, an estimate of costs to be incurred in dismantling and removing or restoring the underlying asset and lease payments made at or before the commencement date less any lease incentives received. After the commencement date, the Right of use assets are measured applying the Cost model. They are subsequently measured at cost, less any accumulated depreciation, adjustments for any remeasurement of the lease liabilities and impairment losses. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is re-measured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

#### As a Lessor:

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease. Operating lease payments are recognised

as an income in the Statement of Profit and Loss on a straight-line basis over the lease term, unless the receipt from lessee is structured to increase in line with expected general inflation and compensate for the lessor's expected inflation cost increase.

#### 1.8 Government Grants and subsidies

Government grants / subsidies are recognised when there is reasonable certainty that the same will be received. Revenue grants, if any granted by way of recoupment / reimbursement of any item of expenditure are recognised in the Statement of Profit and Loss by way of deduction from related item of expenses. Grants related to assets which are recognised in the Statement of Financial Position as deferred income, are recognised to the Statement of Profit and Loss on a systematic basis over the useful life of the related assets by netting off with the related expense.

#### 1.9 Inventories

##### Raw materials, stores and spare parts, fuel and packing material:

Raw materials, stores and spares and fuel and packing material are valued at lower of cost and net realisable value. Cost includes purchase price, other costs incurred in bringing the inventories to their present location and condition, and taxes for which credit is not available. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on FIFO basis.

##### Work-in-progress and finished goods:

Work-in-progress and finished goods are valued at lower of cost and net realisable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity, but excluding borrowing costs. Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

#### 1.10 Investments and other financial assets

##### Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost

The classification depends on the Company's business model for managing the financial assets and the contractual terms of cash flows.

# NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH 2022 (Contd.)

## Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

## Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into the following categories:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method.
- **Fair value through other comprehensive income (FVOCI):** Assets that are held for collections of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Interest income from these financial assets is included in other income using the effective interest rate method.
- **Fair value through profit or loss (FVTPL) :** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

## Equity instruments

The Company subsequently measures all equity investments (except subsidiary, associate and joint venture) at fair value through profit or loss. However, where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss.

## Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

## Derecognition of financial assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset, or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset.

### 1.11 Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

### 1.12 Cash and Cash equivalents

Cash and cash equivalents in the Balance Sheet comprise cash at bank and cash in hand, and demand deposits with Banks and other short-term highly liquid investments / deposits that are readily convertible into cash which are subject to insignificant risk of changes in value with an original maturity of three months or less.

### 1.13 Financial liabilities

#### Initial recognition and measurement

The Company recognises all the financial liabilities on initial recognition at fair value minus, in the case of a financial liability not at fair value through Profit or Loss, transaction costs that are directly attributable to the acquisition or issue of the financial liability.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

#### Subsequent measurement

All the financial liabilities are classified as subsequently measured at amortised cost, except for those measured at fair value through profit or loss.

#### De-recognition of financial liabilities

The Company de-recognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

### 1.14 Borrowing

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently

# NOTES TO FINANCIAL STATEMENTS

## FOR THE YEAR ENDED 31ST MARCH 2022 (Contd.)

measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

Borrowings are removed from the Statement of Financial Position when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income or finance costs.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

### 1.15 Borrowing Costs

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset is capitalised as part of cost of such asset till such time the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as expense in the period in which they are incurred. Borrowing cost includes exchange differences arising from relevant foreign currency borrowings to the extent that they are regarded as an adjustment to the interest cost.

### 1.16 Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

### 1.17 Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not

be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

### 1.18(A) Revenue Recognition

Sales are recognised when control of the products has transferred, domestic sales are accounted when the products are dispatched to the customers and export sales are accounted on the basis of bill of export/bill of lading. Delivery occurs when the product has been dispatched to the specific location and the risk of obsolescence / loss has been transferred and there is no unfulfilled obligation that could affect the buyer's acceptance of the product as per the terms of the contract and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

Revenue is recognised based on the price and as per terms specified in the contracts. Revenue is only recognised to the extent that it is highly probable that a significant reversal will not occur.

A receivable is recognised when the goods are dispatched as this is the point in time that the consideration is unconditional because only the passage of time is required before the payment is due.

### (B) Other Income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend income is recognised when right to receive is established (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

### 1.19 Employee benefits

#### (i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and

## NOTES TO FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31ST MARCH 2022 (Contd.)

are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Defined Contribution Plan

Retirement benefit in the form of Provident Fund is a defined contribution scheme and is charged to the Statement of Profit and Loss for the year when the contributions to the respective funds are due.

(iii) Defined Benefit Plan

Gratuity liability, being a defined benefit obligation, is provided for on the basis of an actuarial valuation on projected unit credit method as at the date of the Balance Sheet.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet.

(iv) Other Long-term benefits

Short term compensated absences are provided for based on estimates. Long term compensated absences are provided for based on actuarial valuation which is done as per projected unit credit method as at the date of the Balance Sheet.

#### 1.20 Taxation

Tax expenses comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax liabilities are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries, branches and associates and interest in joint arrangements where the Company is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries, branches and associates and interest in joint arrangements where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

The deferred tax in respect of temporary differences which originate during the tax holiday period and is likely to reverse during the tax holiday period, is not recognised to the extent income is subject to deduction during the tax holiday period as per the requirements of the Income Tax Act, 1961.

#### 1.21 Earnings per Share

Basic Earnings per Share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deductible preference dividend and attributable taxes) by the weighted number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, net profit or loss for the year attributable to equity share holders and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.

#### 1.22 Provisions and Contingencies

A Provision is recognised for a present obligation as a result of past events if it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be

## NOTES TO FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31ST MARCH 2022 (Contd.)

made. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense. Liabilities which are material and whose future outcome cannot be ascertained with reasonable certainty are treated as contingent and disclosed by way of notes to the accounts. Contingent assets are also disclosed by way of notes to the accounts.

#### 1.23 Segment Reporting

An operating segment is a component of the Company that engages in business activities from which it may

earn revenues and incur expenses, whose operating results are regularly reviewed by the Company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments.

#### 1.24 Dividends

Dividends paid (including dividend distribution tax thereon) is recognised in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by shareholders. The amount is recognised directly in other equity.

### 36. EMPLOYEES BENEFIT OBLIGATIONS

#### (i) Leave obligations

Under leave encashment scheme, the Company allows its employees to encash accumulated leave over and above thirty days at any time during the year. Hence, the entire amount of the provision is presented under current. However, based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months. The following amounts reflect leave that is not expected to be taken or paid within the next 12 months.

(₹ in Lakhs)

Particulars	31st March, 2022	31st March, 2021
Leave obligations not expected to be settled within the next 12 months	10.98	11.11

#### (ii) Post-employment obligations

##### a) Gratuity

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service is entitled to gratuity on terms not less than the provisions of The Payment of Gratuity Act, 1972.

- (i) The amounts recognised in the balance sheet and the movements in the net defined benefit obligation over the year are as follows:

#### (ii) Significant estimates: actuarial assumptions

The significant actuarial assumptions were as follows:

Particulars	31st March, 2022	31st March, 2021
Discount rate	7.10%	6.90%
Salary growth rate	6.00%	6.00%
Withdrawal rate	1% to 8%	1% to 8%
Mortality rate	IALM (2012-14) Table	IALM (2012-14) Table

#### (iii) Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

(₹ in Lakhs)				
Particulars	IMPACT ON DEFINED BENEFIT OBLIGATION			
	31st March, 2022		31st March, 2021	
	Increase	Decrease	Increase	Decrease
Discount rate (-/+ 1%)	56.74	67.76	53.31	64.17
Salary growth rate (-/+ 1%)	68.01	56.45	64.40	53.03
Withdrawal rate (-/+ 1%)	62.27	61.40	58.68	57.95

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

#### (iv) The major categories of plan assets

The defined benefit plans are not funded with any Insurance Company of India.

(₹ in Lakhs)		
Major Categories of Plan Assets as a percentage of total plan assets	31st March, 2022	31st March, 2021
Funds managed by Insurer	Nil	Nil

#### (v) Risk exposure

Through its defined benefit plans the Company is exposed to a number of risks, the most significant of which are detailed below:

## NOTES TO FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31ST MARCH 2022 (Contd.)

#### 36. EMPLOYEES BENEFIT OBLIGATIONS (Contd.)

##### Interest risk:

A decrease in the interest rate on plan assets will increase the plan liability.

##### Life expectancy:

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and at the end of the employment. An increase in the life expectancy of the plan participants will increase the plan liability.

##### Salary growth risk:

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. An increase in the salary of the plan participants will increase the plan liability.

##### (vi) Defined benefit liability and employer contributions

Expected contributions to post-employment benefits plans for the year ending 31st March, 2023 are ₹ 17.92 Lakhs.

The weighted average duration of the defined benefit obligation is 5.61 years (31st March, 2021 : 6.49 years). The expected maturity analysis of undiscounted gratuity is as follows:

Particulars	(₹ in Lakhs)		
	Less than a year	Between 2- 5 years	Over 5-10 years
<b>31st March, 2022</b>			
Defined benefit obligation (gratuity)	6.64	14.65	26.66
<b>Total</b>	<b>6.64</b>	<b>14.65</b>	<b>26.66</b>

Defined benefit obligation (gratuity)	5.93	4.74	24.63
<b>Total</b>	<b>5.93</b>	<b>4.74</b>	<b>24.63</b>

##### (iii) Provident Fund

Contribution towards provident fund are recomputed as expenses in the Statement of Profit and Loss. The Company has a defined contribution plan. Under the defined contribution plan, provident fund is contributed to the Government administered provident fund. The Company has no further contractual nor any constructive obligation, other than the contribution payable to the provident fund. The expense recognised during the period towards defined contribution plan is ₹ 17.26 Lakhs (as at 31st March, 2021 : ₹ 15.74 Lakhs)

#### 37. ASSETS PLEDGED AS SECURITY

### (i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

**Level 1:** Level 1 hierarchy includes financial instruments measured using quoted prices.

**Level 2:** The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

### (ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments is determined using discounted cash flow analysis.

### (iii) Fair value of financial assets and liabilities measured at amortised cost

(₹ in Lakhs)

<b>Total financial liabilities</b>	<b>80.64</b>	<b>80.64</b>	<b>163.56</b>	<b>163.56</b>

The carrying amounts of all other financial assets and financial liabilities are considered to be the same as their fair values, due to their short-term nature.

The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk. The carrying amounts of other borrowings with floating rate of interest are considered to be close to the fair value.

The fair values for financial instruments were calculated based on cash flows discounted using current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

## NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH 2022 (Contd.)

### 38. FINANCIAL INSTRUMENTS BY CATEGORY (Contd.)

#### Significant estimates

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. The Company uses its judgement to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period. For details of the key assumptions used and the impact of changes to these assumptions see (ii) above.

Notes :

-The Company does not face a significant liquidity risk with regard to its lease liabilities as the current assets are sufficient to meet the obligations related to lease liabilities as and when they fall due.

-The Company has recognised interest on lease liability of ₹ 4.39 Lakhs under Finance Costs (Previous year ₹ 4.58 Lakhs).

-The aggregate depreciation on ROU assets has been included under depreciation and amortisation expense in the Statement of Profit and Loss.

### 40. CAPITAL MANAGEMENT

#### Risk management

- The Company's objectives when managing capital are to:
    - safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
    - maintain an optimal capital structure to reduce the cost of capital
- In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.
- The amount mentioned under total equity in balance sheet is considered as Capital.
  - The Company does not have any externally imposed capital requirements.

### 41. FINANCIAL RISK MANAGEMENT

The Company's activities are exposed to a variety of financial risks: credit risk, liquidity risk and market risk (i.e. foreign currency risk, interest rate risk and price risk).

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk:

Sl. No.	Risk	Exposure arising from	Measurement	Management
A	Credit risk	Cash and cash equivalents, trade receivables and financial assets measured at amortised cost.	Ageing analysis	Diversification of customer base
B	Liquidity risk	Financial liabilities that are settled by delivering cash or another financial asset.	Cash flow forecasts	Projecting cash flows and considering the level of liquid assets necessary to meet the liabilities.

# NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH 2022 (Contd.)

## 41. FINANCIAL RISK MANAGEMENT (Contd.)

Sl. No.	Risk	Exposure arising from	Measurement	Management
C	Market risk – interest rate risk	Long-term borrowings at fixed rates	Sensitivity analysis	Portfolio of loan contains fixed interest loans from financial institutions.
D	Market risk – foreign exchange risk	Future commercial transactions and recognised financial assets & liabilities not denominated in Indian National Rupee (₹).	Cash flow forecasting Sensitivity analysis	Projecting cash flows and considering the forecast of fluctuation in exchange rates
E	Market risk – price risk	Investments in equity securities	Sensitivity analysis	Continuous monitoring the performance of investments

### (A) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

#### i) Trade receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and are generally carrying 30 days credit terms. Outstanding customer receivables are regularly monitored. The Company has no concentration of credit risk as the customer base is widely distributed both economically and geographically. The ageing of trade receivables as of balance sheet date is given below. The age analysis have been considered from the due date:

Particulars	(₹ in Lakhs)				
	Not due	Less than 6 months	6 months - 1 year	> 1 year	Net carrying amount of trade receivable
Trade receivable as on 31st March, 2022	3,996.50	811.07	1.63	-	4,809.20
Trade receivable as on 31st March, 2021	2,121.24	86.50	0.02	-	2,207.76

#### ii) Financial instruments and deposits

Credit risk from balances with banks and financial institutions is managed by the Company's finance department. For banks and financial institutions, only high rated banks/institutions are accepted.

Financial assets are considered to be of good quality and there is no significant credit risk. The Company's maximum exposure to credit risk for the components of the balance sheet at 31st March 2022 and 31st March 2021 is the carrying amounts as illustrated in Note no. 38.

### (B) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due. Due to the nature of the underlying business, the Company maintains sufficient cash and liquid investments available to meet its obligation.

Management monitors rolling forecasts of the Company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. The management also considers the cash flows projection and level of liquid assets necessary to meet these on a regular basis.

#### (i) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

Particulars	(₹ in Lakhs)	
	31st March, 2022	31st March, 2021

## 41. FINANCIAL RISK MANAGEMENT (Contd.)

The bank overdraft facilities may be drawn at any time and may be terminated by the bank without notice. Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time in ₹.

### Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all financial liabilities.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(₹ in Lakhs)

<b>Total financial liabilities</b>	<b>1,287.16</b>	<b>48.32</b>	<b>25.41</b>	<b>26.25</b>	<b>1,387.13</b>

### (C) Market risk – Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company's main interest rate risk arises from long-term borrowings with variable rates, which expose the Company to cash flow interest rate risk. During 31st March, 2022, the Company's borrowings at variable rate were mainly denominated in ₹.

The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

#### (a) Interest rate risk exposure

##### On Financial Liabilities:

The exposure of the Company's financial liabilities to interest rate risk is as follows:

(₹ in Lakhs)		
Particulars	31st March, 2022	31st March, 2021
Variable rate borrowings	5.59	347.80
Fixed rate borrowings	37.65	117.00
<b>Total borrowings</b>	<b>43.24</b>	<b>464.80</b>

#### (b) Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates as below:

Particulars	Impact on profit before tax	
	31st March, 2022	31st March, 2021
Interest expense rates – increase by 50 basis points (2021: 50 bps)*	(0.03)	(1.74)
Interest expense rates – decrease by 50 basis points (2021: 50 bps)*	0.03	1.74

\* Holding all other variables constant

# NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST MARCH 2022 (Contd.)

## (D) Market risk – Foreign currency risk

The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

Further foreign exchange risk also arises from future cash flow against foreign currency loan. The risk is measured through a forecast of highly probable foreign currency cash flows.

## (E) Market risk – Price risk

The risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer or by factors affecting all similar financial instruments traded in the market.

The Company's exposure to equity securities price risk arises from investments held by the Company in equity securities and classified in the Balance Sheet as at fair value through profit and loss. The Company has investment in quoted and unquoted equity securities. Investment is done in accordance with the limits set by the Company. The Company's Board of Directors reviews and approves all investment decisions.

## NOTES TO FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 31ST MARCH 2022 (Contd.)

Notes :

- (i) The sales to and purchases from related parties are made in the normal course of business and on terms equivalent to those that prevail in arm's length transactions.
- During the year, the Company has provided inter corporate loan to its related party which is repayable on demand and with rate of interest of 9%.
- (ii) Post-employment benefits and long-term employee benefits are determined on the basis of actuarial valuation for the Company as a whole and hence segregation is not available.

#### 43. CONTINGENT LIABILITIES & COMMITMENTS

Sl. No.	Particulars	(₹ in Lakhs)	
		As at 31st March, 2022	As at 31st March, 2021
(i)	Claims against the Company not acknowledged as debts - Excise / VAT / Income Tax matters etc.	1,851.32	1,851.32

Note: Based on legal opinion / decisions in similar cases, the Management believes that the Company has a fair chance of favorable decisions in cases mentioned here-in-above and hence no provision is considered necessary. The amounts shown above represent the possible estimates arrived at on the basis of available information. The uncertainties and timing of the cash flows are dependent on the outcome of different legal processes which have been invoked by the Company or the claimants, as the case may be and, therefore, cannot be estimated accurately. The Company does not expect any reimbursement in respect of above contingent liabilities.

- (a) On the basis of the direction of the High Court of Meghalaya dated 30th August, 2018 following the decision of the Supreme Court dated 10th November, 2017 passed in SRD Nutrients Private Limited Vs. Commissioner of Central Excise, Guwahati, Company has received a refund of Education Cess and Secondary & Higher Education Cess amounting to ₹ 112.04 Lakhs in earlier years. However, the Apex court vide its order dated 06th December, 2019 have taken a contrary view in the matter of M/s Unicorn Industries Vs Union of India and Others. Based on the later judgement a demand letter was raised by the department to refund back the amount granted. As the order dated 30th August, 2018, has attained its finality and the refund was granted accordingly, the Company has preferred a writ petition before the Meghalaya High Court against the above demand letter. Meghalaya High Court has stayed the said demand vide its order dated 16th June, 2020. The final hearing of the case is yet to be conducted before the Meghalaya High Court. Based on the legal advice obtained by the Company from External Counsel as well as its own assessment there is every likelihood that the said demand will be quashed and therefore no provision have been taken in the books of account.
- (b) In respect of demand notice dated 19th February, 2020 received by the Company from Director of Mineral Resources, Meghalaya, for payment of royalty, MEPRF, VAT/GST for ₹ 1,738.99 Lakhs in pursuance to the National Green Tribunal (NGT) order dated 17th January, 2020 passed in O.A. No. 110(TCH)/2012 for alleged illegal coal procurement. By passing the said order NGT has accepted the Recommendation of the 5th Interim Report of the Independent Committee set up by NGT, which has suggested imposition of penalty on Cement Companies and Thermal Power Plants in Meghalaya. The Company has not purchased any illegal coal and has complied with all disclosure requirements of the various Government Departments. The Report of NGT Committee has been founded on the basis of assumptions and views of the Committee and not on hard facts. Further to note that the Company has neither been issued a show-cause nor any opportunity of being heard was given to the Company before submitting the Interim reports by the Independent Committee to NGT. Even NGT has not served any notice on the Company before passing the impugned order dated 17th January, 2020 which is clear violation of principles of natural justice. The Company backed by the legal opinions, believes that it has a good case in the matter as the said order was issued based on certain hypothetical assumptions and views and not on hard facts. No opportunity of being heard was provided to the Company either by NGT committee or by NGT itself which passed order without going into the merits & facts and accepted the recommendations of 5th Interim Report. Therefore, there is every likelihood of the Demand Notice and the order of the NGT being set aside. The Company has preferred an appeal before the Supreme Court of India against the NGT Order which is pending, and accordingly, no provisions has been made in the accounts.

Requisite declarations have been received from the Directors for seeking appointment/ re-appointment.
8. The Board has not recommended any dividend for the year ended 31st March, 2022.
9. Pursuant to Regulation 12 of SEBI (LODR) payment of dividend, will be made only by electronic mode directly into the bank account of Members and no dividend warrants or demand drafts will be issued without bank particulars. Please submit bank details along with an original cancelled cheque or Xerox copy of the cheque to our Registrars in case you hold shares in physical form and to your Depository Participants in case shares held in demat. This will facilitate to make payment of dividend as per aforesaid Regulation as and when declared. Members holding shares in the physical form are requested to notify changes in address, email id, bank mandate and bank particulars, if any, under their signatures to M/s. Maheshwari Datamatics Private Limited, 23 R. N. Mukherjee Road, 5th Floor, Kolkata – 700001, the Registrars and Share Transfer Agents

(RTA) of the Company, quoting their Folio numbers. Members holding shares in electronic form may update such information with their respective Depository Participants.

10. As per the provisions of Section 72 of the Act and SEBI Circular, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/she may submit the same in ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website under Investor information at <http://shyamcenturyferrous.com/wp-content/uploads/2022/07/KYC-details-and-Nomination.pdf> and is also available on the website of the RTA at <https://www.mdpl.in/>. Members are requested to submit the said details to their Depository Participants in case the shares are held by them in dematerialised form and to the Company's Registrar and Share Transfer Agent ('RTA') in case the shares are held by them in physical form, quoting their folio number.
11. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company's RTA, the details of such folios together with the share certificates alongwith the requisite KYC documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialised form.
12. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.
13. Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone/mobile numbers, Permanent Account Number ('PAN'), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFS code, etc.,
  - **For shares held in electronic form:** to their Depository Participant only and not to the Company's RTA. Changes intimated to the Depository Participant will then be automatically reflected in the Company's records which will help the Company and its RTA provide efficient and better service to the Members.

- **For shares held in physical form:** to the Company's RTA in prescribed Form.

## EXPLANATORY STATEMENT

(Pursuant to section 102(1) of the Companies Act, 2013)

### Item No. 3:

The Board of Directors, on the recommendation of Audit Committee, has approved at their meeting held on 17th May, 2022, the appointment of M/s. B. G. Chowdhury & Co., Cost Accountants, (Firm Registration number 000064) as the Cost Auditor of the Company to conduct the Cost Audit of the Company for the Financial Year 2022-23 at a remuneration of ₹ 55,000 (Rupees Fifty Five Thousand only) plus applicable taxes and re-imbursalment of out of pocket expenses incurred in connection with cost audit, if any.

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014 and the Companies (Cost Records and Audit) Rules, 2014, (including any statutory modification(s) or re-enactment thereof, for the time being in force), the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company.

None of the Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution.

The Board recommends the Ordinary Resolution set out at Item No. 3 of the Notice for approval by the Shareholders.

### Item No. 4

Pursuant to Section 188 of the Companies Act, 2013 ('the Act'), read with the Companies (Meetings of Board and its Powers) Rules, 2014 ('Rules'), the Company is required to obtain consent of the Board of Directors and prior approval of the Members by way of ordinary resolution, in case certain transactions with related parties exceeds such sum as is specified in the Rules. The aforesaid provisions are not applicable in respect of transactions which are in the ordinary course of business and on arm's length basis.

Pursuant to Regulation 23 of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), prior approval of the Members through ordinary resolution is required for all related party transactions which are material, even if they are entered into, in the ordinary course of business and on arm's length basis. For this purpose, a transaction with a Related Party shall be considered 'material', if such transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceed ₹ 1,000 Crores or 10% of the annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower.

All the Related Party Transactions entered into by the Company are at arm's length basis and in the ordinary course of business and approval of the Audit Committee / Board is obtained, wherever required. In accordance with the change in materiality threshold and the Company's revised 'Policy on Related Party Transactions', the transactions proposed to be entered into by the Company with Meghalaya Power Limited, may qualify to be a Material Related Party transaction under Listing Regulations, hence approval of the Members by way of ordinary resolution is being sought.

The key details as required under Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014, including the information required to be disclosed in the Explanatory Statement pursuant to the SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated 22nd November, 2021, are as below:

<b>Any other information</b>	NIL

Except Mr. Pramod Kumar Shah, Director of the Company and his relatives, none of the Directors, Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the proposed resolution.

The Members may note that in terms of the provisions of the SEBI Listing Regulations, no Related Party shall vote to approve the Ordinary Resolution set forth at Item No. 4 of the Notice, whether the entity is a Related Party to the particular transaction or not.

The Board recommends the Ordinary Resolution set out at Item No. 4 of the Notice for approval of the shareholders.

#### Item No. 5

Pursuant to Section 188 of the Companies Act, 2013 ('the Act'), read with the Companies (Meetings of Board and its Powers) Rules, 2014 ('Rules'), the Company is required to obtain consent of the Board of Directors and prior approval of the Members by way of ordinary resolution, in case certain transactions with related parties exceeds such sum as is specified in the Rules. The aforesaid provisions are not applicable in respect of transactions which are in the ordinary course of business and on arm's length basis.

Pursuant to Regulation 23 of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), prior approval of the Members through ordinary resolution is required for all related party transactions which are material, even if they are entered into, in the ordinary course of business and on arm's length basis. For this purpose, a transaction with a Related Party shall be considered 'material', if such transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceed ₹ 1,000 Crore or 10% of the annual consolidated turnover of the Company as per the last audited financial statements of the Company, whichever is lower.

All the Related Party Transactions entered into by the Company are at arm's length basis and in the ordinary course of business and approval of the Audit Committee / Board is obtained, wherever required. In accordance with the change in materiality threshold and the Company's revised 'Policy on Related Party Transactions', the transactions proposed to be entered into by the Company with Star Cement Limited, may qualify to be a Material Related Party transaction under Listing Regulations, hence approval of the Members by way of ordinary resolution is being sought.
