- Impact of the "second wave" of COVID-19 pandemic has significantly reduced in India. The Government is opening up economic and social activities gradually after the second wave. However, there are significant chances of third wave of COVID-19 pandemic in India based on Government authority's estimation. The Government of India has ruled out a nationwide lockdown for now, but regional lockdowns are implemented in areas with a significant number of cases. Safety of our employees continues to be our key priority. We are encouraging the vaccination of our employees, providing flexible work options and adhering to COVID-19 guidelines. We are closely monitoring the situation and will continue to tak all necessary actions to ensure the health and safety of our employees.
- The Company has considered the possible effects that may result from COVID-19 in the preparation of these Standalone and Consolidated financial results including the recoverability of carrying amounts of financial and non-financial assets. Based on the current quarter performance and estimates arrived at using external and internal sources of information, the company does not expect any material impact on such carrying values. Given the uncertainty associated with its nature and duration, the impact of COVID-19 on the company's financial statement may differ from that estimated as at the date of approval of standalone and consolidated financial statements and it will continue to monitor any material changes to future economic conditions.
- The Code on Social Security 2020, relating to employee benefits during employment and post-employment benefits received the Presidential Assent on September-2020. The Code has been published in the Gazette of India. However, the date on which the Code will come into effect has not yet been notified and final rules / interpretations have not yet bee issued. The impact of the said code shall be assessed and accounted for once the relevant provisions are notified.
- The operations of the company are limited to one segment, namely Manufacturing and Sale of Chemicals, hence the segment wise disclosure requirements of Ind AS 108 or Operating Segment are not applicable to it.

June 30, 2021 and also on the financial statements of earlier years. 4. During the Year ended March 31, 2021, Edelweiss Asset Reconstruction Company ("EARC") has, without the consent of the Company, debited a total amount of ₹ 35,600 lakhs from the TRA account on various dates. In the absence of company's consent for such debit, the Company has provided the interest on borrowings after adjusting this amount in principal

The Company has raised objections to such withdrawals of ₹ 35,600 lakhs from the TRA account in light of Status quo issued by Hon'ble Supreme Court of India by their order dated March 6, 2020 and pending compliance of Interim Award dated December 17, 2019 passed by Arbitral Tribunal in the arbitration of GTL Limited and Company on GTL's claims., Hon'ble Delhi High Court in an appeal, filed against the said Interim Award by EARC, held by its Judgment dated November 18, 2020, while partially modifying the said Interim Award, that, monies subject to the said Interim Award are required to be held and earmarked in TRA Account maintained and controlled by Company's lenders and the said deposit shall remain subject to further orders to be passed by the learned Arbitral Tribunal. After the said Judgment dated November 18 2020, a Clarification Application was filed by EARC and the same was dismissed being misconceived. EARC has now filed a Review Petition and the same is pending

- 5. (a) As of June 30, 2021, 79.34% of Indian Rupee Debt of ₹ 322,625 Lakhs have been assigned in favour of Edelweiss Asset Reconstruction Company ("EARC") acting in its capacity as Trustee of EARC Trust-SC 338 vide assignment agreement executed in favour of EARC. The Company is contesting and pursuing legal proceedings to enforce Reserve Bank of India's Master Circular on "Prudential Norms on Income Recognition, Assets Classification and Provisioning Pertaining to Advances" dated July 1, 2015 ("IRAC") clause 6.4 (d) (ii) against remaining lenders before the Hon'ble Supreme Court. Pursuant to the same, the Company has not obtained balance confirmations from these lenders.
- (b) One of the remaining secured lenders, referred in note no. 5 (a) above, allegedly claiming ₹ 64,638 Lakhs has filed proceedings before the National Company Law Tribunal (the "NCLT") under Insolvency and Bankruptcy Code 2016 which has not been admitted so far.
- (c) The Hon'ble Supreme Court vide its order dated March 6, 2020 issued a notice and directed the lenders to maintain status quo in the abovementioned matters against which an application for early hearing and vacation of Status quo order has been filed by one of the lenders.
- The Company lost substantial number of tenancies in last few years, due to various events which were beyond management control, such as shutdown / exit of major telecom operators namely Aircel Group, Reliance Communications and Tata Tele, Business combination of Vodafone & Idea, Telenor & Airtel, recent AGR developments etc. These developments have resulted in reduction in the revenue and earnings resulting in erosion of Company's net worth and provision for impairment of property, plant and equipment. Further the Company has received notices of recall of loans from EARC and IDBI Bank claiming alleged default in terms of Master Restructuring Agreement dated December 31, 2011. The Company has strongly refuted the claims. Simultaneously, the Company is also discussing with
- The Company is optimistic that the proposed realignment of debt with Lenders in accordance with cash flows will be concluded in near future. In addition to the above, various resource optimization initiatives under taken by the Company, can lead to stabilization and revival. Shut down/exit of 12-14 telecom operators resulted into abandonment of more than 14,000 towers of the Company by them, making such towers unoccupied and loss of revenue towards the Infrastructure Provisioning Fees / Rental on such towers. In view of above, the rentals to landlords for those sites remained unpaid. During the quarter ended June 30, 2021, disgruntled landowners / miscreants dismantled 61 Sites (Previous quarter 1,014 Sites and Previous year 1,171 Sites) out of the above unoccupied sites. This has resulted into a loss of ₹ 1,374 Lakhs for the quarter ended June 30, 2021 (₹ 14,428 Lakhs for the previous quarter and ₹ 16,314 Lakhs for the previous year) which is included in other expenses in the above results. The passive infrastructure as well as active telecom operations are actively engaged in fulfilling the surge in demand arising out of the choice exercised by almost all industries to conduct their operations remotely. The Company is trying its best to keep the customer focus / network uptime humming. The Company continues to closely monitor the development and possible effects that may result from the current pandemic, on its financial condition, liquidity & operations and it is actively working to minimize the impact of this unprecedented situation
