Commenting on the results, Anuj Khanna Sohum, the MD and CEO of Affle said:

“As we commemorate the 3rd anniversary of our IPO on 08.08.22, we are elated to close yet another quarter of momentous growth having achieved our highest quarterly revenue run-rate ever in Q1 FY2023. We continued to leverage upon the market opportunity drawing significant moat from our entrepreneurial culture, tech innovations and sustainable value creation powered by Affle2.0 Consumer Platform Stack.

This quarter too witnessed the accelerated broad-based growth in ad spends powered by our unique ROI-linked CPCU business model, coming across our top industry verticals in India & International markets. During the quarter, Affle was awarded Data Protection Trustmark (DPTM) certification for a period of three years by IMDA Singapore, making us part of a selective group of companies that made it to the DPTM and is a significant validation of our Affle2.0 strategy. We further enhanced our platforms while penetrating deeper across both new and existing markets as well as further verticalizing our capabilities towards high-growth emerging industry verticals. We are a differentiated business fundamentally inspired to deliver deep tech powered futuristic use cases and innovation-led profitable growth, further augmenting our global market position.

We remain optimistic of the industry trends and committed to driving a sustainable business impact for all our stakeholders.”
