Press Release

GRANT OF PATENT “A FITTED SHEET WITH IMPROVED GRIPPING EFFECT”

BY THE PATENT OFFICE, GOVERNMENT OF INDIA

Ludhiana, India – February 07, 2024: Trident Limited has been granted a patent for “A Fitted Sheet with Improved Gripping Effect” by The Patent Office, Government of India.

The present invention comprises of a method for producing a fitted sheet which provides enhanced gripping at the corners of the sheet which can accommodate mattresses of varied thickness. With this patent, the company will deliver its Technofit technology which provides enhanced gripping, prevents seam ear, and do not deteriorate even after several washes.

The grant of this patent by the Indian Patent Office proves to be a major milestone in recognizing the advanced state-of-the-art innovations at Trident.

About Trident Limited:

Trident Limited stands as the flagship of the diversified Trident Group, a prominent Indian conglomerate with a global presence. Nestled in Ludhiana, Punjab, Trident Limited is a vertically integrated powerhouse, excelling in textile (Yarn, Bath & Bed Linen) and Paper (Wheat Straw-based) manufacturing. Globally recognized for its towels, yarns, bedsheets, and paper products, Trident is a key player in India’s home textiles sector.

As a pioneer in the industry, Trident has earned accolades for maintaining exceptional standards in product quality, social responsibility, and environmental stewardship. Founded by Padma Shri Rajinder Gupta during India’s economic liberalization, the company has evolved into a major player in Yarn, Home Textiles, Paper & Stationery, Chemicals, and Captive Power.

From humble beginnings in the early 1990s, Trident has transformed into a state-of-the-art, integrated home textile manufacturer. With manufacturing facilities in Barnala (Punjab), Dhaula (Punjab), and Budhni (Madhya Pradesh), Trident caters to a diverse customer base spanning over 100 countries.

Trident Group’s commitment to excellence is evident in its embrace of industrial revolutions like Digitization and Globalization. The company’s vision revolves around adding value to life and fostering global prosperity. With a focus on providing opportunities for growth, Trident actively engages in initiatives like Industrial revolutions, encouraging young minds to learn, grow, and achieve unparalleled success on a global scale.
