WFH Norms for SEZs Likely to be Eased

Details to be issued by end of week; standard operating procedures soon

Kirtika Suneja
@timesgroup.com

New Delhi: The government is likely to relax the work-from-home (WFH) rules for special economic zones (SEZ) to balance the conflicting interests of developers and information technology (IT) companies.

While developers want more people to work out of SEZs, IT companies have demanded complete flexibility in the model they want to adopt. The commerce and industry ministry is working on standard operating procedures that would require IT companies to submit names of the entire pool of employees that will work from home.

"The IT industry wanted a complete relaxation from rule 43(A) without any compliance and insisted on total self-declaration while the developers argued that 100% work from home would mean wastage of the infrastructure developed in SEZs," said an official.

The SEZ rules give companies the flexibility to allow a maximum of 50% of employees to work from home. "There were two weeks of intense negotiations between the parties and now internal discussions are on to simplify the processes," the official said, adding that details would be issued by the end of this week.

As per the official, the IT companies had raised another concern pertaining to the large employee turnover in the sector at present, which would make sharing the details of specific employees difficult.

"The WFH arrangement in SEZs is envisaged to be a flexi working environment for all the employees and any compliances to get the benefit will vitiate the ease of doing business for this sector," said Bipin Sapra, partner, EY India.

Last month, the commerce and industry ministry notified that 50% of

the total employees in units located in SEZs, including contractual workers, are allowed to work from home. As per the notification, IT companies were to submit within 90 days a list of employees who would work from home.

This submission should include the date from which the permission for work from home is to be utilized and the details of employees to be covered by such permission. The approved employees will be allowed to work from home for up to a year.

The development commissioner of the SEZ can allow more than 50% of employees to work from home only for genuine reasons. However, no relaxation is likely on the laptop issue as these get customs duty exemption, the official said.

Airlines to Furnish Flyers' Details to Customs 24 Hrs Before Departure

Will have to provide PNR, credit card and baggage details

Our Bureau

New Delhi: Aircraft operators will now have to furnish all travel-related information including date of travel, credit card details, and baggage information about passengers who are going to travel in and out of India at least 24 hours before their flight departure.

Non-adherence to these rules will attract a penalty between ₹25,000 and ₹50,000 for each act of non-compliance.

The Central Board of Indirect Taxes and Customs on Tuesday notified the Passenger Name Record Information Regulations 2022 that mandate aircraft operators to share certain information with the National Customs Targeting Centre-Passenger (NCTC-P). The NCTC-P will conduct risk analysis of passengers.

Officials said the regulation is in line with international best practices. "It is meant to improve risk profiling of passengers through advance information," a senior government official told ET.

Another official said the customs department will use the data for improved surveillance and risk assessment of flyers.

This data will also help the law enforcement agencies in India or any other country.

"When passenger name record information relates to any offence, under any law for the time being in force, at national or international level, the NCTC-P may share the relevant information on a case-to-case basis

Details needed for passengers travelling in and out of India

Operators to share info 24 hours before flight departure

Non-compliance to attract a penalty between ₹25,000 and ₹50,000

Info includes baggage, credit card details, travel itinerary

Regulation is in line with international best practices

with other law enforcement agencies or government departments of India or any other country," the regulation said.

The list of data which this passenger name record information will capture is exhaustive. It captures PNR, date of reservation and issue of ticket, payment/billing information including credit card, travel itinerary for specific PNR, baggage information, passport details to even frequent flyer and benefit information, travel agent and all historical changes to PNR.

"The PNR regulations would be an effective tool in curbing cross-border crimes," said Tanushree Roy, director-indirect tax at Nangia Andersen India.

The onus of timely collection and sharing information has been put on the airline operators. They will have to pay a penalty between ₹25,000 and ₹50,000 for each act of non-compliance. Experts say though the intent is to prevent any offence, the passenger details are sensitive information, and the government needs to protect the privacy of such data, which is susceptible to misuse.

Haryana Co-op Body to Sell 1LT Wheat in Open Market

Jayashree Bhosale
@timesgroup.com

Pune: Hafed (Haryana State Cooperative Supply and Marketing Federation), the apex cooperative federation of Haryana has decided to sell more than 1 lakh tonnes of wheat, it had procured in commercial operations in 2022-23 rabi marketing season (RMS), in the open market. The flour milling industry of the country had recently met the food secretary about the dwindling availability of wheat in the market.

The Centre has been taking a series of measures to control food inflation ahead of the festival season of Dussehra and Diwali. Domestic wheat prices have started moving up since July as a severe heat wave cut the country's wheat production, which unregulated exports reduced the domestic stocks.

प्लास्टर ऑफ पॅरीसच्या गणेशमूर्तींवर बंदी

सीमेवर कडक तपासणी करण्याची अबकारी खात्याची अधिसूचना

प्रतिनिधी
पणजी
गणेशमूर्ती गोव्यात आणण्यास सरकारने बंदी घातली असून त्यांची वाहतूक रोखण्यासाठी सीमेवर कडक तपासणी करावी, अशी अधिसूचना अबकारी खात्याने जारी केली आहे. गणेशचतुर्थी उत्सवाला गोव्यात महत्त्वाचे स्थान असून इतर राज्यातून गोव्याकडे पीओपी गणेशमूर्तींची आयात होण्याची शक्यता आहे. त्या मूर्ती पाण्यात विरघळत नाहीत उलट पर्यावरणाचा नाश होतो. शिवाय पाणीही प्रदूषित बनते. त्याचा परिणाम मानवी जीवनावर होतो, असे अधिसूचनेत म्हटले आहे. राज्याच्या सीमेवर असणाऱ्या चेकपोस्ट, आऊटपोस्टवर अबकारी खात्याच्या तालुका प्रमुख निरीक्षकांनी पाळत ठेवावी तसेच संशयित वाहनांची तपासणी करावी आणि पीओपी गणेशमूर्तींची वाहतूक रोखावी अशा सूचना करण्यात आल्या आहेत. पीओपी गणेशमूर्तींची वाहने गोव्यात येताना सापडली तर ती मूर्तीसह जप्त करावीत आणि पोलिसांच्या ताब्यात घावीत, असे निर्देश देण्यात आले आहेत. सदर अधिसूचना व आदेश जारी करण्यापूर्वी अनेक गणेशमूर्ती गोव्यात या आधीच पोहोचल्या असून त्यात पीओपी मूर्ती असू शकतात.

पणजीतील संजय सरमळकर यांनी गोवा मानवी हक्क आयोगाकडे वरील विषयासंबंधी ७ जुलै २०२१ रोजी तक्रार केली होती. या तक्रारीत उत्तर गोवा जिल्हाधिकारी तसेच पणजी महानगर पालिकेच्या आयुक्तांना प्रतिवादा केले होते. तक्रारीच्या अनुषंगाने आयोगाने वरील दोन्ही प्रतिवादांना नोटीस पाठवून त्याचे म्हणणे सादर करण्याचे निर्देश दिले होते. जिल्हाधिकाऱ्यांनी २५ ऑगस्ट २०२१ रोजी तर

महानगर आयुक्तानी २९ ऑक्टोबर २०२१ आपले म्हणणे आयोगाला सादर केले. गोव्यात इतर शहरात पे पार्किंग फी आकारण्यात येत नाही. फक्त पणजी शहरातच फी आकारण्यात येते हा या तक्रारीचा

आशय होता. दोन्ही पक्षांचा युक्तिवाद ऐकून घेतल्यानंतर या प्रकरणात तक्रारदाराच्या मानवी हक्काची पायमल्ली केली नसल्याचे राज्य मानवी हक्क आयोगाने आदेश देत म्हटले आहे.
