Sub: - Impact of COVID-19 Pandemic on the Company's Business Operations

Ref: Disclosure under Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/84 dated May 20, 2020.

Dear Sir/Ma'am,

The COVID-19 pandemic and the consequent lockdown restrictions imposed by the Central and State Governments has impacted business in general. In view of the same it is important that all the information about the impact of these events on the Company and its operations are made available to various stakeholders.

Pursuant to Regulation 30 of Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. In reference to the SEBI Circular No SEBI/HO/CFD/CMD1/CIR/P/2020/84 dated May 20, 2020, the updates regarding the impact of COVID - 19 are as follows:

Impact of the COVID-19 pandemic on the business :

Due to sudden outbreak of COVID-19 and complete lockdown since 24th March, 2020 we had to keep our office completely closed till 4th May, 2020. However, we continued work from home to the extent possible. Since we have most of the Rajasthan Govt. projects like E -Governance and learning projects and at the same time we have requisite infrastructure facilities to carry such projects, we did not face any material impact on such projects.

Swatiya

However, our export division had to face significant impact due to cancellation of overseas projects. Some Government tenders which were under pipeline got postponed adversely affecting our order book. Our under-construction hotel project has also suffered set back due to shortage of materials and labor at site. This will consequently affect completion schedule of our hotel project. No payment received from the State govt. which was due to be received in March, 2020.

Kindly take the same on record.

Thanking You,

For Compucom Software Limited
