Expanding Horizons: SHREEJI welcomes Trukish Airlines Inc as a valued client

Vashi, Navi Mumbai, 8th January, 2024: Shreeji Translogistics Limited (STL), a diversified end-to end logistics service provider which has grown to become one of the large integrated national logistical solution providers in India, has successfully signed a new contract with Turkish Airlines Inc, marking a significant milestone in its journey of expansion and growth.

- STL is excited to announce that it has secured a new contract with Turkish Airlines Inc, (Turkish Cargo) a renowned name in aviation industry known for its commitment to passenger and cargo transportation which raises the bar to a higher level of air cargo transportation.
- STL demonstrates its commitment to delivering innovative and reliable logistics services and further solidifies its reputation as a reliable and dedicated partner.
- By adding this prominent client to its portfolio, STL is poised to broaden its presence and enhance its capabilities within the logistics industry.

Commenting on the announcement, the Management team of *Shreeji Translogistics Limited*, stated:

“We are pleased to welcome Turkish Airlines Inc, one of the fastest growing air cargo brand worldwide, as our valuable client. This business relationship stands as a clear testament to STL's unwavering dedication in delivering customer-centric and value-added logistics services. Our continuous efforts have paid off, and we are delighted to embark on this journey with such a reputable and global company.

The relationship between STL and Turkish Cargo is set to bring mutual benefits to both parties, and we anticipate a long and successful alliance. This significant client win is expected to generate better yields, reinforcing our position as a trusted player in the air cargo industry which will further strengthen our market presence.

Further, we take pride in our capacity to adapt to the ever-evolving demands of the market and remain steadfast in our pursuit of delivering exceptional results for our valued customers. With this client win, we are optimistic about seizing the opportunities that lie ahead in the air cargo industry and continue to achieve sustainable growth with our infrastructure and operational capabilities thereby meeting the expectations of our esteemed clients.

About Shreeji Translogistics Limited.

Shreeji Translogistics Limited (STL) was incorporated in 1984, headquartered in Vashi, Navi Mumbai. The Company is engaged in freight management, logistic solutions, and warehousing services. It caters a range of logistical requirements from Over Dimensional Cargo (ODC) movement to bonded trucking movements. The various types of services provided by the Company include full truck load transport services (FTL), parcel and part truck load services/ less than truck load (LTL), import-export services and ODC services. It operates different types of trucks based on design and size along with varying capacities. Its container trucks are used for transportation of parcels, white goods, and consumer packaged goods (FMCG). The Company's platform trucks are mainly used for import-export containers and also for transportation of heavy-duty goods like automotive parts and machineries. It owns and operates a fleet of around 300 owned trucks and more than 4,500 outsourced trucks. STL is led by a team of seasoned professionals with robust experience in the logistics sector.
