In view of the above, members are advised to dematerialise shares held by them in physical form.

17. Voting through Electronic Means

a) In compliance with the provisions of Regulation 44 of the Securities and Exchange Board of India (Listing Obligations And Disclosure Requirements) Regulations, 2015 and Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rule 2014 as amended by the Companies (Management and Administration) Amendment Rules 2015, the Company is offering e-voting facility to all its Members to enable them to exercise their right to vote on all matters listed in this Notice of 33rd AGM by electronic means and the business may be transacted through e-voting services. The facility of casting votes by the members using an electronic voting system from a place other than venue of the AGM ('remote e-voting') will be provided by Central Depository Services (India) Limited (CDSL).

b) The facility for voting through ballot paper or polling paper shall be made available at the AGM venue also and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot/ Polling paper.

c) The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.

For this purpose, the Company has entered into an Agreement with Central Depository Services (India) Limited (CDSL) for facilitating e-voting.

d) The voting period begins on Friday, 20th September 2024 at 9.00 am and ends on

Sunday, 22nd, September 2024 at 5.00 pm. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 16th September 2024 may cast their vote electronically. The e-voting which they module shall be disabled by CDSL for voting thereafter.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

Step 1 : Access through Depositories CDSL/ NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

(i) The voting period begins on Friday, 20th September 2024 at 9.00 am and ends on Sunday 22nd, September 2024 at 5.00 pm. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Monday September 16, 2024, may cast their vote electronically. The e-voting which they module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote

e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/ NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

5. The contract to be entered on the prevailing market conditions hence on arm's length basis but exceeding the 10% of annual turnover of the company therefore contract is considered as a material in nature. The above contract/agreement was approved by the audit committee and board of directors at their meetings held on 12th August, 2024.

The related party transactions will be in line with the Company's Policy on Materiality of and Dealing with Related Party Transactions. These transactions will be on an arm's length basis and in the ordinary course of business. The related party transactions will be supported by the Valuation Report of an Independent valuer, wherever necessary.

Arms' Length Basis:

The Company ensures that the related party transactions are done on arms' length basis which are established taking into account various factors including comparable with unrelated parties or on cost plus reasonable margin basis or market price basis, where available, or certified by any independent agency.

6. Based on the nature of the transaction, advance for part or full amount of the transaction/ arrangement could be paid in the ordinary course of business.

As per the process, necessary details for each of the Related Party Transactions as applicable along with the justification are provided to the Audit Committee in terms of the Company's Policy on Materiality of and Dealing with Related Party Transactions and as required under SEBI Circular(s). Further,

a Certificate from the Managing Director & Chief Executive Officer and Group Chief Financial Officer of the Company confirming that the Related Party Transactions are in the ordinary course of business of the Company and on an arm's length basis is also placed before the Audit Committee.

The Related Party Transactions placed for Members' approval shall also be reviewed/monitored on quarterly basis by the Audit Committee of the Company as per Regulation 23 of the Listing Regulations and section 177 of the Companies Act, 2013 and shall remain within the proposed amount(s) being placed before the Members.

Any subsequent material modifications in the proposed transactions, as defined by the Audit Committee as a part of the Company's Policy on Materiality of and Dealing with Related Party Transactions, shall be placed before the Members for approval, in terms of Regulation 23(4) of the Listing Regulations.

As per second proviso to section 188 (1) of the Companies Act 2013, if any member is a related party in any contract or arrangement, then that party shall not vote in the resolution, wherein such contract or arrangement is considered for approval. Therefore, Ms. Deepa Agarwal, Director of the company and their relatives and associates will not vote on the above resolution.

Except above, none of the other Directors, Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested in the said Resolution.

The Board recommends the Ordinary Resolution set out in **Item No.6** of the Notice for approval by the shareholders.

Item no. 7

OPERATIONS:

During the year under review, the paper division produced 12804.205 MT. of Kraft Paper as against 10936.740 MT in the previous year.

The company has achieved sales of Rs.

3607.72 lakhs as compared to Rs. 4344.89 lakhs in the previous year.

The company has installed a new boiler of six tons per hour capacity which was commissioned in the month of June 2023. The company is saving substantial power & fuel after the commissioning the new boiler.

The company has replaced the old wire parts with new wire parts. The new wire part machinery is commissioned in the month of June 2023. This has improved the quality & increased productivity.

PROSPECTS:

The company has a well-established network of dealers all over western and southern India for sale of its paper products. The Company is continually working to strengthen this network and to get new orders for Kraft paper. The Company could sell its entire output without any difficulty. The Company produces a wide range of Kraft paper from 80 gsm to 180 gsm, to meet the requirements of all the segments.

The market for Kraft paper has revived and is growing, especially in the industrial packaging sector where Kraft paper is utilized. Plastic / wood packaging has been discouraged and hence the demand for packaging of Kraft paper is increasing day by day.

RESERVE AND SURPLUS

The amount of Rs. 150.31/- lakhs is proposed to be retained in the surplus:

STATEMENT ON RISK MANAGEMENT POLICY:

The management of the Company has duly adopted the Risk Management Policy as per the requirement of the Companies Act, 2013. Further, they took adequate care in its implementation by identifying various elements of risk which may cause a serious threat to the existence of the Company.

DIVIDEND:

In view of the small profit and carried forward

losses of the Company, it is not possible for your directors to recommend any dividend.

4. Nomination and Remuneration Committee

In accordance with the amended regulation 19 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 178 of the Companies Act, 2013, Company has constituted the Nomination and Remuneration Committee in its board meeting dated 14.11.2014. The committee comprises one executive and two non-executive independent directors on the committee.

Terms of Reference

- To formulate criteria for determining qualifications, positive attributes and independence of a director.
- To formulate criteria for evaluation of Independent Directors and the Board.
- To identify people who are qualified to become Directors and who may be appointed to Senior Management in accordance with the criteria laid down in this policy.
- To carry out evaluation of Director's performance.
- To recommend to the Board the appointment and removal of Directors and Senior Management.
- To recommend to the Board policy relating to remuneration for Directors, Key Managerial Personnel and Senior Management.
- To devise a policy on Board diversity, composition, size.

Remuneration policy-

This Nomination and Remuneration Policy is being formulated in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and pursuant to regulations of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time. This policy on nomination and remuneration of Directors, Key Managerial Personnel and Senior Management has been formulated by the Nomination and Remuneration Committee (NRC or the Committee) and has been approved by the Board of Directors and is available on company's website on link – www.kaypowerandpaper.com

Mechanism for evaluating Board members:

One of the key functions of the Board is to monitor and review the board evaluation framework. The Board works with the nomination and remuneration committee to lay down the evaluation criteria for the performance of executive / non-executive / independent directors through a peer-evaluation excluding the director being evaluated through a Board effectiveness survey. The questionnaire of the survey is a key part of the process of reviewing the functioning and effectiveness of the Board and for identifying possible paths for improvement. Each Board member is requested to evaluate the effectiveness of the Board dynamics and relationships, information flow, decision-making of the directors, relationship to stakeholders, company performance, company strategy, and the effectiveness of the whole Board and its various committees on a scale of one to five. Feedback from each director is encouraged to be provided as part of the survey.

Independent directors have three key roles – governance, control and guidance. Some of the performance indicators based on which the Independent Directors are evaluated include:

- Ability to contribute to and monitor our corporate governance practices
- Ability to contribute by introducing international best practices to address top-management issues.
- Active participation in long-term strategic planning
- Commitment to the fulfillment of a director's obligations and fiduciary responsibilities; these include participation in Board and committee meetings.

The members of Nomination and remuneration committee as follows:

Name of the members	Status

ANNEXURE V**MANAGEMENT AND DISCUSSION AND ANALYSIS REPORT****INDUSTRY STRUCTURE AND DEVELOPMENT**

The rapid growth of the packaging industry in India is a significant driver for the Kraft paper market. The increased demand for packaged food, beverages, e-commerce, pharmaceuticals, and other consumer goods fuels the need for Kraft paper packaging solutions. Additionally, the rise of e-commerce in India has led to a surge in online shopping and package deliveries. Kraft paper is extensively used for packaging products sold online due to its strength, durability, and cost-effectiveness. Besides this, India's industrial and manufacturing sectors, including cement, textiles, FMCG, and electronics, require packaging materials like Kraft paper for transportation, storage, and protection of goods. The expansion of these sectors accelerates the adoption of Kraft paper. In line with this, the shift from traditional mom-and-pop stores to organized retail formats like supermarkets and hypermarkets increases the demand for attractive and functional packaging. Kraft paper is preferred for its natural and rustic appeal, making it a popular choice for packaging in organized retail stores. Other than this, India is a major exporter of various goods, including textiles, handicrafts, and pharmaceuticals. These industries require robust packaging materials like Kraft paper to ensure the safe transportation of products. As a result, the increasing export opportunities contribute to the demand for Kraft paper. Moreover, the government of India has implemented various policies and initiatives to boost domestic manufacturing, promote sustainable packaging, and reduce plastic waste. These initiatives are expected to create a favorable market outlook. Looking forward, the market value is projected to reach 15.6 million Tons by 2028, expanding at a CAGR of 8.9% during 2023-2028.

The paper industry can be classified into 4 categories namely, paperboard and industrial packaging paper, writing and printing papers, newsprint, and specialty papers. Kay Power and Paper Ltd is a paper mill which is strategically located at Satara and is manufacturing Kraft paper using Indian and imported wastepaper. Kraft paper has the largest consumption (52.5%) in the paperboard and industrial packaging market in India.

The investments would create a multiplier effect on the economy through gross capital formation of Rs 8,500-crore every year, direct employment to 15,000 people every year and further giving additional livelihoods of 72-million men days per year (for people involved in Agro/ farm forestry).

While the industry has already made significant capital investments to ramp-up capacities, the gestation period is long, and the economic viability of the investments has been impacted significantly by raw material shortage and rising imports.

Over the years the company has focused on stringent quality measures, which help meet all our customers' needs. Our focus on quality has helped us to build strong relationships with customers and eliminated supplementary costs.

OPPORTUNITIES AND THREATS:

The growing usage of compostable and sustainable packaging materials owing to the increasing awareness regarding the detrimental impact of plastic and other non-biodegradable variants is primarily propelling the growth of the Indian kraft paper market. In addition to this, the elevating use of kraft paper in gift wrapping, events, weddings, etc., due to its colorful creativity, aesthetic appeal, and textured properties, is also fueling the market growth. Furthermore, the escalating demand for highly technical saturated kraft paper in

the construction sector to meet unique needs related to countertop, partition, and flooring applications is acting as another significant growth-inducing factor. Apart from this, the expanding utilization of kraft paper in the e-commerce industry for packaging solutions on account of various associated benefits, such as folding resistance, toughness, and high-strength compression performance, is further augmenting the market growth. Moreover, the rising focus of the Indian government authorities on banning the use of plastics is also creating a positive outlook for the kraft paper market across the country. For instance, in June 2022, the Central Pollution Control Board (CPCB), a federal agency under the Ministry of Environment, issued a list of steps to be taken to prohibit the use of specific single-use plastic products. Numerous other factors, such as the inflating popularity of kraft paper in the printing and publication sectors and the introduction of advanced packaging solutions, including stand-up pouches, zipper pouches, etc., are anticipated to stimulate the Indian kraft paper market over the forecasted period.

The talking about the challenges in this sector, following are some of challenges in this sector.

Raw Material Availability, Quality and Cost

2. Energy Efficiency and Sustainability

The paper manufacturing process requires substantial energy consumption. To address energy efficiency and sustainability challenges, companies should invest in optimizing their energy usage. Implementing modern, energy-efficient technologies and adopting renewable energy sources can reduce environmental impact while cutting operational costs.

3. Technological Advancements

Keeping up with the technological advancements is vital for staying competitive in the paper industry. Failure to adapt to new technologies can result in inefficiencies and higher production costs. To overcome this challenge, paper

manufacturers should stay informed about emerging technologies. Investing in automation, data analytics, and process optimization tools can enhance operational efficiency and product quality.

4. Environmental Concerns

One of the foremost challenges faced by the paper industry is addressing environmental concerns. Paper production often involves the consumption of vast quantities of natural resources, including water and energy. Furthermore, deforestation for raw materials can lead to ecological imbalances.

To address this issue, paper manufacturers should focus on sustainable practices. Embracing technologies that reduce water and energy consumption, implementing responsible forestry practices, and adopting recycling initiatives can help mitigate environmental concerns.

5. Global Competition

Globalization has intensified competition within the paper industry. Manufacturers must find ways to differentiate themselves in a crowded market.

To tackle this challenge, collaboration and knowledge sharing are essential. Partnerships with research institutions and industry peers can lead to innovative solutions and a competitive edge.

6. Quality Control

Maintaining consistent product quality is crucial in the paper industry. Variations in quality can lead to customer dissatisfaction and increased costs.

Implementing stringent quality control measures and continuous monitoring can help ensure that products meet or exceed industry standards.

7. Regulatory Compliance

Stringent environmental regulations and standards require paper manufacturers to meet specific compliance requirements. Non-compliance can result in fines and reputational damage.

Investing in compliance management systems and staying up-to-date with changing regulations is vital for addressing this challenge.

8. Changing Consumer Preferences

Consumer preferences are evolving, with a growing demand for sustainable and eco-friendly products. Paper manufacturers should adapt by incorporating environmentally friendly practices and materials.

SEGMENT-WISE OR PRODUCT WISE PERFORMANCE

The company has paper division only. The company has a well-established network of dealers all over western and southern India for sale of its paper products and is continually working to strengthen the network and to get the new orders for Karft paper. The Company could sell its entire output without any difficulty. The Company produces a wide range of Kraft paper from 80 gsm to 180 gsm, to meet the requirements of all the market segments.

REVIEW OF PERFORMANCE

During the year, the Company's Sales and other operating income were Rs. 3866.99 lakhs. The management of the Company is engaged in improving the performance further.

STRATEGIES

The company is continuously increasing its quality of paper as per the requirement in the market and to compete with other market players. Further the company has been adopting the latest technology to produce various grades of paper in the plant. During the year the company has supplied the highest quality of Kraft paper to the customers and our customer base is increasing day by day.

OUTLOOK, RISK AND CONCERN MANAGEMENT PERCEIVES

The Paper Industry is understood to be cyclical in nature and its performance depends on global pulp and paper demand supply situation. However, given the growth potential, outlook of the paper industry is promising.

Considering the positive outlook the company is ready to face new challenges.

The company is deriving its revenue from paper/paperboard manufacturing. The availability of raw material and rates of raw material due to competition among the related paper mills are matters of concern.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The company has an adequate system of internal control to safeguard and protect against loss, unauthorized use or disposition of its assets. All the transactions are properly authorized, recorded and reported to the management, the company is following all the applicable accounting standards for properly maintaining the books of accounts and reporting financial statement. The company has appointed an independent firm of Chartered Accountants to conduct an internal audit. The Audit Reports are reviewed by the Management and the Audit committee of the Board from time to time

HUMAN RESOURCE DEVELOPMENT/ INDUSTRIAL RELATIONS

The Company follows fair 'human resource' practices providing equal opportunity to all its employees. The policy includes on the job training, progressive and performance driven remuneration, talent retention and some work-life balance programs. The Company believes in offering full opportunity for growth to employees demonstrating a positive attitude and initiative to accept challenges and responsibility.

The company has drawn a specific program to improve the skill of the workers to rationalize the manpower. Further it is providing necessary training to the manpower. There is continuous interaction between the management and employees. The number of people employed during the year was 52.

FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE.

Financial performance with respect to

operational performance is explained in detail in the beginning of the Directors' Report. The management is making continuous efforts to improve its financial and operational performance.

There were significant changes in the following ratios (i.e. change of 25% or more as compared to the previous financial year) during the financial year 2023-24 compared to immediately previous financial year.

Sr. No.	Ratio	Unit of Measurement	31st March, 2024	31st March, 2023	Change (+) Increased and (-) decreased	Reasons for change
1	Debtors Turnover	In days	25	23	0.12	Mainly due to decrease in sales as compared to the last year
2	Inventory Turnover	In days	27	42	0.36	Mainly due to decrease in sales as compared to the last year

AUDITORS' REPORT**TO MEMBERS OF KAY POWER AND PAPER LIMITED****REPORT ON AUDIT OF THE STANDALONE FINANCIAL STATEMENTS**

We have audited the standalone financial statements of Kay Power and Paper Limited (“the Company”), which comprise the balance sheet as at 31st March 2024, and the statement of Profit and Loss, Statement of changes in equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its profit, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other

ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

OTHER INFORMATION

The Company’s Board of Directors is responsible for the other information. The other information comprises the information included in the Directors Report to the members and Annexures thereto, Report on Corporate Governance, Management Discussion and Analysis, but does not include the Standalone Financial Statements and our auditor’s report thereon. Our opinion on Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial statements or our knowledge obtained in the audit or otherwise appear to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial

controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on

our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A, statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit and Loss, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

- (d) In our opinion, financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act except Ind AS 19 regarding 'Employee Benefits' on account of non-provision for liability towards post-employment defined benefit plans like gratuity payable to employees as described in the Note 2(k) of Notes to accounts.
- (e) On the basis of written representations received from the directors as on March 31, 2024 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of sub-section (2) of Section 164 of the Companies Act, 2013
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure B;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company did not have any pending litigation as on March 31, 2024 having material impact on its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as on March 31, 2024.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended on March 31, 2024.
 - iv. a. The management has represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entities ("intermediaries") with the understanding whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security, or the like on behalf of the Ultimate Beneficiaries.
 - b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the company from any person or entity including

explanations given by the management of the company we have not come across any whistle-blower complaints during the year.

- xii. The company is not a Nidhi Company. Therefore, the provisions of clause 3(xii) of the order are not applicable to the company.
- xiii. Based upon the audit procedure performed and the information and explanations given by the management of the company, all transactions with the related parties are in compliance with sections 177 and 188 of Companies Act wherever applicable.
- xiv. Even though the company has not appointed external 'internal auditor', the company has an in-house internal audit system, which in our opinion, commensurate with the size and nature of its business. No material deficiency was observed during internal audit
- xv. According to information and explanations given to us, in our opinion, during the year under audit, the company has not entered into any non-cash transactions with directors or persons connected with him as such, the provisions of section 192 of Companies Act have been complied with.
- xvi. In our opinion, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) as the nature of the business is not of banking and finance and therefore provisions of clause 3(xvi) of the order are not applicable to the company.
- xvii. The company has not incurred any cash losses in the financial year and in the immediately preceding financial year.
- xviii. No statutory auditor has resigned during the year, as such this clause is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any

material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

- xx. According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company is not liable to spend amount as specified under section-135 of the act, in pursuance of its corporate social responsibility policy.
- xxi. The company is not required to prepare consolidated financial statements and hence clause 3(xxi) of the Order regarding qualifications or adverse remarks by the auditors of the companies included in the consolidated financial statements is not applicable.

Annexure - B to the Auditors' Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Kay Power and Paper Limited ("the Company") as of 31 March 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that

we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company

are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2024 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company's manufacturing facilities is located at Village Borgaon, Satara.

The Company is public limited company and is listed on the Bombay Stock Exchange (BSE)

2. Summary of Material Accounting Policies**a. Basis of preparation****Statement of Compliance**

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016, as amended from time to time.

Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is

recognised prospectively in current and future periods.

Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest Lakhs (up to two decimals).

b. Critical accounting estimates and management judgments

In application of the accounting policies, which are described in note 2, the management of the Company is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and assumptions are based on historical experience and other factors that are considered to be relevant.

- c.** Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either, in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the standalone

**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024**

financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1- Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable;
- Level 3- Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

d. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is current when it is:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within the operating cycle or twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within the operating cycle or twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Operating cycle of the Company is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. The Company's normal operating is assumed to be twelve months.

e. Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company has concluded that it is the principal in all of its revenue arrangements since it is the primary obligor in all the revenue arrangements as it has pricing latitude and is also exposed to inventory and credit risks

The specific recognition criteria described below must also be met before revenue is recognised.

Sale of goods:

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns.

GST tax is excluded from revenue.

Interest income

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable. Interest income is included in other income in the statement of profit and loss.

d. Government Grant

Grants from the government are recognised at their fair value where there is a reasonable

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024

assurance that the grant will be received and the Company will comply with all attached conditions. Government grants relating to income are deferred and recognised in the Statement of Profit and Loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

e. Property, plant and equipment

Property, plant and equipment, Capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Such cost includes the cost of replacing part of the property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the property, plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in statement of profit or loss as incurred. No decommissioning liabilities are expected or be incurred on the assets of plant and equipment.

Depreciation on Fixed Assets has been provided at the useful lives provided in Schedule II to the Companies Act, 2013 for SLM method on the original cost of the assets. No depreciation on remaining assets of Power Division is charged as power division was not functional and assets in power division remained idle for the whole year. Depreciation on Fixed Assets of Paper Division is charged for the whole year. Depreciation on addition to Fixed Assets is charged on pro-rata basis from date on which asset is put to use.

Intangible Assets

Computer software

Costs associated with maintaining software

programmes are recognised as an expense as incurred. Separately acquired software are recorded as intangible assets and amortised from the point at which the asset is available for use. Useful life of computer software is estimated at 3 years.

f. Inventory

Inventory comprises of stock of raw material, completed products for sale and work-in-progress. Inventory is valued at cost or net realizable value whichever is lower.

g. Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds.

h. Taxes

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss of the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rate enacted or substantially enacted at the reporting date.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognised for deductible temporary differences, the carry forward of unused tax credits and any unused tax losses to the extent that it is probable that taxable profit will be available against which those can be utilised. The differed tax assets are not recognized in the year as there is lack of reasonable certainty that sufficient taxable

**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024**

profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognised deferred tax assets are re-assessed at each reporting date and will be recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

i. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

j. Provisions and Contingent liability

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Contingent liabilities are disclosed in the Notes. Contingent liabilities are disclosed for

- i. possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- ii. present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made

k. Employee benefits**Short-term obligations**

Short-term employee benefits are expensed as the related service is provided. Liabilities for wages and salaries, including non-monetary

benefits that are expected to be settled wholly within one year after the end of the period in which the employees render the related service are the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Post-employment obligations

The Company operates the following post-employment schemes:

- i. defined benefit plans such as gratuity and
- ii. defined contribution plans such as provident fund

Defined benefit plans

The liability for defined benefit obligation towards gratuity is recognised in the year of payment and in view of the heavy accumulated losses and due to the small eligible staff strength, no actuarial working is taken to avoid extra expenditure for it. The liability or asset in respect of defined benefit gratuity plans is not recognised in the balance sheet..

Defined contribution plans

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due.

I. Financial instruments**Financial assets****Initial recognition and measurement****All financial assets are recognised initially at fair value**

The classification depends on the Company's business model for managing the financial asset and the contractual terms of the cash flows. The Company classifies its financial assets in the

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024

following measurement categories:

- i. those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss),
- ii. those measured at amortised cost, and

Subsequent measurement

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. All other financial assets are measured at amortised cost, using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss.

Impairment of financial assets

The Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss financial assets that are not fair valued.

The Company follows 'simplified approach' for recognition of impairment loss for trade receivables and lease receivables resulting from transactions within the scope of Ind AS 17 that have no significant financing component. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized, is recognized under the head 'other expenses' in the statement of profit and loss. The Company does not have any purchased or originated credit-impaired (POCI) financial assets, i.e., financial assets which are credit impaired on purchase/ origination.

De-recognition of financial assets

The Company derecognizes a financial asset when –

- i. the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under IND AS 109.
- ii. it retains contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

When the entity has neither transferred a financial asset nor retained substantially all risks and rewards of ownership of the financial asset, the financial asset is de-recognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to extent of continuing involvement in the financial asset.

Financial liabilities

Initial recognition

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification, as described below:

Trade and other payables

These amounts represent liabilities for goods

**NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2024**

and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within one year after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the group has an unconditional right to defer settlement of the liability for at least one year after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability

becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

m. Earnings per share

The basic earnings per share is computed by dividing the net profit for the year attributable equity shareholders by the weighted average number of equity shares outstanding during the period. The Company does not have any potential equity share or warrant outstanding for the periods reported, hence diluted earnings per share is same as basic earnings per share of the Company.

n. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Board of Directors of the Company, assesses the financial performance and position of the Company, and makes strategic decisions. The Board of Directors is therefore considered to be the chief operating decision maker.

o. Critical estimated and judgements**i Impairment of Trade receivables**

The Company estimates the uncollectability of accounts receivable by analyzing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.

ii Income Taxes

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

Rs. In Lakhs

Particulars	Unit of Measurement	March 31, 2024	March 31, 2023	Variation in %
Current Ratio	In multiples	1.22	0.57	116%
Debt Equity Ratio	In multiples	7.86	15.32	49%
Return of Equity Ratio	In %	55.36%	111.71%	50%
Inventory Turnover Ratio	In days	27	42	36%
Trade receivables Turnover Ratio	In days	25	23	12%
Trade Payables Turnover Ratio	In days	82	70	17%
Net Profit Ratio	In %	3.89%	3.19%	22%
Return on Capital Employed	In %	4.76%	5.45%	13%
Return on Investment	In %	3.74%	4.02%	7%

Formula adopted for above ratios

Current Ratio = Current Assets/(Total Current Liabilities- Security Deposits payable on Demand- Current Liabilities of Long Term Debt)

Debt Equity Ratio = Total Debt/ Total Equity

Return of Equity Ratio= Total Comprehensive Income/ Average Total Equity

Inventory Turnover Ratio= 365/(Net Revenue/Average Inventories)

Trade Receivables Turnover Ratio= 365/(Net Revenue/Average Trade Receivables)

Trade Payables Turnover Ratio= 365/(Net Revenue/Average Trade Payables)

Net Profit Ratio = Net Profit/ Net Revenue

Return on Capital Employed = (Total Comprehensive Income + Interest)/ (Average of Equity + Debt)

Return on Investment = Total Comprehensive Income/ Average Total Assets

Reasons for variation if more than 25%

- **Current Ratio** :- Current ratio for preceding year was adverse due to large amount of Trade Payables towards capital expenditure. The current ratio is improved in the year under consideration due to decrease in Trade Payables.

- **Debt Equity Ratio** :- Debt Equity ratio is improved in the year under consideration due to increase in equity on account of internal accruals and decrease in outside debts.

- **Return of Equity Ratio** :- Even though Net comprehensive income is increased during the year under consideration, return on equity ratio decreased due to increase in equity due to plough back of profit.

- **Inventory Turnover Ratio** :- Reduction in the net revenue during the year under consideration has caused lower days of Inventory turnover .

- i) This section explains the judgements and estimates made in determining the fair values of the financial instruments that are recognized and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

The following table provides the fair value measurement hierarchy of the company's financial assets and liabilities that are measured at fair value or where the fair value disclosure is required.

Financial Assets and Liabilities measured at fair value - recurring fair value measurement at 31st March, 2024	Notes	Level 1	Level 2	Level 3	total

(Level- 3 If one or more of the significant is no based on observable data. The instrument is included in level three. This is the case for unlisted equity securities.

- (ii) Valuation technique used to determine fair value

The following methods and assumptions were used to estimate the fair value of the level 3 financial instruments included in the above tables:

The investment in unquoted equity instrument represents investment in equity shares of Ambala Cements Ltd and National General Industries Ltd. The fair value arrived at is after taking into account the relevant financial indicators of the respective companies.

NOTE TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH 2024

(iii) As per Ind AS 107 “Financial Instrument: Disclosure”, fair value disclosures are not required when the carrying amounts reasonably approximate the fair value. Accordingly fair value disclosures have not been made for the following financial instruments:-

1. Trade receivables
2. Cash and cash equivalent
3. Other bank balances
4. Security deposits
5. Borrowings
6. Trade payables
7. Employee dues

NOTE 30(i): FINANCIAL RISK MANAGEMENT

The Company’s business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company’s senior management has the overall responsibility for establishing and governing the Company’s risk management framework. The Company has constituted a Risk Management Committee, which is responsible for developing and monitoring the Company’s risk management policies. The Company’s risk management policies are established to identify and analyze the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

a. MANAGEMENT OF CREDIT RISK

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations and arises principally from the company’s receivables from customers

i) Trade receivables:-

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs. 292.80 lakhs and Rs. 207.01 lakhs as of 31st March 2024 and 31st March 2023, respectively. Trade receivables are typically unsecured and are derived from revenue earned from customers located in India. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The company have stop supply mechanism in place in case outstanding goes beyond agreed limits. Based on prior experience and an assessment of the current economic environment, management believes there is no further credit risk provision required.

Others	268.66	182.87

**NOTE TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH 2024****ib. Other financial assets:-**

Credit risk on cash and cash equivalents is limited as the company generally invests in deposits with banks and financial institutions with good reputation. The Company's maximum exposure to credit risk is the carrying value of each class of financial assets.

b. MANAGEMENT OF LIQUIDITY RISK

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses or risking damage to company's reputation. In doing this, management considers both normal and stressed conditions. Management monitors the rolling forecast of the company's liquidity position on the basis of expected cash flows. This monitoring includes financial ratios and takes into account the accessibility of cash and cash equivalents.

The company has access to funds from debt markets through loan from banks. The company invests its surplus funds in bank deposits.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance Sheet date.

* Borrowing includes Inter-Corporate deposits. Repayment period of ICDs is not stipulated but it is assumed that they will be repaid over a period of five years.

NOTE TO THE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH 2024**c. MANAGEMENT OF MARKET RISK:**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of fluctuation in market prices. These comprise three types of risk i.e. currency rate, interest rate and other price related risks. Financial instruments affected by market risk include loans and borrowings, deposits, investments, and derivative financial instruments. Regular interaction with bankers, intermediaries and the market participants help us to mitigate such risk.

i) Foreign currency risk

The company makes payment in foreign currency for material imported. The transactions in foreign currency constitute very small proportion of total transaction. Hence, foreign exchange risk is not material market risk to the Company. During the period under audit or in comparative period presented the company has not made any derivative financial instruments related transaction to cover foreign exchange risk or otherwise.

The company did not have any unhedged foreign currency exposure as on 31/03/2024 or any other earlier two preceding years.

ii) Interest rate risk exposure

Interest rate risk is the risk that the fair value or future cash flows on a financial instrument will fluctuate because of changes in market interest rates. The management is responsible for the monitoring of the company's interest rate position. Various variables are considered by the management in structuring the company's investment to achieve a reasonable competitive cost of funding. Only interest bearing loan outstanding is small amount of loan against vehicle bearing fixed interest. The company has not borrowed any other funds bearing interest.

NOTE 30 (ii): CAPITAL MANAGEMENT**(a) Risk management**

The Company's capital comprises equity share capital, share premium, retained earnings attributable to equity holders.

The Company's objectives when managing capital are to safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders and maintain an optimal capital structure to reduce the cost of capital.

The company had incurred heavy loss in past resulting in complete erosion of its net worth. Net worth has turned positive from year ended on 31/03/2018. But the company is not yet in position to pay dividend to share holder.
