INDEPENDENT AUDITOR'S REVIEW REPORT ON REVIEW OF INTERIM STANDALONE FINANCIAL RESULTS

TO THE BOARD OF DIRECTORS OF ZENSAR TECHNOLOGIES LIMITED

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results of **ZENSAR TECHNOLOGIES LIMITED** ("the Company"), for the quarter ended June 30, 2020 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally

Deloitte Haskins & Sells LLP

accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

- These unaudited results have been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder as amended from time to time. The above financial results were reviewed and recommended by the Audit Committee and taken on record by the Board of Directors at their meeting held on July 23, 2020.
- Where financial results are declared for both consolidated and standalone entity, segment information may be presented only in the case of consolidated financial results. Accordingly, segment information has been provided only in the consolidated financial results.
- The Company continues to actively manage its business during COVID-19 pandemic and has not yet experienced significant changes on the business impact than estimated earlier. In assessing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, nothing has come to the attention of the Company through internal and external sources, which warrants a reassessment of carrying amounts of financial and non-financial assets on the expected future performance of the Company.

Certain statements in this release concerning our future growth prospects are forward-looking statements which involve a number of risks and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, our ability to manage growth, intense competition in IT services including those factors which may affect our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, withdrawal of governmental fiscal incentives, political instability, legal restrictions on raising capital or acquiring companies outside India, and unauthorised use of our intellectual property and general economic conditions affecting our industry. The Company does not undertake to update any forward-looking statement that may be made from time to time by or on behalf of the Company.

Zensar reports PAT at 7.4% in Q1FY21 **An increase of 5.5% QoQ in INR terms**

Pune, India, July 23, 2020: [Zensar](#), a digital solutions and technology services company that specialises in partnering with global organisations on their digital transformation journey, announced its consolidated financial results for Quarter ending June 30, 2020, of the fiscal year 2020-2021.

Financial Highlights:

- In Q1FY21, the Company reported revenue of \$130.8Mn
- In Q1FY21, the Company reported a PAT of \$9.7Mn
- EBITDA increased from 13.9% in Q4FY20 to 14.4% in Q1FY21
- DSO reduced by 12 days and net cash is \$101.1Mn

Sandeep Kishore, Chief Executive Officer and Managing Director, Zensar Technologies, said, “In Q1FY21, we have continued our focus to ensure wellness and safety of all our people and to support all our global clients in their Digital, Cloud and IT systems as the world deals with the pandemic. We have invested into launching several new propositions tailored to help our customers remain relevant during and post the pandemic period. Our Digital Foundation Services has performed very well, posting a QoQ growth of 7.6% and our hi-tech business grew by 2.9% QoQ.”

“In Q1FY21 we won \$150Mn TCV deals demonstrating the robustness of our new propositions aligned to Digital Foundation and Digital Applications. Our current pipeline is at \$1.5Bn. Our global talent has been very productive, in the new 100% remote model working closely with our customers as they embark on transformation path to recovery and resilience,” **he further added.**

Navneet Khandelwal, Chief Financial Officer, Zensar Technologies said, “In Q1FY21, we continued our cash management initiatives and our rigour on collections. This has resulted in an improvement on our cash conversion or DSO by 12 days sequentially and an increase in our net cash position by \$41.3Mn sequentially. Our focus on operational efficiencies has resulted in an increase in EBITDA despite decline in revenues to 14.4%. Our PAT is at 7.4% of revenue which is an increase from 6.8% in Q4FY20.”

Analyst Presentation – Q1FY21

Quarter Ending June 30, 2020

Certain statements in this release concerning our future prospects are forward-looking statements which involve a number of underlying identified / non identified risks and uncertainties that could cause actual results to differ materially. This release and other statements – written and oral – that we periodically make contain forward-looking statements that set out anticipated results based on the management’s plans and assumptions. However the same are subject to risks and uncertainties, including but not limited to, our ability to manage growth; fluctuations in earnings /exchange rates; intense competition in IT services including factors affecting cost advantage; wage increases; ability to attract and retain highly skilled professionals; time and cost overruns on fixed price, fixed-time frame or other contracts; client concentration; restrictions on immigration; our ability to manage international operations; reduced demand for technology in our service offerings; disruptions in telecommunication networks; our ability to successfully complete and integrate acquisitions; liability for damages on our service contracts; government measures in India and countries where our customer operate, withdrawal of governmental fiscal incentives; economic downturn in India, and/or around the world, political instability, legal restrictions on raising capital or acquiring companies; and unauthorized use of intellectual property and general economic conditions affecting the industry.

In addition to the foregoing, global pandemic like COVID-19 may pose an unforeseen, unprecedented, unascertainable and constantly evolving risk(s), inter-alia, to us, our customers, delivery models, vendors, partners, employees, general global operations and may also impact the success of companies in which we have made strategic investments, demand for Company’s offerings and the onshore-offshore-nearshore delivery model.

The results of these assumptions made relying on available internal and external information are the basis for determining the carrying values of certain assets and liabilities. Since the factors underlying these assumptions are subject to change over time, the estimates on which they are based, are also subject to change accordingly. These forward-looking statements represent only the Company’s current intentions, beliefs or expectations, and any forward-looking statement speaks only as of the date on which it was made. The Company assumes no obligation to revise or update any forward-looking statements, whether as a result of new information, future events, or otherwise.
