"Those, whether organisations or investors, who are interested in opening these schools can visit https:// sainikschool. ncog.gov.in and apply," Prayagraj district school inspector of RNschools (DIoS) Vishwakarma said. Government-

aided schools such as Kendriva Vidyalaya Sangathan, Navodaya Vidyalaya Sangathan, also provide financial assistance to these schools in the form of fees, training grants, and so on. In exchange, government the will profit from the previously established infrastructure in reputable private and public schools. The project is designed to fulfill the increasing demand for Sainik Schools.

Sainik These Schools will also have the option of allowing day scholars to attend classes from early morning to late evening, allowing day scholars to participate in full-day academic and extracurricular activities. Teachers at the proposed Sainik School will receive teacher training through the Sainik Schools Society. Each Sainik School will be required to excel in an identified sport in accordance with the ministry of sports and youth affairs' 'One One Sport' School? system. Furthermore, NCC vacancies will be filled in accordance with current policy, according to officials.

Mumbai : Vishwajyot High School announces return to fulltime, face-to-face instruction with its innovative model of education after the Government Maharashtra's Department of School Education and of Sports gave its consent to reopen schools from the 24th of January, 2022. The school has also been transforming the educational landscape since the Covid-19 outbreak with its hybrid education model to safeguard students whose learning has been impacted severely in the 'new normal.' With the aim of providing students in-person instructions with COVID-19 preventative measures in place, Vishwajyot has been putting into practice its innovative & interactive hybrid form of education that enables students to have the option to continue remote instruction using a self-paced learning software. Where schools are using technology and sending out pre-recorded videos or simply broadcasting the live class without interaction for online students, Vishwajyot has created a fully interactive immersive experience so that students can experience the content delivered fully while training the teachers and giving them the technology to interact with both sets of students, those attending in-person classes and

Vishwajyot to reopen schools; creates a safe & interactive learning environment with the hybrid model in the 'new normal' world

keeping in mind concerns from a section of parents who still felt uncomfortable sending their children to schools. "Vishwajyot High School in Kharghar has gone beyond

the generic norms of online education. Our hybrid model is invested in providing our students a stellar education experience so that they can learn to do their best ability by using both online and offline modes of education.", said Amrut Dhumal, Co-Founder at Vishwajyot Schools. "This system is also flexible in a way that as the students start feeling comfortable, they can opt for in-person teaching. This model ensures that the students/ parents do not feel pressured and allows them to make the right decision without worrying about the loss of learning", says Amrut. Preventative measures for in-person instruction include mandatory mask-wearing, socially distanced classrooms, plexiglass barriers to separate students or staff members where appropriate, no shared supplies, and frequent cleaning and sanitation of classrooms, bathrooms, and cafeterias, among other things. The high school adheres to an SOP (Standard Operating Procedure) which aligns well with the SOP provided by the Maharashtra government. The high school

This model was introduced is focused on maintaining the sanitation, security, and safety of the children, and has a checklist for each of their schools to ensure the same. "The roadmap to safely reopen schools for in-person learning is forged by ensuring transparency and building trust with the parenting community, starting with the safety standards and resources needed to keep everyone in our schools safe," said Prasad Dhumal, Co-Founder at Vishwajyot Schools. "We have developed reopening plans by remaining cognizant to the education community, including teachers, and they are based on scientific standards that minimize COVID-19 transmission in schools. Teachers. Parents and school staff understand that there can never be an adequate substitute for in-person learning and that reopening schools is vital for our children's well-being and education, but in-person learning must be safe for everyone", says Prasad. For thorough planning, the opinions of parents and guardians were taken through forms and webinars. It was found that in Lonand and Phaltan districts of Satara, roughly 85% of parents wished their children to have physical learning. While in Khargar, Navi Mumbai, 30% of parents expressed their desire for in-person classes.

BJP MP Ravindra **Rai recounts** horrifying experience of attack on himin Bokaro

Ranchi : After the attack in Bokaro during the movement Jharkhandi Bhasha Sangharsh Samiti, former MP Ravindra Rai became offensive against the state government. In a press conference in

IH HANNEHE ODE

AADHAR CARD.

state BJP headquarters in Harmu today, former state minister Rai said that during the attack he visualized a scene before mob lynching and somehow managed to save his life. He said his

bodyguards were in the most trouble and somehow saved his life by running into the police station.

Rai said that the incident showed how people are being cheated through power spreading darkness by the political corridors in of Jharkhand. "After the formation of Jharkhand, first attempt was made to create tension in Bokaro itself and then an attempt was made to break the social fabric on Sunday. Hundreds of miscreants were on the streets in the name of the movement of Jharkhandi Bhasha Sangharsh Samiti," Rai added.
