TCS Named a Leader and a Star Performer in Microsoft Dynamics 365 Services by Everest Group

Tata Consultancy Services' Comprehensive Portfolio of Offerings Across Industries Cited as a Key Strength

NEW YORK | MUMBAI, July 27, 2023: Tata Consultancy Services (TCS) (BSE: 532540, NSE: TCS) has been recognized as a Leader in Everest Group's PEAK Matrix® for Microsoft Dynamics 365 Services. Additionally, it was named a Star Performer for demonstrating the most improvement over time on the PEAK Matrix.

According to the report, TCS has good Dynamics portfolio coverage across industries such as BFSI, electronics, hi-tech and technology, and energy and utilities, and is a fitting partner for enterprises to drive their Dynamics engagements in these industries. Cited as key strengths are the TCS-built frameworks and accelerators that expedite time-to-market for its clients. The report further said that TCS has meaningfully invested in Dynamics implementations involving finance, supply chain, and sales modules; clients seeking Dynamics services for these modules can consider it as a fitting service provider.

"At TCS, we leverage our deep domain knowledge, expertise in next-gen technologies such as generative AI, and vast portfolio of intellectual property, to help leading enterprises across the world drive their digital transformations, enhance customer and employee experience and accelerate innovation, with Microsoft Business Applications," said Siva Ganesan, Global Head, Microsoft Business Unit, TCS. "This recognition as a Leader and Star Performer is a reflection of our strong strategy, investments in Microsoft Cloud, and the resultant market success."

TCS helps enterprises design, execute, and sustain their multi-horizon cloud transformation journeys, with end-to-end services. It has been consistently investing in research and innovation, and in building intellectual property to address industry-specific business problems and deliver speed-to-market. TCS' Dynamics 365 offerings include [Connected Consumer and Operations](#), [NextGen Connected Field Services](#), and [Resilient Supply Chain](#). Additionally, TCS' Microsoft Business unit helps customers plan and execute legacy modernization, cloud migrations, and Dynamics ERP programs.

With its deep industry knowledge, TCS helps clients scale and accelerate their innovation programs, harnessing the native capabilities of the cloud, including technologies like AI, data and analytics, IoT, edge, digital workplace, business applications, and blockchain. TCS works closely with customers at [TCS Pace Ports™](#), its network of co-innovation and research hubs to ideate on their most pressing needs, rapidly prototype the most promising solution candidates, and build them. These centers, featuring innovations based on Microsoft technologies, are spread across New York, Pittsburg, Toronto, Amsterdam, and Tokyo.

"Enterprises across the globe are heavily investing in platform initiatives that drive greater and faster ROI across the organization. Microsoft Dynamics 365 stack becomes a strong contender underpinned by its differentiated product portfolio that helps enterprises in addressing their goals beyond core ERP modernizations to front office CRM transformations," said A S Yamohideen, Practice Director, Everest Group. "TCS has invested in building frameworks and accelerators such as Design Win and Intelligent Customer Engagement, NextGen Connected Field Services, and Smart Manufacturing and Digital Supply Chain to expedite time-to-market for its clients. Also, clients appreciate TCS' account management and organizational change management capabilities. Collectively, these capabilities have helped position TCS as a Leader and a Star Performer on Everest Group's Microsoft Dynamics 365 Services PEAK Matrix® Assessment 2023."

TCS' Microsoft Business Unit is comprised of 50,000 Microsoft-certified consultants is one of the most recognized partners in the Microsoft ecosystem. It has won the [2023 Microsoft Partner of the Year Award](#) in the category MVP Industry Solutions Global Systems Integrator (GSI) along with the 2023 Microsoft US

Partner of the Year Award in the categories Global Systems Integrator, Industrials and Manufacturing, and Dynamics 365 Sales and Marketing, as well as the Malaysia Customer Success Partner of the Year. TCS is an Azure Expert Managed Service Provider and IoT Elite Partner. It has achieved all 6 Microsoft Partner Designations, received a record-setting [17 Microsoft Advanced Specializations](#), and is a member of the [2022/2023 Inner Circle for Microsoft Business Applications](#).
