Dear Sir,

**Sub: Regulation 30- Impact of COVID-19 pandemic**

Further to our letter dated 9<sup>th</sup> July, 2020 on the captioned subject, we would like to inform that all our estates in Assam are operating with 100% workforce at present. The sales and distribution channels in all the operating segments are also normal. The Company suffered an estimated crop loss of 7.36% till 30<sup>th</sup> August, 2020 as compared to the corresponding period in the previous year. Tea prices continue to exhibit encouraging trend with an upside of 35% from the previous year, which will offset the crop loss impact. The outlook appears to be good.

The management is monitoring the situation on an ongoing basis and various precautionary measures / protocols are implemented across the producing locations of the Company.

Thanking you,  
For **Kanco Tea & Industries Limited**
