Report on Review of the Unaudited Condensed Consolidated Interim Financial Statements

To the Board of Directors of Gokaldas Exports Limited

We have reviewed the accompanying Unaudited Condensed Consolidated Interim Financial Statements of Gokaldas Exports Limited (“the Holding Company”) and its subsidiaries (the Holding Company and its subsidiaries together referred to as the “the Group”), which comprise the Unaudited Condensed Consolidated Interim Balance Sheet as at June 30,2021 and the Unaudited Condensed Consolidated Interim Statement of Profit and Loss, including other comprehensive income, Unaudited Condensed Interim Consolidated Cash Flow Statement and the Unaudited Condensed Consolidated Interim Statement of Changes in Equity for the three-month period then ended and a summary of select explanatory notes (together hereinafter referred to as the “Unaudited Condensed Consolidated Interim Financial Statements”). The Unaudited Condensed Consolidated Interim Financial Statements have been prepared by the Company solely in connection with a proposed fund-raising transaction in accordance with the provisions of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended.

Responsibilities of Management for the Unaudited Condensed Consolidated Interim Financial Statement

The Holding Company’s Board of Directors is responsible for the preparation of these Unaudited Condensed Consolidated Interim Financial Statements in accordance with the recognition and measurement principles laid down as per the requirements of Indian Accounting Standard (Ind AS 34) “Interim Financial Reporting” specified under section 133 of the Companies Act, 2013 (the “Act”), read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Unaudited Condensed Consolidated Interim Financial Statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibilities for the Unaudited Condensed Consolidated Interim Financial Statement

We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, “Review of Interim Financial Information Performed by the Independent Auditors of the Entity”, issued by the Institute of Chartered Accountants of India. This standard require that we plan and perform the review to obtain moderate assurance as to whether the Unaudited Condensed Consolidated Interim Financial Statements are free from material misstatement. A review is limited to primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion. Our responsibility is to express a conclusion on the Unaudited Condensed Consolidated Interim Financial Statements based on our review.

Emphasis of Matter

We draw attention to Note 11 to the Unaudited Condensed Consolidated Interim Financial Statements which states that the management has made an assessment of the impact of COVID-19 on the Company's operations, financial performance and position as at and for the quarter ended June 30, 2021 and has concluded that there is no impact which is required to be recognized in the consolidated financial results. Accordingly, no adjustments have been made to the consolidated financial results.

Our conclusion, as mentioned below, on the Unaudited Condensed Consolidated Interim Financial Statements is not modified in respect of the above matter.

Conclusion

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Unaudited Condensed Consolidated Interim Financial Statements are not prepared, in all material respects, in accordance with the recognition and measurement principles of Ind AS 34 as specified under Section 133 of the Act, read with relevant rules issued thereunder and other accounting principles generally accepted in India.

Other matters

- (i) We did not review Unaudited Condensed Interim Financial Statements and other financial information, in respect of three subsidiaries, whose unaudited interim Ind AS financial statements include total assets (after considering elimination) of Rs. 410.08 lakhs as at June 30, 2021, total revenues (after considering elimination) of Rs. 12.90 lakhs and net cash outflows (after considering elimination) amounting to Rs. 25.83 lakhs for the three months period then ended. These Unaudited Condensed Interim Financial Statements and other financial information have not been reviewed by the subsidiary auditors, which financial statements and other financial information have been furnished to us by the management. According to the information and explanations given to us by the Management, these unaudited interim financial statements are not material to the Group.
- (ii) We have neither audited nor reviewed the comparative interim financial information relating to the period ended June 30, 2020, included in the Unaudited Condensed Interim Financial Statements, which were approved by the Board.
- (iii) The Group had prepared separate Statement of Unaudited Consolidated Financial Results (the 'Consolidated Financial Results') for the quarter ended June 30, 2021, in accordance with the principles laid down in India Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting", on which we had issued a separate auditor's review report dated July 30, 2021. These Unaudited Consolidated Financial Results were prepared for submission by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

Our conclusion on the Unaudited Condensed Consolidated Interim Financial Statements is not modified in respect of the above matters.

Restriction of use

The accompanying Unaudited Condensed Consolidated Interim Financial Statements have been prepared solely in connection with a proposed fund-raising transaction in accordance with the provisions of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended. Accordingly, this report should not be used, referred to or distributed for any other purpose.

Explanatory notes to the Unaudited Condensed Consolidated Interim financial statements for the three months period ended June 30, 2021

All amounts in Indian Rupees in lakhs, except stated otherwise

1 Basis of preparation of Unaudited Condensed Consolidated Interim financial statements

i) Compliance with Ind AS

These Unaudited Condensed Consolidated Interim financial statements ("condensed consolidated financial statements") of the Group have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (Ind As) 34, Interim Financial Reporting specified under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, as amended from time to time, read with relevant rules issued thereunder and other accounting principles generally accepted in India. The Unaudited Condensed Consolidated Interim financial statements are presented in Indian Rupee (Rs), which is the Company's functional and the Group's presentation currency. The accounting policies adopted in the preparation of these Unaudited Condensed Consolidated Interim financial statements are consistent with those followed in preparation of the audited annual financial statements as at and for the year ended March 31, 2021.

The Ministry of Corporate Affairs (MCA) through a notification, amended Schedule III of the Companies Act, 2013 and the amendments are effective from April 1, 2021. These amendments require certain regroupings in the Schedule III format of Balance Sheet. The Group has given effect of such regroupings in its financial statements including figures for the corresponding previous period wherein:

a) Current maturities of long-term debt has been regrouped from 'Other financial liabilities' in the Audited Financial Statements to 'Current Borrowings' in the Unaudited Condensed Consolidated Interim financial statements.

b) Security Deposits has been regrouped from "Loans" in the Audited Financial Statements to "Other financial assets" in the Unaudited Condensed Consolidated Interim financial statements .

ii) Purpose of the Condensed Interim Unaudited Consolidated financial statements

These Unaudited Condensed Consolidated Interim financial statements do not include all the information and disclosures required in the annual financial statements and should be read in conjunction with the company's latest audited annual Ind AS financial statements. These Unaudited Condensed Consolidated Interim financial statements have been prepared solely in connection with the proposed offering of equity shares of face value of Rs. 5 each by the company in a Qualified Institutions Placement in accordance with provisions of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (the "SEBI ICDR Regulations"), as amended. The comparative financial informations for the corresponding previous three months ended June 30, 2020, appearing in the Unaudited Condensed Consolidated Interim financial statements is based solely on management certified accounts of the Group.

2 Earnings per share (EPS)

Basic EPS amounts are calculated by dividing the profit/(loss) for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted EPS amounts are calculated by dividing the profit/(loss) attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

The following table reflects the data used in the basic and diluted EPS computations:

	June 30, 2021	June 30, 2020
Face value of equity shares (Rs. per share)	5.00	5.00
Profit / (Loss) attributable to equity holders of the Group	(255.22)	(425.97)
Weighted average number of equity shares used for computing earning per share (basic)	42,895,663	42,825,663
Weighted average number of equity shares used for computing earning per share (diluted) *	42,895,663	42,825,663
EPS - basic (Rs.)	(0.59)	(0.99)
EPS - diluted (Rs.) *	(0.59)	(0.99)

* Employee stock options are not included in the calculation of diluted earnings per share as they are antidilutive for the quarter ended June 30, 2021 and for the quarter ended June 30, 2020

3 Segment information- Disclosure pursuant to Ind AS 108 'Operating Segment'**(a) Basis of identifying operating segments:**

Operating segments are identified as those components of the Group (a) that engage in business activities to earn revenues and incur expenses; (b) whose operating results are regularly reviewed by the Group's Chief Executive Officer to make decisions about resource allocation and performance assessment and (c) for which discrete financial information is available.

The accounting policies consistently used in the preparation of the financial statements are also applied to record revenue and expenditure in individual segments. Assets, liabilities, revenues and direct expenses in relation to segments are categorised based on items that are individually identifiable to that segment, while other items, wherever allocable, are apportioned to the segments on an appropriate basis. Certain items are not specifically allocable to individual segments as the underlying services are used interchangeably.

(b) The Group is engaged in a single business segment of sale of garment and hence no additional disclosures are required.

(c) Geographic information

The Group mainly operates in two geographical areas of the world, i.e., India and Rest of World, the details of which are as below:

	Segment revenue*		Non current assets**	
	June 30, 2021	June 30, 2020	June 30, 2021	March 31, 2021
India	4,594.79	8,030.45	24,741.83	24,073.87
Rest of world	19,501.87	15,360.63	-	-
Total	24,096.66	23,391.08	24,741.83	24,073.87

The revenue information above is based on the locations of the customers and includes other operating revenues.

*Total Revenue from operations by geographical area are based on the geographical location of the client.

**Non-current assets excludes non current financial assets and non current tax assets.

4 Commitments and contingencies**I. Leases**

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Group uses judgement in assessing whether a contract (or part of contract) include a lease, the lease term (including anticipated renewals), the applicable discount rate, variable lease payments whether are in-substance fixed. The judgement involves assessment of whether the asset included in the contract is a fully or partly identified asset based on the facts and circumstances, whether the contract include a lease and nonlease component and if so, separation thereof for the purpose of recognition and measurement, determination of lease term basis, inter alia the non-cancellable period of lease and whether the lessee intends to opt for continuing with the use of the asset upon the expiry thereof, and whether the lease payments are fixed or variable or a combination of both. The Group records the lease liability at the present value of the lease payments discounted at the incremental borrowing rate.

The movement in lease liabilities is as follows:

	June 30, 2021
Opening balance	11,328.73
Additions	672.51
Deletions	-
Finance cost accrued	304.54
Payment of lease liabilities	(752.69)
Closing balance	11,553.09
Current lease liabilities	2,916.64
Non-current lease liabilities	8,636.45
Total	11,553.09

II. Contingencies

In the ordinary course of business, the Group faces claims and assertions by various parties. The Group assesses such claims and assertions and monitors the legal environment on an ongoing basis with the assistance of external legal counsel, wherever necessary. The Group records a liability for any claims where a potential loss is probable and capable of being estimated and discloses such matters in its financial statements, if material. For potential losses that are considered possible, but not probable, the Group provides disclosure in the financial statements but does not record a liability in its accounts unless the loss becomes probable.

The following is a description of claims and assertions where a potential loss is possible, but not probable. The Group believes that none of the contingencies described below would have a material adverse effect on the Group's financial condition, results of operations or cash flows.

	June 30, 2021	March 31, 2021

(b) Fair value hierarchy

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below:

Quoted prices in an active market (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of investment in quoted equity shares, and mutual fund investments.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

Particulars	Fair value measurements at reporting date using			
	Level 1	Level 2	Level 3	Total
June 30, 2021				
Financial assets				
Foreign exchange forward contracts	-	330.83	-	330.83
March 31, 2021				
Financial assets				
Foreign exchange forward contracts	-	981.01	-	981.01

(i) Short-term financial assets and liabilities are stated at carrying value which is approximately equal to their fair value.

(ii) Foreign exchange forward contracts are fair valued using market observable rates and published prices together with forecasted cash flow information where applicable.

(iii) Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Group could have realised or paid in sale transactions as of respective dates. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

(iv) There have been no transfers between Level 1, Level 2 and Level 3 during the period/year.

(c) Financial risk management objectives and policies

In the course of its business, the Group is exposed primarily to fluctuations in foreign currency exchange rates, interest rates, equity prices, liquidity and credit risk, which may adversely impact the fair value of its financial instruments. The Group has a risk management policy which not only covers the foreign exchange risks but also other risks associated with the financial assets and liabilities such as interest rate risks and credit risks. The risk management policy is approved by the Board of Directors. The risk management framework aims to:

(i) create a stable business planning environment by reducing the impact of currency and interest rate fluctuations on the Group's business plan.

(ii) achieve greater predictability to earnings by determining the financial value of the expected earnings in advance.

Market risk

Market risk is the risk of any loss in future earnings, in realisable fair values or in future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in interest rates, foreign currency exchange rates, equity price fluctuations, liquidity and other market changes. Future specific market movements cannot be normally predicted with reasonable accuracy

(i) Market risk - Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's debt obligations with floating interest rates. The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Increase/(decrease) in basis points	Effect on profit before tax
June 30, 2021	50	162.14
March 31, 2021	50	182.61

Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Financial instruments that are subject to credit risk and concentration thereof principally consist of trade receivables, loans receivables, investments and cash and cash equivalents.

The carrying value of financial assets represents the maximum credit risk. The maximum exposure to credit risk was Rs.30,366.39 lakhs and Rs. 42,249.61 lakhs, as at June 30, 2021 and March 31, 2021 respectively, being the total carrying value of trade receivables, balances with bank, bank deposits, investments other than investments in subsidiaries and other financial assets.

Customer credit risk is managed by each business unit subject to the Group's established policy, procedures and control relating to customer credit risk management. An impairment analysis is performed at each reporting date on an individual basis for major customers. The Group does not hold collateral as security.

With respect to trade receivables, the Group has constituted the terms to review the receivables on periodic basis and to take necessary mitigations, wherever required. The Group creates allowance for all unsecured receivables based on lifetime expected credit loss based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix.

Credit risk from balances with bank and financial institutions is managed by the Group's treasury department in accordance with the Group's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

Liquidity risk

Liquidity risk refers to the risk that the Group cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Group has obtained fund and non-fund based working capital lines from various banks. The Group invests its surplus funds in bank fixed deposit and government securities, which carry no or low market risk.

The Group monitors its risk of a shortage of funds on a regular basis. The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of bank overdrafts, bank borrowings etc. The Group assessed the concentration of risk with respect to refinancing its debt and concluded it to be low.

The following table shows a maturity analysis of the anticipated cash flows excluding interest obligations for the Group's financial liabilities on an undiscounted basis, which therefore differ from both carrying value and fair value.

Particulars	0-1 year	> 1 year	Total
June 30, 2021			
Lease liabilities	2,916.64	8,636.45	11,553.09

Other financial liabilities	6,405.42	-	6,405.42
	54,988.11	10,439.44	65,427.55

Equity Price risk

Equity Price Risk is related to the change in fair value of the investments in equity securities. Group's investments in equity securities, including investments held for sale, are subject to changes in fair value of investments. The carrying value of investments represents the maximum equity risk. The maximum exposure to equity price risk was Rs. Nil and Rs. Nil as on June 30, 2021 and March 31, 2021 respectively, being the carrying value (net of provisions) of investments in unquoted equity shares. The risk is arising primarily on account of the Group's investment in a foreign associate.

- 8** Under the Remission of Duties and Taxes on Export Products RoDTEP the Group is eligible to claim a government grant in the form of refunds of embedded taxes and duties. The scheme has been effective since January 1, 2021. However, the incentive rates are not notified by the authorities till the last day of the current quarter under review.

For the relevant period from January 1, 2021 to March 31, 2021, the Group had recognized Rs. 7.57 Crore of income towards RoDTEP and corresponding receivable basis estimated calculations and pending notification of the rates.

Subsequent to the quarter ended June 30, 2021, the Ministry of Textiles vide press release dated July 14, 2021 has given its approval for continuation of Rebate of State and Central taxes and Levies (RoSCTL) with the same rates as notified by Ministry of Textiles vide Notification dated 8th March 2019, on exports of Apparel/Garments (Chapters-61 & 62) and Made-ups (Chapters-63) in exclusion from Remission of Duties and Taxes on Exported Products (RoDTEP) scheme for these chapters. The Ministry of Textiles has decided to continue the scheme of RoSCTL up to 31 March, 2024.

Pursuant to the notification of the rates and eligibility, the Group has recognised the ROSCTL income for the period from April 1, 2021 to June 30, 2021 in line with the rates notified and additionally also recognised the balance income to the extent previously not recognised during previous quarter ended March 31, 2021.

- 9** For the period/ days of the respective lockdowns imposed by the government during FY 21, the Group has evaluated the various directions, circulars and orders issued by government authorities regarding payment of wages to employees, and accordingly has paid certain ex-gratia amount to eligible employees for the period of lockdown where they have not worked.

The matter relating to validity of government orders relating to payment of wages during lockdown is pending conclusion with the Honourable Supreme Court of India (SC).

Pending conclusion of such matter, management based on the interim order of SC and advise obtained from external legal expert, has concluded that the Company is in compliance with the relevant requirement on this matter.

The Group will reassess, if necessary, any further actions, based on the final conclusion by the SC in this regard.

- 10** The Indian Parliament had approved the Code on Social Security, 2020. The Ministry of Labour and Employment has notified the draft rules under the Code on Social Security, 2020 on November 13, 2020 inviting objections and suggestions, if any, from the stakeholders. The draft rules provide for operationalization of provisions in the Code on Social Security, 2020 relating to Employees' Provident Fund, Employees' State Insurance Corporation, Gratuity, Maternity Benefit, Social Security and Cess in respect of Building and Other Construction Workers, Social Security for Unorganised Workers, Gig Workers and Platform Workers.

The Group will assess the impact and will give appropriate accounting treatment in its financial statements in the period in which the Code on Social Security, 2020 (including the related rules framed thereunder) becomes effective.

11 The World Health Organization announced a global health emergency because of a new strain of coronavirus ("COVID-19") and classified its outbreak as a pandemic on March 11, 2020. On March 24, 2020, the Indian government announced a strict 21-day lockdown across the country to contain the spread of the virus, which has been/was further extended till May 3, 2020. This pandemic and government response are creating disruption in global supply chain and adversely impacting most of the industries which has resulted in global slowdown.

The management has made an assessment of the impact of COVID-19 on the Group's operations, financial performance and position as at June 30, 2021 and has concluded that the impact is primarily on the operational aspects of the business. Management has been able to address and counter the potential impact on the financial statements as at June 30, 2021 such as enhancing borrowing limits, strengthening liquidity, optimisation of resource utilisation, etc.

In assessing the recoverability of receivables including receivables, investments, and other assets, the Group has considered internal and external information up to the date of approval of these financial results including status of existing and future customer orders, cash flow forecasts, commitments with suppliers, etc. The Group has performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions, the Group expects to recover the carrying amount of these assets, the Group has also considered the impact of subsequent events in its assessment and concluded that there is no significant impact which is required to be recognised in the financial results. Accordingly, no further adjustments have been made to the financial results.

Considering the dynamic nature of the issue, the impact of the global health pandemic may be different from that estimated as at the date of approval of these financial results and the Group will continue to closely monitor any material changes to future economic conditions.

12 Certain amounts (currency value or percentages) shown in the various tables and paragraphs included in the Unaudited Condensed Consolidated Interim financial statements have been rounded off or truncated as deemed appropriate by the management of the Company.
