## Chairman's Speech

Dear Stakeholders,

At Vidhi, our mission is to Concentrate on the four Key Factors Leading to complete customer satisfaction viz. Quality, Timely Shipment, Technical Backup and Excellent After Sales Service.

I hope that you and your loved ones are safe and in good health.

Let me start this speech with the words of Mr. Ratan Tata. He once said 'Ups and downs in life are very important to keep us going, because a straight line even in an ECG means we are not alive'

Now let me take this opportunity to report back to you on your Companies performance as well as the future outlook:

The financial year 2021-22 was another exceptional year & an unusual year not only for India but for the globe due to 2nd and 3rd wave of Covid-19 Pandemic and Russia-Ukraine war by the end of the year. In this yet another difficult year as well 'Vidhi' has outperformed and have been able to grow its revenue and profitability. Despite partial Lockdown in FY 21-22 & subsequent restrictions across the year, it gives me an immense pleasure to inform you that the revenue from operations of your Company stood at Rs. 537 Crs. a growth of 101.59% as compared to the preceding Financial year i.e. 2020-21.

Your company is optimistic of revenue & profitability growth going forward due to penetration into newer geographies, addition of new customers, addition of wallet share from existing customers, enhancement of product portfolio and operational efficiencies & operating leverage. This has led to an increase in EBITDA by 59.07% in the year 2021-22. I am wrapped to share with you all that your Company has earned net Profit after tax of Rs. 58.76 Crs. in FY 2021-22 which is the new highest ever net Profit in the history of the Company.

You will be pleased to note that considering the improved operational and financial performance, Company has declared a Final Dividend of Rs. 0.20/- per share of Rs. 1/- each and an Interim Dividend of Rs. 0.40/- per equity share of Rs. 1/- each (totaling to Rs. 0.60/- per share i.e. 60%) during the financial year 2021-22 and has also recommended a final dividend payment of Rs. 0.40/- per equity share of Rs. 1/- each (i.e. 40%) for the financial year 2021-22.

In this challenging environment, your company and the management team have taken multiple initiatives for safety and wellbeing of our employees. During the partial lockdown we had swiftly moved to work from home model and also provided training to employees in multiple functions to enhance skills and improve productivity and extended our support to the workforce financially and mentally. While operating we have ensured to follow all required measures to ensure safety and security of all our employees.

While we march ahead towards our business goals, we also make conscious efforts towards making active contributions to society and environment. We have invested in adequate pollution control equipment's as we believe in sustainable environment. Our regular contributions and initiatives towards uplifting several people in various aspects are our humble endeavor to make our world a better place.

I would like to reassure you that your Company will remain focused and committed on operational excellence and deliver strong growth and enhance shareholders and other stakeholders' values in every possible ways.

I would like to thank all the stakeholders and the company's employees who have stood by us in the last year and helped us deliver sustainable growth even in the Covid times.

- b) As per the provisions of clause 3.A.II. of the General Circular No. 20/2020 dated May 05, 2020 read with other MCA Circulars, the matters of Special Business, as appearing at item nos. 8 to 10 of the accompanying Notice, are considered to be unavoidable by the Board and hence, form part of this Notice.
- c) As per Section 105 of the Act, a Member entitled to attend and vote at the general meeting is entitled to appoint a proxy, who need not be a Member, to attend and vote on poll on behalf of himself/herself. Since this AGM is being held through VC/OAVM pursuant to the MCA Circulars and SEBI Circulars, the requirement of physical attendance of Members has been dispensed with. Accordingly, in terms of the MCA Circulars and the SEBI Circulars, the facility for appointment of proxies by the Members will not be available for this AGM and hence the proxy form, attendance slip and route map of AGM are not annexed to this notice. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the Members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
- d) The relevant statement pursuant to Section 102 of the Act, setting out the material facts relating to the Special Business as set out in the Notice, is annexed hereto and forms part of the notice of this AGM.
- e) The Company's Registrar & Share Transfer Agents are Link Intime India Private Limited ('R & TA') having their office at C-101, 247 Park, L.B.S. Marg, Vikhroli (West), Mumbai - 400 083. Tel: 022- 2249186270 Fax: 022-2249186060.
- f) The Register of Members and Share Transfer Books of the Company will remain closed from Saturday, September 24, 2022 to Friday, September 30, 2022, both days inclusive, for taking record of the Members of the Company for the purpose of AGM and determining the names of the Members eligible for payment of final dividend on equity shares for the financial year 2021-22, if declared at the AGM.
- g) The Dividend, if declared at the AGM, would be paid/dispatched on/after Saturday, October 01, 2022 but within thirty days from the date of declaration of dividend to those persons (or their mandates):
- whose names appear as beneficial owners as at the end of the business hours on Friday, September 23, 2022 in the list of the Beneficial Owners to be obtained from the Depositories i.e. National Securities Depository Limited and Central Depository Services (India) Limited, in respect of the shares held in electronic/dematerialized mode; and
  - whose names appear as Members in the Register of Members of the Company as on Friday, September 23, 2022, after giving effect to valid transmission or transposition request lodged with the Company/R & TA, in respect of the shares held in physical mode.

- h) Updation of mandate for receiving dividend directly in bank account through Electronic Clearing System or any other means in a timely manner:
- **Shares held in physical form:** Members are requested to send the following details/documents to R&TA before September 16, 2022:
    - i) Form ISR-1 along with supporting documents. The said form is available on the website of the Company at <https://vidhifoodcolors.com/INVPDFDocs/General%20Announcement/2021-22/12.%20Form%20ISR-1.pdf> and on the website of the RTA at <https://web.linkintime.co.in/KYC-downloads.html> under the tab KYC.
    - ii) Cancelled cheque in original, bearing the name of the Member or first holder, in case shares are held jointly. In case name of the holder is not available on the cheque, kindly submit the following documents:
      - Cancelled cheque in original
      - Bank attested legible copy of the first page of the Bank Passbook/Bank Statement bearing the names of the account holders, address, same bank account number and type as on the cheque leaf and full address of the bank branch
    - iii) Self-attested copy of the PAN Card of all the holders; and
    - iv) Self-attested copy of any document (such as Aadhaar Card, Driving License, Election Identity Card, Passport) in support of the address of the first holder as registered with the Company.
  - **Shares held in electronic form:** Members may please note that their bank details as furnished by the respective DPs to the Company will be considered for remittance of dividend as per the applicable regulations of the DPs and the Company will not be able to accede to any direct request from such Members for change/addition/deletion in such bank details. Accordingly, the Members holding shares in demat form are requested to ensure that their Electronic Bank Mandate is updated with their respective DPs by September 16, 2022.

Further, please note that instructions, if any, already given by Members in respect of shares held in physical form, will not be automatically applicable to the dividend paid on shares held in electronic form.

In respect of the Members holding shares in electronic form, the bank details obtained from the respective depositories will be used for the purpose of distribution of dividend through various approved/permissible electronic mode of payment viz. National Automated Clearing House ('NACH'), Electronic Clearing Services (ECS), National Electronic Funds Transfer (NEFT), Real Time Gross Settlement (RTGS), etc. The Company/R & TA will not act on any direct request from the Members holding shares in dematerialized form for change/deletion of such bank details. Such changes are to be intimated by the Members to their Depository Participants. In respect of the Members holding shares in the physical form, the bank details obtained from the R & TA will be used for the purpose of distribution of dividend through various approved/permissible electronic modes of payment. Any query related to dividend should be directed to R & TA.

- i) Payment of dividend shall be made through electronic mode to the Members who have updated their bank account details. In case, the Company is unable to pay the dividend to any Member by the electronic mode, due to non-availability of the details of the bank account or incorrect Bank details, the Company shall dispatch the dividend warrant/ Bankers' Cheque/ Demand Draft to such Member by post.
- j) Members may note that the Income Tax Act, 1961 ("IT Act"), as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a Company after April 1, 2020 shall be taxable in the hands of the

Members. The Company shall therefore be required to deduct Tax at Source (TDS) at the time of making the final dividend. In order to enable us to determine the appropriate TDS rate as applicable, Members are requested to submit the documents, as specified in the below paragraphs, in accordance with the provisions of the IT Act.

**1. For Resident Shareholders**, TDS shall be deducted under Section 194 of the IT Act as follows:

Members having valid Permanent Account Number (PAN)	10%*or as notified by the Government of India
Members not having PAN / valid PAN	20% or as notified by the Government of India

*\*As per the Finance Act, 2021, Section 206AB has been inserted effective July 1, 2021, wherein higher rate of tax (twice the specified rate) would be applicable on payment made to a shareholder who is classified as 'Specified Person' as defined under the provisions of the aforesaid Section.*

However, no TDS shall be deducted on the dividend payable to a resident individual if the total dividend to be received by them during the financial year 2022-23 does not exceed ₹ 5,000, and also in cases where members provide Form 15G/Form 15H (Form 15H is applicable to resident individual shareholders aged 60 years or more) subject to conditions specified in the IT Act. Resident shareholders may also submit any other document as prescribed under the IT Act to claim a lower/nil withholding of tax. PAN is mandatory for members providing Form 15G/15H or any other document as mentioned above. Please note that this includes the future dividend, if any, which may be declared by the Board in the financial year 2022-23.

A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source.

**2. For Non-resident Members**, TDS is required to be deducted in accordance with the provisions of Section 195 of the IT Act at the rates in force. As per the relevant provisions of the IT Act, the tax shall be deducted @ 20% (plus applicable surcharge and cess) or as notified by the Government of India on the amount of dividend payable to them. However, as per Section 90 of the IT Act, the non-resident Member has the option to be governed by the provisions of the Double Tax Avoidance Agreement (DTAA), read with Multilateral Instrument (MLI) between India and the Country of tax residence of the Member, if they are more beneficial to them.

For this purpose, i.e. to avail the benefits under the DTAA read with MLI, non-resident shareholders will have to provide the following:

- Copy of the PAN card allotted by the Indian income tax authorities duly attested by the shareholders or details as prescribed under rule 37BC of the Income tax Rules, 1962
- Copy of the Tax Residency Certificate for financial year 2022-23 obtained from the revenue or tax authorities of the country of tax residence, duly attested by shareholders
- Self-declaration in Form 10F
- Self-declaration by the shareholders of having no permanent establishment in India in accordance with the applicable tax treaty
- Self-declaration of beneficial ownership by the non-resident shareholder
- Any other documents as prescribed under the IT Act for lower withholding of taxes if applicable, duly attested by the shareholders

In case of Foreign Institutional Investors / Foreign Portfolio Investors, tax will be deducted under Section 196D of the IT Act at the rate of 20%\*\* (plus applicable surcharge and cess) or the rate provided in relevant DTAA, read with MLI, whichever is more beneficial, subject to the submission of the above documents, if applicable.

\*\* As per the Finance Act, 2021, Section 206AB has been inserted effective from July 1, 2021, wherein higher rate of tax (twice the specified rate) would be applicable on payment made to a shareholder who is classified as 'Specified Person' as defined under the provisions of the aforesaid section. However, in case a non-resident shareholder or a non-resident Foreign Portfolio Investor (FPI) / Foreign Institutional Investor (FII), higher rate of tax as mentioned in Section 206AB shall not apply if such non-resident does not have a permanent establishment in India.

Please note that the Company is not obligated to apply the beneficial DTAA rates at the time of tax deduction / withholding on dividend amounts. Application of beneficial DTAA Rate shall depend upon the completeness and satisfactory review by the Company, of the documents submitted by Non- Resident Member.

**EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 IN RESPECT OF THE ORDINARY/SPECIAL BUSINESS TO BE TRANSACTED AT THE TWENTY-NINTH ANNUAL GENERAL MEETING OF THE MEMBERS OF VIDHI SPECIALTY FOOD INGREDIENTS LIMITED TO BE HELD ON FRIDAY, SEPTEMBER 30, 2022**

**Item No. 7:**

The Members of the Company at its 24th Annual General Meeting (“AGM”) held on September 25, 2017 had appointed M/s JMR & Associates, Chartered Accountants as the Statutory Auditors of the Company for a period of 5 (five) years, from the conclusion of the said AGM until the conclusion of the AGM to be held in 2022.

On the recommendation of the Audit Committee and subject to the approval of the Members of the Company, the Board, in its meeting held on August 12, 2022 has considered, approved and recommended to the Members appointment of M/s. Bhuta Shah & Co. LLP, Chartered Accountants, Mumbai (Firm Registration No: 101474W/W100100) as Statutory Auditors of the Company for a period of five consecutive years from the conclusion of the Twenty-Ninth Annual General Meeting till the conclusion of the Thirty-Fourth AGM to be held for the financial year 2026-27. The first year of audit will be of the financial statement for the financial year ending on March 31, 2023. The said firm expressed their eligibility and willingness to act as Auditors of the Company and consented to act as Auditors of the Company, if appointed by the Members. It is now proposed to appoint M/s Bhuta Shah & Co. LLP, Chartered Accountants, Mumbai (Firm Registration No: 101474W /W100100) as the Statutory Auditors of the Company for a period of 5 (five) consecutive years from the conclusion of the ensuing AGM to be held on September 30, 2022 till the conclusion of the AGM of the Company to be held for the financial year 2026-27.

**Brief:**

M/s. Bhuta Shah & Co. LLP (BSC) is a professional Chartered Accountants firm with a distinctive blend of skill sets, experience and expertise. BSC is based on the solid foundations laid by its Founder and Managing Partner Mr. Shailesh Bhuta since its inception in the year 1986. BSC have rapidly built a significant competitive presence in the profession and offer a wide range of services including taxation, auditing, advisory and corporate finance, beside cross-border, startup services and outsourcing services.

The terms and conditions of appointment of BSC as the Statutory Auditors of the Company and the proposed fees are as follows:

**a) Term of appointment:** For a period of 5 (Five) consecutive years from the conclusion of ensuing AGM to be held on September 30, 2022 till the conclusion of the AGM of the Company to be held for the financial year 2026-27.

**b) Proposed Fees payable to the Statutory Auditors:** The details of fees payable to BSC in connection with the statutory audit of the Company for the year 2022-23 will be ₹ 10,00,000/-

Applicable taxes, travelling and other out-of-pocket expenses incurred by the said firm would be in addition to the above-mentioned remuneration.

The fees for services in the nature of statutory certifications and other permissible professional work will be in addition to the fees mentioned above and will be determined by the Board of Directors of the Company in consultation with the said Statutory Auditors and as per the recommendations of the Audit Committee.

The proposed fees payable to the Statutory Auditors are based on knowledge, expertise, experience, time and effort required to be put in by them.

There is no material change in the fee payable to M/s. Bhuta Shah & Co. LLP, if appointed in the ensuing AGM, from that paid to the outgoing auditor, M/s. JMR & Associates LLP.

**c) Basis for recommendation for re-appointment:** Taking into account the credentials of BSC and based on the evaluation of the quality of the audit work, the Board of Directors of the Company, based on the recommendation of the Audit Committee, unanimously approved and recommends the Ordinary Resolution as set out in Item No. 7 of this Notice for the approval of the Members of the Company. Before appointment of the outgoing Audit Firm, BSC was Auditors of the Company since incorporation of the Company.

Electronic copies of all the documents referred above and in the resolution proposed shall be made available for inspection electronically without any fee by the Members from the date of circulation of this Notice up to the date of AGM, i.e. till September 30, 2022. Members seeking to inspect such documents can send an email to [vdmlcs@hotmail.com](mailto:vdmlcs@hotmail.com).

None of the Directors or Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Ordinary Resolution set out at Item No. 7 of this Notice.

Pursuant to Section 102 (1) of the Companies Act, 2013 it is informed that Mr. Bipin M. Manek (DIN: 00416441), Managing Director, himself, Mr. Mihir B. Manek (DIN: 00650613), Joint Managing Director, Mrs. Pravina B. Manek (DIN: 00416533), Non-executive Director, and Mrs. Vidhi Harsh Parekh (DIN: 07584061), Whole-time Director, being son, spouse and daughter, respectively, are concerned or interested in the Resolution at Item No. 8 of the accompanying notice relating to re-appointment of Managing Director.

Mr. Bipin M. Manek (DIN: 00416441) is holding 5.23% of equity shares of the Company and Mrs. Pravina B. Manek (DIN: 00416533) is holding 6.99% of equity shares of the Company. Also, Mr. Bipin M. Manek (DIN: 00416441) & Mrs. Pravina B. Manek (DIN: 00416533) are holding 52.06% of equity shares of the Company as trustees of three (3) Trusts, namely, Bipin Manek Family Private Trust, Pravina Manek Family Private Trust and Manek Family Private Trust. Mr. Mihir B. Manek (DIN: 00650613) holds 49.06% of equity shares of the Company as one of the trustees of two (2) Trusts, namely, Bipin Manek Family Private Trust and Pravina Manek Family Private Trust.

Further, Mr. Bipin M. Manek (DIN: 00416441), Mr. Mihir B. Manek (DIN: 00650613) and Mrs. Vidhi Harsh Parekh (DIN: 07584061) draw remuneration as Managerial Person of the Company. Also Mr. Bipin M. Manek (DIN: 00416441) and Mrs. Pravina B. Manek (DIN: 00416533) take Guarantee Commission from the Company for Guarantee given by them. In addition to that Mr. Bipin M. Manek (DIN: 00416441), Mr. Mihir B. Manek (DIN: 00650613) and Mrs. Pravina B. Manek (DIN: 00416533) had given unsecured loan to the Company on which interest is being charged. Other than mentioned above, none of the Directors, Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 8 of the Notice.

Accordingly, the Board recommends the Special resolution in relation to the re-appointment of Mr. Bipin M. Manek (DIN: 00416441) and for allowing him to continue to act as Managing Director of the Company after the attending the age of 70 years on the terms and conditions as set forth in Item No. 8 of the notice for the approval of the Members.

#### **Item No. 9:**

Mr. Vijay Krishnaswamirao Atre (DIN: 00416853) was appointed on the Board of the Company w.e.f. May 02, 1995. He, being a person with technical expertise and vast experience in manufacturing of food colours, is providing technical guidance to the Company in its manufacturing activities. Under his guidance and technical knowledge, the Company has been immensely benefited.

The Members in the 26th Annual General Meeting held on September 23, 2019 has approved payment of remuneration by way of commission of ₹ 6,00,000/- (Rupees Six Lakh Only) per annum (₹ 50,000/- per month) but not exceeding 1% of the net profits of the Company for each financial year, as computed in manner laid down in Section 198 of the Companies Act, 2013 ("Act") for a period of 5 (five) financial years with effect from financial year 2019-20 to Mr. Vijay Krishnaswamirao Atre (DIN: 00416853) as Non-Executive Director of the Company. The said approval for payment of remuneration was valid till March 31, 2024.

Now, on recommendation of Nomination and Remuneration Committee, the Board of Directors, in its meeting held on November 08, 2021 approved to increased his remuneration by way of commission from ₹ 6,00,000/- per annum to ₹ 7,20,000/- per annum (₹ 60,000/- per month) but not exceeding 1% of the net profits of the Company for each financial year, as computed in manner laid down in Section 198 of the Act for a period of 5 (five) financial years with effect from April 01, 2022.

Pursuant to Regulation 17(6)(ca) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), as amended, approval of the Members by way of a Special Resolution shall be obtained every year, in which the annual remuneration payable to a single Non-Executive Director exceeds fifty percent of the total annual remuneration payable to all Non-Executive Directors, giving details of the remuneration thereof.

Since, remuneration payable to Mr. Vijay Krishnaswamirao Atre (DIN: 00416853) as a Non-Executive Director, as increased, could be more than fifty percent of the total annual remuneration payable to all the Non-Executive Directors during the financial year 2022-23, as per the Regulation 17(6)(ca) of the Listing Regulations, the approval of the Members by way of a Special Resolution is required to pay him remuneration by way of commission ₹ 7,20,000/- (Rupees Seven Lakh Twenty Thousand Only) per annum but not exceeding 1% of net profits calculated u/s 198 of the Act for the financial year 2022-23. No other Non-Executive Director is being paid any remuneration except Independent Directors who are being paid sitting fees for attending the Board Meeting in which financial results/statement are considered.

In view of the above, the Board recommends the Special Resolution mentioned at Item No. 9 as set out in the accompanying notice for the approval of Members for revision in payment of remuneration way of commission to Mr. Vijay Krishnaswamirao Atre (DIN: 00416853) as Non-Executive Director of the Company, and also which shall exceed fifty percent of the total annual remuneration payable to all the Non-Executive Directors.

Brief resume of Mr. Vijay Krishnaswamirao Atre (DIN: 00416853), nature of his expertise in specific functional areas, names of companies in which he holds directorships and memberships /chairmanships of Board Committees, shareholding, etc. as stipulated in the Secretarial Standard - 2 are provided as annexure to the notice convening this meeting.

All the documents referred in the resolution mentioned at Item No. 9 and explanatory statement thereto will be available electronically for inspection by the Members during the AGM. The said documents will also be available for electronic inspection without any fee by the Members from the date of circulation of this Notice up to the date of AGM, i.e. September 30, 2022. Members seeking to inspect such documents can send an email to [vdmlcs@hotmail.com](mailto:vdmlcs@hotmail.com).

None of the Directors or Key Managerial Personnel of the Company or their respective relatives, other than Mr. Vijay Krishnaswamirao Atre (DIN: 00416853), are in any way concerned or interested, financially or otherwise, in the resolution set out at Item No. 9 of the accompanying Notice, being resolution related to payment of remuneration to him.

**Item No. 10:**

As per Regulation 17(6)(e) the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations') if the aggregate annual remuneration payable to more than one Executive Director, who is a Promoter or is a Member of the Promoter Group, exceeds 5% of the net profits of the Company calculated as per Section 198 of the Companies Act, 2013 ('the Act') then approval of the Members by way of a Special Resolution is required. Such approval of the Members under this provision shall be valid only till the expiry of the term of such Director.

Mr. Bipin Madhavji Manek (DIN: 00416441), Mr. Mihir Bipin Manek (DIN: 00650613) and Mrs. Vidhi Harsh Parekh (DIN: 07584061) are the Executive Directors and also the Promoters of the Company and drawing remuneration in excess of limit mentioned in said Regulation 17(6)(e). Accordingly, the approval of the Members was taken in the

25th AGM of the Company held on September 28, 2018. Again approval of the Members was taken in subsequent AGMs upon increase of remuneration of both the Executive Directors and re-appointment.

Subsequent to above approval, the Board of Directors in their meeting held on August 12, 2022, on recommendation of the Nomination and Remuneration Committee, has re-appointed Mr. Bipin Madhavji Manek (DIN: 00416441) as Managing Director of the Company for a period of five years w.e.f. November 01, 2022 and approved the remuneration payable to him as mentioned in the Explanatory Statement to Resolution no. 8 of the notice of this AGM.

The annual remuneration payable to the Executive Directors i.e. Mr. Bipin Madhavji Manek (DIN: 00416441), Mr. Mihir Bipin Manek (DIN: 00650613) and Mrs. Vidhi Harsh Parekh (DIN: 07584061), is within the limit of 5% and 10% as specified u/s 197(1) of the Act. Since, Mr. Bipin Madhavji Manek (DIN: 00416441) is re-appointed, the approval of the Members by way of a Special Resolution is again required as the Company has more than one Promoter Executive Director and remuneration paid to them is in excess of 5% of the net profits of the Company calculated as per Section 198 of the Act.

In view of the above, the Board recommends the Special Resolution mentioned at Item No. 10 as set out in the accompanying notice for the approval of the Members.

Pursuant to Section 102(1) of the Act, it is informed that, Mr. Bipin Madhavji Manek (DIN: 00416441), Managing Director, Mr. Mihir Bipin Manek (DIN: 00650613), Joint Managing Director, Mrs. Pravina Bipin Manek (DIN: 00416533), Non-Executive Director and Mrs. Vidhi Harsh Parekh (DIN: 07584061), Whole-time Director of the Company, being relatives within the meaning of Section 2(77) of the Act, are concerned or interested in the Resolution at Item No. 10 of the accompanying notice. All person named above are Promoters of the Company and were holding, alongwith Promoter Group, 64.27% of total voting power in the Company as on date.

Further, Mr. Bipin M. Manek (DIN: 00416441), Mr. Mihir B. Manek (DIN: 00650613) and Mrs. Vidhi Harsh Parekh (DIN: 07584061) draw remuneration as Managerial Personnel of the Company. Also Mr. Bipin M. Manek (DIN: 00416441) and Mrs. Pravina B. Manek (DIN: 00416533) take Guarantee Commission from the Company for Guarantee given by them. In addition to that Mr. Bipin M. Manek (DIN: 00416441), Mr. Mihir B. Manek (DIN: 00650613) and Mrs. Pravina B. Manek (DIN: 00416533) had given unsecured loan to the Company on which interest is being charged. Other than mentioned above, none of the Directors, Key Managerial Personnel of the Company or their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 10 of the Notice.

All the documents referred in the resolution mentioned at Item No. 10 and explanatory statement thereto will be available electronically for inspection by the Members during the AGM. The said documents will also be available for electronic inspection without any fee by the Members from the date of circulation of this Notice up to the date of AGM, i.e. September 30, 2022. Members seeking to inspect such documents can send an email to [vdmlcs@hotmail.com](mailto:vdmlcs@hotmail.com).

As on the date of this Report, your Company had ten (10) Directors consisting of 5 (Five) Independent Directors including 1 (One) Independent Woman Director, 3 (Three) Executive Directors and 2 (Two) Non-Executive Directors including a Woman Director (Promoter).

In pursuance of the provisions of Section 152(6) of the Act and Articles of Association of the Company, Mrs. Pravina Bipin Manek (DIN: 00416533) and Mrs. Vidhi H. Parekh (DIN: 07584061) retires by rotation from the Board in the ensuing AGM and, being eligible for re-appointment, has offered themselves for reappointment. The Board of Directors recommends their re-appointment to the Members of the Company.

The details of Directors or Key Managerial Personnel who were appointed or have resigned during the year are as follows:

- Mr. Awdhesh Kumar Pandey (Membership No.: A60501) Company Secretary & Compliance Officer of the Company, had resigned from the Company w.e.f. May 12, 2021.
- The Members in the 28th AGM of the Company approved appointment of Mrs. Vidhi H. Parekh (DIN: 07584061) as Director of the Company. In the said meeting, her appointment as Whole-time Director for a period of five years w.e.f. November 01, 2020 was also approved.
- In the 28th AGM Mr. Mihir B. Manek (DIN: 00650613) re-appointed as Director pursuant to Section 152(6) of the Act.
- Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors in its Meeting held on November 08, 2021 had appointed Ms. Priyanka Suresh Soni (Membership No.: A63701) Company Secretary & Compliance Officer of the Company.

After closure of the financial year, on the recommendation of the Nomination and Remuneration Committee, the Board of Directors in their meeting held on August 12, 2022 has re-appointed Mr. Bipin Madhavji Manek (DIN: 00416441) as Managing Director for a period of five years w.e.f. November 01, 2022 on existing terms and conditions. The said re-appointment is subject to the approval of the Members in the ensuing AGM.

On the recommendation of Nomination and Remuneration Committee, the Board of Directors, in its meeting held on November 08, 2021, approved to increase remuneration by way of commission of Mr. Vijay Krishnaswamirao Atre (DIN: 00416853), Non- Executive Director of the Company by ₹ 10,000/- per month w.e.f. April 01, 2022, his revised remuneration being ₹ 60,000/- per month, subject to not exceeding 1% of the net profits of the Company for each financial year, calculated in the manner laid down in Section 198 of the Act which also subject to approval of Members in the ensuing AGM. Accordingly, the Board recommends to the Members for approval of increase in remuneration by way of commission of Mr. Vijay Krishnaswamirao Atre (DIN: 00416853).

In terms of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('**the Listing Regulations**'), approval of the Members by way of a Special Resolution shall be obtained every year in which the annual remuneration payable to a single Non-Executive Director exceeds 50% of the total annual remuneration payable to all the Non-Executive Directors giving details of the remuneration thereof. Since payment of remuneration to Mr. Vijay Krishnaswamirao Atre (DIN: 00416853) as a Non- Executive Director is more than 50% of the total annual remuneration payable to all the Non-Executive Directors, in order to comply with the provisions of the Listing Regulations and continue to pay him a remuneration on proposed scale, as proposed in the ensuing AGM, during the financial year 2022-23, a Special Resolution is proposed in the ensuing AGM.

According to Regulation 17(6)(e) of the Listing Regulations, if the aggregate annual remuneration payable to more than one Executive Director, who is a Promoter or is a Member of the Promoter Group, exceeds 5% of the net profits of the Company calculated as per Section 198 of the Act even though the annual remuneration payable to the Executive Directors is within the limit of 5% and 10% as specified u/s 197(1) of the Act, then approval of the Members by way of a Special Resolution is required. Such approval of the Members under this provision shall be valid only till the expiry of the term of such Director(s). The approval of the Members by way of a Special Resolution was already taken in previous AGM. However, the Board of Directors in their meeting held on August 12, 2022 had approved reappointment of and payment of remuneration to Mr. Bipin Madhavji Manek (DIN: 00416441) as Managing Director for a period of five years w.e.f. November 01, 2022. In order to comply with the provisions of the Listing Regulations, a Special Resolution is again proposed in the ensuing AGM for payment of remuneration to Executive Directors.

Accordingly, the Board recommends the approval for payment of aggregate annual remuneration to the Promoter-Executive Directors/Members of the Promoter Group exceeding 5% of the net profits of the Company and the payment of aggregate annual remuneration to Mr. Vijay Krishnaswamirao Atre (DIN: 00416853) as a Non-Executive Director of the Company, which exceeds 50% of the total annual remuneration payable to all the Non-Executive Directors.

The Company has received declarations from all the Independent Directors of the Company pursuant to the provisions of Section 149(7) of the Act, stating that they meet the criteria of independence as provided under the Act and the Listing Regulations and that they are not disqualified to become Directors under the Act; and in the opinion of the Board of Directors, all the Independent Directors fulfill the criteria of independence as provided under the Act read with the Listing Regulations and that they are independent of the Management.

Further, at the time of the appointment of an Independent Director, the Company issues a formal letter of appointment outlining his role, function, duties and responsibilities. The format of the letter of appointment is available on our website at <https://vidhifoodcolors.com/INVPDFDocs/9.%20Codes%20and%20Polices/14.%20Terms%20&%20Conditions%20of%20ID.pdf>

Brief resume and other details of the Director proposed to be re-appointed, as stipulated under the Listing Regulations and Secretarial Standard-2, has been furnished separately in the Notice convening the AGM read with the Annexure thereto forming part of this Annual Report.

Following persons are designated as Key Managerial Personnel (KMP) as on March 31, 2022:

- Mr. Bipin Madhavji Manek (DIN: 00416441), Chairman and Managing Director
- Mr. Mitesh Dinesh Manek, Chief Financial Officer
- Ms. Priyanka Suresh Soni (Mem No. A63701), Company Secretary and Compliance Officer

## 10. Board Evaluation:

The Board of Directors is committed to continued improvement in its effectiveness. Accordingly, formal evaluation of Board's, its Committee and Directors performance is carried out annually. This was designed to ensure, amongst other things, that the Board, its Committees and each Director continue to contribute effectively.

As per Section 134(3)(p) of the Act, a statement indicating the manner in which formal annual evaluation was made by the Board of their performance and that of its Committees and individual Directors, has to be furnished to the Members as part of the Board's Report.

As per provisions of Section 178(2) of the Act, Nomination and Remuneration Committee shall specify the manner for effective evaluation of performance of Board, its Committees and individual Directors to be carried out. Further, the Independent Directors, as part of their mandate under Schedule IV of the Act, need to make an evaluation of performance of the Board, its Committee and constituents of the Board apart from their self-evaluation. Under this process, a structured questionnaire was prepared after taking into consideration inputs received from the Directors, setting out parameters of evaluation; the questionnaire for evaluation are to be filled in, consolidated and discussed with the Chairman. The evaluation by the Independent Directors has been undertaken at their meeting held on February 10, 2022. The Board of Directors undertook evaluation of Independent Directors at their meeting held on February 10, 2022 and placed on its record that the Independent Directors have the requisite qualification, expertise and track record for performing their duties as envisaged under the Law, and they add value in the decision making process of the Board.

The criteria for evaluation of performance of Directors, the Board as a whole and the Board's Committee, as specified by Nomination and Remuneration Committee, are summarized in the table given below:

<b>Evaluation of</b>	<b>Evaluation by</b>	<b>Criteria</b>
Non-Independent Director (Executive)	Independent Directors	Transparency, Leadership (business and people), Governance and Communication
Non-Independent Director (Non-Executive)	Independent Directors	Preparedness, Participation, Value addition, Governance and Communication
Independent Director	All other Board Members	Preparedness, Participation, Value addition, Governance and Communication
Chairman	Independent Directors	Meeting dynamics, Leadership (business and people), Governance and Communication
Committees	Board Members	Composition, Process and Dynamics
Board as a whole	Independent Directors	Composition, Process and Dynamics

**11. Board Familiarization Program:**

At the time of appointment of Independent Director, through the induction process, he/she is familiarized with the Company, the Director's roles, rights and responsibilities in the Company, nature of the industry in which the Company operates, business model of the Company, etc. Detailed presentations are made before the Board Members at the Board Meetings covering various areas including business, strategy, financial performance and forecast, compliances/regulatory updates, audit reports, risk assessment and mitigation, industry, roles, rights, responsibilities of Independent Directors, etc. The Familiarization Program aims to provide insights into the Company to enable the Independent Directors to understand its business in depth and contribute significantly to the Company. All Independent Directors attended the orientation and familiarization programs held during the financial year 2021-22.

The Secretarial Auditor has qualified the Secretarial Audit Report. The observations of the Secretarial Auditors and the reply of the Management for the same are as under:

Sr. No.	Secretarial Auditors' Observations	Reply from the Management
1.	In terms of Rule 6(3)(a) of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 there was a delay in publication of notice in newspapers for transfer of shares to Investor Education and Protection Fund.	The said dividend account of Company was with Corporation Bank, which was in the process of merger with Union Bank of India. Due to change in the officers, management & systems the Reconciliation Statement from Bank's part was not received on time. However, as soon as the same were received, the shareholders were identified and the notice was published in the newspapers.
2.	Mr. Awdhesh Pandey, Company Secretary and Compliance Officer of the Company had resigned w.e.f. closing working hour of May 12, 2021. The Company has appointed Ms. Priyanka Suresh Soni, Company Secretary, as Compliance Officer of the Company w.e.f. November 08, 2021. Hence, there was no Compliance Officer during the period from closure of working hour of May 12, 2021 till November 07, 2021.	The SEBI Listing Regulation does not prescribe time limit within which the Company Secretary/ Compliance Officer to be appointed. However, Section 203(4) of the Companies Act, 2013 provide 6 months' time to fill the casual vacancy in the office of Company Secretary. Accordingly, the appointment of Company Secretary was made w.e.f. November 08, 2021, which was within 6 months from the date of creation of vacancy.
3.	The Company being, top 1000 listed entity by Market Cap as on March 31, 2021, was required to have D&O insurance w.e.f. January 01, 2022 which was obtained effective from March 28, 2022.	The Company has obtained D&O insurance which was effective from March 28, 2022.

The details of loan given and Investment made by the Company have been given in the Financial Statement.

**28. Risk Management:**

The Company is exposed to inherent uncertainties owing to the sector in which it operates. A key factor in determining a Company's capacity to create sustainable value is the risks that the Company is willing to take (at strategic and operational levels) and its ability to manage them effectively. Many risks exist in a Company's operating environment and they emerge on a regular basis. The Company's Risk Management process focuses on ensuring that these risks are identified on a timely basis and addressed.

The Risk Management Committee ('RMC') of the Board provides oversight and sets the tone for implementing the Enterprise Risk Management ("ERM") framework across the organization. It reviews the status of key risks, progress of ERM implementation across locations and any exceptions as flagged to it, on periodic basis. The Committee oversees enterprise risk management framework to ensure execution of decided strategies with focus on action and monitoring risks arising out of unintended consequences of decisions or actions and related to performance, operations, compliance, incidents, processes, systems and transactions are managed appropriately. The Company believes that the overall risk exposure of present and future risks remains within risk capacity.

During the year under Report, the Company is keeping track on the pandemic situation to proactively manage risks and ensure health and safety of employees, while simultaneously ensuring growing business operation without any interruption.

### **29. Internal Financial Controls with reference to the Financial Statement:**

The Company has adopted the policies and procedures for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information.

The Company has in place adequate internal financial controls with reference to financial statements. The Company's internal control systems, including internal financial controls, are commensurate with the nature of its business and the size and complexity of its operations and the same are adequate and operating effectively. These systems are periodically tested and no reportable material weakness in the design or operation was observed. The Audit Committee reviews adequacy and effectiveness of the Company's internal control system including internal financial controls.

### **30. Disclosure under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013:**

### A. Energy Conservation:

#### 1. The steps taken/impact on conservation of energy:

The Company is continuously reviewing various proposals for reduction in consumption of energy, mainly by way of replacement of existing equipments by modern and energy efficient equipments. Your Company has always considered energy and natural resource conservation as a focus area and has been consciously making efforts towards improving the energy performance year after year. Energy efficiency improvement initiatives have been implemented across all the plants and offices by undertaking various energy and resource conservation steps for sustainable development.

Further, the Company ensures adopting and following below mentioned energy saving measures:

- a) Switching off equipments whenever not in use;
- b) Printing only important documents;
- c) Improvement in low insulation;
- d) Periodic desertion of Boiler;
- e) Use of energy efficient electric equipments;
- f) Regular maintenance of Machines and equipments;
- g) Use of natural lightning and natural ventilation; and
- h) Educating employees and workers for energy conservation and creating awareness amongst the employees and workers.

#### 2. The steps taken by the Company for utilising alternate sources of energy:

- a) LED bulbs installed to save energy;
- b) Few batch processes scaled up/modified for saving of energy and time;
- c) The Company will take continuous steps to use the alternate sources by using cost effective fuels; and
- d) Power factor kept unity, few capacitors replaced resulting in significant cost savings.

#### 3. The capital investment on energy conservation equipments:

For the year under review, the total capital investment on energy conservation equipment is NIL.

### B. Technology Absorption:

#### 1. The efforts made towards technology absorption:

Your Company has continued its endeavor to absorb advanced technologies for its product range to meet the requirements of a globally competitive market. Further, the Company is taking efforts to further improve quality of the products. The Company strives to achieve innovations in its operations.

#### 2. The benefits derived like product improvement, cost reduction, product development or import substitution:

Not Applicable as the Company has not absorbed new technology during the year.

**3. In case of imported technology (imported during the last three years reckoned from the beginning of the financial year):**

No technology was imported during the preceding three years proceeding to the reporting year.

**4. Expenditure incurred on Research and Development:**

The Company has an exclusive and dedicated Research & Development Division (R&D Division) attached to its major production centre. It carries out development of new products besides improvement of existing products and production processes. R&D Division is playing a pivotal role not only in the case of new products already launched but also those on the anvil. R&D Division is entrusted with the responsibility to develop ways and means to minimize the adverse effect of quality deterioration, if any. R&D Division of the Company has a team of trained and dedicated personnel to further strengthen its activities.

The Specific areas in which R&D is carried out are:

- Development of production processes to meet specific customer requirements;
- Development of new products, especially line extension of existing products and new applications for the same;
- Development of new process techniques for cost optimization as well as fuel and energy conservation; and
- Reduction in water consumption.

## MANAGEMENT DISCUSSION & ANALYSIS REPORT

This discussion provides an assessment by Management of the current financial position, results of operations for the financial year ended March 31, 2022, market scenario, industry position, global and Indian economy and its impact of the Company. Information presented in this discussion supplements the financial statement, schedules and exhibits for the financial year ended March 31, 2022.

### Global Economic Overview:

The global economy witnessed erratic trends during the past one year. Economic activity bounced back sharply in the year 2021, post the first COVID-19 wave, supported by pent-up demand and unprecedented policy support. However, two successive waves of COVID-19, persistent labour market challenges and continuing bottlenecks in global supply chains that have led to inflationary pressures, have subdued the prospects of a broad-based economic recovery. The latter part of the financial year also witnessed significant rise in geopolitical tensions followed by sweeping sanctions and logistical challenges. The outlook is mixed with reopening of economies supporting greater demand coupled with challenges of Eastern Europe conflict having direct and global spill overs through commodity markets. In addition, there is the continued impact of lockdowns with new bottlenecks in global supply chains. Recent International Monetary Fund (IMF) Report projects global growth at 3.6% in the year 2022 and 2023, 0.8% and 0.2% lower than the January forecast, respectively.

Among the Emerging Market and Developing Economies ('EMDE'), China is expected to grow by 4.4% in calendar year 2022. India is expected to grow at the rate of 8.2% for calendar year 2022 and 6.9% in calendar year 2023.

*Source: IMF World Economic Outlook April 2022*

### Domestic Economic Overview:

Advance estimates suggest that the Indian economy is expected to witness real GDP expansion of 9.2 per cent in 2021-22 after contracting in 2020-21. This implies that overall economic activity has recovered past the pre-pandemic levels. Almost all indicators show that the economic impact of the "second wave" in Q1 was much smaller than that experienced during the full lockdown phase in 2020-21 even though the health impact was more severe. The industrial sector expanded by 22.9 percent in the first half of 2021- 22 compared to the same period in the previous fiscal year, and it is expected to grow by 11.8 percent this fiscal year. The Reserve Bank of India's Monetary Policy Committee (MPC) maintained an accommodative stance in order to achieve economic growth while keeping inflation under control.

Markets have also been heavily impacted by the ongoing standoff between Russia and Ukraine as foreign portfolio investors (FPIs) pulled out over ₹ 1 lakh crore from the Indian markets in the three months since the stalemate began, ₹ 50,000 crore more than the combined withdrawal of previous nine months.

### Industry Structure & Development:

Food colours are standard in our everyday lives, and they may even be found in meals and drinks we wouldn't anticipate. Food colours are added to food or drink to modify the hue to make it more palatable. Natural food colours, synthetic food colours, and mixed food colours are the three food colours. Food colours are employed in commercial food manufacturing and home cooking to persuade consumers to buy a product based on its visual appeal. It improves the product's taste, texture, and appearance while preserving its flavour and freshness. Any dye, pigment, or chemical that gives Colour when added to food and drink is a food colouring or colour additive. They are available in liquids, powders, gels, and pastes. Food colouring is used in both commercial and household food manufacturing. Food colourants are also utilized in cosmetics, medicines, home craft projects, and medical gadgets, among other non-food, uses natural food colours, artificial food colours and contemporary trends are discussed in this article.

Food colours are ingredients that are added to food or beverage to enhance its appearance. When colours are added to food products imparts very bright and tempting effect which influences the consumer to buy a product through visual perception. Colour is a key component to enhance the ultimate appetizing value and consumer acceptance towards foods and beverages.

The food color market is segmented into type, application and region.

- A) **Type** – Food color market is categorized into natural color and artificial color.
- B) **Application** - Beverages, Dairy & Frozen Desserts, Bakery & confectionary, Meat products, Processed food & Vegetables, Oils & fats, sweets and snacks, cosmetic, Pharma product, etc.
- C) **Region wise** – Food color market analyzed across North America (U.S., Canada and Mexico), Europe (Germany, France, UK, Italy, Spain and rest of Europe), Asia-Pacific (China, Japan, Australia, India and rest of Asia-Pacific), Latin America (Brazil, Argentina, Colombia and rest of Latin America), Middle East (Saudi Arabia, Egypt, Nigeria and rest of Middle East) and Africa (South Africa, Nigeria, and rest of Africa).

Every year incremental demand of ~₹ 1,500 to ₹ 1,700 crores is expected to generate globally for Food color. Global market of food colour/food colouring agents/powders is valued at US\$ 3.7 billion in 2017. It is projected to reach US\$ 5.1 billion by 2023 registering a CAGR of +6%.

### Market Analysis

The global market for Natural Food Color Ingredients was valued at USD 4864.9 million in 2019. The market will be valued at USD 5481.5 million by the end of 2026, with a CAGR of 1.7 % from 2021 to 2026. In 2019, India's natural food colours industry was expected to be worth USD 74.09 million. It is predicted to reach USD 92.96 million by 2027, with a CAGR of 3.90 % across the area from 2020 to 2027. It is attributable to the expanding population and increased consumer awareness of health, expected to increase the industry. As people become increasingly aware of the detrimental health effects of synthetic food colours, demand for natural food colours is growing. Artificial food colours enhance the appeal of food. Brightly coloured meals pique the curiosity of consumers, particularly youngsters. Children who are fed processed food-flavoured eatables are more likely to develop attention deficit hyperactivity disorder. These behavioural changes are more common in youngsters who consume higher levels of artificial food colours.

The global food colour market is projected to reach approximately USD 5.7 billion by 2024 and is expected to register 4.9% CAGR during the forecast period, 2019–2024. Food color is a pigment or substance that adds color to the food & beverages after being mixed. These colors are sourced either through synthetic or natural sources.

Natural food colors are evaluated to be the largest product segment accounting for over 80% of the total global market revenue. Current world demand for this product is rising substantially owing to the burgeoning awareness among salubrious consumers regarding the health benefits associated with natural food colors. The demand for natural food colors is increasing significantly owing to rise in consumer preference and awareness regarding their health benefits associated with natural colors whereas the demand for artificial food color is increasing due to low cost with easy accessibility and variety of products. Synthetic food colours have been increasingly used than natural food colours by food manufacturers to attain certain properties such as low cost, improved appearance, high colour intensity, more colour stability, and uniformity.

The Indian Dye & Dyestuff industry plays a vital role in the economic development of the country. It is one of the core chemical industries in India. It is also the second highest export segment in the chemical industry.

India is a strong global dye supplier, accounting for approximately 16% of the world production of dyestuff and dye intermediates. Maharashtra and Gujarat account for 90% of dyestuff production in India due to the availability of raw materials and dominance of textile industry in these regions.

The major users of dyes in India are textiles, paper, plastics, printing ink and foodstuff industries. The textiles sector consumes around 80% of the total production due to high demand for polyester and cotton, globally.

Over the last 28 years, it has established strong relationships with global majors like Nestle, Britannia, Pepsi, Cipla, Parle G, Unilever, ITC and so on.

Half of the sale in FY 2021-22 comes from American continent followed by 22% from Europe and 18% from Australasia. 95.20% of all colours manufactured by the Company are exported globally.

The Company has unique in-house capabilities for the development and production of synthetic food grade colours backed by several decades of experience in the field. With manufacturing plants at Dhatav Village of Raigad District in the State of Maharashtra – India, the Company efficiently caters to customers across the country and across the world. More than 90% of goods manufactured by the Company were exported. The manufacturing capacity is elastic and is capable of meeting the expected sales growth for the next few years. The plants are modern, compliant with health, safety and environment norms, and the team is well trained to use the best manufacturing practices.

The Company has fully equipped & functional laboratory accredited by the Bureau of Indian Standards forms the core of Quality Control Department with dedicated R & D facility with a team of PHD's & qualified chemists, constantly working on process engineering of existing products and on development of new products to enhance the product portfolio and offerings. Stringent checks and processes established at each stage from Raw Material testing to In-Process to manufacturing processes to delivery of Finished Goods to ensure desired products with high standard of quality.

Vidhi has built up on technical services, marketing capabilities and production in bulk quantities to face competition from domestic as well as global markets. In this way, Vidhi enjoys a position of one of the leaders in food colour manufacturing Industry.

The Company is sharing of information & working hand in hand with the regulatory bodies like US FDA & EC for new product developments & standards to be implemented across the globe for food color industry.

**Outlook:**

The global food colour market is primarily driven by the increasing demand from beverage industry and bakery and confectionary. The high demand from flavoured drinks, fruit juices and nutritional drinks drives the global food colour market. For commercial adoption, synthetic food colours are in high demand because of the high stability under light, cheap in cost and less microbial contamination. However, natural food colours are expensive in comparison to synthetic ones.

Due to trade conflicts erupted around the world, especially among China, the United States and Western Europe. Large chemical markets that remain accessible in this scenario could present opportunities for chemical Companies in India.

The structure of China's chemical industry is changing due to stricter environmental norms, tighter financing and consolidation, which could present opportunities for India's chemical Companies in certain value chains and segments, especially in the short term.

While the capacity expansion plan remains on track, improving product mix, lower share of trading business and backward integration are expected to improve earnings. Operating margins should settle north.

The outlook for the business is stable in current year in view of COVID-19 however, the Company continues to work on manufacturing and distribution expansion and strengthening of supply chain. The Company is confident to meet the challenges posed globally due to COVID with its strength in marketing network, its strategic planning, productivity improvement and cost reduction exercise.

**Opportunities and Threats:**

The Company has a well set up infrastructure in respect to manufacturing capacities, human resources, technical expertise, etc. which are a key factor for future growth of its business. The Company can bank on its in-house R&D for development of new products, quality improvements and cost reductions. Another important aspect which helps the Company in having its diverse portfolio of products is the fact that, the manufacturing capacities are fungible. The dedicated teams for Quality Management and Quality Assurance, helps in maintaining the standards required for various products. The entire project or process is designed to ensure delivery of Best Quality Products. Company's products are having various quality certificates. Further, expansion plans and backward integration will enable the Company to cash on the various opportunities available to the Company.

**Opportunities:**

With the growing health consciousness among consumers, the demand for synthetic food coloring is declining. As a result of the adverse effects that these colors cause to human health, food manufacturers are constantly on the lookout for innovative ways to extract colors from alternative natural sources. Untapped raw material sources, such as cabbage and algae beta-carotene that are compliant with the regulatory mandates, offer opportunities for the growth of the food colors market. Intercropping of existing crops with coloring crops offers high growth opportunities for the key players in the market as they focus on offering new sources of food colors.

The global food colors market was estimated to be valued at USD 4,287.5 million in 2021. It is projected to reach USD 5,386.8 million by 2026, recording a CAGR of 4.7% during the forecast period. Food colors are vital ingredients of processed foods & beverages. Food processors reinforce the original product's quality by enhancing its visual appeal using food coloring. Improving the product appeal is a major factor that has led to the addition of colors to food products. Food colors balance the loss of colors due to the effect of heat, light, air, moisture, and other atmospheric conditions. Food colors play a significant role in enhancing the visual appeal of off-color or colorless products. They also help to retain the original properties of vitamins, flavors, and nutrients in food products that can get altered due to sunlight.

Due to COVID-19, for short term the growth forecast is lower single digit CAGR (Compounded Annual Growth Rate) in the medium term driven by improving in COVID-19 situation due to awareness, regulatory requirements, commencement in manufacturing activities after gradually lifting lockdown by the Government and structural demand drivers for the food and beverage industry. Further, US-China Trade Off also gave Indian Colour manufacturing entities an opportunity to expand.

**Further:**

- There is large domestic market with increased income and expenditure on consumer products;
- Closures of industries in China due to environmental norms;
- Good quality products;
- Quality human resources;
- Established production facilities;
- Management experience and expertise in food colour business;
- Various pro industry initiative taken by the Government and the Reserve Bank of India;
- Access to international selling and sourcing markets is a key success factor and vital for the food colours manufacturing Industry; and
- Health benefits of certain natural food colors.

**Threats:**

- Impact of Russia-Ukraine War on Indian Food & Beverage Industry
- Impact of COVID-19 on Export due to increase in dwell time;
- Commoditization is a constant threat. Substantial resources and money is spent on developing products, which if superior can be sold at a high price, nevertheless, with time competitors are able to produce these or similar products.
- Most of the chemical companies in India are smaller in scale as compared to their global counterparts. As the global Companies enter and strengthen their presence in the Indian market, they will also invest in marketing, distribution and production systems that local companies may struggle to match.
- Cost of compliance makes operations uneconomical and unviable for small players.
- Chemical companies are affected by environmental regulations. However, awareness about the regulations and their positive effects on the Company will add to value creation and growth.
- Stringent regulations pertaining to the use of colors in food applications

**Risks and Concerns:**

The Year 2021-22 faced COVID-19 but not on the same level as 2020-21. Further, there was a 3rd wave in January 2022 which was moderate due to aggressive vaccination drive by Indian Government. Along with COVID-19 slowly disappearing from the world, we faced a new virus named MonkeyPox. Along with the viruses still prevailing in the world, food colour manufacturing industries have their own risk and concerns.

Even though the economy all over has impacted badly, the Company was impacted less as it was able to start Manufacturing activities effective from April 05, 2020. The Company was working with controlled Manpower capacity considering the safety of employees and guidelines issued by authorities from time to time. Further, there is no major decline whatsoever in demand for synthetic food colours in this situation as food colours are supplied to essential items like pharmaceuticals, food, feed, beverage, home care, personal care products etc.

As a manufacturing unit in addition to challenges of labour availability, limited working hours, and adherence to COVID-19 safety norms has also impacted. Slowly and gradually the economic activities are gaining momentum with increased vaccination and awareness among the people. The economic recovery and GDP growth also depend on roll out of Government stimulus and policy measures to be taken by the Government to 'reboot' and 'rebound' the economy.

The Company is exposed to health, safety, security and environmental risks, given the diversity and complexity of the industry in which the Company operates. Macro-economic conditions like the policy decisions of the Government, currency fluctuations and volatility in commodity prices like crude oil can also affect the business of the Company.

**Other Concerns are:**

- Infrastructural challenges;
- Travel and transport restriction imposed by other countries due to COVID 19;
- Bilateral/multilateral trade agreements of the Country;
- High cost of power;
- Availability of skilled man power;
- High fragmentation of the chemical industry;
- Impact of Russia-Ukraine war in Indian market

The Company fulfils its legal requirements concerning emission, waste water and waste disposal. Improving work place safety continued to be top priority at both the manufacturing plants. The Company continued its focus on compliance in all areas of its business operations by rationalizing and strengthening the controls. The Company has set in place the requisite mechanism for meeting with the compliance requirements and periodic monitoring to avoid any deviation. Company aims to set exemplary and sustainable standards, not only through products, services and performance, but also through integrity and behavior.

**Segment-wise or product-wise performance:**

In accordance with Ind-AS 108, the Company has a single reportable business segment, namely, manufacturing and trading of food colours and chemicals. Thus, the segment wise or product wise performance report is not given in the report. The Company has manufactured 3,573.81 MT food colours during the financial year 2021-22 against 3,660.66 MT in the previous year.

**Net Sales by Geography:**

**Discussion on financial performance with respect to operational performance:**

**i. Financial Performance:**

During the year under review, your Company has achieved Revenue from operations of ₹ 53,705.46 lakhs. The comparative figures are tabulated below. (₹ in Lakhs)

Particulars	F.Y. 2021-22	F.Y. 2020-21
Total Revenues from Operation	53,705.46	26,641.15
Revenues from Exports	23,468.86	17,186.31
EBDIT	8,603.48	5,408.65
PAT	5,875.86	3,672.00
Earnings per share	11.75	7.36

**ii. Operational Performance:**

Overall, the macro-economic situation is still challenging and policy measures taken by the Government are yet to impact the business in a big way. However, Company posted excellent growth in top as well as bottom line on the back of planned austerity measures and optimum resource management.

The Company's performance with regard to the export manufacturing sales volumes, decreased in the financial year 2021-22 to 45% of total sales from 66% of total sales in previous year. Domestic manufacturing sales decreased from 3% in FY 2020-21 to 2% in FY 2021-22, whereas domestic trading sales increased from 31% in FY 2020-21 to 53% in FY 2021-22.

The Company's main focus is on manufacturing activities and trading is not the focus area of business. However, to set-off the impact of COVID 19 on manufacturing activities, the Company has increased trading activities which resulted into increase in trading turnover from 31% in previous year to 53% in reporting period. By a combination of a better product mix helped by specialty products and continual improvement in the efficiency of operations at both the locations, the Company has tried keeping its operating margins healthy for all the four quarters and has achieved to have a good EBIDTA level. Turnover of the Company has been increased by 102.51% as compared to the previous year whereas the other income has decreased by 12.17% as compared to the previous year.

### **Environmental & Hazardous Safety and Quality Assurance:**

Vidhi commits itself to ethical and sustainable operation and development in all business activities. Sustainability enhances innovative ways to do business. This is a necessary prerequisite for value creation. Sustainability at the Company is an integral part of the way we work and this helps the company to position itself in the sustainable market, build a competitive advantage through differentiation, support profitable growth, create added value for stakeholders, build brand image and reputation and anticipate and mitigate risk.

Our ability to treat customers, employees, neighbors and environment in a responsible way is not only ethically correct but also strengthens our partnership with those stakeholders upon whom our success as a Company ultimately depends. The Company takes initiatives to reduce environment, health and safety risks in the production, storage, distribution, use of products and disposal of waste. These include efficient use of energy and resources and continuous improvement of our processes to minimize the impact of our activities on the environment.

As your Company deals with chemicals and is in the business of manufacturing food colours and trading in specialty chemicals, it has to make sure that the highest degree of safety measures is maintained in order to avoid any risk at the workplace. Your Company is committed to maintain its operations and workplace free from incidents and significant risk to the health and safety of its stakeholders through improved their work skills, strong channels of communication, safety awareness, and sound training practices.

### **Internal Control Systems and its Adequacy:**

The Company has a system of internal controls to ensure that all its assets are properly safeguarded and not exposed to risks arising out of unauthorized use or disposal. The Internal Control system is supplemented by programs of internal audit to ensure that the assets are properly accounted for and the business operations are conducted in adherence to the laid down policies and procedures. The internal control system also focuses on processes to ensure integrity of the Company's financial accounting and reporting processes and compliance with the Company's legal obligations. The Company has a well-defined risk management programme for identifying and mitigating risks across all the functions which are reviewed by the Audit Committee and Board of Directors of the Company periodically.

The Company has a Risk Management Committee of the Board of Directors which meets regularly to review inter alia risk management policies, adequacies of internal controls, the financial information and other issues related to the Company's operations. The Internal Auditors along with finance team plans the audit schedule for the year in consultation with CFO and the Audit Committee. The Audit Committee of the Board approves the internal audit plan at the start of every financial year to ensure the coverage of most of the functions with a view to minimise associated risks. Independent external teams have been engaged as the Internal Auditors to perform the internal audit function, assess the internal controls and statutory compliances in various areas and also provide suggestions for improvement. The Audit Committee regularly reviews the major findings of the internal audits with respect to different locations and functions to help take effective steps in ensuring compliance.

**Human Resources:**

Performance measurement is a fundamental principle of the management. The measurement of performance is important because it identifies performance gaps between current and desired performance and provides indication of progress towards closing the gaps. The Company believes that human resources are a critical factor for its growth. The Company invests in its employees for the growth of their skills and talents so as to meet the growth aspirations of the business. The emphasis is on grooming in-house talent enabling them to take on larger responsibilities. The senior management team spends considerable time in reviewing the existing talent base and processes used for honing the skills of the members in the talent pool and assessing their preparedness for taking on new assignments.

Compensation and benefits packages have always been pivotal to retaining and motivating employees. To remain competitive in compensation and rewards offered, continual efforts were made to make compensation and benefits flexible and market-linked.

The relations with the employees and workers remained cordial and harmonious throughout the year. The Company had total work force of 71 as on March 31, 2022.

We further considered whether the provisions were misstated and concluded that they were appropriate in all material respects, and disclosures related to trade receivable in the financial statements are appropriate.</li> </ul>

### Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process of the Company.

### **Auditor's Responsibility for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
  - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
  - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.
  - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
  - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

- 
- iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. As stated in Note 9 to the standalone financial statements:
- (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
- (b) The interim dividend declared and paid by the Company during the year and until the date of this report is in compliance with Section 123 of the Act.
- (c) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
2. As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

## ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Vidhi Specialty Food Ingredients Limited of even date)

### Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Vidhi Specialty Food Ingredients Limited** (“the Company”) as of March 31, 2022 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

#### Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the Company, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

  - b) Based on our audit procedures and on the basis of information and explanations given to us, the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
  - c) Based on our audit procedures and on the basis of information and explanations given to us, term loans raised by the Company during the year and outstanding term loans at the beginning of the year have been applied by the Company during the year for the purposes for which they were raised.
  - d) on an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

- e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- f) based on our audit procedures and on the basis of information and explanations given to us, the company has not raised loans during the year on the pledge of securities held in its subsidiary.
- x. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- xi. (a) Based upon the audit procedures performed and the information and explanations given by the management, no fraud by the Company and no fraud on the Company by its officers or employees has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) According to the information and explanations given to us, the Company has not received any whistle blower complaints during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, the provisions of Clause (xii) of Para 3 of the Order are not applicable to the Company.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

## Notes to Financial Statements for the year ended 31 March 2022

### (1) Corporate Information:

The Company was incorporated on 19th January, 1994 and is engaged in the business of manufacturing and trading in synthetic food colors and trading in chemicals. The company was formerly known as "Vidhi Dyestuffs Manufacturing Limited" and w.e.f. 25th August, 2016, it is changed to "Vidhi Specialty Food Ingredients Limited".

The equity shares of the company are listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE) in India.

#### Authorization of financial statements

The standalone financial statements were authorised for issue in accordance with a resolution of the books of Directors passed on 12th May 2022.

### (2) Significant Accounting Policies:

#### (i) Basis of preparation

The Financial Statements comply with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standard) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements upto the year ended 31st March 2017 were prepared in accordance with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act.

Effective 1st April 2017, the company has adopted Ind AS and adoption was carried out in accordance with Ind AS 101 first time adoption of accounting standard, with 1st April, 2016 as the transition was carried out from Indian Accounting

Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rule, 2014 (IGAAP), which was the previous GAAP.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

#### (ii) Use of Estimates

Preparation of financial statements in conformity with Ind AS requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Management believes that the estimates made in the preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates. Any revision of accounting estimates is recognized prospectively in current and future periods.

#### (iii) Current / Non-Current classification

The normal operating cycle of the Company is 12 months. Assets and Liabilities which are expected to be realizable / payable within 12 months are to be classified as current and rest will be classified as non-current.

## Notes to Financial Statements for the year ended 31 March 2022

### (iv) Revenue Recognition

Revenue from sale of products is recognized on transfer of all significant risk and rewards of ownership to the customers, which is generally on dispatch of goods and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Sales are stated exclusive of sales tax & GST and net of trade discount and quantity discount.

Dividend Income is recognized when the right to receive the dividend is established.

Interest Income is recognized on time proportion basis.

Export incentives / benefits are accounted for on accrual basis on value of exports affected during the year under consideration.

### (v) Income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amount for financial reporting purposes at their reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

### (vi) Property, plant and equipment

- (i) Freehold land is carried at historical cost and all other property, plant and equipment are shown at cost (net of adjustable taxes) less accumulated depreciation and accumulated impairment losses. The cost of an asset comprises of its purchase price, non refundable / adjustable purchase taxes and any cost directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by the management, the initial estimate of any decommissioning obligation, if any and for assets that necessarily take a substantial period of time to get ready for their intended use, finance costs. The purchase price is the aggregate amount paid and the fair value of any other consideration given to acquire the asset. The cost also includes trial run cost and other operating expenses such as freight, installation charges etc. The projects under construction are carried at costs comprising of costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management and attributable borrowing costs.
- (ii) Stores and spares which meet the definition of property, plant and equipment and satisfy the recognition criteria of Ind AS 16 are capitalized as property, plant and equipment.

## Notes to Financial Statements for the year ended 31 March 2022

- (iii) When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.
- (iv) An Item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset or significant part) is included in the Statement of Profit and Loss when the asset is derecognized.
- (v) In line with the provisions of Schedule II to the Companies Act, 2013, the Company depreciates significant components of the main asset (which have different useful lives as compared to the main asset) based on the individual useful life of those components. Useful life for such components of property, plant and equipment has been assessed based on the historical experience and internal technical inputs.
- (vi) Depreciation on property, plant and equipment is provided as per straight line method based on useful life prescribed under Schedule II to the Companies Act, 2013. The Company has assessed the estimated useful lives of its property, plant and equipment and has adopted the useful lives and residual value as prescribed in Schedule II.

The property, plant and equipment acquired under finance lease are depreciated over the period of lease. Depreciation on stores and spares specific to an item or property, plant and equipment is based on life of the related property, plant and equipment. In other cases, the stores and spares are depreciated over their estimated useful life based on the technical assessment.

- (vii) The residual values and useful lives of property, plant and equipment are reviewed at each financial year end, and changes, if any, are accounted prospectively.
- (viii) Capital work-in-progress includes cost of property, plant and equipment under installation / under development as at the balance sheet date. These are stated at cost to date relating to items or project in progress, incurred during construction / preoperative period. Advances given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under "Other non-current Assets".

### (vii) Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably.

Intangible assets comprising of "Computer Software" are recorded at acquisition cost and are amortized over the estimated useful life on straight line basis. Estimated useful life of software is assessed to be 10 years.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

### (viii) Inventories

Inventories comprise all cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing the inventories to their present location and condition.

## Notes to Financial Statements for the year ended 31 March 2022

The Inventories [Raw Materials, Traded Goods, Packaging Material, Stock in transit (RM) and Stock with Third Parties (RM)] are valued at lower of cost and net realizable value on First-In-First-Out basis (FIFO).

The Work-in-process and finished goods valued at the batch cost which comprises of cost of raw material, manufacturing expenses, labour charges and other direct expenses.

Stores and Spares are charged to the statement of profit and loss in the year of purchase.

### (ix) Foreign currency Transactions

#### (i) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

#### (ii) Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

#### (iii) Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting such monetary items of Company at rates different from those at which they were initially recorded during the year, or reported in financial statements, are recognized as income or as expenses in the year in which they arise.

#### (iv) Forward Contracts

The premium or discount arising at the inception of forward exchange contracts is booked as expense or income immediately. Exchange differences on such contracts are recognized in the Statement of Profit and Loss in the year in which the exchange rates changes. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense for the year.

### (x) Employee benefits

All employee benefits payable wholly within 12 months of rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognised during the period in which the employee renders related service.

Retirement benefits in the form of Provident Fund, Employee State Insurance and Superannuation Fund is a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.

## Notes to Financial Statements for the year ended 31 March 2022

### Defined Contribution plan:

Retirement benefits in the form of Provident Fund are a defined contribution scheme and the contributions are charged to the profit and loss account of the year when the contributions to the respective fund are due. There are no other obligations other than the contribution payable to the respective fund.

### Defined Benefit Plans:

The Company contributes to a gratuity fund which has taken a group policy with Life Insurance Corporation of India for future payments of gratuity to retiring employees. The premium has been so adjusted as to cover the liability under the scheme in respect of all employees at the end of their future anticipated services with the company.

### (xi) Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. A contract is, or contains, a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

#### Company as Lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other

## Notes to Financial Statements for the year ended 31 March 2022

assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

### (xii) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### (xiii) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

Contingent liability is disclosed in the case of:

- Present obligation arising from past event, when it is not probable that an outflow of resources will be required to settle the obligation.
- A present obligation arising from past event, when no reliable estimate is possible.
- A possible obligation arising from past events, unless the probability of outflow of resources is remote. Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

### (xiv) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

## Notes to Financial Statements for the year ended 31 March 2022

### (xv) Financial instruments

#### (i) Financial assets:

##### Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in case of financial asset not recorded at fair value through profit or loss, transaction cost that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial asset measured at amortised cost.

##### Subsequent measurement

For purposes of subsequent measurement financial assets are classified into two broad categories:

- Financial asset at fair value
- Financial asset at amortised cost

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit or loss (i.e. fair value through profit or loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income)

A financial asset that meet the following two conditions is measured at amortised cost (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

- Business model test: the objective of the Company's model is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realise its fair value changes)
- Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

A financial asset that meet the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option.

- Business model test: the financial asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets
- Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

Debt Instruments included within the fair value through profit or loss (FVTPL) category are measured at fair value with all changes recognized in the statement of profit or loss.

## Notes to Financial Statements for the year ended 31 March 2022

Equity Instruments: All equity instruments within scope of Ind AS 109 are measured at fair value. Equity instruments which are classified as held for trading are measured at FVTPL. For all other equity instruments, the company decides to measure the same either at fair value through other comprehensive income (FVTOCI) or FVTPL. The Company makes such selection on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments measured at FVTOCI, all fair value changes on the instrument, excluding dividends, are recognised in Other Comprehensive Income (OCI). There is no recycling of the amounts from OCI to Statement of profit or loss, even on sale of such instruments.

The Investments are measured at Fair Market Value. The diminution in the market value of investments is not considered unless such diminution is considered permanent and accordingly provision for diminution is made in books of accounts.

All other financial asset is measured at fair value through profit or loss.

### Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
  - a) the Company has transferred substantially all the risks and rewards of the asset, or
  - b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a passthrough arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

### Impairment of financial assets:

In accordance with Ind-AS 109, the company applies Expected Credit Losses (ECL) model for measurement and recognition of impairment loss on trade receivables and other advances. The company follows "Simplified Approach" for recognition of impairment loss on these financial assets. The application of simplified approach does not require the company to track changes

## Notes to Financial Statements for the year ended 31 March 2022

in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

### (ii) Financial liabilities:

Initial recognition and measurement:

Financial Liabilities are classified at initial recognition as:

- (i) Financial liabilities at fair value through profit or loss,
- (ii) Loans and borrowings, payables, net of directly attributable transaction costs or
- (iii) Derivatives designed as hedging instruments in an effective hedge, as appropriate.

The company's financial liabilities include trade and other payables, loans and borrowings including derivative financial instruments.

### Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

#### Borrowings:

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs.

Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished and the consideration paid is recognised in the Statement of Profit and Loss as other gains / (losses).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender has agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

#### Trade and other payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial period which are unpaid. The amounts are unsecured and are usually paid within twelve months of recognition. Trade and other payables are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

## Notes to Financial Statements for the year ended 31 March 2022

### Derivative financial instruments:

The Company uses derivative financial instruments, such as foreign exchange forward contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at the end of each reporting period. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

### Loans and borrowings – subsequent measurement

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the Effective Interest Rate (EIR) amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the Effective Interest Rate (EIR). The Effective Interest Rate (EIR) amortisation is included as finance costs in the statement of profit and loss.

### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

### (xvi) Investment Property

Investment properties are properties held to earn rentals and / or for capital appreciation (including property under construction for such purpose). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the requirements of Ind AS 16 for cost model.

An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property is included in the Statement of Profit and Loss in the period in which the property is derecognized.

### (xvii) Borrowing Costs

Borrowing costs are charged to Statement of Profit and Loss except to the extent attributable to acquisition / construction of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale.

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

### (xviii) Impairment of Non-financial Assets

At each balance sheet date, an assessment is made of whether there is any indication of impairment.

If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated.

### Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below:

#### Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

#### Ind AS 16 – Proceeds before intended use

The amendments clarify the accounting of the proceeds before intended use wherein the amounts received from selling items produced while the company is preparing the asset for its intended use needs to be deducted from the cost of property, plant and equipment. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

#### Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that

## **Notes to Financial Statements for the year ended 31 March 2022**

relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

### **Ind AS 109 – Annual Improvements to Ind AS (2021)**

The amendment clarifies which fees an entity includes when it applies the ‘10 percent’ test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

### 3.1 Right-Of-Use Assets

Effective April 1, 2019, the Company adopted Ind AS 116 “Leases” and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right of use asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Company’s incremental borrowing rate at the date of initial application. Comparatives as at and for the year ended March 31, 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies included as part of our Annual Report for year ended March 31, 2019.

On transition, the adoption of the new standard resulted in recognition of ‘Right of Use’ asset of ₹ 5.82 Lakhs, and a lease liability of ₹ 5.82 Lakhs. The effect of this adoption is insignificant on the profit before tax, profit for the period and earnings per share. Ind AS 116 will result in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments

The following is the summary of practical expedients elected on initial application:

- Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date
- Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
- Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
- Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind As 17

The weighted average incremental borrowing rate applied to lease liabilities as at April 1, 2019 is 14.72%

Following are the changes in the carrying value of right of use assets for the year ended March 31, 2022:

No trade or other receivable are due from directors or other officers of the company either severally or jointly with any other person. Nor any trade or other receivable are due from firms or private companies respectively in which any director is a partner, a director or a member.

The entity has used a practical expedient by computing the expected credit loss allowance for trade receivables based on provision matrix. The Provision matrix takes into account historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix. The provision matrix at the end of the reporting period is as follow. The Management provided specific provision for credit impaired parties.

## Notes to Financial Statements for the year ended 31 March 2022

### B. Fair value hierarchy

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities included in level 3.

### C. Description of significant observable inputs to valuation:

The following table shows the valuation techniques used to determine fair value :

Type	Valuation technique
Investment in equity shares (unquoted)	Book value *
Current loans	Based on prevailing market interest rate

\* Based on unobservable inputs which generally approximates to the carrying value of the investments unless significantly impaired. Fair value has been considered Nil for significantly impaired investments. Sensitivity change in the unobservable input does not have a significant impact in its value and accordingly, sensitivity disclosure is not given.

## Note 25: Financial Risk Management

### Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables. We are exposed to market risk primarily related to foreign exchange rate risk and interest rate risk. Thus, our exposure to market risk is a function of revenue generating and operating activities in foreign currency. The objective of market risk management is to avoid excessive exposure in our foreign currency revenues and costs.

### A. Currency risk

The Company is exposed to currency risk on account of transaction with foreign subsidiaries and other parties. The functional currency of the Company is Indian Rupee. The exchange rate between the Indian rupee and foreign currencies has changed substantially in recent periods and may continue to fluctuate substantially in the future.

## Notes to Financial Statements for the year ended 31 March 2022

### B. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment in securities.

#### a. Trade receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

The Company uses an allowance matrix to measure the expected credit losses of trade receivables (which are considered good). The following table provides information about the exposure to credit risk and loss allowance (including expected credit loss provision) for trade receivables:

#### As at 31st March 2022

Ageing	Gross carrying Amount	Expected Credit Loss Rate	Credit Loss	Net Carrying Amount
0-180 days past due	14,443.14	0.00%	-	14,443.14
180-365 days past due	20.37	11.72%	2.39	17.98
More than 365 days past due	653.53	15.59%	101.91	551.62

Note - Expected credit loss is worked out on the trade receivable for which no specific provision is made.

#### As at 31st March 2021

Ageing	Gross carrying Amount	Expected Credit Loss Rate	Credit Loss	Net Carrying Amount
0-180 days past due	63.65	5.78%	3.63	59.18
180-365 days past due	38.68	11.72%	4.53	34.15
More than 365 days past due	1,096.24	15.59%	170.94	925.29

#### b. Cash and cash equivalents and Other bank balances

The Company held cash and cash equivalents and other bank balances of ₹ 146.41 lakhs at March 31, 2022 (March 31, 2021: ₹ 1,058.63 lakhs) The cash and cash equivalents are held with bank and financial institution counterparties with good credit ratings.

#### c. Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The Company does not expect any losses from non-performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors or specific country risks.

## Notes to Financial Statements for the year ended 31 March 2022

The carrying amounts of financial assets represent the maximum credit risk exposure.

Exposure to Credit Risk	As at 31-Mar-2022	As at 31-Mar-2021
<b>Financial risk for which loss allowance is measured using 12 months expected Credit Losses (ECL)</b>		
Loans	90.42	82.07
Cash & cash equivalent	101.07	1,058.63
Trade receivables	15,012.74	9,457.28
<b>Financial risk for which loss allowance is measured using Lifetime expected Credit Losses (ECL)</b>		
Trade receivables	104.30	179.11

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

### C. Liquidity risk:

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

## Notes to Financial Statements for the year ended 31 March 2022

### 34 Current assets and current liabilities

Balances of certain trade receivables, trade payables are subject to confirmation/reconciliation, if any. The management does not expect any material difference affecting the financial statements on such reconciliation/adjustments. In the opinion of management, financial & non-financial assets have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated in the balance sheet. The provision for depreciation and all known liabilities is adequate and not in excess of the amount reasonably stated.

### 35 Contingent Liability and Capital Commitments ( As certified by the Management)

The Company has trade receivables of ₹ 52,69,411 from Export debtors which is receivable is US \$ 91,812.95, as the same is outstanding more than 9 months. As per the Foreign Exchange Management Act 1999, the company need to apply for extension to Reserve Bank of India ("RBI") for receipt of foreign exchange from Export Debtors if same is not received within 9 months from the date of invoice. As the debt is receivable in US \$, the writing off of the debt also needs approval from RBI. However, this trade receivables are received in part earlier. The company is confident to receive the balance of ₹ 52,69,411 in US \$ 91,812.95 from export debtors in due course. The export debtors are regularly doing the business with the company. The delay in amount receivable from export debtors is due to commercial on mutually discussed with them by company

### 36 Details of submission with Bank for working capital loan

The Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. The quarterly Information statements filed by the company with financial institutions or banks are in agreement with the books of account of the Company except details pertain creditor which is not matching with the books of accounts:

Creditor outstanding a the end of quarter (Q)	Q1	Q2	Q3	Q4

## Independent Auditor's Report

To the Members of Vidhi Specialty Food Ingredients Limited

Report on the Audit of the Consolidated Financial Statements

### Opinion

We have audited the accompanying consolidated financial statements of **Vidhi Specialty Food Ingredients Limited** ("the Company") and its wholly owned subsidiary company i.e. **Arjun Food Colorants Manufacturing Private Limited** (the Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2022, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity, with Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2022, the consolidated profit, consolidated other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Sr. No.	Key Audit Matter	Auditor's Response
1	<p><b>Inventory Existence:</b></p> <p>The Company recognized inventory of ₹7,266.38 Lakhs as at 31 March 2022.</p> <p>Within each location, inventory is stored in packet, drums at factory and third party locations.</p> <p>This is a key audit matter because of the</p> <ul style="list-style-type: none"> <li>• Significance of the inventory balance to the statement of financial position and</li> <li>• Complexity involved in determining inventory quantities on hand due to the number, conversion from Ltr. to Kgs., location and diversity of inventory storage locations, inventories lying with third parties etc.</li> </ul>	<p>We attended inventory counts at factory, which we selected based on financial significance and risk</p> <p>We performed the following procedures at each site:</p> <ul style="list-style-type: none"> <li>• Selected a sample of inventory items and compared the quantities we counted;</li> <li>• Observed a sample of managements inventory count procedures to assess compliance with Company Policy and</li> <li>• Made enquiries regarding obsolete inventory items and inspected the condition of items counted.</li> </ul> <p>We have also evaluated a selection of controls over inventory existence across the Company. Also obtained confirmation for inventories held with third parties.</p>
2	<p><b>Trade Receivables:</b></p> <p>Trade receivables comprise a significant portion of the current assets of the Company and serve as security for a majority of the Company short-term debt. As indicated in Note 4.2 to the financial statements. The receivables provision has made based on Expected Credit Loss method. Accordingly, the estimation of the allowance for trade receivables is a significant judgement area and is therefore considered a key audit matter.</p>	<p>We assessed the validity of material long outstanding receivables by obtaining third-party confirmations of amounts receivable. We also considered payments received subsequent to year-end, insurance held for overseas trade receivables, past payment history and unusual patterns to identify potentially impaired balances. The assessment of the appropriateness of the allowance for trade receivables comprised a variety of audit procedures across the Company including:</p> <ul style="list-style-type: none"> <li>• Assessing the appropriateness and reasonableness of the assumptions applied in the managements' assessment of the receivables allowance;</li> <li>• Consideration of the creditworthiness of significant trade receivables over 90 days;</li> <li>• Consideration and concurrence of the agreed payment terms;</li> <li>• Verification of receipts from trade receivables subsequent to year-end;</li> <li>• Inspection of credit insurance policies; and</li> </ul>

Sr. No.	Key Audit Matter	Auditor's Response
2		<ul style="list-style-type: none"> <li>Considered the completeness and accuracy of the disclosures. To address the risk of management bias, we evaluated the results of audit procedures on other key balances to assess whether or not there was an indication of bias. We were satisfied that the Company's trade receivables are fairly valued and adequately provided. We further considered whether the provisions were misstated and concluded that they were appropriate in all material respects, and disclosures related to trade receivable in the financial statements are appropriate.</li> </ul>

**Information Other than the Consolidated Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our report thereon

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

**Management's Responsibility for the Consolidated Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of the adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Other Matters

- a) We did not audit the financial statements of the wholly owned subsidiary i.e. **Arjun Food Colorants Manufacturing Private Limited**, whose financial statements reflect total assets of ₹518.15 lakhs as at 31 March 2022, total comprehensive income and net profit after tax of ₹ (7.09) lakhs for the year ended 31 March 2022 as considered in the consolidated Ind AS financial statements. These financial statements of the subsidiary have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of section 143(3) of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the reports of the other auditor.

Our opinion is not modified in respect of this matter.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies(Auditor's Report)Order,2020("the order")issued by the central Government of india in terms of section 143(11) of the Act, We give in "Annexure A" a statement on the matters specified in paragraph 3 and 4 of the order, to the extent applicable.

## **ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT**

### **ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS**

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of **Vidhi Specialty Food Ingredients Limited** of even date)

#### **Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2022, we have audited the internal financial controls over financial reporting of **Vidhi Specialty Food Ingredients Limited** (hereinafter referred to as “Company”) as of that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in

reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## Consolidate Notes to Financial Statements for the year ended 31 March 2022

### (1). Corporate Information:

The Company was incorporated on 19th January, 1994 and is engaged in the business of manufacturing and trading in synthetic food colors and trading in chemicals. The company was formerly known as "Vidhi Dyestuffs Manufacturing Limited" and w.e.f. 25th August, 2016, it is changed to "Vidhi Specialty Food Ingredients Limited".

The equity shares of the company are listed on the National Stock Exchange (NSE) and Bombay Stock Exchange (BSE) in India.

#### Authorization of financial statements

The standalone financial statements were authorised for issue in accordance with a resolution of the books of Directors passed on 12th May 2022.

### (2) Significant Accounting Policies:

#### (i) Basis of preparation

The Financial Statements comply with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standard) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements upto the year ended 31st March 2017 were prepared in accordance with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act.

Effective 1st April 2017, the company has adopted Ind AS and adoption was carried out in accordance with Ind AS 101 first time adoption of accounting standard, with 1st April, 2016 as the transition was carried out from Indian Accounting

Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rule, 2014 (IGAAP), which was the previous GAAP.

Accounting policies have been consistently applied except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

#### (ii) Use of Estimates

Preparation of financial statements in conformity with Ind AS requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Management believes that the estimates made in the preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates. Any revision of accounting estimates is recognized prospectively in current and future periods.

#### (iii) Current / Non-Current classification

The normal operating cycle of the Company is 12 months. Assets and Liabilities which are expected to be realizable / payable within 12 months are to be classified as current and rest will be classified as non-current.

## Consolidate Notes to Financial Statements for the year ended 31 March 2022

### (iv) Revenue Recognition

Revenue from sale of products is recognized on transfer of all significant risk and rewards of ownership to the customers, which is generally on dispatch of goods and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Sales are stated exclusive of sales tax & GST and net of trade discount and quantity discount.

Dividend Income is recognized when the right to receive the dividend is established.

Interest Income is recognized on time proportion basis.

Export incentives / benefits are accounted for on accrual basis on value of exports affected during the year under consideration.

### (v) Income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amount for financial reporting purposes at their reporting date.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

### (vi) Property, plant and equipment

- (i) Freehold land is carried at historical cost and all other property, plant and equipment are shown at cost (net of adjustable taxes) less accumulated depreciation and accumulated impairment losses. The cost of an asset comprises of its purchase price, non refundable / adjustable purchase taxes and any cost directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by the management, the initial estimate of any decommissioning obligation, if any and for assets that necessarily take a substantial period of time to get ready for their intended use, finance costs. The purchase price is the aggregate amount paid and the fair value of any other consideration given to acquire the asset. The cost also includes trial run cost and other operating expenses such as freight, installation charges etc. The projects under construction are carried at costs comprising of costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management and attributable borrowing costs.
- (ii) Stores and spares which meet the definition of property, plant and equipment and satisfy the recognition criteria of Ind AS 16 are capitalized as property, plant and equipment.

## Consolidate Notes to Financial Statements for the year ended 31 March 2022

- (iii) When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives.
- (iv) An Item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset or significant part) is included in the Statement of Profit and Loss when the asset is derecognized.
- (v) In line with the provisions of Schedule II to the Companies Act, 2013, the Company depreciates significant components of the main asset (which have different useful lives as compared to the main asset) based on the individual useful life of those components. Useful life for such components of property, plant and equipment has been assessed based on the historical experience and internal technical inputs.
- (vi) Depreciation on property, plant and equipment is provided as per straight line method based on useful life prescribed under Schedule II to the Companies Act, 2013. The Company has assessed the estimated useful lives of its property, plant and equipment and has adopted the useful lives and residual value as prescribed in Schedule II.

### (vii) Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably.

Intangible assets comprising of "Computer Software" are recorded at acquisition cost and are amortized over the estimated useful life on straight line basis. Estimated useful life of software is assessed to be 10 years.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of intangible assets recognised as at 1 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of intangible assets.

### (viii) Inventories

Inventories comprise all cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing the inventories to their present location and condition.

The Inventories [Raw Materials, Traded Goods, Packaging Material, Stock in transit (RM) and Stock with Third Parties (RM)] are valued at lower of cost and net realizable value on First-In-First-Out basis (FIFO).

The Work-in-process and finished goods valued at the batch cost which comprises of cost of raw material, manufacturing expenses, labour charges and other direct expenses.

Stores and Spares are charged to the statement of profit and loss in the year of purchase.

### (ix) Foreign currency Transactions

#### (i) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

### (ii) Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

### (iii) Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting such monetary items of Company at rates different from those at which they were initially recorded during the year, or reported in financial statements, are recognized as income or as expenses in the year in which they arise.

### (iv) Forward Contracts

The premium or discount arising at the inception of forward exchange contracts is booked as expense or income immediately. Exchange differences on such contracts are recognized in the Statement of Profit and Loss in the year in which the exchange rates changes. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense for the year.

### (x) Employee benefits

All employee benefits payable wholly within 12 months of rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognised during the period in which the employee renders related service.

Retirement benefits in the form of Provident Fund, Employee State Insurance and Superannuation Fund is a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.

#### Defined Contribution plan:

Retirement benefits in the form of Provident Fund are a defined contribution scheme and the contributions are charged to the profit and loss account of the year when the contributions to the respective fund are due. There are no other obligations other than the contribution payable to the respective fund.

#### Defined Benefit Plans:

The Company contributes to a gratuity fund which has taken a group policy with Life Insurance Corporation of India for future payments of gratuity to retiring employees. The premium has been so adjusted as to cover the liability under the scheme in respect of all employees at the end of their future anticipated services with the company.

### (xi) Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. A contract is, or contains, a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

#### Company as Lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

### (xii) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

## Consolidate Notes to Financial Statements for the year ended 31 March 2022

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### (xiii) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability.

Contingent liability is disclosed in the case of:

- Present obligation arising from past event, when it is not probable that an outflow of resources will be required to settle the obligation.
- A present obligation arising from past event, when no reliable estimate is possible.
- A possible obligation arising from past events, unless the probability of outflow of resources is remote. Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

### (xiv) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

### (xv) Financial instruments

#### (i) Financial assets:

##### Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in case of financial asset not recorded at fair value through profit or loss, transaction cost that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial asset measured at amortised cost.

##### Subsequent measurement

For purposes of subsequent measurement financial assets are classified into two broad categories:

- Financial asset at fair value

## Consolidate Notes to Financial Statements for the year ended 31 March 2022

- Financial asset at amortised cost

Where assets are measured at fair value, gains and losses are either recognised entirely in the statement of profit or loss (i.e. fair value through profit or loss), or recognised in other comprehensive income (i.e. fair value through other comprehensive income)

A financial asset that meet the following two conditions is measured at amortised cost (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

- Business model test: the objective of the Company's model is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realise its fair value changes)
- Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

A financial asset that meet the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option.

- Business model test: the financial asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets
- Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding.

Debt Instruments included within the fair value through profit or loss (FVTPL) category are measured at fair value with all changes recognized in the statement of profit or loss.

Equity Instruments: All equity instruments within scope of Ind AS 109 are measured at fair value. Equity instruments which are classified as held for trading are measured at FVTPL. For all other equity instruments, the company decides to measure the same either at fair value through other comprehensive income (FVTOCI) or FVTPL. The Company makes such selection on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments measured at FVTOCI, all fair value changes on the instrument, excluding dividends, are recognised in Other Comprehensive Income (OCI). There is no recycling of the amounts from OCI to Statement of profit or loss, even on sale of such instruments.

The Investments are measured at Fair Market Value. The diminution in the market value of investments is not considered unless such diminution is considered permanent and accordingly provision for diminution is made in books of accounts.

All other financial asset is measured at fair value through profit or loss.

### Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

## Consolidate Notes to Financial Statements for the year ended 31 March 2022

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either
  - a) the Company has transferred substantially all the risks and rewards of the asset, or
  - b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a passthrough arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

### Impairment of financial assets:

In accordance with Ind-AS 109, the company applies Expected Credit Losses (ECL) model for measurement and recognition of impairment loss on trade receivables and other advances. The company follows "Simplified Approach" for recognition of impairment loss on these financial assets. The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

### (ii) Financial liabilities:

Initial recognition and measurement:

Financial Liabilities are classified at initial recognition as:

- (i) Financial liabilities at fair value through profit or loss,
- (ii) Loans and borrowings, payables, net of directly attributable transaction costs or
- (iii) Derivatives designed as hedging instruments in an effective hedge, as appropriate.

The company's financial liabilities include trade and other payables, loans and borrowings including derivative financial instruments.

### Subsequent measurement:

The measurement of financial liabilities depends on their classification, as described below:

### Borrowings:

## Consolidate Notes to Financial Statements for the year ended 31 March 2022

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs.

Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished and the consideration paid is recognised in the Statement of Profit and Loss as other gains / (losses).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least twelve months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender has agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

### Trade and other payables:

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial period which are unpaid. The amounts are unsecured and are usually paid within twelve months of recognition. Trade and other payables are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

### Derivative financial instruments:

The Company uses derivative financial instruments, such as foreign exchange forward contracts to hedge its foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at the end of each reporting period. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

### Loans and borrowings – subsequent measurement

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the Effective Interest Rate (EIR) amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the Effective Interest Rate (EIR). The Effective Interest Rate (EIR) amortisation is included as finance costs in the statement of profit and loss.

### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an

## Consolidate Notes to Financial Statements for the year ended 31 March 2022

exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

### (xvi) Investment Property

Investment properties are properties held to earn rentals and / or for capital appreciation (including property under construction for such purpose). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the requirements of Ind AS 16 for cost model.

An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property is included in the Statement of Profit and Loss in the period in which the property is derecognized.

### (xvii) Borrowing Costs

Borrowing costs are charged to Statement of Profit and Loss except to the extent attributable to acquisition / construction of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale.

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

### (xviii) Impairment of Non-financial Assets

At each balance sheet date, an assessment is made of whether there is any indication of impairment.

If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated.

### Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from

---

## Consolidate Notes to Financial Statements for the year ended 31 March 2022

April 1st, 2022, as below:

### **Ind AS 103 – Reference to Conceptual Framework**

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

### **Ind AS 16 – Proceeds before intended use**

The amendments clarify the accounting of the proceeds before intended use wherein the amounts received from selling items produced while the company is preparing the asset for its intended use needs to be deducted from the cost of property, plant and equipment. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

### **Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract**

The amendments specify that that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification and the Company does not expect the amendment to have any significant impact in its financial statements.

### **Ind AS 109 – Annual Improvements to Ind AS (2021)**

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

### 3.1 Right-Of-Use Assets

Effective April 1, 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right of use asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Company's incremental borrowing rate at the date of initial application. Comparatives as at and for the year ended March 31, 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies included as part of our Annual Report for year ended March 31, 2019.

On transition, the adoption of the new standard resulted in recognition of 'Right of Use' asset of ₹ 5.82 Lakhs, and a lease liability of ₹ 5.82 Lakhs. The effect of this adoption is insignificant on the profit before tax, profit for the period and earnings per share. Ind AS 116 will result in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments

The following is the summary of practical expedients elected on initial application:

- Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date
- Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
- Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
- Applied the practical expedient to grandfather the assessment of which transactions are leases. Accordingly, Ind AS 116 is applied only to contracts that were previously identified as leases under Ind As 17

The weighted average incremental borrowing rate applied to lease liabilities as at April 1, 2019 is 14.72%

**B. Fair value heirarchy**

Ind AS 107, 'Financial Instrument - Disclosure' requires classification of the valuation method of financial instruments measured at fair value in the Balance Sheet, using a three level fair-value-hierarchy (which reflects the significance of inputs used in the measurements). The hierarchy gives the highest priority to un-adjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to un-observable inputs (Level 3 measurements). The three levels of the fair-value-hierarchy under Ind AS 107 are described below:

Level 1: Level 1 heirarchy includes financial instruments measured using quoted prices.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level. This is the case for unlisted equity securities included in level 3.

## Consolidate Notes to Financial Statements for the year ended 31 March 2022

### C. Description of significant observable inputs to valuation:

The following table shows the valuation techniques used to determine fair value :

Type	Valuation technique
Investment in equity shares (unquoted)	Book value *
Current loans	Based on prevailing market interest rate

\* Based on unobservable inputs which generally approximates to the carrying value of the investments unless significantly impaired. Fair value has been considered Nil for significantly impaired investments. Sensitivity change in the unobservable input does not have a significant impact in its value and accordingly, sensitivity disclosure is not given.

### Note 25: Financial Risk Management

#### Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the group's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables . We are exposed to market risk primarily related to foreign exchange rate risk and interest rate risk. Thus, our exposure to market risk is a function of revenue generating and operating activities in foreign currency. The objective of market risk management is to avoid excessive exposure in our foreign currency revenues and costs.

#### A. Currency risk

The Company is exposed to currency risk on account of transaction with foreign subsidiaries and other parties. The functional currency of the Company is Indian Rupee. The exchange rate between the Indian rupee and foreign currencies has changed substantially in recent periods and may continue to fluctuate substantially in the future.

Exposure to currency risk (Exposure in different currencies converted to functional currency i.e. INR)

**Sensitivity analysis**

A reasonably possible strengthening (weakening) of the Indian Rupee against foreign currencies at March 31 2022 would have affected the measurement of financial instruments denominated in foreign currencies and affected Statement of profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

**B. Credit risk**

Credit risk is the risk of financial loss to the group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the group's receivables from customers and investment in securities.

**a. Trade receivables**

The group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the group grants credit terms in the normal course of business. The group establishes an allowance for doubtful debts and impairment that represents its estimate of incurred losses in respect of trade and other receivables and investments.

## Consolidate Notes to Financial Statements for the year ended 31 March 2022

The group uses an allowance matrix to measure the expected credit losses of trade receivables (which are considered good). The following table provides information about the exposure to credit risk and loss allowance (including expected credit loss provision) for trade receivables:

### As at 31st March 2022

Ageing	Gross carrying Amount	Expected Credit Loss Rate	Credit Loss	Net Carrying Amount
0-180 days past due	14,443.14	0.00%	-	14,443.14
180-365 days past due	20.37	11.72%	2.39	17.98
More than 365 days past due	653.53	15.59%	101.91	551.62

Note - Expected credit loss is worked out on the trade receivable for which no specific provision is made.

### As at 31st March 2021

Ageing	Gross carrying Amount	Expected Credit Loss Rate	Credit Loss	Net Carrying Amount
0-180 days past due	63.65	5.78%	3.63	59.18
180-365 days past due	38.68	11.72%	4.53	34.15
More than 365 days past due	1,096.24	15.59%	170.94	925.29

### b. Cash and cash equivalents and Other bank balances

The group held cash and cash equivalents and other bank balances of ₹ 146.93 lakhs at March 31, 2022 (March 31, 2021: ₹ 1,059.83 lakhs) The cash and cash equivalents are held with bank and financial institution counterparties with good credit ratings.

### c. Investments

The group limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The group does not expect any losses from non-performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors or specific country risks.

The carrying amounts of financial assets represent the maximum credit risk exposure.
