#### Notes:

- 1 The audited financial statements for the quarter & year ended March 31, 2019 have been taken on record by the Board of Directors at its meeting held on May 23rd, 2019. The information presented above is extracted from the audited standalone financial statements. The financial statements are prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.
- 2 The Company had opted for CDR of its Debt in November, 2013. The CDR package was approved by the competent authority in June, 2014 and implemented by lenders in September, 2014. The credit facilities envisaged & sanctioned under CDR package were not fully released by the lenders which resulted in sub-optimum utilization of manufacturing facilities and the company could not complete one of its spinning project where substantial amount was already incurred. All this has led to adverse financial performance and erosion in net worth of the Company. Also the company has been facing cash flow mismatch and is not servicing debt obligations as per the terms of CDR package sanctioned earlier. However, despite all this, the manufacturing capacities are operational and running. The Company has requested its lenders for a second/deep restructuring of its debts. Considering the state of art manufacturing facilities of the Company, most modernized technology, skilled labor force, professional management and inherent viability of the Company, the lenders had in-principle agreed for second/deep restructuring of the debts. Pending discussions with the lenders, State Bank of India in its capacity as financial creditor has filed a petition on 12th October, 2017 under "Insolvency and Bankruptcy Code, 2016" (IBC) with Hon'ble National Company Law Tribunal, Chandigarh Bench (NCLT). On 11th April, 2018, the NCL1 vide it's order of even date admitted the said petition and Corporate Insolvency Resolution Professional (IRP) vide order dt. 25th April, 2018 and the affairs, business and assets are being managed by the Interim Resolution Professional (IRP). The Company has preferred an appeal against the admission of petition and appointment of IRP with National Company Law Appellate Tribunal (NCLAT).

The Corporate Insolvency Resolution Process (CIRP) has since been kept in abeyance vide order dt. 22nd June, 2018 of Hon'ble High Court of Punjab & Haryana. The matter has since been transferred to Hon'ble Supreme Court of India and is pending for adjudication. Accordingly, the Company has prepared these financial statements on the basis of going concern assumption. Due to non disbursement of credit facilities the Company had suffered operational losses as well as capital losses. Therefore, the Company has presented before the Adjudicating Authority counter claim & claim of set off against the banks.

<sup>3</sup> The Company has only one Reportable Segment i.e. fextiles, hence Segment Reporting is not applicable.

- 4 The secured lenders have stopped charging interest on borrowings, since the accounts of the Company have been categorized as Non Performing Asset. Further the Corporate Insolvency Resolution Process has been initiated under "insolvency and Bankruptcy Code, 2016" (as referred in Note No. 2 above). In view of the above, the Company has stopped providing interest accrued and unpaid effective 1st April, 2016 in its books. The amount of such accrued and unpaid interest, calculated according to the CDR term, not provided for is estimated at Rs. 53,478 lakhs (Previous Year Rs. 54,084 lakhs) for the year ended 31st March, 2019 and the same has not been considered for preparation of the financial statements for the year ended 31st March 2019. Due to non provision of the interest expense, not loss for the year ended 31st March, 2019 is reduced by Rs. 53,478 lakhs. Further the Financial Liability is reduced by Rs. 143,463 lakhs and correspondingly the equity is increased by the same amount.
- 5 During the year the Company has made an allowance/impairment for trade receivables and loans & advances agreegating to Rs. 17,057.02 lakhs, net of amount collected and provision made, in complaince of Ind AS 109 which is charged to Profit & Loss Statement as an exceptional item. Though the company strongly believes that these trade receivables and loans & advances are fully recoverable/adjustable.
- 6 The company had given financial guarantee to the extent of Rs 201,324 lakhs to the bankers of its subsidiary namely SEL Textiles Limited, to secure the credit facilities availed by it. The said financial guarantee amounting Rs. 201,324 lakhs (consisting of principal outstanding and interest thereon upto 31<sup>st</sup> March 2019 calculated as per terms of MRA with CDR lenders of subsidiary company) and has been duly recognized in financial statements as required by Ind AS 109. The said guarantee has been invoked by the bankers before initiation of Corporate Insolvency Resolution Process
- 7 The Company was implementing a Spinning project which got stuck due to non-disbursement of credit facilities by the banks. However, post Corporate Insolvency Resoluation Process (CIRP) the Company expects that the project would be completed. Therefore, impairment testing was not conducted.
- 8 With reference to interest subsidy receivable, the subsidies are to released by the Ministry of Textiles and MP Government and the Company is hopeful of receiving the same. Since the subsidies are not related to the current year, the same does not have any impact on current year losses of the company.

9 Figures relating to the previous period have been regrouped/rearranged, whereever necessary to make them comparable with those of the current period.

For and on behalf of Board of Directors

.UDHIAN

Neeraj Saluja Managing Director

- 1 The audited financial statements for the quarter & year ended March 31, 2019 have been taken on record by the Board of Directors at its meeting held on May 23rd, 2019. The information presented above is extracted from the audited consolidated financial statements. The financial statements are prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Amendment Rules, 2016.
- 2 The Holding and one of its subsidiary Company had opted for CDR of its Debt in the year 2013-14. The CDR package was approved by the competent authorities and implemented by lenders. However, the credit facilities envisaged and sanctioned under CDR packages were not released by the lenders to the said companies, which resulted in sub-optimum utilization of manufacturing facilities. Due to non-disbursement of funds the said companies could not complete their respective spinning projects where substantial amounts were already incurred. All this has led to adverse financial performance and erosion in net worth of the said companies. Both the company are facing cash flow mismatch and are not servicing debt obligations as per the terms of CDR packages sanctioned earlier. Despite all, the manufacturing capacities are operational and running. The Holding company and one of its subsidiary company were finding it difficult to serve its debt obligations, they have requested their lenders for a second/deep restructuring of its debts. Pending discussions with the lenders of the Holding Company, State Bank of India in its capacity as financial creditor has filed a pelition on 12th October, 2017 under "insolvency and Bankruptcy Code, 2016" (IBC) with Hon'ble National Company Law Tribunal, Chandigarh Banch (NCLT). On 11th April, 2018, the NCLT vide it's order of even date admitted the said petition and Corporate Insolvency Resolution Process (CIRP) has been initiated. Mr. Navneet Kumar Gupta having Registration No.IBBI/IPA-001/IP-P00001/2016-17/10009 was appointed as interim Resolution Process (CIRP) will corder dt. 25th April, 2018 and the affairs, business and assets are being managed by the Interim Resolution Professional (IRP) vide order dt. 25th April, 2018 and the affairs, business and assets are being managed by the Interim Resolution Professional (IRP) has since been kept in abeyance vide order dt. 22nd June, 2018 of Hon'ble High Court of Punjab & Haryana. The matter has since been transferred to Hon'ble Supreme Cou
- 3 The secured lenders have stopped charging interest on debts, since the dues from the Holding Company & one of its subsidiary have been categorized as Non Performing Asset and both the companies are in active discussion/negotiation with their lenders to restructure their debts at a sustainable level including walver of unpaid interest. In case of the Holding Company the Corporate insolvency Resolution Process has been initiated under "Insolvency and Bankruptcy Code, 2016". In view of the above, the Holding Company & one of its subsidiary has stopped providing interest accrued and unpaid effective 1 April 2016 in its books. The amount of such accrued and unpaid interest (including penal interest) not provided for is estimated at Rs. 76,136.75 lakhs (Previous Year Rs. 75,743.39 lakhs) for the year ended 31 March, 2019 and accordingly the same has not been considered for preparation of the financial statements for the year ended 31 March 2019. Due to non provision of the interest expense, net loss for the year ended March 31, 2019 is reduced by Rs. 76,136.75 lakhs. Further the Financial Liability is reduced by Rs. 203,664.47 lakhs and correspondingly the equity is increased by the same amount.
- 4. The Company has only one Reportable Segment i.e. Textiles, hence Segment Reporting is not applicable.
- 5 During the year the Holding and one of its subsidiary Company has made an allowance/impairment for trade receivables and loans & advances agreegating to Rs. 24,884.24 lakhs, net of amount collected and provision made, in complaince of Ind AS 109 which is charged to Profit & Loss Statement as an exceptional item. Though the company strongly believes that these trade receivables and loans & advances are fully recoverable/adjustable.
- 6 The Holding Company and one of its subsidiary Company were implementing a Spinning project(s) which got stuck due to non-disbursement of credit facilities by the banks. However, post Corporate Insolvency Resoluation Process (CIRP) the Holding Company and negotation with lenders also, the Company and its subsidiary expects that the project would be completed. Therefore, impairment testing was not conducted.
- 7 With reference to interest subsidy receivable, the subsidies are to released by the Ministry of Textiles and MP Government and the Company is hopeful of receiving the same. Since the subsidies are not related to the current year, the same does not have any impact on current year losses of the company.

8 Figures relating to the previous period have been regrouped/rearranged, whereever necessary to make them comparable with those of the current period,

We have audited the accompanying Statement of Standalone Financial Results of SEL Manufacturing Company Limited ("the Company") for the year ended 31<sup>st</sup> March, 2019 ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEB (Listing Obligations and Disclosure Requirements) Regulations, 2015 as modified by SEBI circular no. CIR/CFD/FAC/62/2016 dated July 5, 2016.

This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors has been compiled from the related Standalone Financial Statements, which have been prepared in accordance with the Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under (Ind AS) and other accounting principles generally accepted in India. Our responsibility is to express an opinion on the Statement based on our audit of such standalone financial statements.

We conducted our audit in accordance with the standards on auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirement and plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal Financial control with reference to the Statement. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

#### **Basis of Qualified Opinion**

- 1. Note No. 4 to the Standalone financial results in respect of non provision of interest on borrowings from banks (classified as NPA) amounting Rs.53478 lakhs & Rs. 54084 lakhs (amount calculated after considering the rates and terms and conditions stipulated originally as per CDR package) for the year ended 31<sup>st</sup> March, 2019 & 31<sup>st</sup> March 2018 respectively. The same is not in compliance with the requirements of para 27 of the Ind AS 1-Presentation of Financial Statements w.r.t. preparation of financial statements on accrual basis. Consequently, borrowings are not reflected at fair value in financial statements as required by Ind AS 109, Financial Instruments.
- 2. The Standalone financial results includes interest subsidy receivable amounting to Rs.26,621 Lakhs which consists of interest subsidy (i) under TUFS from ministry of textiles and (ii) Subsidy under Textile Policy of Government of Madhya Pradesh for the Financial years 2013-14 to 2016-17 for which no confirmation was available. The company has not provided for any allowance under ECL there against this amount.
- 3. The company has not provided to us for our review any working regarding impairment testing being conducted to assess recoverable amount of Capital work in progress of Rs 16940 lakhs outstanding as at 31st March 2019. We are unable to comment on whether the company needs to make a provision in respect of impairment losses on above as required under Ind AS 36.
- 4. In Statement of Assets and Liabilities, Borrowings (Non Current), Short Term Borrowings and other Financial Liabilities (Current) contains secured loans from banks. There is shortfall in the carrying value of the security against the secured loans consequently the loans are not fully secured.

We further report that, had the impact of our observations made in paragraph 1 of Basis for qualified opinion paragraph been considered, the net loss for the year ended 31<sup>st</sup> March, 2019 would have been increased by Rs. 53478 lakhs and the borrowings for the year ended 31<sup>st</sup> March 2019 and 31<sup>st</sup> March 2018 would have been increased by Rs. 143463 lakhs & Rs. 89985 lakhs and Equity would have been reduced by the same amount for the years ended 31.3.2019 and 31.3.2018 respectively. The financial impact of matters stated in paragraphs 2, 3 & 4 to the Basis for Qualified Opinion paragraph can't be measured reliably.

#### **Qualified Opinion**

In our cpinion and to the best of our information and according to the explanations given to us, except for possible effects of our observations described in the Basis of Qualified Opinion paragraph above; the Statement

- (i) Is presented in accordance with the requirements of Regulation 33 of the SEBI /Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard as modified by SEBI circular no. CIR/CFD/FAC/62/2016 dated 5th July,2016;and
- (ii) gives a true and fair view, in conformity with the recognition and measurement Principles laid down in the aforesaid Ind AS and other accounting principles generally accepted in India and read with paragraphs Material Uncertainty Related to Going Concern and Emphasis of Matter below, of the total comprehensive loss (comprising of net loss and other comprehensive loss ) and other financial information of the Company for the year ended 31<sup>st</sup> March, 2019.

#### Material Uncertainty Related to Going Concern

Note no.2 of the Standalone financial results, stating thereto that the terms and conditions of the sanctioned CDR package w.r.t. interest and principal repayment were not complied with. Consequently, State Bank of India, in its capacity as financial creditor had filed a petition under insolvency and Bankruptcy Code, 2016 (IBC) against the company with Hon'ble National Company Law Tribunal, Chandigarh Bench (NCLT) which was admitted on 11th April 2018 and Corporate Insolvency Resolution Process (CIRP) has been initiated in terms of IBC. The company has preferred an appeal against the admission of petition and appointment of IRP with NCLAT. The CIRP has since been kept in abeyance vide order dated 22.06.2018 of Hon'ble High Court of Punjab and Haryana. The matter has since been transferred to Hon'ble Supreme Court of India and is pending for adjudication. The company has incurred net loss of Rs.23596 lakhs resulting into accumulated losses of Rs. 320909 lakhs leading to erosion of entire net worth and current liabilities have exceeded the current assets of the company. Further concerning the company's ability to realize the value of inventories, trade receivables and other financial assets to meet its contractual/ financial obligations w.r.t. repayment of overdue principal and accrued interest on secured borrowings, arranging working capital for ensuring normal operations, furtner investments required towards ongoing projects under construction and the Corporate guarantee given on the behalf of its subsidiary namely SEL Textiles Limited. The company had derecognized Deferred Tax assets and MAT credit in preceding previous year .Moreover the company has not recognized Deferred Tax Assets since availability of future taxable income is not certain. Due to financial constraints, the company has started job work operations in major spinning plants instead of pursuing its own manufacturing activities since November 2017 and major source of operating revenue during the year under consideration is from job work. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern and therefore the company may be unable to realize its assets and discharge its liabilities in the normal course of business.

#### **Emphasis of Matter**

We draw attention to the following matters:

- The standalone financial results in respect of Contingency related to 'compensation payable in lieu
  of bank sacrifice,' the outcome of which is materially uncertain and cannot be determined
  currently.
- The standalone financial results in respect of contingency related to export incentives obligation refundable amounting Rs. 3855 lakhs in respect of Allowance for foreign trade receivables, which is further subject to interest and penalties, the amount of such obligation cannot be determined currently.
- 3. The standalone financial results regarding the balance confirmations of Trade Receivables, Capital/Trade Advances & Trade Payables. During the course of preparation of Standalone financial statements, e-mails/letters have been sent to various parties by the company with a request to confirm their balances as on 31st March, 2019 out of which few parties have confirmed their balances direct to us or to the company.
- 4. As reported vide Note No. 5 to the standalone financial results, the company has made an allowance/impairment of Rs. 17057 lakhs in compliance of Ind AS 109 under Expected credit losses (under ECL Model) in respect of Trade Receivables and Capital/Trade Advances given to suppliers.

Our conclusion is not modified in respect of the matter.
