- The Group has evaluated the impact of COVID pandemic on the operations of the Company, revenue, inventories, investments, property, plant & equipment, current borrowings and trade payables. The management has considered the possible effects, if any, on the carrying amounts of these assets and liabilities up to the date of approval of these results. As per the management's current assessment, no significant impact on carrying amounts of inventories, tangible assets, trade receivables, investments and other financial assets is expected, and management continue to monitor changes in future economic conditions. The Group values its inventory of finished goods at lower of cost and Net realisable value. The Net realisable value of all the inventories of the Group is higher than their cost based on subsequent sales taken place till date and their present market prices. Hence there is no impairment risk in the inventory.
- The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Group towards Provident Fund and Gratuity. The Ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry. The Group will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.
- The figures of the last quarter are the balancing figures between audited figures in respect of the full financial year up to March 31, 2021 and the unaudited published year to date figures up to December 31, 2020, being the date of the end of the third quarter of the financial year which were subjected to limited review.
