Sub: Corrigendum to the Annual Report for FY 2023-24

Re: Submission of Annual Report for the Financial Year 2023-24

Dear Sir/ Madam,

This is further to our letter dated August 21, 2024, wherein the Company had submitted its Annual Report for FY 2023-24 along with the Notice of the 42nd Annual General Meeting ("AGM") and other Annexures thereon scheduled to be held on **Friday, September 13, 2024 at 11:00 A.M. (IST)** at Hotel Express Inn, Ostawal Empire, Next to Big Bazar, Boisar (West), Maharashtra – 401501.

In this regard please be informed that post-dispatch of the annual report, it has been found that due to a clerical error on page no.50 for serial no. n)- the date of appointment of statutory auditors for material subsidiary of the Company has been missed out and the same is included in the annual report attached herewith.

The said corrigendum is placed on the website of the Company at <https://www.responsiveindustries.com/news-announcements/>.

Kindly take the same on your record and acknowledge receipt.

Thanking you,

Yours sincerely,

For **Responsive Industries Limited**

MANAGEMENT DISCUSSION AND ANALYSIS

1. COMPANY PROFILE

Responsive Industries Limited (“RIL”) is primarily engaged in the business of manufacturing and selling of articles made out of PVC/ polymers. Your Company is a leading India-based manufacturer of polyvinyl chloride (PVC)-based products with the product verticals viz. Vinyl Flooring, Synthetic Leather, Luxury Vinyl Tile (LVT) and stone plastic composite (SPC), Synthetic ropes and Waterproof Membrane (PVC specialized covers).

Your Company has established itself as a leading player in India as well as in the world by completing more than 5,000 projects. RIL is India’s largest manufacturer, with a presence in all states through a network of over 100 distributors. Globally, your Company ranks as the 5th largest manufacturer, with more than 300 international distributors across 70 countries. It is amongst the top 5 producers of vinyl flooring globally and has extensive retail presence across the developed markets of Europe and North America. Your Company’s products are marketed both in India and outside such as Southeast Asia, Asia Pacific and South America.

Your Company has a state-of-the-art manufacturing factory and infrastructure set-up at Boisar in Palghar district in Thane, Maharashtra. This plant is currently catering to the domestic market along with the Middle East, Europe and North America

2. INDUSTRY STRUCTURE AND DEVELOPMENTS

The India vinyl flooring market is expected to grow at a CAGR of around 7.3% in the coming years. Increasing investments in construction activities, growing demand for residential and commercial spaces, increasing disposable income levels, rising urbanization rate and increasing application scope are some of the key factors driving the growth of the industry.

Key Market Drivers

The factors such as durability, low maintenance cost, easy installation process, availability in a wide range of designs and colors, affordability and resistance to moisture are likely to drive the growth of India vinyl flooring market over the forecast period. In addition, companies are introducing innovative products with better performance features which will further propel market growth. Moreover, the rising development of modern housing facilities, along with the introduction of vinyl flooring with high aesthetic value and sharper textures, is currently driving the India vinyl flooring market.

With the Indian government also imposing anti-dumping duty (ADD) on vinyl tiles imports (since Apr 2023), the domestic market which is at an inflection point also provides your Company with a large virgin market (\$11.4 bn in CY23). Presently, your Company supplies vinyl flooring solutions to hospitality, medical facilities, and other commercial institutions and being recognized as a vendor of repute, your Company has aggressive plans to cater to the residential markets first via the B2B route and eventually by going retail.

3. OPPORTUNITIES AND THREATS

The Company is among the market leaders in PVC product segment. The consumption of PVC products like PVC leather cloth is increased with reasonable percentage in both commercial and household purposes and for other PVC products like PVC sheeting, flooring the consumption in commercial purposes has been increased. With this growing demand of PVC products in the domestic market as well as the overseas markets for commercial and household application, the Company is expecting several opportunities for profitable growth. The Company has all geared up to meet these challenges and continue to be among the leaders in this sector.

Opportunities

Increasing product demand in the construction industry

The increasing utilization of vinyl flooring in the construction industry for residential and commercial applications due to its durability, versatility, and ease of maintenance is acting as a growth-inducing factor. The rising adoption of vinyl flooring in commercial spaces like offices, hospitals, and schools, due to its resilience and longevity, is providing an impetus to the market growth. In addition to this, the increasing investments in infrastructure and real estate, boosting the demand for vinyl flooring, is positively impacting the market growth.

Changing lifestyles and consumer preferences

The increasing interest in minimalist and modern interior designs, fueling the popularity of vinyl flooring, as it offers a clean, contemporary look, is stimulating the market growth. The flexibility of vinyl flooring in terms of design customization, allowing it to cater to a wide range of personal styles, is providing an impetus to the market growth. The rising product utilization for incorporating various trends in personal and commercial spaces due to

the exposure to multiple cultures and design inspirations across the globe is strengthening the market growth. Besides this, vinyl flooring offers a balance of functionality and design, catering to various tastes and interior styles. Moreover, the increasing preference for do-it-yourself (DIY) home improvement projects, boosting the popularity of vinyl flooring, owing to its ease of installation and various design options, is positively influencing the market growth.

Threats

Certain aspects may impede the market's growth. The primary parameter restricting the market's growth is the high installation cost. There is a threat due to the change in the following that could impact the Company's operations in long run, these threats are change in government or regulatory policies, change in economic growth changes in physical infrastructure, changing laws, rules and regulations and legal uncertainties, etc. Your Company continuously adopt the new change and environment in the organisation in order to efficiently run its business and adheres to the rules and regulations as applicable to the Company from time to time.

Challenges of the Market

Volatility in raw material prices due to fluctuation in rising prices may hinder industry expansion over coming years. Additionally stringent regulations related to volatile organic compounds (VOCs) emissions coupled with changing environmental policies could also affect overall business prospects during forecasted timeframe.

Standalone Financials

INDEPENDENT AUDITOR'S REPORT

To the Members of
Responsive Industries Limited

Report on the Audit of the Standalone IND AS Financial Statements

Opinion

We have audited the Standalone IND AS Financial Statements of **Responsive Industries Limited** ("the Company"), which comprise the balance sheet as at **31st March 2024**, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the Standalone IND AS Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone IND AS Financial Statements give the information required by The Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone IND AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone IND AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone IND AS Financial Statements of the current period. These matters were addressed in the context of our audit of Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Information other than the Standalone IND AS Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the Standalone IND AS Financial Statements and our auditor's report thereon. Our opinion on the Standalone IND AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone IND AS Financial Statements our responsibility is to read the other information and in doing so consider whether the other information is materially inconsistent with the Standalone IND AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone IND AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone IND AS Financial Statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with the Companies Indian Accounting Standards Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the

Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone IND AS Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone IND AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone IND AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone IND AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone IND AS Financial Statements. Paragraph 40(b) of this SA explains that the shaded material below can be located in an Appendix to the auditor's report. Paragraph 40(c) explains that when law, regulation or applicable auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor's responsibilities, rather than including this material in the auditor's report, provided that the description on the website addresses, and is not inconsistent with, the description of the auditor's responsibilities below.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone IND AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone IND AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone IND AS Financial Statements, including the disclosures, and whether the Standalone IND AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone IND AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone IND AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning

the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone IND AS financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone IND AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss, and the Standalone Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid Standalone IND AS Financial Statements comply with the IND AS specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 1. The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements.
 2. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 3. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 4. (i) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 41 (IV) to the standalone IND AS Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company, or
 - Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

- (ii) The management has represented, that, to the best of its knowledge and belief, , as disclosed in the note 41 (V) to the standalone IND AS Financial Statements, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:
- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (g)(iv)(i) and (g)(iv)(ii) contain any material mis-statement.
5. Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024

6. In our opinion and according to the information and explanations given to us, the dividend paid by the Company to its shareholders during the current year is in accordance with the provisions of Section 123 of the Act.

With respect to the matter to be included in the Auditors' Report under Section 197(16): In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

ANNEXURE A TO THE AUDITORS' REPORT

The Annexure referred to in Paragraph 1 under "Report on Other Legal and Regulatory Requirements" in the Independent Auditors' Report of even date to the members of the Company on the Standalone IND AS Financial Statements for the year ended March 31st, 2024, we report that:

- i. In respect of Property, plant and equipment, Right-of-use assets & Intangible assets;
 - a) (A) The company has generally maintained records showing full particulars including quantitative details and situation of Property, plant and equipment.
(B) The Company has maintained proper records showing full particulars of Intangible assets.
 - b) It has been explained to us that the Company has a regular program for physical verification of Property, plant and equipment on a rotational basis, which in our opinion is reasonable having regard to the size of the company and the nature of its assets and no material discrepancies were noticed on such verification.
 - c) The title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee) disclosed in the Standalone IND AS Financial Statements are held in the name of the Company.
 - d) The Company has not revalued its Property, plant and equipment (including Right-of-use assets) during the year.
 - e) There are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii. In respect of inventories;
 - a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.
 - b) The Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company.
- iii. In respect of Investments, Loans and Advances:

The Company has not made any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. The Company has not granted any loans, secured or unsecured, to firms, limited liability partnerships or any other parties during the year.

 - (a) A. The company has not given any loans or guarantee or provided security to subsidiaries.
B. The Company has not granted any loans to any other parties.
 - (b) In our opinion, the terms and conditions of the loans given are, prima facie, not prejudicial to the interest of the Company.
 - (c) In the case of loans given, the repayment of principal and payment of interest has not been stipulated and as such we are not able to comment whether the the repayments or receipts have been regular.
 - (d) As informed to us there is no overdue amount for more than ninety days in respect of loans given.
 - (e) There is no loan given falling due during the year, which has been renewed or extended or fresh loans given to settle the overdues of existing loans given to the same party.
 - (f) There is no loan to Subsidiary company given falling due during the year. The aggregate amount of loans granted to Promoters is NIL, related parties as defined in clause (76) of section 2 of the Companies Act, 2013.
- iv. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.

- v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi. We have broadly reviewed the books of accounts relating to materials, labours and other items of cost maintained by the company as prescribed by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act and we are of the opinion that prima facie the prescribed accounts and records have been made and maintained.
- vii. In respect of statutory dues;
- a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.
- There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2024 for a period of more than six months from the date they became payable.
- b) According to the information and explanations given to us and based on the records of the company examined by us, there are no dues of Income Tax, Service Tax, Sales Tax, Customs Duty and Excise Duty which have not been deposited on account of any disputes.
- viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) The company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) Term loans raised during the year have been applied for the purpose for which they were raised.
- (d) On an overall examination of the Financial Statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company
- (e) On an overall examination of the Financial Statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
- (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- x. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) There are no instances of whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards.
- xiv. (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv. In our opinion, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2020) and accordingly reporting under clause 3(xvi)(b) of the Order is not applicable.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Financial Statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) of the Order is not applicable.
- xxi. In our opinion and according to the information and explanations given to us, there is no qualifications or adverse remarks in the audit report. Accordingly, clauses 3(xxi) of the Order are not applicable.

ANNEXURE B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Responsive Industries Limited** ('the Company') as of 31st March 2024 in conjunction with our audit of the Standalone IND AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone IND AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone IND AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone IND AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone IND AS Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial control over financial reporting issued by the Institute of Chartered Accountant of India.

Notes to financial statements for year ended March 31, 2024

1. Company Overview:

Responsive Industries Limited ("the Company"), was incorporated on 13th July, 1982, CIN L65100MH1982PLC027797. The Company is a Public Limited Company incorporated and domiciled in Mumbai, Maharashtra, India and is having its registered office at Village Betagaon, Mahagaon Road, Boisor East, Palghar, Thane – 401 501. The Company has primary listing in Bombay Stock Exchange Limited (BSE) and National Stock Exchange (NSE) of India Limited.

The Company is a major producer and supplier of various articles made out of Plastics / Polymers, which includes products like Vinyl flooring, Rigid PVC, Leather Cloth & Soft Sheeting's.

2. Statement of Significant Accounting Policies:

2.1 Basis of preparation of Standalone Ind AS Financial Statements:

The Standalone Ind AS financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015 as amended ; and the other relevant provisions of the Act and Rules thereunder.

The Standalone Ind AS financial statements have been prepared under historical cost convention basis, except for certain assets and liabilities measured at fair value.

2.2 Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

2.3 Use of estimates:

The preparation of the Standalone Ind AS financial statements of the Company in accordance with Indian Accounting Standards (Ind-AS) requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities at the date of the Standalone Ind AS financial statements. These estimates are based upon management's best knowledge of current events and actions; however uncertainty about these assumptions and estimates could result in outcomes that may require adjustment to the carrying amounts of assets or liabilities in future periods. Appropriate revisions in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Revisions in estimates are recognized prospectively in the Standalone Ind AS financial statements in the period in which the estimates are revised in any future periods affected.

2.4 Fair Value Measurement:

The Company measures certain financial instruments at fair value at each reporting date.

Certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial asset and liabilities.

Fair value is the price that would be received to sell an asset or paid to settle a liability in an ordinary transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumption that market participants would use when pricing an asset or liability acting in their best economic interest. The Company uses valuation techniques, which are appropriate in circumstances and for which sufficient data is available considering the expected loss / profit in case of financial assets or liabilities.

2.5 Revenue Recognition

Revenue is recognized when it is earned and no significant uncertainty exists as to its realization and when the revenue can be reliably measured.

Revenue from sale of goods is recognized when all significant contractual obligations have been satisfied, the property in the goods is transferred for a price, significant risks and rewards of ownership are transferred to the customers and no effective ownership is retained.

Revenue from the sale of goods is net-off returns, taxes or duties collected on behalf of the government and applicable discounts and rebates.

Interest income is recognized using Effective Interest Rate (EIR) method.

Notes to financial statements for year ended March 31, 2024

Revenue in respect of export sales is recognized on the basis of dispatch of goods for exports. (i.e. on the date of Bill of Lading).

Dividend is recognized when right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be measured reasonably.

Other Income is accounted for on accrual basis, when certainty of receipt is established.

2.6 Inventories

Inventories of Raw Materials, Finished Goods, Semi-Finished Goods, Stores and Spares and Packing Materials, are valued at cost or net realizable value, whichever is lower. Materials-in-transit are valued at cost-to-date. Cost comprises of all cost of purchases, cost of conversion and other costs incurred in bringing the inventory to their present location and conditions. Cost is arrived at on FIFO basis. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Obsolete, slow moving, surplus and defective stocks are identified at the time of physical verification of stocks and where necessary, provision is made for such stocks.

2.7 Property, Plant and Equipment (PPE):

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

The initial cost of an asset comprises its purchase price or construction cost, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and, borrowing cost for qualifying assets (i.e. assets that necessarily take a substantial period of time to get ready for their intended use).

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Spare parts which meet the definition of Property, Plant and Equipment are capitalized as Property, Plant and Equipment. In other cases, the spare part is inventorised on procurement and charged to the Statement of Profit and Loss on consumption.

An item of property, plant and equipment and any significant part initially recognised separately as part of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the Statement of Profit and Loss when the asset is derecognised.

The residual values and useful lives of property, plant and equipment are reviewed at regular intervals and changes, if any, are accounted in line with revisions to accounting estimates.

2.8 Capital Work in Progress

Cost of assets not ready for use at the balance sheet date is disclosed under capital work-in-progress. Expenditure during construction period is included under Capital Work in Progress & the same is allocated to the respective PPE on the completion of its construction.

2.9 Intangible Assets

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

2.10 Borrowing costs

Borrowing costs consist of interest and other costs incurred in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss.

Notes to financial statements for year ended March 31, 2024

2.11 Depreciation

Depreciation on Plant, Property and Equipment has been provided on the Straight - Line basis, over the estimated useful lives of assets. The Company provides pro-rata depreciation from the date of addition / up to the date of deletion made during the reporting period. Intangible assets are amortized on a straight line basis over the estimated useful economic life.

Depreciation methods, useful lives and residual values are reviewed at each reporting date.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. The cost and related accumulated depreciation are eliminated from the Standalone Ind AS financial statements upon sale or disposal of the asset and the resultant gains or losses are recognized in the statement of Profit and Loss.

The useful lives determined are in line with the useful lives as prescribed in the Schedule II of the Act, except in case of Plant & Machinery which are depreciated over a useful lives of 20 years based on the technical assessment.

2.12 Impairment of Non - financial Assets:

Non – financial assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. The recoverable amount is the higher of the assets or Cash Generating Units (CGU) fair value less cost of disposal and its value in use. Recoverable amount is determined for an individual asset unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

2.13 Government Subsidy

Grants and subsidies from the Government are recognized if the following conditions are satisfied,

- There is reasonable assurance that the Company will comply with the conditions attached to it.
- Such benefits are earned and reasonable certainty exists of the collection.

Government grants related to revenue are recognized on a systematic basis in net profit in the statement of Profit and Loss over the periods necessary to match them with the related costs which they are intended to compensate.

2.14 Taxes on Income

a) Current Tax

Income-tax Assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

Current Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

b) Deferred tax

Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

Notes to financial statements for year ended March 31, 2024

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred Tax asset and liability are measured at the tax rates that are expected to apply in the year when the asset is realized or liability is settled based on rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

2.15 Financial Assets

a) Initial recognition and measurement

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

b) Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial assets. The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

- Debt instruments at Fair value through Other Comprehensive Income (FVTOCI)

A 'debt instrument' is measured at the fair value through other comprehensive income if both the following conditions are met:

- The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in the Statement of Profit and Loss. Other net gains and losses are recognised in other comprehensive Income.

- Debt instruments at Fair value through profit or loss (FVTPL)

Fair value through profit or loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

- Equity investments

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments classified as FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in other comprehensive income (OCI).

Notes to financial statements for year ended March 31, 2024

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

c) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's Balance Sheet) when.

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
- The Company has transferred substantially all the risks and rewards of the asset, or
- The Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition, any gains or losses on all equity instruments (measured at FVTPL) are recognised in the Statement of Profit and Loss. Accumulated gains or losses on equity instruments measured at FVTOCI are never reclassified to the Statement of Profit and Loss.

d) Impairment of financial assets

The Company assesses impairment based on expected credit losses (ECL) model to the following:

- Financial asset measured at amortised cost
- Financial asset measured at fair value through other comprehensive income

Expected credit losses are measured through a loss allowance at an amount equal to:

- 12 months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables, considering historical trend, industry practices and the business environment in which the Company operates or any other appropriate basis.

The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

2.16 Financial Liabilities

a) Initial recognition and measurement

All financial liabilities are recognised initially at fair value net of transaction costs that are attributable to the respective liabilities.

b) Subsequent measurement

Subsequent measurement is determined with reference to the classification of the respective financial liabilities. The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.

Notes to financial statements for year ended March 31, 2024

(i) Financial Liabilities at fair value through profit or loss (FVTPL)

A financial liability is classified as at fair value through profit or loss if it is classified as held-for-trading or is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and changes therein, including any interest expense, are recognised in Statement of Profit and Loss.

(ii) Financial Liabilities measured at amortised cost

After initial recognition, financial liabilities other than those which are classified as fair value through profit or loss are subsequently measured at amortised cost using the effective interest rate method ("EIR").

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

c) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

2.17 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

2.18 Employee Benefits

a) Short-term employee benefit

Short term employee benefits are recognized as an expense at an undiscounted amount in the Statement of Profit and Loss of the year in which the related services are rendered.

b) Post-employment obligations

The Company operates the following post – employment schemes:

1. Defined benefit plans such as gratuity, and
2. Defined contribution plans such as provident fund.

Gratuity Obligation:

Provision for Gratuity is recorded on the basis of actuarial valuation certificate provided by the actuary using Projected Unit Credit Method.

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in Other Comprehensive Income (OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognised in the Statement of Profit and Loss.

Notes to financial statements for year ended March 31, 2024

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in the Statement of Profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Defined Contribution Plans

Defined Contribution Plans such as Provident Fund, etc. are charged to the Statement of Profit and Loss as incurred.

2.19 Foreign Currency Transactions:

a) Functional and Presentation Currency:

The Standalone Ind AS financial statements are presented in Indian rupees which is the functional currency for the Company. All amounts have been rounded off to the nearest millions, unless otherwise indicated.

b) Monetary items:

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at exchange rates prevailing on the reporting date.

Exchange differences arising on settlement or translation of monetary items (except for long term monetary items taken prior to April 1, 2016) are recognised in Statement of Profit and Loss either as Profit or Loss on foreign currency transaction and translation or as borrowing costs to the extent regarded as an adjustment to borrowing costs.

The Company has elected to continue the policy adopted under previous GAAP for accounting the foreign exchange differences arising on settlement or translation of long-term foreign currency monetary items outstanding as on 31st March, 2016 i.e. foreign exchange differences arising on settlement or translation of long-term foreign currency monetary items relating to acquisition of depreciable assets are adjusted to the carrying cost of the assets and depreciated over the balance life of the asset and in other cases, if any, accumulated in "Foreign Currency Monetary Item Translation Difference Account" and amortised over the balance period of the asset or liability.

c) Non – Monetary items:

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

2.20 Provisions, Contingent Liabilities and Capital Commitments

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The expenses relating to a provision is presented in the Statement of Profit and Loss net of reimbursements, if any.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability.

Contingent liabilities are not recognized in the Standalone Ind AS financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.

Notes to financial statements for year ended March 31, 2024

2.21 Earnings per Share

Basic earnings per share are calculated by dividing the profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

2.22 Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current or non-current as per the Company's normal operating cycle (determined at 12 months) and other criteria set out in Schedule III of the Act.

2.23 Cash and Cash equivalents

Cash and cash equivalents include cash at bank, cash, cheque and draft on hand. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

2.24 Cash Flows

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

C. Financial Risk Management

C. i. Risk management framework

A wide range of risks may affect the Company's business and operational / financial performance. The risks that could have significant influence on the Company are market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimise potential adverse effects of such risks on the Company's operational and financial performance.

Notes to financial statements for year ended March 31, 2024

C. ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

(a) Trade and other receivables from customers

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in the credit risk on an on-going basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on assets as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business
- ii) Actual or expected significant changes in the operating results of the counterparty
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparties ability to meet its obligation
- iv) Significant changes in the value of the collateral supporting the obligation or in the quality of third party guarantees or credit enhancements

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. When loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due, When recoverable are made, these are recognised as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

(b) Cash and cash equivalents and Other Bank Balances

The Company held cash and cash equivalents and other bank balances of Rs. 85.89 million at 31st March 2024 (P.Y. Rs. 411.82 million). The cash and cash equivalents are held with bank with good credit ratings and financial institution counterparties with good market standing. Also, Company invests its short term surplus funds in bank fixed deposit, which carry no / low mark to market risks for short duration therefore does not expose the Company to credit risk.

C. iii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

Liquidity risk is managed by Company through effective fund management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and other borrowing facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted.

C. iv. Market risk

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

C. iv.a Currency risk

The Company is exposed to currency risk on account of its operating and financing activities. The functional currency of the Company is Indian Rupee. Our exposure are mainly denominated in U.S. dollars. The USD exchange rate has changed substantially in recent periods and may continue to fluctuate substantially in the future. The Company's business model incorporates assumptions on currency risks and ensures any exposure is covered through the normal business operations. This intent has been achieved in all years presented. The Company has put in place a Financial Risk Management Policy to Identify the most effective and efficient ways of managing the currency risks.

Exposure to currency risk

The currency profile of financial assets and financial liabilities as at March 31, 2024, March 31, 2023 are as below:

	(Rs In Million)
31st March, 2024	USD

Net exposure (Assets - Liabilities)	1,262.79

Sensitivity analysis

A reasonably possible strengthening / (weakening) of the Indian Rupee against US dollars at 31st March would have affected the measurement of financial instruments denominated in US dollars and affected profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases. In cases where the related foreign exchange fluctuation is capitalised to fixed assets, the impact indicated below may affect the Company's income statement over the remaining life of the related fixed assets or the remaining tenure of the borrowing respectively.

	943.94	(943.94)

C. iv.b Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Company manages its interest rate risk by monitoring the movements in the market interest rates closely.

Exposure to interest rate risk

Company's interest rate risk arises primarily from borrowings. The interest rate profile of the Company's interest-bearing financial instruments is as follows.

C. iv.c Other price risk

The Company invests its surplus funds in various Equity and debt instruments. These comprise of mainly liquid schemes of mutual funds (liquid investments), Equity shares, Debentures and fixed deposits. This investments are susceptible to market price risk, mainly arising from changes in the interest rates or market yields which may impact the return and value of such investments. However due to the very short tenor of the underlying portfolio in the liquid schemes, these do not pose any significant price risk.

Note 34 : Micro, Small And Medium Enterprises

Note 36: Amalgamation of Axiom Cordages Limited (ACL) with the Company

The Board of Directors ("Board") of ACL and of the Company at their respective meetings held on November 26, 2021 considered and approved a scheme of amalgamation and arrangement (the "Scheme") in relation to the amalgamation of ACL with the Company under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 and the rules thereunder. The scheme was approved by the National Company Law Tribunal (NCLT) on October 4, 2023. The Scheme provided for an appointed date of April 1, 2021. The approved NCLT orders have been filed with the Registrar of Companies (RoC) on October 7, 2023. Pursuant to filing of the orders with the RoC, ACL was wound up without liquidation.

Pursuant to the scheme, the authorised equity share capital of the Company stands increased, without any further act or deed on the part of the company, including payment of stamp duty and Registrar of Companies fees, by Rs. 800 million, being the authorised equity share capital of the transferor company. Memorandum of Association and Articles of Association of the Company stand amended accordingly without any further act or deed on the part of the Company.

In accordance with the terms of the approved Scheme, the all eligible equity shareholders of ACL were to receive 100 equity shares of the Company (face value of Re. 1 each) for every 81 equity shares of ACL (face value of Rs. 10 each), held by them as on October 13, 2023 ('record date'). Allotment of 41,14,174 equity shares to the eligible equity shareholder of ACL was completed on November 1, 2023. As a result, issued capital of the Company increased by 41,14,174 equity shares. Upon the Scheme coming into effect and post allotment of equity shares to the non-promoter shareholder of ACL, pre-amalgamation 44,18,330 equity shares of the Company held by ACL, stands cancelled in accordance with section 230 to 232 of the Act and pursuant to the order of the NCLT sanctioning the Scheme and the same shall be deemed to be an order under section 66 of the Act (and other applicable provisions or rules, if any).

In accordance with the Scheme all assets, liabilities, employees and the business undertaking of ACL shall vest and be transferred to the Company w.e.f. the appointed date.

The amalgamation of ACL has been recorded in the financial statements using the pooling of interest method as specified by Appendix C to Ind AS 103, Business combination of entities under common control. The accounting treatment followed by the Company is in accordance with the accounting treatment specified in the approved Scheme. For the purpose of the financial statements, the amalgamation has been recorded from the appointed date of April 1, 2021. The accounting treatment followed by the Company is as follows:

- All assets, liabilities and reserves relating to ACL as appearing in the consolidated financial statements of the Company have been transferred and vested in the Company and has been recorded at the book values (In accordance with clarification issued by Ind AS Transition Facilitation Group (ITFG) vide Issue 2 to Bulletin 9).
- The amount of any intercompany balances between ACL and the Company have been cancelled.
- The accounting policies followed by ACL have been adjusted for differences (if any) between the accounting policies followed by the Company and the accounting policies followed by the Company have prevailed.
- The surplus arising out of: (i) the book values of assets over the values of liabilities and reserves taken over on amalgamation; (ii) Face value of equity shares to be issued to the minority shareholders of ACL; and (iii) after considering adjustments for elimination of intercompany balances and differences in accounting policies followed by ACL, is recorded as capital reserve and retained earnings, as applicable.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Responsive Industries Limited

Report on the Audit of the Consolidated IND AS Financial Statements

Opinion

We have audited the Consolidated IND AS financial statements of **Responsive Industries Limited** ("herein referred to as the Holding Company") and its subsidiaries (Holding Company & its subsidiaries together referred to as "the Group"), which comprise the consolidated balance sheet as at 31st March 2024, and the consolidated statement of Profit and Loss (including other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated IND AS financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated IND AS financial statements').

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid Consolidated IND AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs (consolidated financial position) of the Group as at March 31, 2024, and its consolidated profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated IND AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the consolidated IND AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Information other than the Consolidated IND AS Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements our responsibility is to read the other information and in doing so consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated IND AS Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated IND AS financial statements that give a true and fair view of the financial position, financial performance, consolidated changes in equity and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for

preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated IND AS financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated IND AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Paragraph 40(b) of this SA explains that the shaded material below can be located in an Appendix to the auditor's report. Paragraph 40(c) explains that when law, regulation or applicable auditing standards expressly permit, reference can be made to a website of an appropriate authority that contains the description of the auditor's responsibilities, rather than including this material in the auditor's report, provided that the description on the website addresses, and is not inconsistent with, the description of the auditor's responsibilities below.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated IND AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated IND AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated IND AS financial statements, including the disclosures, and whether the consolidated IND AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated IND AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated IND AS financial statements of which we are the independent auditors. For the other entities included in the consolidated IND AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated IND AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone IND AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated IND AS financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated IND AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated IND AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of three foreign subsidiary included in the audited consolidated financial results, whose annual financial statements reflect total assets of Rs. 8002.56 million as at 31 March 2024, net assets of Rs. 3167.26 million as on that date, total revenue (including Other income) of Rs. 4336.48 million for the year ended on that date and net cash outflow of Rs. 3.60 million for the year ended on that date. These annual financial statements and other financial information have been audited by other auditors whose report has been furnished to us, and our opinion on the Statement to the extent they have been derived from such annual financial statements, is based solely on the report of the other auditors.

Our opinion on the consolidated IND AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we report, to the extent applicable:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated IND AS Financial Statements.
- (b) In our opinion, proper books of account as required by law relating to the aforesaid Consolidated IND AS Financial Statements have been kept by the Company so far as it appears from our examination of those books and the reports of other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of aforesaid Consolidated IND AS Financial Statements.
- (d) In our opinion, the aforesaid consolidated IND AS financial statements comply with the IND AS specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the Directors of the Holding Company as on 31st March, 2024 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 1. There were no pending litigations which would impact the consolidated financial position of the Group.
 2. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

3. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, and its subsidiary company.
4. (i) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 39 (IV) to the consolidated IND AS Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by in company any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
 - directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Company, or
 - Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- (ii) The management has represented, that, to the best of its knowledge and belief, as disclosed in the note 39 (V) to the consolidated IND AS Financial Statements, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall:
 - directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever (“Ultimate Beneficiaries”) by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- (iii) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (g)(4)(i) and (g)(4)(ii) contain any material mis statement.
5. Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.
6. In our opinion and according to the information and explanations given to us, the dividend paid by the Company to its shareholders during the current year is in accordance with the provisions of Section 123 of the Act.
- (h) As required by Section 197(16) of the act, based on our audit and on consideration of the reports of the other auditors, on separate financials statements of the subsidiaries, we report that the holding company and one subsidiary covered under the act paid remuneration to their respective directors during the year in accordance with the provisions of and the limited laid down under Section 19 7 read with Schedule V to the Act to the extent applicable.
- (i) With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor’s Report) Order, 2020 (the “Order”/ “CARO”) issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor’s report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

In conjunction with our audit of the Consolidated Ind AS Financial Statements of the Responsive Industries Limited and its subsidiary companies, collectively (the Group) as of and for the year ended March 31, 2024, we have audited the internal financial controls over financial reporting of the Group, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Group, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial control, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the Company are being made only in accordance with authorizations of management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes to the consolidated financial statements for the year ended March 31, 2024

1. Statement of Significant Accounting Policies:

1.1 Basis of preparation of Consolidated Financial Statements:

The Consolidated Ind AS Financial Statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("Act") read with Companies (Indian Accounting Standards) Rules, 2015; and the other relevant provisions of the Act and Rules thereunder.

The Consolidated Ind AS Financial Statements have been prepared under historical cost convention basis, except for certain assets and liabilities measured at fair value.

The percentage of ownership interest of the Parent Company in the Subsidiary/ Step down Subsidiary Companies is as follows:

Subsidiary	March 31, 2024	March 31, 2023
Axiom Cordages Limited*	-	89.87%
Responsive Industries Limited (Hong Kong)	100%	100%
Responsive Industries Limited (Singapore)**	-	100%
Axiom Cordages Limited (Hong Kong)	100%	89.87%
Axiom Cordages Limited LLC (USA)	100%	100%

*refer Note No. 38

**struck off on 10.10.2023

1.2 Basis of Consolidation:

Subsidiary:

Subsidiaries include all the entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns through its involvement in the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are consolidated from the date on which Group attains control and are deconsolidated from the date that control ceases to exist.

The Consolidated Ind AS Financial Statements have been prepared on the following basis:

The Consolidated Ind AS Financial Statements of the Company and its Subsidiaries have been combined on a line-by-line basis by adding together the balances of items like Assets, Liabilities, Income and Expenditure after fully eliminating the intra-group balances and intra-group transactions resulting in unrealized profits or losses.

The Consolidated Ind AS Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

Non-Controlling interests in the net assets of the Subsidiary Companies that are consolidated consists of the amount of equity attributable to non-controlling shareholders at the date of acquisition and subsequent addition of their share of changes in equity.

Profit or loss and each component of Other Comprehensive Income (OCI) are attributed to the equity holders of the parent and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.

1.3 Changes in the proportion held by non-controlling interests:

Changes in the proportion of the equity held by non-controlling interests are accounted for as equity transactions. The carrying amount of the controlling interests and non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognized directly in equity and attributed to owners of the Company.

1.4 Use of estimates:

The preparation of the Consolidated Financial Statements of the Group in accordance with Indian Accounting Standards (Ind-AS) requires management to make judgements, estimates and assumptions that affect the

Notes to the consolidated financial statements for the year ended March 31, 2024

reported amounts of revenues, expenses, assets, liabilities and the accompanying disclosures along with contingent liabilities at the date of the Consolidated Financial Statements. These estimates are based upon management's best knowledge of current events and actions; however uncertainty about these assumptions and estimates could result in outcomes that may require adjustment to the carrying amounts of assets or liabilities in future periods. Appropriate revisions in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Revisions in estimates are recognized prospectively in the Consolidated Financial Statements in the period in which the estimates are revised in any future periods affected.

1.5 Fair Value Measurement:

The Group measures certain financial instruments at fair value at each reporting date.

Certain accounting policies and disclosures require the measurement of fair values, for both financial and non-financial asset and liabilities.

Fair value is the price that would be received to sell an asset or paid to settle a liability in an ordinary transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumption that market participants would use when pricing an asset or liability acting in their best economic interest. The Group uses valuation techniques, which are appropriate in circumstances and for which sufficient data is available considering the expected loss/ profit in case of financial assets or liabilities.

1.6 Revenue Recognition:

Revenue is recognized when it is earned and no significant uncertainty exists as to its realization and when the revenue can be reliably measured.

Revenue from sale of goods is recognized when all significant contractual obligations have been satisfied, the property in the goods is transferred for a price, significant risks and rewards of ownership are transferred to the customers and no effective ownership is retained.

Revenue from the sale of goods includes excise duty and are net-off returns, taxes or duties collected on behalf of the government and applicable trade discounts and rebates.

Interest income is recognized using Effective Interest Rate (EIR) method.

Revenue in respect of export sales is recognized on the basis of dispatch of goods for exports. (i.e. on the date of Bill of Lading).

Dividend is recognized when right to receive the payment is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of dividend can be measured reasonably.

Other Income is accounted for on accrual basis, when certainty of receipt is established.

1.7 Inventories:

Inventories of Raw Materials, Finished Goods, Semi-Finished Goods, Stores and Spares and Packing Materials, are valued at cost or net realizable value, whichever is lower. Materials-in-transit are valued at cost-to-date. Cost comprises of all cost of purchases, cost of conversion and other costs incurred in bringing the inventory to their present location and conditions. Cost is arrived at on FIFO basis. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Obsolete, slow moving, surplus and defective stocks are identified at the time of physical verification of stocks and where necessary, provision is made for such stocks.

1.8 Property, Plant and Equipment (PPE):

Property, plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

Notes to the consolidated financial statements for the year ended March 31, 2024

The initial cost of an asset comprises its purchase price or construction cost, any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by management, the initial estimate of any decommissioning obligation, if any, and, borrowing cost for qualifying assets (i.e. assets that necessarily take a substantial period of time to get ready for their intended use).

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.

Spare parts which meet the definition of Property, Plant and Equipment are capitalized as Property, Plant and Equipment. In other cases, the spare part is inventorised on procurement and charged to the Statement of Profit and Loss on consumption.

An item of property, plant and equipment and any significant part initially recognised separately as part of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in the Statement of Profit and Loss when the asset is derecognised.

The residual values and useful lives of property, plant and equipment are reviewed at regular intervals and changes, if any, are accounted in line with revisions to accounting estimates.

1.9 Capital Work in Progress:

Cost of assets not ready for use at the balance sheet date is disclosed under capital work-in-progress. Expenditure during construction period is included under Capital Work in Progress & the same is allocated to the respective PPE on the completion of its construction.

1.10 Intangible Assets:

Intangible assets acquired are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

Intangible Assets are amortized on a systematic basis over its useful life on straight line basis and the amortization for each period will be recognized as an expense.

1.11 Borrowing costs:

Borrowing costs consist of interest and other costs incurred in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs that are attributable to the acquisition or construction of qualifying assets (i.e. an asset that necessarily takes a substantial period of time to get ready for its intended use) are capitalized as a part of the cost of such assets. All other borrowing costs are charged to the Statement of Profit and Loss.

1.12 Depreciation:

Depreciation on Plant, Property and Equipment has been provided on the Straight - Line basis, over the estimated useful lives of assets. The Group provides pro-rata depreciation from the date of addition / upto the date of deletion made during the reporting period. Intangible assets are amortized on a straight line basis over the estimated useful economic life.

Depreciation methods, useful lives and residual values are reviewed at each reporting date.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. The cost and related accumulated depreciation are eliminated from the Consolidated Financial Statements upon sale or disposal of the asset and the resultant gains or losses are recognized in the statement of Profit and Loss.

The useful lives determined are in line with the useful lives as prescribed in the Schedule II of the Act, except in case of Plant & Machinery which are depreciated over a useful lives of 20 years based on the technical assessment.

1.13 Impairment of Non-financial Assets:

Non-financial assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists or when annual impairment testing for an asset is required, the

Notes to the consolidated financial statements for the year ended March 31, 2024

Group estimates the asset's recoverable amount. The recoverable amount is the higher of the assets or Cash Generating Units (CGU) fair value less cost of disposal and its value in use. Recoverable amount is determined for an individual asset unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets.

When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

1.14 Government Subsidy:

Grants and subsidies from the Government are recognized if the following conditions are satisfied,

- There is reasonable assurance that the Group will comply with the conditions attached to it.
- Such benefits are earned and reasonable certainty exists of the collection.

Government grants related to revenue are recognized on a systematic basis in net profit in the statement of Profit and Loss over the periods necessary to match them with the related costs which they are intended to compensate.

1.15 Taxes on Income:

a) Current Tax:

Income-tax Assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, by the end of reporting period.

Current Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

b) Deferred tax:

Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred Tax asset and liability are measured at the tax rates that are expected to apply in the year when the asset is realized or liability is settled based on rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred Tax items are recognised in correlation to the underlying transaction either in the Statement of Profit and Loss, other comprehensive income or directly in equity.

1.16 Financial Assets:

a) Initial recognition and measurement:

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

Notes to the consolidated financial statements for the year ended March 31, 2024

b) Subsequent measurement:

Subsequent measurement is determined with reference to the classification of the respective financial assets. The Group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

- Debt instruments at Fair value through Other Comprehensive Income (FVTOCI)

A 'debt instrument' is measured at the fair value through other comprehensive income if both the following conditions are met:

- The asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, these assets are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in the Statement of Profit and Loss. Other net gains and losses are recognised in other comprehensive Income.

- Debt instruments at Fair value through profit or loss (FVTPL)

Fair value through profit or loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as at FVTPL.

- Equity investments

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Group decides to classify the same either as at FVTOCI or FVTPL. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments classified as FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in other comprehensive income (OCI).

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

c) Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's Balance Sheet) when.

The rights to receive cash flows from the asset have expired, or

The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:

- The Group has transferred substantially all the risks and rewards of the asset, or
- The Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On de-recognition, any gains or losses on all equity instruments (measured at FVTPL) are recognised in the Statement of Profit and Loss. Accumulated gains or losses on equity instruments measured at FVTOCI are never reclassified to the Statement of Profit and Loss.

Notes to the consolidated financial statements for the year ended March 31, 2024

d) Impairment of financial assets:

The Company assesses impairment based on expected credit losses (ECL) model to the following:

- Financial asset measured at amortised cost
- Financial asset measured at fair value through other comprehensive income

Expected credit losses are measured through a loss allowance at an amount equal to:

- 12 months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables, considering historical trend, industry practices and the business environment in which the Company operates or any other appropriate basis.

The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

1.17 Financial Liabilities:

a) Initial recognition and measurement:

All financial liabilities are recognised initially at fair value net of transaction costs that are attributable to the respective liabilities.

b) Subsequent measurement:

Subsequent measurement is determined with reference to the classification of the respective financial liabilities. The Group classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.

(i) Financial Liabilities at fair value through profit or loss (FVTPL)

A financial liability is classified as at fair value through profit or loss if it is classified as held-for-trading or is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and changes therein, including any interest expense, are recognised in Statement of Profit and Loss.

(ii) Financial Liabilities measured at amortised cost

After initial recognition, financial liabilities other than those which are classified as fair value through profit or loss are subsequently measured at amortised cost using the effective interest rate method ("EIR").

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

c) Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different

Notes to the consolidated financial statements for the year ended March 31, 2024

terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

1.18 Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

1.19 Employee Benefits:

a) Short-term employee benefit:

Short term employee benefits are recognized as an expense at an undiscounted amount in the Statement of Profit and Loss of the year in which the related services are rendered.

b) Post-employment obligations:

The Group operates the following post – employment schemes:

1. Defined benefit plans such as gratuity, and
2. Defined contribution plans such as provident fund.

Gratuity Obligation:

Provision for Gratuity is recorded on the basis of actuarial valuation certificate provided by the actuary using Projected Unit Credit Method.

The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement of the net defined benefit liability, which comprise actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised immediately in Other Comprehensive Income (OCI). Net interest expense (income) on the net defined liability (assets) is computed by applying the discount rate, used to measure the net defined liability (asset). Net interest expense and other expenses related to defined benefit plans are recognised in the Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in the Statement of Profit and Loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Defined Contribution Plans:

Defined Contribution Plans such as Provident Fund, etc. are charged to the Statement of Profit and Loss as incurred.

1.20 Foreign Currency Transactions:

a) Functional and Presentation Currency:

The Consolidated Financial Statements are presented in Indian rupees which is the functional currency for the Group. All amounts have been rounded off to the nearest millions, unless otherwise indicated.

Notes to the consolidated financial statements for the year ended March 31, 2024

a) Monetary items:

Transactions in foreign currencies are initially recorded at their respective exchange rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at exchange rates prevailing on the reporting date.

Exchange differences arising on settlement or translation of monetary items (except for long term monetary items taken prior to April 1, 2016) are recognised in Statement of Profit and Loss either as Profit or Loss on foreign currency transaction and translation or as borrowing costs to the extent regarded as an adjustment to borrowing costs.

The Group has elected to continue the policy adopted under previous GAAP for accounting the foreign exchange differences arising on settlement or translation of long-term foreign currency monetary items outstanding as of 31st March, 2016 ie. foreign exchange differences arising on settlement or translation of long-term foreign currency monetary items relating to acquisition of depreciable assets are adjusted to the carrying cost of the assets and depreciated over the balance life of the asset and in other cases, if any, accumulated in "Foreign Currency Monetary Item Translation Difference Account" and amortised over the balance period of the asset or liability.

b) Non-Monetary items:

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

1.21 Provisions, Contingent Liabilities and Capital Commitments:

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation

The expenses relating to a provision is presented in the Statement of Profit and Loss net of reimbursements, if any.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Group, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability.

Contingent liabilities are not recognized in the Consolidated Financial Statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.

1.22 Earnings per Share:

Basic earnings per share are calculated by dividing the profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

1.23 Classification of Assets and Liabilities as Current and Non-Current:

All assets and liabilities are classified as current or non-current as per the Group's normal operating cycle (determined at 12 months) and other criteria set out in Schedule III of the Act

Notes to the consolidated financial statements for the year ended March 31, 2024

1.24 Cash and Cash equivalents:

Cash and cash equivalents include cash at bank, cash, cheque and draft in hand. The Group considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

1.25 Cash Flows:

Cash flows are reported using the indirect method, where by net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities are segregated.

B. Measurement of fair values

Valuation techniques and significant unobservable inputs

The Fair Value of the Financial Assets & Liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, for financial instruments measured at fair value in the statement of financial position, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

Type	Valuation Technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Non current financial assets and liabilities	Discounted cash flows: The valuation model considers the present value of measured at amortised cost expected receipt/payment discounted using appropriate discounting rates.	Not applicable	Not applicable

C. Financial Risk Management

C. i. Risk management framework

A wide range of risks may affect the Company's business and operational / financial performance. The risks that could have significant influence on the Company are market risk, credit risk and liquidity risk. The Company's Board of Directors reviews and sets out policies for managing these risks and monitors suitable actions taken by management to minimise potential adverse effects of such risks on the Company's operational and financial performance.

Notes to the consolidated financial statements for the year ended March 31, 2024

C. ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's trade and other receivables, cash and cash equivalents and other bank balances. To manage this, the Company periodically assesses financial reliability of customers, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of accounts receivable. The maximum exposure to credit risk in case of all the financial instruments covered below is restricted to their respective carrying amount.

(a) Trade and other receivables from customers

Credit risk in respect of trade and other receivables is managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in the credit risk on an on-going basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on assets as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business
- ii) Actual or expected significant changes in the operating results of the counterparty
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparties ability to meet its obligation
- iv) Significant changes in the value of the collateral supporting the obligation or in the quality of third party guarantees or credit enhancements

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. When loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. When recoverable are made, these are recognised as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

(b) Cash and cash equivalents and Other Bank Balances

The Company held cash and cash equivalents and other bank balances of Rs. 213.52 million at 31st March 2024 (P.Y. Rs. 541.32 million). The cash and cash equivalents are held with bank with good credit ratings and financial institution counterparties with good market standing. Also, Company invests its short term surplus funds in bank fixed deposit, which carry no / low mark to market risks for short duration therefore does not expose the Company to credit risk.

C. iii. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

Liquidity risk is managed by Company through effective fund management of the Company's short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and other borrowing facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted.

C. iv. Market risk

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

C. iv.a Currency risk

The Company is exposed to currency risk on account of its operating and financing activities. The functional currency of the Company is Indian Rupee. Our exposure are mainly denominated in U.S. dollars. The USD exchange rate has changed substantially in recent periods and may continue to fluctuate substantially in the future. The Company's business model incorporates assumptions on currency risks and ensures any exposure is covered through the normal business operations. This intent has been achieved in all years presented. The Company has put in place a Financial Risk Management Policy to Identify the most effective and efficient ways of managing the currency risks.

Exposure to currency risk

The currency profile of financial assets and financial liabilities as at March 31, 2024, March 31, 2023 are as below:

	(USD in million)
31st March, 2024	USD
Financial assets	
Bank Balances other than Cash and Cash Equivalents	-
Trade receivables	1,227.14
Net exposure for assets	1,227.14
Financial liabilities	
Short Term Borrowings	0.94
Trade and other payables	66.98
Net exposure for liabilities	67.92
Net exposure (Assets - Liabilities)	1,159.22

Notes to the consolidated financial statements for the year ended March 31, 2024

(USD in million)	
31st March, 2023	USD
Financial assets	
Bank Balances other than Cash and Cash Equivalents	-
Trade receivables	1,322.74
Net exposure for assets	1,322.74
Financial liabilities	
Short Term Borrowings	17.57
Trade and other payables	42.38
Net exposure for liabilities	59.95
Net exposure (Assets - Liabilities)	1,262.79

Sensitivity analysis

A reasonably possible strengthening / (weakening) of the Indian Rupee against US dollars at 31st March would have affected the measurement of financial instruments denominated in US dollars and affected profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases. In cases where the related foreign exchange fluctuation is capitalised to fixed assets, the impact indicated below may affect the Company's income statement over the remaining life of the related fixed assets or the remaining tenure of the borrowing respectively.

Impact of movement on Profit or (loss) and Equity :

(Rs in million)		
Effect in INR (before tax)	Profit or (loss) and Equity	
	Strengthening	Weakening
For the year ended 31st March, 2024		
1% movement		
USD	565.12	(565.12)
	565.12	(565.12)
For the year ended 31st March, 2023		
1% movement		
USD	943.94	(943.94)
	943.94	(943.94)

C. iv.b Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Company manages its interest rate risk by monitoring the movements in the market interest rates closely.

Exposure to interest rate risk

Company's interest rate risk arises primarily from borrowings. The interest rate profile of the Company's interest-bearing financial instruments is as follows.

Notes to the consolidated financial statements for the year ended March 31, 2024

(Rs in million)

	As at 31/03/2024	As at 31/03/2023

Cash flow sensitivity analysis for variable-rate instruments

The sensitivity analysis below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting year and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in the case of instruments that have floating rates. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates :

(Rs. In Million)

Cash flow sensitivity (net)	Profit or loss	
INR	50 bp increase	50 bp decrease
31st March 2024		
Variable-rate loan instruments	(9.35)	9.35

Variable-rate loan instruments	(11.53)	11.53
Cash flow sensitivity (net)	(11.53)	11.53

C. iv.c Other price risk

The Company invests its surplus funds in various Equity and debt instruments .These comprise of mainly liquid schemes of mutual funds (liquid investments), Equity shares, Debentures and fixed deposits. This investments are susceptible to market price risk, mainly arising from changes in the interest rates or market yields which may impact the return and value of such investments. However due to the very short tenor of the underlying portfolio in the liquid schemes, these do not pose any significant price risk.

Note 38 : Amalgamation of Axiom Cordages Limited (ACL) with the Company

The Board of Directors ("Board") of ACL and of the Company at their respective meetings held on November 26, 2021 considered and approved a scheme of amalgamation and arrangement (the "Scheme") in relation to the amalgamation of ACL with the Company under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 and the rules thereunder. The scheme was approved by the National Company Law Tribunal (NCLT) on October 4, 2023. The Scheme provided for an appointed date of April 1, 2021. The approved NCLT orders have been filed with the Registrar of Companies (RoC) on October 7, 2023. Pursuant to filing of the orders with the RoC, ACL was wound up without liquidation.

Pursuant to the scheme, the authorised equity share capital of the Company stands increased, without any further act or deed on the part of the company, including payment of stamp duty and Registrar of Companies fees, by Rs. 800 million, being the authorised equity share capital of the transferor company. Memorandum of Association and Articles of Association of the Company stand amended accordingly without any further act or deed on the part of the company.

In accordance with the terms of the approved Scheme, the all eligible equity shareholders of ACL were to receive 100 equity shares of the Company (face value of Re. 1 each) for every 81 equity shares of ACL (face value of Rs. 10 each), held by them as on October 13, 2023 ('record date'). Allotment of 41,14,174 equity shares to the eligible equity shareholder of ACL was completed on November 1, 2023. As a result, issued capital of the Company increased by 41,14,174 equity shares. Upon the Scheme coming into effect and post allotment of equity shares to the non-promoter shareholder of ACL, pre-amalgamation 44,18,330 equity shares of the Company held by ACL, stands cancelled in accordance with section 230 to 232 of the Act and pursuant to the order of the NCLT sanctioning the Scheme and the same shall be deemed to be an order under section 66 of the Act (and other applicable provisions or rules, if any).

In accordance with the Scheme all assets, liabilities, employees and the business undertaking of ACL shall vest and be transferred to the Company w.e.f. the appointed date.

The amalgamation of ACL has been recorded in the financial statements using the pooling of interest method as specified by Appendix C to Ind AS 103, Business combination of entities under common control. The accounting treatment followed by the Company is in accordance with the accounting treatment specified in the approved Scheme. For the purpose of the financial statements, the amalgamation has been recorded from the appointed date of April 1, 2021. The accounting treatment followed by the company is as follows:

- a) All assets, liabilities and reserves relating to ACL as appearing in the consolidated financial statements of the Company have been transferred and vested in the Company and has been recorded at the book values (In accordance with clarification issued by Ind AS Transition Facilitation Group (ITFG) vide Issue 2 to Bulletin 9).
- b) The amount of any intercompany balances between ACL and the Company have been cancelled.
- c) The accounting policies followed by ACL have been adjusted for differences (if any) between the accounting policies followed by the Company and the accounting policies followed by the Company have prevailed.

Notes to the consolidated financial statements for the year ended March 31, 2024

- d) The surplus arising out of: (i) the book values of assets over the values of liabilities and reserves taken over on amalgamation; (ii) Face value of equity shares to be issued to the minority shareholders of ACL; and (iii) after considering adjustments for elimination of intercompany balances and differences in accounting policies followed by ACL, is recorded as capital reserve and retained earnings, as applicable.
