Management Discussion and Analysis Report

OVERVIEW

Our Company Was incorporated as Franklin Leasing and Finance Private Limited on March 16, 1992 under the Companies act, 1956, bearing registration No. 048028 having its registered office at Delhi. Subsequently the company became the Public Limited Company pursuant to a special resolution passed by the members of the company at the EGM held on September 10, 2013 and the name of the company was changed to Franklin Leasing and Finance Limited. A fresh Certificate of Incorporation consequent to a public Limited Company was issued on February 13, 2014 by ROC, Delhi.

Our Company is NBFC Registered with RBI to carry NBFC activities under section 45 -IA of the Reserve Bank of India Act, 1934 bearing Registration No. B-14.02383 dated May 22, 2001.

The year 2019-20 began with several changes on the macroeconomic front, including rising inflation, dwindling industrial output and a falling rupee. The enactment of the GST legislation has been a milestone reform that will create a win-win environment for all stakeholders and heralds an integrated and productive economy, and is expected to further boost economic growth. However, there could be temporary transition challenges during the cut-over

INDUSTRY STRUCTURE & DEVELOPMENTS

This section of the Annual Report has been included in adherence to the spirit enunciated in the Code of Corporate Governance approved by the Securities and Exchange Board of India. Shareholders and Readers are cautioned that in the case of data and information external to the Company, though the same are based on sources believed to be reliable, no representation is made on its accuracy or comprehensiveness. Further, utmost care has been taken to ensure that the opinion expressed therein contain its perceptions on most of the important trends having a material im pact on the Company's operations.

We are a Non- Deposit taking Non- Systematically Important Non- Banking Finance Company (NBFC-ND- NSI) engaged primarily in the business of advancing loans and investing/trading in securities. The Company undertakes no obligation to publicly update or revise any of the opinions or forward-looking statements expressed in his report, consequent to new information, future events, or otherwise. Estimation and expectation made in the Report may differ from actual performance due to various Economic conditions, Government Policies and other related factors. We have been running on a modest operating scale till the mid of 2021-21. However the company from now onwards has commenced a process of improving our internal systems including but not limited to allocation strategies, Financial Discipline and better utilizations of our fund based portfolio.

Goods & Services Tax (GST) will stand to benefit as entertainment tax will fall under the ambit of GST and input credits will be available to all segments across the board.

The keen emphasis laid by the central government on the ease of doing business and “Make in India” initiative led to higher FDI inflows. However, economic growth in 2021-2022 is expected to be higher which augurs well for our industry.

INDUSTRY DEVELOPMENT:

The NBFCs show moderation growth in asset management, rising delinquency resulting in higher provisionary thereby impacting profitability. However, comfortable capitalization level and conservative liquidity management continues to provide comfort to the credit profile of well run of NBFCs inspire of the impact of the profitability.

GOODS AND SERVICE TAX

Goods and Services Tax (GST) is a landmark reform which will have a lasting impact on the economy and on businesses. Implementation of a well-designed GST model that applies to the widest possible base at a low rate can provide significant growth stimulus to the business and contribute to the Prime Minister’s mission of ‘Make in India’. Your Company has been preparing for migrating to GST for the past year; changes across IT systems, Supply Chain and operations have been made keeping in mind the sweeping changes that GST would bring in. While there are a few areas that need to be addressed, the Government has announced an intention to go live on GST on 1st July, 2018 and your Company will be ready for this transformative reform. There were some big positives in India too that would lay the foundation for future growth.

The biggest among them being the growing consensus between all parties to roll out the combined Goods & Services Tax (GST). With the Constitution Amendment Bill for Goods and Services Tax being approved by the President of India post its passage in the Parliament, India moved a step closer to creating a unified taxation structure. GST is bound to usher in efficiencies in the system via ease of doing business (one tax rate subsuming all other taxes), thereby leading to an improved business environment. It will help curtail the cascading effect of multiple taxes and enable faster movement of goods across the country. Moreover, GST implementation is likely to have some temporary impact due to probable down stocking in the trade channels and likely conversion from unorganized to organized

To the Members of **FRANKLIN LEASING AND FINANCE LIMITED**

Opinion

We have audited the financial statements of FRANKLIN LEASING AND FINANCE LIMITED (“the Company”), which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, its **profit** and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Accounting Standards (AS) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S. No.	Key Audit Matter	Auditor’s Response
1.	Nil	Nil

Information other than the financial statements and auditors’ report thereon

The Company’s board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board’s Report including Annexures to Board’s Report but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards (AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Internal Financial Controls with reference to financial statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of FRANKLIN LEASING AND FINANCE LIMITED ("the Company") as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

-A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any

evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2018, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
